Emily Ever After(PB)

Seeking an escape from life in her small California town, Emily Hinton is delighted when she is offered a job in New York City, where she finds herself torn between the glamour and glitter of New York and her determination to remain true to her morals.

Emily Ever After

Seeking an escape from life in her small California town, Emily Hinton is delighted when she is offered a job in New York City, where she finds herself torn between the glamour and glitter of New York and her determination to remain true to her morals.

Ever After

Twenty-year-old Emily meets Justin, a young Army reservist, and their deep love built on the foundation of faith blossoms into plans for marriage, while Emily's parents must learn to set aside their opposing views on the war in Iraq.

For Emily

Her grandmother's final words are Emily's first chapter . . . Catriona Robinson - the country's most beloved children's author - worries about her granddaughter, Emily. Ever since the car crash that claimed both her parents' lives and left her with life-changing injuries, Emily has been voluntarily mute and refuses to leave the house. When her grandmother dies unexpectedly, Emily is in danger of retreating from the world even further. But Catriona was always too cunning to ever let that happen. Days after the funeral, Emily discovers a coded dedication in her grandmother's first book. And then another, and another. Every one apparently written just for Emily - each a clue that will lead her on a bigger quest in search of Catriona's much-rumoured final manuscript. If she ever hopes to find it, Emily must take a leap into the unknown. All she needs is a little dedication . . .

Best Buds Forever

When Emily discovers an empty lot that used to be a community garden, she and her crafty friends make it bloom once again in this seventh book of the Craftily Ever After chapter book series. Emily Adams learns that an empty dirt lot in town used to be a beautiful garden but now it's about to be paved over. So, she decides to take action. Emily and her three crafty friends, Maddie, Bella, and Sam decide the best way to save the old garden is to create a new one! But first they have to get the neighborhood on board. They research why gardens are great for the environment and the community, and they present the information to their friends, family, and neighbors. The last person they have to convince is the mayor himself. The friends know that no matter what happens, they'll be best buds forever...but

will the mayor like their plan? With easy-to-read language and illustrations on almost every page, the Craftily Ever After chapter books are perfect for emerging readers.

Hooked

He wants revenge, but he wants her more. Once Upon A Time, there was a little boy. His belly full of laughter, his life full of joy. Until one day, something changed; stripped his innocence away. The hole inside making space for the devil to come and play. His dreams gone forever, he grew up way too fast. An endless night of crocodiles, and watches made of glass. He grew into a villain, the taste of vengeance on his tongue. Craving to make his enemies pay for the misdeeds they had done. Instead he found a darling girl, and refused to let her go. For what better way to make the man pay, than to steal his little shadow. *Hooked is a full-length, complete standalone and the first in The Never After Series: A collection of fractured fairy tales where the villains get the happy ever after. This is a DARK Contemporary romance (not fantasy) featuring mature themes and content that may not be suitable for all audiences. Reader discretion is advised.*

Picture-Perfect Science Lessons

In this newly revised and expanded 2nd edition of Picture-Perfect Science Lessons, classroom veterans Karen Ansberry and Emily Morgan, who also coach teachers through nationwide workshops, offer time-crunched elementary educators comprehensive background notes to each chapter, new reading strategies, and show how to combine science and reading in a natural way with classroom-tested lessons in physical science, life science, and Earth and space science.

Captain Coy and the Almost Ever After

Captain Coy is a rambunctious boy with the heart of a pirate. He loves to go on fun and daring adventures, and often gets himself into trouble! Setting out to Pirate Cove one day, he gets lost. Little does he know he's landed in Ever After—the world of glitter, sparkles, and everything girls. Soon after, two giggling princesses capture him so they can keep him in their palace for tea parties. What will Captain Coy do? In this funny and exciting story about boyhood and adventure, follow Coy as he plans a clever escape—or else he will be stuck in Ever After forever!

It's Not Always Happily Ever After

A new student gets between best friends Emily and Maddie—and changes the meaning of their friendship bracelets!

