For eighteen-year-old Gideon Blake, nothing but death can keep him from achieving his goal of becoming a U.S. Army Ranger. As it turns out, it does. Recovering from the accident that most definitely killed him, Gideon finds himself with strange new p

Perfect Kisses

SCHOOL FOR SCANDAL: James Bell, Viscount Ormond, is a shameless rake, infamous for his skills in seduction--and Claire Russell doesn't intend for her sister to become his latest conquest. That is why she's come to the viscount's private masked ball. The flagrant sensuality and unabashed decadence on display there are shocking, but they are nothing compared to the scandalous fire Claire feels when James makes a wholly improper suggestion--improper, indecent, and very, very tempting. MISCHIEF AND THE MARQUESS: Justin, the Marquess of Fontaine and Lady Sophie Milton-Riley have no desire to marry. To satisfy their mothers' insistence that they would be quite right together, they set out to demonstrate how completely ill suited they are for one another. Justin is allergic to her perfume.

Sophie dislikes his dogs. He prefers blondes; she, brunette men. But the more they seek to prove how wrong their union would be, the more right things feel. And when opposites attract, there's no denying the sparks or the heat. RUBY KISS: Susannah Fowler is in possession of many temptations--an independent nature, a quick wit, and lush curves. She is also in possession of a fortune in stolen jewels hidden within her favorite corset. If rakehell Carlyle Jameson wants it, he will have to remove it himself. From her boudoir or from her body. One kiss ought to distract her, but one kiss leads to another and another, till there's no turning back and no desire to try.

Date Me Like You Mean It

I'm good at hiding my feelings. Having to pretend I'm not in love with my best friend? Pfft. That's child's play. Here's how I do it: I avert my eyes when he walks out of his room, shirtless in all his toned glory. I squash the butterflies that fill my stomach every time he slowly unfurls a dimpled smile. And, most importantly, I keep an arsenal of "personal massagers" in my bedside drawer. Wink. Not to brag, but Aiden Smith isn't hard to resist if you've been doing it for as long as I have. In fact, we might have continued as best friends forever if not for the fact that I needed him to play the part of my fake boyfriend. Date me like you mean it, I told him. Nudge nudge. C'mon, just go along with a little lie, help a girl out, and then we can all return to life as we know it. Except he veered from the plan. He crossed the line. Flirting with me when no one else was around? Pinning me down and kissing me like that? Okay, how exactly is taking off my bra part of the ruse, Aiden?! I'd ask him about it if I could, but well...things got ugly and we're not best friends anymore. In fact, we're the exact opposite. Now, I have to play nice even though I want to crush his heart in the palm of my hand. Pretending not to love Aiden was the easy part. Pretending not to hate him? Well...I might need a little more practice.

Love the One You Hate

Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure—I intend to find out.

On Fire

From Sylvia Day, the #1 New York Times bestselling author of the Crossfire novels, comes a novella of the Shadow Stalkers. When Deputy US Marshal Jared Cameron started investigating a series of arson attacks in the small seaside town of Lion's Bay, he had no idea that the biggest blast of heat would come from the fire inspector. Her name was Darcy Michaels—and if there was anyone that Jared wanted to get down and sweaty with, it was Darcy. Darcy knew what she was bringing out in Jared. In fact, she liked it. She reveled in making his dirty dreams come true. Stripped down for a scorching after-hours affair, Jared was her fantasy, too. A hard-driving man who knew exactly what to do to please her. But as hot as their nights were, they had no idea just how wild it was going to get. Because Darcy has a secret. And a past. And it's drawing them right into the flames... Includes an excerpt of Razor's Edge, another Shadow Stalkers novella. On Fire previously appeared in Hot in Handcuffs

Faking the Game

From USA TODAY BESTSELLING AUTHOR Claudia Burgoa comes this fake-relationship-office romance that'll leave readers laughing and swooning! What happens when the guy who's afraid of love finds himself in it? Know what they say about never mixing business with pleasure? I thought it was dumb. The one about never sleeping with your boss? I ignored it, too. I blame Aslan Spearman, the boss. He's a wealthy playboy who doesn't believe in happily ever after. He's demanding, a workaholic, and a cynical...jerk. He'd rather have a root canal than be in a romantic relationship. Do you want to know a secret? I think he's afraid of love. So when he has to go to the Spearman family reunion in Hawaii with his girlfriend, he's in big trouble. That's what happens when you lie to your family about your relationship status. Sylvia Day Crossfire Novels 1-4

Now in one deluxe collection, the first four novels in the #1 New York Times bestselling Crossfire series. Bared to You He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds... and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart... Reflected in You Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire...mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession... Entwined with You From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and

damaged soul inside—so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... Captivated by You Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...
