Martial Void King

Chu Shen is a young boy, a talented blacksmith and martial artist. In his world, martial artists can use Qi to become superhuman, overturning rivers and throwing mountains. His path to fame and glory seemed inevitable, until it is discovered that he is a cripple. Can this boy defy the odds and become the most powerful martial artist there is? Join him as he embarks on his adventure, traveling through space and time to accomplish his dreams.

Kill Six Billion Demons Book Four: King Of Swords

In the fourth chapter of the popular webcomic KILL SIX BILLION DEMONS, heir to the multiverse Allison Ruth must grapple with the limits to her own strength as she enters the world's deadliest multiversal fighting tournament in a desperate struggle against the god-king Solomon David.

The Beginning After The End

I had to accept that I wasn't just Arthur Leywin anymore, and that I could no longer be limited by the circumstances of my birth. If I was going to escape, if I was going to go toe-to-toe with the most powerful beings in this world, I needed to push myself to my utmost limit...and then I needed to push even further. After nearly dying as a victim of his own strength, Arthur Leywin wakes to find himself far from the continent where he was born for the second time. Alone, broken, and with no way to tell his family he's alive, Arthur must rebuild his strength to survive. As he ascends through an ancient dungeon filled with hostile beasts and devious trials, he discovers an ancient, absolute power - a power that will either ruin him or take him to new heights. But the dungeon won't give up its knowledge easily. Before he can plunder its depths, Arthur must learn to untangle the threads of fate. He must band together with the unlikeliest of allies if he hopes to escape with his life.

Street Cultivation

In the modern world, qi is money. The days of traveling martial artists and mountaintop masters are over. Power is controlled by corporations, modernized martial arts sects, and governments. Those at

the bottom of society struggle as second class citizens in a world in which power is a commodity. Rick is a young fighter in this world. He doesn't dream of immortality or becoming the strongest, just of building a better life for himself and his sister, who suffers from a spiritual illness. Unfortunately, life isn't that easy...

A Dictionary of the English Language

The human Race is at war with the Vicious Dalki and when they needed help more than ever, THEY started to come forward. Humans who had hidden in the shadows for hundreds of years, people with abilities. Some chose to share their knowledge to the rest of the world in hopes of winning the war, while others kept their abilities to themselves. Quinn had lost everything to the war, his home, his family and the only thing he had inherited was a crummy old book that he couldn't even open. But when the book had finally opened, Quinn was granted a system and his whole life was turned around. He completed quest after quest and became more powerful, until one day the system gave him a quest he wasn't sure he could complete. "It is time to feed!" "You must drink human blood within 24 hours" "Your HP will continue to decrease until the task has been completed" More info, visit: <https://www.webnovel.com/>

The Examiner

Kingdoms and Warfare, the sequel to Strongholds & Followers, is a 5th edition supplement that introduces Domain-level play to your game, allowing players to become Regents running a Kingdom, Duchy, or Barony! Or a Church! A Thieves' Guild! A Bard's College! Whichever you choose, it's your Domain. Your domain can take actions, raise armies, conduct espionage, and wage war! Kingdoms and Warfare also adds mechanics for player Titles for several different organizations. Titles give your characters new, limited abilities and proficiencies that let them shore up the deficiencies of a limited-class party. Expanded rules for Warfare allowing faster, more balanced battles, more and different kinds of units. New Maneuvers allow characters to directly command their units, executing daring plays that can change the course of war! New rules for the Tide of Battle create a connection between the Encounter your characters are fighting and the Battle your units are waging. New rules for using PCs and monsters as units, as well as more advice for building an army and waging war. The rules for Warfare in Strongholds & Followers are only the beginning of a more robust system. Any book of new rules as big as this requires an adventure to show you how to use it. The Regent of Bedegar acts as a sequel to the Siege of Castle Rend and introduces players to Domain Level play. The heroes manage their new domain, putting out fires in Gravesford and other local towns while encountering various organizations in Aendrim, some friendly, some not so much.

