Spirou and Fantasio are caught up in another amazing adventure, set in a real historical context. It's summer 1989, a few months before the fall of the Berlin Wall, and the evil Zantafio is trying to take over East Germany. When he kidnaps the Count of Champignac, our two heroes find out and try to rescue him. But to do that, they have to cross Europe's most heavily guarded border. East Germany's notorious Secret Police, the Stasi, are soon hot on their trail, and Fantasio is arrested. So Spirou now has to free his friend as well as foil Zantafio's diabolical scheme.

Spirou und Fantasio Spezial 41: Spirou und das Helden-Syndrom

There's no denying Gomer's genius. Mechanics, botany, chemistry, zoology, musicology... His brain is capable of sudden brilliance in everything at which he tries his hand. The problem is that, brilliant or not, his inventions are never quite right for either the time, or the place. Which leads to disaster after disaster, fuelling his colleagues' aggravation. Fortunately, he still has the loyalty of his cat and gull - and the unfailing affection of Miss Jeanne...

Spirou und Fantasio Spezial : Bd. 13: Auf Weltreise

Good parents everywhere know the tension of wanting our kids to be curious, to have rich experiences and friends...but to be perfectly safe while doing it. Little Fox knows all about it! His father (in classic picture book fashion) warns him of the danger everywhere. But Little Fox still frolics with butterflies, scavenges for food, and searches for new friends. Then one day he takes a tumble, bumps his head, and starts dreaming of things that reflect both the beauty he's seen and the scary things he's heard. Marije Tolman's ingenious illustrations use a fresh technique that feels like a movie and a dream, starring the cheerful, bright orange Little Fox on grainy mixed media landscapes of blue and green. And when Little Fox wakes up, he's perhaps a little wiser, but still every bit as curious and full of life. Praise for Little Fox "A beautiful, fully realized dreamscape. A tender, brilliant tour de force from the Netherlands."—Kirkus Reviews, starred review

Spirou & Fantasio Spezial 13

Gomer Goof is a master loafer. He's also a genius, if absent-minded, inventor. His laziness, his gadgets and his sheer bad luck create havoc at Spirou Magazine and drive his colleagues crazy - but he's such a likeable guy! Nine volumes already.

No one asks for the childhood they get, and no child ever deserved to go to Chartwell Manor. For Glenn Head, his two years spent at the now-defunct Mendham, NJ, boarding school run by a serial sexual and emotional abuser of young boys in the early 1970s left emotional scars in ways that he continues to process. This graphic memoir a book almost 50 years in the making tells the story of that experience, and then delves with even greater detail into the reverberations of that experience in adulthood, including addiction and other self-destructive behavior. Head tells his story with unsparing honesty, depicting himself as a deeply flawed human struggling to make sense of the childhood he was given.

Gomer Goof Vol. 8: a Giant Among Goofs

With winter fast approaching, one of the squat bears sets off to trade the family cow for bread and butter, returning instead with a single magic bean. But one bean isn't enough to feed even one squat bear, let alone seven! As their hunger - and the snow - sets in, the bears are visited by a smooth-talking cat in boots. He's got a bag full of bread and a few tricks up his sleeve. Can he help satiate the squat bears' hunger?

NEW STORY ARC When the Good Guys of the Golden Age come back, all their ghosts follow! Now Claire, the new Adventureman, and her maybe-beau Chris, the new Crossdraw Kid, defend peace on earth from a phantom empire of crime! By MATT FRACTION (SEX CRIMINALS, Hawkeye) and TERRY RACHEL DODSON (RED ONE, Harley Quinn).

Good Golly, Mr Goof!

From Hugo, Eisner, Newbery, Harvey, Bram Stoker, Locus, World Fantasy, and Nebula award-winning author Neil Gaiman and P. Craig Russell (*The Sandman*, *The Giver*), Scott Hampton (*American Gods*), and Paul Chadwick (*Concrete*) comes a graphic novel adaptations of the short stories and poems : *The Problem of Susan*, *October in the Chair*, *Locks*, and *The Day the Saucers Came*. Two stories and two poems. All wondrous and imaginative about the tales we tell and experience. Where the incarnations of the months of the year sit around a campfire sharing stories, where an older college professor recounts a Narnian childhood, where the apocalypse unfolds, and where the importance of generational storytelling is seen through the Goldilocks fairytale. These four comic adaptations have something for everyone and are a must for Gaiman fans!