The Un-Friendship Bracelet

In the first book of the Craftily Ever After chapter book series, a new student gets between best friends Emily and Maddie—and changes the meaning of their friendship bracelets! Emily Adams, Maddie Wilson, Bella Diaz, and Sam Sharma are eight-year-olds with one special thing in common: they love to create. They each have unique talents, too! Emily is great at constructing and building; Maddie has an eye for fashion, fabrics, and sewing; Bella is a gadget whiz; and Sam is a gifted artist. Together, these four crafty friends dream up new projects to design, build, and create and through their experiences, they'll learn how to handle various obstacles at school and in their everyday eight-year-old lives. In the first Craftily Ever After book, best friends Emily and Maddie are so close that they spend most of their free time together, and wear matching friendship bracelets, too! One day, a new student named Bella Diaz shows up at Mason Creek Elementary. Maddie immediately befriends her, discovering that she too is really crafty. As Maddie and Bella spend more time together, Emily finds herself spending more time alone...until she realizes that the boy who's been sitting next to her in class this whole time loves to draw and create just like she does. When Emily's friendship bracelet falls off and Maddie doesn't even notice, Emily begins to think that maybe it was an un-friendship bracelet after all. With easy-to-read language and illustrations on almost every page, the Craftily Ever After chapter books are perfect for emerging readers.

The Un-Friendship Bracelet

Two couples torn apart—one by war between countries, one by war within. In this moving sequel to Even Now, Emily Anderson, now twenty, is attending college on a soccer scholarship when she meets the man who changes everything for her: Army reservist Justin Baker. Their tender relationship, founded

on a mutual faith in God and nurtured by their trust and love for each other, proves to be a shining inspiration to everyone they know, especially Emily's reunited birth parents, Lauren Gibbs and Shane Galanter. Lauren and Shane still struggle to move past their opposing beliefs about war, politics, and faith. Shane believes it's possible but Lauren doesn't. So she says a painful good-bye to her long-ago love and returns to her job as a war correspondent in Afghanistan. Both hearts are shattered, and Lauren and Shane believe that this time their relationship has truly ended forever. Then tragedy sends shock waves through all their lives. Can Lauren and Shane set aside their opposing views so that love—God's love—might win, no matter how great the odds?

Ever After

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Caddy Ever After

The untold story of the extraordinary mother and daughter who brought Emily Dickinson's genius to light. Despite Emily Dickinson's world renown, the story of the two women most responsible for her initial posthumous publication—Mabel Loomis Todd and her daughter, Millicent Todd Bingham—has remained in the shadows of the archives. A rich and compelling portrait of women who refused to be confined by the social mores of their era, *After Emily* explores Mabel and Millicent's complex bond, as well as the powerful literary legacy they shared. Mabel's tangled relationships with the Dickinsons—including a thirteen-year extramarital relationship with Emily's brother, Austin—roiled the small town of Amherst, Massachusetts. After Emily's death, Mabel's connection to the family and reputation as an intelligent, artistic, and industrious woman in her own right led her to the enormous trove of poems Emily left behind. So began the herculean task of transcribing, editing, and promoting Emily's work, a task that would consume and complicate the lives of both Mabel and her daughter. As the popularity of the poems grew, legal issues arose between the Dickinson and Todd families, dredging up their scandals: the affair, the ownership of Emily's poetry, and the right to define the so-called "Belle of Amherst." Utilizing hundreds of overlooked letters and diaries to weave together the stories of three unstoppable women, Julie Dobrow explores the intrigue of Emily Dickinson's literary beginnings. After Emily sheds light on the importance of the earliest editions of Emily's work—including the controversial editorial decisions made to introduce her singular genius to the world—and reveals the surprising impact Mabel and Millicent had on the poet we know today.