A magnificent city existing on the ringes of the past, and on the brink of destruction, Viriconium • With a foreword by Neil Gaiman Available to American readers for the first time, this landmark collection gathers four groundbreaking fantasy classics from the acclaimed author of Light. Set in the imagined city of Viriconium, here are the masterworks that revolutionized a genre and enthralled a generation of readers: The Pastel City, A Storm of Wings, In Viriconium, and Viriconium Nights. Back in print after a long absence, these singular tales of a timeless realm and its enigmatic inhabitants are now reborn and compiled to captivate a whole new generation. Praise for M. John Harrison's Viriconium "The world that Harrison depicts is intricate and authentic, peopled with a multitude of strange yet lifelike characters—a combination which serves to make his richly imagined empire of Viriconium feel very real indeed. . . . This omnibus collection from the author of Light is canon-reading for those who wish to know the genre's roots, as well as the heights, to which it can aspire."—Kirkus Reviews (starred review) "Brilliant, beautiful, and absolutely essential reading. The breadth of vision and imagination alone in these books is unparalleled. It is truly one of a kind and will continue to haunt you in the best possible way for years."—Jonathan Carroll, author of White Apples "Harrison's Viriconium sequence is the jewel in the crown of 20th-century fantasy, a work that proves irrefutably that fantastic literature can be Art with a capital A, holding its own alongside the very finest writing of our time, or any other."—Elizabeth Hand, author of Mortal Love "M. John Harrison is a true master of English prose. He possesses the eye of a painter, the ear of a bard, and a rigorous and playful intellect. The Viriconium novels and stories are infused with a haunting genius that never falters."—K.J. Bishop, author of The Etched City

My Vampire System

A teacher with powerful magic whose flame of love for one never diminishes. A beautiful half-fae, unworldly student with a hidden dark power and a crush on his teacher. An adventure is on the horizon. Famous, powerful, and lethal—ex-military supreme crimson mage Alastair Reinhardt is enjoying his peaceful, reclusive life with his beautiful half-fae student Sora, teaching the boy the art of magic. When Sora turns eighteen, Alastair introduces Sora to the outside world by taking the boy on an excursion. Little does Alastair know, however, that a band of demonic spirits has been going around the realm of Stormfire and kidnapping and murdering boys ripe for the plucking—boys like Sora, who is a perfect candidate for the hungry spirits. Like hell Alastair would allow those contaminated creatures a chance to lay their filthy hands on the boy. Sora is his beloved—a reincarnate of his inamorato Minato Ando—and Alastair would do whatever it takes to protect the boy. Not that Sora needs protecting though, because the boy can really kick some ass with his powerful magic and martial arts skills, not to mention he is the legendary dark necromancer with a legion of his own army of the undead, not that he knows it. The Crimson Mage and The Dark Necromancer is an mm fantasy (boys love, yaoi). The fantasy aspect is a mashup of the East and West. Expect adventure, magic, mayhem, and romance between a beautiful, unworldly uke (Sora) and a powerful, hunky redheaded seme (Alastair). Note: Seme is the man who does the chasing (the top) and uke is the male being chased (the bottom) in the romantic relationship. The Crimson Mage and the Dark Necromancer series is published in novel-length (80-90K word) serialized books format, and this first one ends in a slight cliff-hanger as the mystery is not fully solved. The romance, however, ends in a happy for now note.

Kingdoms & Warfare

Not far in the future the seas have risen and the central latitudes are emptying but it's still a good time to be rich in San Francisco where weapons drones patrol the skies to keep out the multitudinous poor. Irina isn't rich, not quite, but she does have an artificial memory that gives her perfect recall, and lets her act as a medium between her various employers and their AIs, which are complex to the point of opacity. It's a good gig, paying enough for the annual visits to the Mayo Clinic that keep her from ageing. Kern has no such access; he's one of the many refugees in the sprawling drone-built favelas on the city's periphery, where he lives like a monk, training relentlessly in martial arts, scraping by as a thief and an enforcer. Thales is from a different world entirely – the mathematically-inclined scion of a Brazilian political clan, he's fled to L.A. after the attack that left him crippled and his father dead. A ragged stranger accosts Thales and demands to know how much he can remember. Kern flees for his life after robbing the wrong mark. Irina finds a secret in the reflection of a laptop's screen in her employer's eyeglasses. None are safe as they're pushed together by subtle forces that stay just out of sight. Vivid, tumultuous and propulsive, Void Star is Zachary Mason's mind-bending follow-up to his bestselling debut The Lost Books of the Odyssey.