STJEPAN SEJIC continues the critically-acclaimed SUNSTONE series. A classy, sexy, fun, and emotional look at two women and the alternative lifestyle they live.

Spirou And The Heirs

With packs of reapers hot on his tail, Archer struggles to survive in the danger zone. Zack contemplates leaving the colony to search for his brother and provide him with food and supplies, in order to buy time until he can prove his innocence. But if he goes, he will not be going alone...

Chartwell Manor

Left nameless by his father and sentenced to eternal life by a trick of fate and fortune, the protagonist of Carlos Trillo and Eduardo Risso's *Vampire Boy* has spent fifty centuries in a body that never ages, locked in an eternal struggle with a rival as immortal as he. Acclaimed writer Carlos Trillo teams with legendary artist Eduardo Risso (*100 Bullets*) to produce a poignantly engrossing twist on the classic vampire mythos, now collected in English for the first time.

The Hunger of the Seven Squat Bears

From one of the most critically acclaimed and well-loved authors of contemporary science fiction, a highly imaginative and exciting story as only David Brin can write . . . "High spirits and inventiveness . . . Dennis's adventures, which can only be called rollicking, are legion."—Isaac Asimov's *Science Fiction Magazine* Physicist Dennis Nuel was the first human to probe the strange realms called anomaly worlds—alternate universes where the laws of science were unpredictably changed. But the world Dennis discovered seemed almost like our own—with one perplexing difference. To his astonishment, he was hailed as a wizard and found himself fighting beside a beautiful woman with strange powers against a mysterious warlord as he struggled to solve the riddle of this baffling world. "A delightful, often very witty story, with the underlying thoughtfulness we expect from David Brin."—Poul Anderson

FF Südtiroler illustrierte

Archer is exiled from Fort Apache. In front of all the inhabitants, Kingsten withdraws his right to seek refuge in any colony whatsoever. He is tattooed with a cross on his forehead, a mark that makes him an outlaw...and virtually guarantees his death by the reapers, having to live outside the walls of any safe haven.

Adventureman: Ghost Lights #1

Health systems need to set priorities fairly. In one way or another, part of this important task will fall to physicians. How do they make judgments about resource stewardship, and how should they do so? How can they make such decisions in a manner that is compatible with their clinical duties to patients? In this book, philosophers, bioethicists, physicians, lawyers and health policy experts make the case that priority setting and rationing contribute significantly to the possibility of affordable and fair healthcare and that clinicians play an indispensable role in that process. The book depicts the results of a survey of European physicians about their experiences with rationing and other cost containment strategies, and their perception of scarcity and fairness in their health care systems. Responding to and complementing these findings, commentators discuss why resource allocation and bedside rationing is necessary and justifiable. The book explores how bedside rationing relates to clinical judgments about medical necessity and medical indications, marginal benefits, weak evidence based medicine, off-label use. The book highlights how comparative studies of health care systems can advance more effective

and fair bedside rationing through learning from one another. From a practical standpoint, the book offers a number of strategies for health care systems and clinicians to work in tandem to allocate and ration resources as fairly as possible: how to foster more attention to fairness when rationing at the bedside, how to avoid exacerbating health disparities when allocating resources, how to teach about bedside rationing to students, how to discuss rationing more explicitly in the public arena and in the doctor's office.

The Problem of Susan and Other Stories

In the near future sci-fi world of Qualityland, algorithms help create an idyllic life for its citizens, but what if the perfect world wasn't built for you? Welcome to QualityLand, the best country on Earth. Here, a universal ranking system determines the social advantages and career opportunities of every member of society. An automated matchmaking service knows the best partners for everyone and helps with the break up when your ideal match (frequently) changes. And the foolproof algorithms of the biggest, most successful company in the world, TheShop, know what you want before you do and conveniently deliver to your doorstep before you even order it. In QualityCity, Peter Jobless is a machine scrapper who can't quite bring himself to destroy the imperfect machines sent his way, and has become the unwitting leader of a band of robotic misfits hidden in his home and workplace. One day, Peter receives a product from TheShop that he absolutely, positively knows he does not want, and which he decides, at great personal cost, to return. The only problem: doing so means proving the perfect algorithm of TheShop wrong, calling into question the very foundations of QualityLand itself. Qualityland, Marc-Uwe Kling's first book to be translated into English, is a brilliantly clever, illuminating satire in the tradition of Kurt Vonnegut, Douglas Adams, and George Orwell that offers a visionary, frightening, and all-too-funny glimpse at a near future we may be hurtling toward faster than it's at all comfortable to admit. So why delay any longer? TheShop already knows you're going to love this book. You may as well head to the cash register, crack the covers, and see why that is for yourself.