After Emily: Two Remarkable Women and the Legacy of America's Greatest Poet

Maddie, Bella, Emily, and Sam create rock star-worthy instruments with found objects in this second book in the brand-new Craftily Ever After chapter book series! Emily Adams, Maddie Wilson, Bella Diaz, and Sam Sharma are eight-year-olds with one special thing in common: they love to create. They each have unique talents, too! Emily is great at constructing and building; Maddie has an eye for fashion, fabrics, and sewing; Bella is a gadget whiz; and Sam is a gifted artist. Together, these four crafty friends dream up new projects to design, build, and create and through their experiences, they'll learn how to handle various obstacles at school and in their everyday eight-year-old lives. In the second Craftily Ever After book, there's a talent show at school and for the first time, Maddie, Bella, Emily, and Sam can't think of anything to do. That is, until an old tin can and some plastic tubing give them a musical idea! With easy-to-read language and illustrations on almost every page, the Craftily Ever After chapter books are perfect for emerging readers.

Making the Band

Emily finally convinces her parents to get a puppy—but soon realizes she's allergic! Can her friends help her figure out the perfect pet? Find out in this fifth book of the Craftily Ever After chapter book series. Emily Adams, Maddie Wilson, Bella Diaz, and Sam Sharma are eight-year-olds with one special thing in common: they love to create. They each have unique talents, too! Emily is great at constructing and building; Maddie has an eye for fashion, fabrics, and sewing; Bella is a gadget whiz; and Sam is a gifted artist. Together, these four crafty friends dream up new projects to design, build, and create and through their experiences, they'll learn how to handle various obstacles at school and in their everyday eight-year-old lives. Emily is desperate to get a puppy. She's worked really hard to convince her parents that she's responsible and ready and they've finally agreed. But first, Emily's going to volunteer at the local animal shelter to get some practice caring for the animals. She's loving it until—ah-ahhh-CHOOO!—she discovers that she's allergic to them! Emily is devastated. Luckily,

her creative friends just might have the perfect solution to cheer her up. With easy-to-read language and illustrations on almost every page, the Craftily Ever After chapter books are perfect for emerging readers.

DIY Pet Shop

Bella, Emily, Maddie, and Sam decide to create their very own start-up—a lemonade stand!—in this fifth book of the Craftily Ever After chapter book series. Bella, Emily, Maddie, and Sam have been hard at work in their craft studio—so busy in fact, that their supplies are starting to dwindle. It's time to stock up! In order to add a little money to their piggy bank, the friends decide to combine their skills and use the last of their allowance to create their very own business: a lemonade stand! But something's not quite right. While the stand looks fabulous, the lemonade is...not. And where are all their customers? Can these crafty entrepreneurs save their business before it's too late? With easy-to-read language and illustrations on almost every page, the Craftily Ever After chapter books are perfect for emerging readers.

Breaking the Piggy Bank

Emily, Maddie, Bella, and Sam can't agree on what to create for their school's big craft fair in the eighth book of the Craftily Ever After chapter book series. Will they be able to glue their crafty family back together? When Emily, Maddie, Bella, and Sam learn that there's going to be a craft fair at their school, they are beyond excited! What could be more perfect for four kids who love to craft? But as the friends brainstorm ideas for the perfect project, they can't seem to agree on one! So they decide to go their separate ways for the craft fair. But does that mean the friends are going to go their separate ways...forever? Or will they realize that they're better working together as one big crafty family? With easy-to-read language and illustrations on almost every page, the Craftily Ever After chapter books are perfect for beginning readers.

One Big Crafty Family

Sometimes travelling alone can be murder... Emily Barr transports readers to a sinister, dangerous South East Asia in *Backpack*. Escaping the downward spiral of her London life, Tansy gets more adventure than she bargained for. The perfect read for fans of Lisa Jewell and Adele Parks. 'Barr's debut comes as a blast of fresh air' - Sunday Express Tansy has to escape from her London life. She's desperate to get away from her media job, her coke habit, her dead mother and her selfish boyfriend. But she finds travelling through Asia more smelly than romantic and, besides, she's missing her boyfriend. However she is determined not to give in, give up or go home. As she travels further east she begins to enjoy her journey - until murder starts to follow her and the trip becomes much more adventurous than she had anticipated. What readers are saying about *Backpack*: 'A deep and thoughtful exploration of two journeys - psychological and literal' 'Fantastically written, there are many observations that ring true to anyone who's ever been globetrotting. Add a chilling thriller into the equation and you've got one mind-blowing read' 'A page-turningly good plot, with an intelligent viewpoint on travellers, politics and human relationships'

Backpack

'A gorgeously sparkly romance about letting go and learning to love again. The perfect Christmas read!' - Julia Williams, bestselling author of *Coming Home for Christmas* The most wonderful time of the year?

