I hope all of this information serves you well! I formatted this video by topics ...

Concept - I talk about how I came up with my business idea and why I started it!

How much did you prep before starting?

How do you make yourself recognizable?

How many pieces should be in a collection? How often should you put out a new collection?

Production - I talk about my production process and things to keep in mind for it!

Where do you buy bulk fabric?

What sewing equipment do you use?

Investments/Finances - I talk about budgeting, how much I spent, what I spent my money on, etc.

How do you price things?

What do you use for bookkeeping?

Branding - I talk about how to create a distinct brand aesthetic, making your brand recognizable, mission statements, etc.

How you manage your limiting beliefs?

Marketing - I talk about the different platforms I market myself on and how I go about it!

What are your marketing strategies? (I talk about going viral here!!!)

How did you build your following?

Website - I talk about what should be included on your website!

How did you make your website?

Promoting/Launching - I talk about promoting before your launch and what launch day can look like/what to do after

Do you do unpaid collaborations or PR packages?

Shipping - I talk about how I ship things out

What shipping supplies do you start with?

How do you set up world wide shipping?

Analyze - I talk about how to improve and continue to grow after launching!

How you stay motivated?

How do you manage your time?

What legal things did you have to do? Did you register your business?