Sunstone Vol. 2

Herlock Sholmes, the hilarious creation of acclaimed Yugoslavian comic creators Zvonimir Furtinger and Julio Radiolovic, has had only limited exposure in the UK -- and never before in the stunning colour that has made Julio's work so acclaimed in Europe. First published in 1957 as the Incredible Adventures of Sherlock Holmes, the character appeared in Britain in 1967 as a one page feature in Giggle comic as well as publications in France, Portugal, Brazil and The Times of India. The comedy series is of course inspired by Sir Conan Doyle's famous detective and his loyal assistant Dr John Hamish Watson but Furtinger's crazy and script is enthusiastically aided by the stunning work of artist Jules Radilovi and his wife Zdenka. With intriguing plots and complications, as well as confusion among the characters it's the most incredible detective story you have ever read in comics! With adroit leadership and often frenetic action, Herlock Sholmes is regarded as a creative triumph from duo Radilovi-Furtinger.

Gung-Ho: Sexy Beast #4

ABLAZE proudly presents...GUNG-HO...a "spiritual successor" to The Walking Dead! If you like The Walking Dead, you'll love GUNG-HO... In the near future, the "White Plague" has almost completely decimated humanity, and civilization is only a sweet memory. The world as a whole has become a danger zone, where survival is only possible within towns or fortified villages. Enter orphaned brothers Zack and Archer Goodwoody, troublemaking teens who have just arrived at Fort Apache, and about to learn the hard rules of integration into the colony. Outside the walls lies a hostile and deadly environment, but inside is also a dangerous place, as the boys are about to find out. Benjamin von Eckartsberg and Thomas von Kummant deliver a creative and visual tour de force with jaw-dropping artwork that will transport you to a brand new post-apocalyptic world where the tension is palpable, and the wrong move will get you killed...or worse.

Vampire Boy

In the latest volume of the acclaimed adults-only graphic novel, Chuck struggles to go on without Omaha, while the beautiful cat dancer struts her stuff in a small Wisconsin town and the voluptuous CeeCee enters her life. These four classic episodes track the Mipple City gang through bedrooms, boardrooms and strip clubs as new relationships emerge and the mystery of who killed Senator Bonner deepens. Collects issues 14-17.

The Practice Effect

In 1947, Bill Gaines inherited his legendary father's fledgling publishing company, EC Comics. Over the next eight years, he and a "who's who" of the era including Al Feldstein, Harvey Kurtzman, and Wally Wood would reinvent the very notion of the comic book with titles like Tales from the Crypt, Weird Science, and MAD. With more than 1,000...

Gung-Ho: Sexy Beast #3

A trip to Africa turns into an unusual kind of safari for our reporter friends. Spirou and Fantasio, during a daring night investigation, encounter a wounded man who is running from mysterious men. He claims they bombed an automobile factory to steal the plans of a highly advanced prototype, and that he took half of the plans and ran. Having sworn to take the documents back to their owner--who has the other half--the two adventurers are soon on their way to Africa. But of course, the bandits are in hot pursuit...

Fair Resource Allocation and Rationing at the Bedside

A "must have" collection of classic adventures by one of Europe's most feted cartoonists. Impetuous Freddy Lombard and his frustrated, but faithful, friends, Dina and Sweep, go on six different adventures, from exploring Belgian castles and African jungles, to being swept up in revolutionary Budapest or caught up in the secrets surrounding a futuristic jet! Forever broke, the trio constantly look for ways to hustle enough money to live and continue solving mysteries in these tales with unexpected twists and lots of laughs.

Qualityland

The 66th adventure of Lucky Luke, and the Old West at its funniest!

Herlock Sholmes

While trying to escape an avalanche triggered by the killers of the First Families, Ivan drowned. Though this is a less permanent problem than it used to be for the children, Ivan 'returned' far from his friends, in a small village in Brittany where he used to holiday with his parents. There he lives alone, preparing for the long trip back to Neo-Salem. Until the day Camille, now revealed as the Midnight Child, pays him a terrifying visit, and the nightmare begins ...