Christmas Ever After (Puffin Island trilogy, Book 3)

Seasons of Love sees all four of Emily Murdoch's regency romance novellas brought together for the very first time in this beautifully moving collection. A CHRISTMAS SURPRISE Every year for thirty years Lord Robert, the Viscount of Marchwood, throws a Christmas Ball. But this year the Marchwood Christmas Ball holds extra importance as his daughter, Lady Audrey, has just turned 18 and it is time for her coming out. With the Marchwood family fortune all but gone, Lord Robert is keen to secure her a prosperous match. But when a handsome, masked stranger threatens to steal Audrey's heart, will it prove to be a good or bad Christmas Surprise A VALENTINE'S SECRET Jonathan Brodie, the only son of Sir Roger and Lady Brodie, has lived in the village of Maplebridge his whole life. Penelope, the daughter of the local florist, was adopted by the Baldwins when she was just a baby. They could not be more different and yet, one blustery January morning, their paths collide in a chance encounter that is

destined to change their lives forever... A JUNE WEDDING Victoria Walsingham's heart will only ever belong to Isaac Quinn, the son of the Duke of Daventry, but their opposing social standings force them apart. However, when her brother unexpectedly inherits the title of the Earl of Cheshire, Victoria's life is transformed and she is thrown into high-society. But when Victoria finally returns home in the hope of reconciling with Isaac, an invitation is waiting for her to the wedding of Mr Isaac Quinn and a Miss Hestia Royce. With time running out, will Victoria ever get her happy ending? A HARVEST PASSION When teacher Leo Tyndale moves to the small English town of Sandercombe after five years in India, he does not expect that his time at the local school will be a long one. But a brief encounter with the beautiful - and fiercely independent - Hestia Royce soon has him changing his mind. But Hestia is an outcast in the town after leaving Sandercombe a year ago to be married, only to return without a husband to a place abuzz with speculation. Will they ever be able to admit their feelings for each other? Or will society deny them their happily ever after? Praise for Emily Murdoch 'An enthralling saga.' Robert Foster, bestselling author of The Lunar Code Emily Murdoch is a medieval historian and writer who has worked at the Bodleian Library in Oxford, the Yorkshire Museum and as part of the National Trust. She has a degree in History and English, and a Masters in Medieval Studies, both from the University of York. Emily is also the author of Conquests, Love Letters and Captives.

Seasons of Love

In this sparkling romance from Sharla Lovelace, the bestselling author of Just One Day and The Reason is You, a woman must confront the secrets of her past when the man she once loved returns to town after twenty years. For fans of Jodi Thomas and Lori Wilde. Ben Landry knew Emily Lockwood inside and out. From childhood friends to young lovers, they shared an unbreakable bond. But that didn't stop Ben from leaving town without saying good-bye... Twenty years later, Emily now has a successful career, a stubbornly independent grown daughter, an ex-husband who rarely tests her patience, and a mother who often does. But Emily also has a secret, one that she buried long ago and tried to forget. Then Ben returns, and any sense of normalcy in her life is gone. Seeing Ben does more than bring back memories. Visions of her past begin playing before her eyes and show every choice she made in a revealing new light and a startling new angle. For Emily, seeing her life in rewind makes her realize she has hard choices to make for her future—choices that could redefine everyone else's future as well.

The Life and Letters of Elizabeth Prentiss ...