Gung-Ho #1

Best selling author F. Paul Wilson and award-winning illustrator Alan M. Clark offer up this fun children's Christmas story about little Jessica, who wishes for a monster of her own for Christmas, and she gets more (and less) than she could have hoped for.

The Collected Omaha

A debut graphic novel traces the author's parents' difficult decision to pursue greater freedom on the other side of the Berlin Wall in the early 1980s and their costly rejection of communist politics. Simultaneous.

The History of EC Comics

A powerful tale from the ALL-STAR SUPERMAN team of Grant Morrison and Frank Quitely. Morrison and Quitely deliver the emotional journey of WE3, three house pets weaponized for lethal combat by the government, as they search for home and attempt to ward off the shadowy agency that created them. With nervous systems amplified to match their terrifying mechanical exoskeletons, the members of Animal Weapon 3 (WE3) have the firepower of a battalion between them. But they are just the program's prototypes, and now that their testing is complete, they're slated to be permanently decommissioned, causing them to seize their one chance to make a desperate run for freedom. Relentlessly pursued by their makers, the WE3 team must navigate a frightening and confusing world where their instincts and heightened abilities make them as much a threat as those hunting them.

The Rhinoceros' Horn

Archer accuses Bagster of raping Celine, and goes to Kingsten, demanding a public trial. But the trial does not go as planned. Instead of Bagster, it's Archer who is accused, betrayed and condemned by false evidence. Archer finds himself in very bad predicament, with the real possibility of permanent exile from the colony looming...

Freddy Lombard

When Papa Smurf is hurt in a lab accident he sends a smurf to the good wizard Homnibus for help. Although Homnibus has a cure, he needs to buy some seeds he's missing for the recipe. Fascinated by this exchange of commerce among the humans, the smurf returns to Smurf Village as Finance Smurf! After teaching his fellow smurfs how to buy things with money, some smurfs get rich while others don't, and things quickly tumble into disarray. Will the smurfs find a way back to the peaceful way things used to be?

The Promised Land

Graphic novel. Gotham City is plagued with crime and corruption in places high and low, but one man has taken a stand against evil of all forms: the dark avenger known as Batman. In this huge, low-priced collection, Batman teams up with a host of wildly varied heroes including Aquaman, the Atom, Deadman, The Demon, The Flash, Green Arrow, Green Lantern, The Joker, Kamandi, Man-Bat, the Metal Men, Mister Miracle, Metamorpho, Plastic Man, Richard Dragon, Sgt. Rock, Teen Titans, Wildcat and Wonder Woman.

Comics; Anatomy of a Mass Medium

Iznogoud, the scheming Grand Vizier, continues to seek to make himself caliph with the help of an evil water djinn, a magician, and cursed jewel.

Alone - Volume 11

In the mid-1930s, Irmina, an ambitious young German, moves to London. At a cocktail party, she meets Howard Green, one of the first black students at Oxford, who, like Irmina, is working towards an independent existence. However, their relationship comes to an abrupt end when Irmina, constrained by the political situation in Hitler's Germany, is forced to return home. As war approaches and her contact with Howard is broken, it becomes clear to Irmina that prosperity will only be possible through the betrayal of her ideals. In the award-winning Irmina, Barbara Yelin presents a troubling drama about the tension between integrity and social advancement. Based on a true story, this moving and perceptive graphic novel perfectly conjures the oppressive atmosphere of wartime Germany, reflecting with compassion and intelligence on the complicity that results from the choice, conscious or otherwise, to look away.

Superfudge

Peter Hatcher's little brother, Fudge, is four. And he's as monstrous as ever! When Fudge discovers that his new baby sister can't play with him, he tries to sell her. When that doesn't work, he tries giving her away. And on his first day at school he kicks his teacher and calls her Rat Face. Can his big brother help him out this time? Superfudge is the third book in the hilariously funny Fudge series from the bestselling author and household name Judy Blume, featuring cover art from picture book star, Emily Gravett. Start the series with Tales of Fourth Grade Nothing or continue the chaos with Fudge-a-Mania and Double Fudge.

Fudge-a-Mania

Fudge is five – and he's driving his older brother, Peter, mad, as usual! Going on holiday with Fudge – and baby Tootsie, Turtle the dog and Uncle Feather the bird – means disasters every day. Even worse for Peter, disgusting Sheila Tubman is staying in the same house. Will it be Peter's nightmare holiday? One thing's for sure – it's going to be fudge-a-mania all the way! Fudge-a-Mania is the fourth book in the hilariously funny Fudge series from the bestselling author and household name Judy Blume, featuring cover art from picture book star, Emily Gravett. Start at the beginning with Tales of Fourth Grade Nothing or continue the chaos with Double Fudge.

Tales of a Fourth Grade Nothing

Peter thinks he has the world's biggest problem – his naughty little brother, Fudge. Fudge causes trouble wherever he goes and it's usually up to Peter to sort out the mess. When Peter wins a tiny green turtle called Dribble, he's determined to keep it away from his brother. But when Fudge does get his hands on Dribble – disaster strikes! Tales of a Fourth Grade Nothing is the first book in the hilariously funny Fudge series from the bestselling author and household name Judy Blume, featuring cover art from picture book star, Emily Gravett. The chaos continues in Otherwise Known as Sheila the Great and Superfudge.

Places I Never Meant to be

A collection of short stories accompanied by short essays on censorship by twelve authors whose works have been challenged in the past.

Tiger Eyes

When Davey Wexler's father is killed in a holdup in Atlantic City, her mother moves Davey and her brother to Los Alamos to get away from the memories--but Davey is a girl frozen in fear and anger, until she meets an older boy called Wolf who can read her eyes.

Are You There God? It's Me, Margaret.

Faced with the difficulties of growing up and choosing a religion, a twelve-year-old girl talks over her problems with her own private God.

Otherwise Known as Sheila the Great

Sheila hates swimming. And dogs. And ghosts. And thunderstorms. She'll do anything to avoid them all – except admit that she's scared. Her new friend Mouse Ellis, yo-yo champion of Tarrytown, thinks she's chicken. But Sheila is determined to show everyone that she can be Sheila the Great. Otherwise Known as Sheila the Great is the second book in the hilariously funny Fudge series from the bestselling author and household name Judy Blume, featuring cover art from picture book star, Emily Gravett. The chaos continues in Superfudge and Fudge-a-Mania.

Double Fudge

Peter's little brother Fudge is mad about money and he wants loads of it. In fact, he's going to print a hundred million Fudge bucks and buy the whole world! He's driving Pete nuts - will Fudge ever stop being the most embarrassing brother on the planet?

Then Again, Maybe I Won't

There is a lot going on in his life that thirteen-year-old Tony Miglione does not really understand--like why his parents suddenly have money enough to buy a house on Long Island, why his mother has changed, why his rich friend Joel shoplifts, why he is obsessed with Joel's sixteen-year-old sister, and why he is having terrible stomach pains.

Summer Sisters

'Summer Sisters is a book to return to again and again. Judy Blume is my hero.' COLLEEN HOOVER Vix Leonard is twelve when she meets dazzling, reckless Caitlin Somers. Invited to spend holidays on Martha's Vineyard with Caitlin and her eccentric, mysterious family, Vix is welcomed into a life totally unlike her own. As days of bold adventure give way to nights of shy discovery, she and Caitlin come together in the complications of growing up; the refuge of belonging; the pact to Never Be Ordinary . . . Until one devastating summer when a local boy changes everything. Years later life has driven them apart, but the bruise of their friendship remains. When Caitlin begs Vix to return to the Vineyard for her wedding, Vix knows she will go. She wants to understand what happened that last shattering summer - and why her best friend still has the power to break her heart. An unforgettable story of two women, two families and the friendships that shape a lifetime from Judy Blume, the author who shaped our teenage selves. 'Insightful, thought-provoking and she knows exactly how women think. I absolutely devoured it. If you liked Blume at school, you'll love this.' DAILY MAIL 'Judy Blume knows exactly how women think and feel. Perfect summer reading.' JENNY COLGAN

Forever . . .

Two high school seniors believe their love to be so strong that it will last forever.

Superfudge Lit Link Gr. 4-6

A thirteen-year-old girl seemingly destined for a modeling career finds she has a deformation of the spine called scoliosis.

Deenie

A six-year-old (The Pain) and his eight-year-old sister (The Great One) see each other as troublemakers and the best-loved in the family.

The Pain and the Great One

Davey's father is murdered during a raid on his store means that life can never be the same for Davey and her family.

Wifey; Smart Women

Set in Jamaica, Mike drives home after being away five years. He only wants his truck and work carrying sugar cane. What he finds is the whole village under one haulage business. The final battle of the private war is in the courtroom.