Fleeing from the queen's accusation of murder and sorcery, Everley Donovan -- the girl with the clock heart -- must catch Killian Markham, the fugitive prince guilty of the crimes for which she's been condemned. She follows him into the realm of the Silver-Clouded Plain, where flesh-eating behemoths thrive, long-lost gods hide, and an artifact of destructive force awaits the death grip of the immortal prince. But the elusive relic threatens more than the very power that drives her clock heart. In Killian's hands, it can lead to the dismantling of the seven worlds. This is Everley's destiny: The time of reckoning is at hand. -- adapted from jacket

Emily's Choice

Emily Fox-Seton is a well-bred but penniless lady who works for the selfish Lady Maria Bayne. At 34, she knows she is unlikely to marry, and her prospects are bleak. Despite that, she has a positive outlook and enjoys the simple pleasures of life. Her kindness, unselfishness and desire to make others happy attract the aging and wealthy Marquis Walderhurst. He sweeps her off her feet and they get married. Not long after, he travels to India, leaving Emily with child. But not everyone is happy for Emily.. Soon, her husband's former heir, Alec Osborn, arrives and attempts to regain what he believes is his birthright. Mysterious murder plots arise, putting Emily and her child in danger. Will she find her happy ever after? Set in the early 19th century, this Cinderella-like story is a collection of two separate books, "The Making of a Marchioness" and its sequel "The Methods of Lady Walderhurst." Frances Eliza Hodgson Burnett (1849-1924) was born in Manchester, England, but emigrated to the United States after her father's death. She wrote stories for magazines to help her family financially, and would later write plays and novels. Her most famous works are 'A Little Princess' (1905) and 'The Secret Garden' (1911).

Tamara King

'Heartwarming and uplifting - a gorgeous festive treat.' Sarah Morgan, author of SNOWED IN FOR CHRISTMAS 'No-one does friendship better than Cathy' Karen Swan, author of THE CHRISTMAS

POSTCARDS In a picturesque town in Derbyshire, Merry has always wanted a family to spend Christmas with, and this year her dream comes true as she says 'I do' to father-of-two Cole. But as she juggles worries about her business, last-minute wedding planning and the two new children in her life, Merry is stretched to breaking point. Meanwhile, only a few miles away, Emily is desperately waiting for the New Year to begin. Her father Ray's dementia is worsening, and she's struggling to care for him alone while holding down a job. When Ray moves into a residential home, she discovers a photograph in his belongings that has the potential to change everything. As shocking secrets from Ray's past finally come to light, will this Christmas make or break Emily and Merry? Praise for **MERRILY EVER AFTER** 'The perfect comfort read to warm your heart as the nights draw in and the festive season approaches' **PHILLIPA ASHLEY** 'Brimming with seasonal secrets and festive feelgood - is Christmas even Christmas without Cathy Bramley?' **HOLLY HEPBURN**

Before and Ever Since

'I love Stephanie... She's one of my favourite truth tellers online, she pulls no punches and empowers so many women with her own commitment to equality... This book is going to mean a lot, to a lot of people.' – Jameela Jamil Stephanie Yeboah has experienced racism and fat-phobia throughout her life. From being bullied at school to being objectified and humiliated in her dating life, Stephanie's response to discrimination has always been to change the narrative around body-image and what we see as beautiful. In her debut book, *Fattily Ever After*, Stephanie speaks openly and courageously about her own experience on navigating life as a black, plus-sized woman – telling it how it really is – and how she has managed to find self-acceptance in a world where judgement and discrimination are rife. Featuring stories of every day misogynoir and being fetishized, to navigating the cesspit of online dating and experiencing loneliness, Stephanie shares her thoughts on the treatment of black women throughout history, the marginalisation of black, plus-sized women in the media (even within the body-positivity movement) whilst drawing on wisdom from other black fat liberation champions along the way. Peppered with insightful tips and honest advice and boldly illustrated throughout, this inspiring and powerful book is essential reading for a generation of black, plus-sized women, helping them to live their life openly, unapologetically and with confidence.

The Harvest of Years

"Maddie, Sam, Emily, and Bella have been busy at their craft clubhouse--so busy, in fact, that their supplies are starting to dwindle. It's time to stock up! In order to add a little money to their piggy bank, the friends decide to combine their skills and create their own business: an agua fresca stand! But something's not quite right. While the stand looks fabulous, the agua fresca is...not. Can these crafty kids save their business before it's too late?"--Page [4] of cover.

Everafter Song

Sometimes hope for the future is found in the ashes of yesterday. **EVEN NOW** A young woman seeking answers to her heart's deepest questions. A man and woman driven apart by lies and years of separation...who have never forgotten each other. With hallmark tenderness and power, Karen Kingsbury weaves a tapestry of lives, losses, love, and faith—and the miracle of resurrection. **EVER AFTER** 2007 Christian Book of the Year Two couples torn apart – one by war between countries, and one by a war within. In this moving sequel to *Even Now*, Emily Anderson, now twenty, meets the man who changes everything for her: Army reservist Justin Baker. Their tender relationship, founded on a mutual faith in God and nurtured by their trust and love for each other, proves to be a shining inspiration to everyone they know, especially Emily's reunited birth parents. But Lauren and Shane still struggle to move past their opposing beliefs about war, politics, and faith. When tragedy strikes, can they set aside their opposing views so that love—God's love—might win, no matter how great the odds?

Emily Fox-Seton

Popular blogger Emily Writes gives words of encouragement to sleep-deprived parents everywhere. With two small boys, both non-sleepers, Emily finds herself awake in the wee small hours night after night. Her writing is often done then, and she offers her own often hilarious and always heart-warming experiences to other exhausted parents. She describes the frustrations as well as the tender moments of real parenting, as opposed to what you thought it was going to be like, or what well-meaning advice-givers tell you it should be like. A must-have for all new parents and parents-to-be. Emily's blogs

have been wildly popular, as have her on-line columns with New Zealand Woman's Weekly and The New Zealand Herald.

Merrily Ever After

In recent years, there has been an explosion in the market for fiction on religious topics and themes, most notably Dan Brown's *The Da Vinci Code*. The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications; it is emblematic of the contemporary American Zeitgeist. Traditionally, literature is both mirror and lamp, reflecting the society that produces it and illuminating the values and interests of that society. Recognizing both of those perspectives, Gandolfo examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available. The phenomenon surrounding Dan Brown's *The Da Vinci Code* has led to a cottage industry of interpretations, attacks, and commentaries, but one thing is certain: the book has had an enormous impact on American society, culture, and religious understanding, not to mention the publishing industry, which scrambles to find similar religious books to feed to an eager public. But *The Da Vinci Code* is not the only book of its type on the market today. In recent years, there has been an explosion in the market for fiction on religious topics and themes, with an entire series devoted to the impending Rapture as described in the *Left Behind* series. Some fiction does not take an explicitly religious theme as these books do. Instead, writers like Andre Dubus and Ron Hansen imbue their creative work with spiritual and religious themes embedded in the everyday lives and concerns of their characters. Regardless of the specific approach, what is not in doubt is that American readers have made the authors of these works wealthy as bookstores cannot stock their shelves with enough copies. Why the recent surge of interest in Christian fiction? How does it reflect trends in our culture and our lives? How has it changed our society and our understanding of spirituality and religion? How accurate are these books in terms of the theology they espouse? The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications; it is emblematic of the contemporary American Zeitgeist. Traditionally, literature is both mirror and lamp, reflecting the society that produces it and illuminating the values and interests of that society. Recognizing both of those perspectives, *Faith and Fiction* examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available.

Fattily Ever After

Cyndi Swoyer ran a gas station/diner in a small Pennsylvania town. When rich and handsome Bennett Ganster appeared in his new Buick, Cyndi couldn't believe her good fortune. He wanted her to pretend to be his wife, so that his ailing mother would be relieved of her worry. Who could fault him for that? But Cyndi was falling in love and Bennett would never marry her... Contemporary Romance/Women's Fiction by Amii Lorin writing as Joan Hohl; originally published by Zebra