The Sun Salutes You

Jill goes along with the rest of the fifth-grade class in tormenting a classmate and then finds out what it is like when she, too, becomes a target. Reissued with a fresh new look and cover art. Simultaneous.

Blubber

SuperSummary, a modern alternative to SparkNotes and CliffsNotes, offers high-quality study guides for challenging works of literature. This 39-page guide for "Superfudge" by Judy Blume includes detailed chapter summaries and analysis covering 12 chapters, as well as several more in-depth sections of expert-written literary analysis. Featured content includes commentary on major characters, 25 important quotes, essay topics, and key themes like Growing Pains and Coping with Change, and The Significance of Names and Words.

Study Guide

Leon doesn't want to fly. Aeroplanes are so big and loud, and how do they stay up in the air? When he is invited to visit his baby cousin in Spain, Leon really, really wants to go. But can he face his biggest fear?

Leon Spreads His Wings

Stephanie and Rachel have been best friends for years, in spite of their differences. Alison is new in town, and immediately becomes an integral part of their group. But is it possible to have two best friends? And how can you call anyone a friend if you can't tell them your most painful secrets? Just as Long as We're Together is bestselling author Judy Blume's classic novel about changing friendships, and is followed by the sequel Here's to You, Rachel Robinson.

Just as Long as We're Together

With more than four million copies sold, Wifey is Judy Blume's hilarious, moving tale of a woman who trades in her conventional wifely duties for her wildest fantasies—and learns a lot about life along the way. Sandy Pressman is a nice suburban wife whose boredom is getting the best of her. She could be making friends at the club, like her husband keeps encouraging her to do. Or working on her golf game. Or getting her hair done. But for some reason, these things don't interest her as much as the naked man on the motorcycle...

Double Fudge by Judy Blume

When her parents divorce, a sixth grader struggles to understand that sometimes people are unable to live together.

Wifey

Two thirtysomethings try to find their way through the complications of post-marriage love in this beloved novel from #1 New York Times bestselling author Judy Blume. Margo and B.B. are each divorced, and each is trying to reinvent her life in Colorado—while their respective teenage daughters look on with a mixture of humor and horror. But even smart women sometimes have a lot to learn—and they will, when B.B.'s ex-husband moves in next door to Margo... Includes a New Introduction by the Author

It's Not the End of the World

Superfudge meets The Lemonade War in this funny, heartwarming series debut about change, adventure, family, and of course, doughnuts. Tristan isn't Gifted or Talented like his sister Jeanine, and he's always been okay with that because he can make a perfect chocolate chip cookie and he lives in the greatest city in the world. But his life takes a turn for the worse when his parents decide to move to middle-of-nowhere Petersville—a town with one street and no restaurants. It's like suddenly they're supposed to be this other family, one that can survive without bagels and movie theaters. His suspicions about his new town are confirmed when he's tricked into believing the local general store has life-changing chocolate cream doughnuts, when in fact the owner hasn't made them in years. And so begins the only thing that could make life in Petersville worth living: getting the recipe, making the doughnuts, and bringing them back to the town through his very own doughnut stand. But Tristan will soon discover that when starting a business, it helps to be both Gifted and Talented, and it's possible he's bitten off more than he can chew... A perfect book for: Children with the entrepreneurial spirit! Parents and teachers looking to inspire a growth mindset! Young foodies looking for fun recipes!

Smart Women

Twelve-year-old Anna's friend Andee spearheads a campaign to bring Fan from China to Cincinnati on a year-long cultural exchange, but before Fan even arrives, Anna is concerned that Andee and Fan are too different to get along. Simultaneous eBook. 25,000 first printing.

It introduces a wonderfully rich world of literature to parents and their children, offering both new titles and much-loved classics that many generations have read and enjoyed. From wordless picture books and books introducing the first words and sounds of the alphabet through to hard-hitting and edgy teenage fiction, the titles featured in this book reflect the wealth of reading opportunities for children. Browsing the titles in 1001 Children's Books You Must Read Before You Grow Up will take you on a journey of discovery into fantasy, adventure, history, contemporary life, and much more. These books will enable you to travel to some of the most famous imaginary worlds such as Narnia, Middle Earth, and Hogwarts School. And the route taken may be pretty strange, too. You may fall down a rabbit hole, as Alice does on her way to Wonderland, or go through the back of a wardrobe to reach the snowy wastes of Narnia.

Iggie's House

Take a look behind the bully in this modern classic from Newbery medalist Jerry Spinelli that packs a punch. And don't miss the highly anticipated new novel, *Dead Wednesday*. Cocky seventh-grade super-jock Crash Coogan got his nickname the day he used his first football helmet to knock his cousin Bridget flat on her backside. And he has been running over people ever since, especially Penn Webb, the dweeby, vegetarian Quaker kid who lives down the block. Through the eyes of Crash, readers get a rare glimpse into the life of a bully in this unforgettable and beloved story about stereotypes and the surprises life can bring. "Readers will devour this humorous glimpse of what jocks are made of." --School Library Journal, starred review

1001 Children's Books You Must Read Before You Grow Up

The perfect chapter book! The Pain and the Great One hardly agree on anything. But deep down, they know they can count on each other, especially at school, where it often takes two to figure things out. Like when that first baby tooth falls out on the school bus. Or when an unwanted visitor on Bring Your

Pet to School Day needs to be caught. Or worst of all, when a scary bully says you're burnt toast. On days like these it can feel good not to go it alone. (And don't forget Fluzzy the cat, who knows a thing or two himself.) A Parents' Choice Recommended Award Winner

Crash

In 1987, Miri Ammerman returns to her hometown of Elizabeth, New Jersey, to attend a commemoration of the worst year of her life. Thirty-five years earlier, when Miri was fifteen and in love for the first time, three planes fell from the sky within three months, leaving a community reeling. Against this backdrop of actual events in the early 1950s, when airline travel was new and exciting and everyone dreamed of going somewhere, Judy Blume weaves a haunting story of three generations of families, friends, and strangers, whose lives are forever changed in the aftermath. The plane crashes bring some people closer together and tear others apart; they create myths and unlock secrets. As Miri experiences the ordinary joys and pains of growing up in extraordinary circumstances, a young journalist makes his name reporting tragedy. And through it all, one generation reminds another that life goes on. Beautiful, gripping and deeply moving, *In the Unlikely Event* is an unforgettable novel from Judy Blume, one of America's most beloved authors.

Cool Zone with the Pain and the Great One

MEET THE PAIN: My sister's name is Abigail. I call her The Great One because she thinks she's so great. Who cares if she's in third grade and I'm just in first? **MEET THE GREAT ONE:** My brother's name is Jacob Edward, but everyone calls him Jake. Everyone but me. I call him The Pain because that's what he is. He's a first-grade pain. I'll always know exactly what he's thinking. That's just the way it is. These seven warm-hearted stories will give readers a peek at how a brother and sister relate to each other.

In the Unlikely Event

"Cheesie Mack is a true original." —Gordon Korman, bestselling author of *Swindle* and *Schooled* Ronald "Cheesie" Mack is not a genius or anything, but he remembers everything that happened before, during, and after fifth-grade graduation, and he's written it all down in his own unique and hilarious way—with lots of lists, drawings, and splendorful (that's splendid plus wonderful!) made-up words. Cheesie—with a little help from Steve Cotler—writes about family, friendship, and tough choices in an unforgettable voice that will have kids laughing out loud. Readers of *Diary of a Wimpy Kid* will love both the clever humor and the black-and-white illustrations throughout.

Soupy Saturdays with the Pain and the Great One

The Whangdoodle was once the wisest, the kindest, and the most extraordinary creature in the world. Then he disappeared and created a wonderful land for himself and all the other remarkable animals -- the ten-legged Sidewinders, the little furry Flukes, the friendly Whiffle Bird, and the treacherous, "oily" Prock. It was an almost perfect place where the last of the really great Whangdoodles could rule his kingdom with "peace, love and a sense of fun"-- apart from and forgotten by people. But not completely forgotten. Professor Savant believed in the Whangdoodle. And when he told the three Potter children of his search for the spectacular creature, Lindy, Tom, and Ben were eager to reach Whangdoodleland. With the Professor's help, they discovered the secret way. But waiting for them was the scheming Prock, who would use almost any means to keep them away from his beloved king. Only by skill and determination were the four travelers able to discover the last of the really great Whangdoodles and grant him his heart's desire. Julie Andrews Edwards, star of stage and screen, has written a unique and beloved story that has become a modern classic. *The Last of the Really Great Whangdoodles* is sure to continue to delight readers everywhere. This edition includes a new foreword by the author.