Breaking the Piggy Bank

Seasons of Love sees five of Emily Murdoch's regency romance novellas brought together for the very first time in this beautifully moving collection. A MICHAELMAS WAGER Rufus Lovell has been thrust unexpectedly into riches with nothing too big to gamble on – even marriage. So when a tipsy party joke becomes a wager on Rufus' marriage, he knows he should said no. But Juliana Honeyfield, the unwitting and unknowing focus of the gamble, is not the simple and malleable young woman that Rufus' friends take her for. Will it be possible for Rufus to charm the winning Juliana or does he owe her the truth about his initial interest in her? A CHRISTMAS SURPRISE Every year for thirty years Lord Robert, the Viscount of Marchwood, throws a Christmas Ball. But this year the Marchwood Christmas Ball holds extra importance as his daughter, Lady Audrey, has just turned 18 and it is time for her coming out. With the Marchwood family fortune all but gone, Lord Robert is keen to secure her a prosperous match. But when a handsome, masked stranger threatens to steal Audrey's heart, will it prove to be a good or bad Christmas Surprise. A VALENTINE'S SECRET Jonathan Brodie, the only son of Sir Roger and Lady Brodie, has lived in the village of Maplebridge his whole life. Penelope, the daughter of the local florist, was adopted by the Baldwins when she was just a baby. They could not be more different and yet, one blustery January morning, their paths collide in a chance encounter that is destined to change their lives forever... A JUNE WEDDING Victoria Walsingham's heart will only ever belong to Isaac Quinn,

the son of the Duke of Daventry, but their opposing social standings force them apart. However, when her brother unexpectedly inherits the title of the Earl of Cheshire, Victoria's life is transformed and she is thrown into high-society. But when Victoria finally returns home in the hope of reconciling with Isaac, an invitation is waiting for her to the wedding of Mr Isaac Quinn and a Miss Hestia Royce. With time running out, will Victoria ever get her happy ending? A HARVEST PASSION When teacher Leo Tyndale moves to the small English town of Sandercombe after five years in India, he does not expect that his time at the local school will be a long one. But a brief encounter with the beautiful – and fiercely independent – Hestia Royce soon has him changing his mind. But Hestia is an outcast in the town after leaving Sandercombe a year ago to be married, only to return without a husband to a place abuzz with speculation. Will they ever be able to admit their feelings for each other? Or will society deny them their happily ever after? *** Each of these books are sweet Regency romances with happily ever afters and no cliffhangers.

The Lost Love Collection

'Sweet and achingly romantic - a truly wonderful love story' Beth O'Leary, author of The Flatshare From the USA Today bestselling author of The Friend Zone comes an adorable and fresh romantic comedy about one trouble-making dog who brings together two perfect strangers. Two years after losing her fiancé, Sloan Monroe still can't seem to get her life back on track. But one trouble-making pup with a 'take me home' look in his eyes is about to change everything. With her new pet by her side, Sloan finally starts to feel more like herself. Then, after weeks of unanswered texts, Tucker's owner reaches out. He's a musician on tour in Australia. And bottom line: he wants Tucker back. Well, Sloan's not about to give up her dog without a fight. But what if this Jason guy really loves Tucker? As their flirty texts turn into long calls, Sloan can't deny a connection. Jason is hot and nice and funny. There's no telling what could happen when they meet in person. The question is: with his music career on the rise, how long will Jason really stick around? And is it possible for Sloan to survive another heartbreak? Praise for Abby Jimenez: 'The Happy Ever After Playlist tackles love after loss with fierce humour and fiercer heart' Casey McQuiston, New York Times bestselling author of Red, White & Royal Blue 'A deliciously hot, sweet debut. This book is an absolute treat.' L. G. Shen, USA Today Bestselling Author 'Harnessing sass, heartfelt struggle, and unapologetic sexuality, Jimenez's debut is as hysterical as it is tear-jerking' Publishers Weekly 'Let's get one thing straight, Abby Jimenez is hilarious' Goodreads reviewer 'I laughed, I teared up, and most importantly, I didn't want to put it down' Goodreads reviewer 'Not only is this book hilarious and heartfelt, it felt real' Goodreads reviewer '5 stars isn't enough for this laugh out loud, beautifully honest, and sometimes heart-breaking novel' Goodreads reviewer