Congal : a Poem in Five Books

During a dire battle against the fearsome Skinners, Daine and her mage teacher Numair are swept into the Divine Realms. Though happy to be alive, they are not where they want to be. They are desperately needed back home, where their old enemy, Ozorne, and his army of strange creatures are waging war against Tortall. Trapped in the mystical realms Daine discovers her mysterious parentage. And as these secrets of her past are revealed so is the treacherous way back to Tortall. So they embark on an extraordinary journey home, where the fate of all Tortall rests with Daine and her wild magic.

The Crimson Mage and the Dark Necromancer

From award-winning author, Ilona Andrews, an all-new novel set in the New York Times #1 bestselling Kate Daniels World and featuring Julie Lennart-Olsen, Kate and Curran's ward. Atlanta was always a dangerous city. Now, as waves of magic and technology compete for supremacy, it's a place caught in a slow apocalypse, where monsters spawn among the crumbling skyscrapers and supernatural factions struggle for power and survival. Eight years ago, Julie Lennart left Atlanta to find out who she was. Now she's back with a new face, a new magic, and a new name—Aurelia Ryder—drawn by the urgent need to protect the family she left behind. An ancient power is stalking her adopted mother, Kate Daniels, an enemy unlike any other, and a string of horrifying murders is its opening gambit. If Aurelia's true identity is discovered, those closest to her will die. So her plan is simple: get in, solve the murders,

prevent the prophecy from being fulfilled, and get out without being recognized. She expected danger, but she never anticipated that the only man she'd ever loved could threaten everything. One small misstep could lead to disaster. But for Aurelia, facing disaster is easy; it's relationships that are hard.

Midgard Worldbook

For the beautiful young woman Ash, life has always been arquebuses and artillery, swords and armour and the true horrors of hand-to-hand combat. War is her job. She has fought her way to the command of a mercenary company, and on her unlikely shoulders lies the destiny of a Europe threatened by the depredations of an Infidel army more terrible than any nightmare. Winner of the BSFA Award for best novel, 2000

Blood Heir

Book 14 in the much loved series, "The Horus Heresy: Primarchs" Legends abound of the glorious – or infamous – deeds of the Emperor's sons. Yet almost nothing is known of Alpharius, the most mysterious of them all, for the Lord of the Alpha Legion is unparalleled in the art of obfuscation. Such are his gifts of secrecy and deceit that even his rediscovery has remained an enigma – until now. But when the tale comes from the serpent's mouth, where does the deception end and the truth begin?

Designing Virtual Worlds

What is the essence of martial arts? What is their place in or relationship with culture and society? Deconstructing Martial Arts analyses familiar issues and debates that arise in scholarly, practitioner and popular cultural discussions and treatments of martial arts and argues that martial arts are dynamic and variable constructs whose meanings and values regularly shift, mutate and transform, depending on the context. It argues that deconstructing martial arts is an invaluable approach to both the scholarly study of martial arts in culture and society and also to wider understandings of what and why martial arts are. Placing martial arts in relation to core questions and concerns of media and cultural studies around identity, value, orientalism, and embodiment, Deconstructing Martial Arts introduces and elaborates deconstruction as a rewarding method of cultural studies.

A girl with no gifts must bargain for the power to fight her own mother's dark schemes--even if the price is her life. Crackling with dark magic, unspeakable betrayal, and daring twists you won't see coming, this explosive YA fantasy debut is a can't-miss, high-stakes epic perfect for fans of Strange the Dreamer and Children of Blood and Bone. "Magnetic and addictive. This book is black girl magic at its finest."--New York Times bestselling author Dhonielle Clayton Heir to two lines of powerful witchdoctors, Arrah yearns for magic of her own. Yet she fails at bone magic, fails to call upon her ancestors, and fails to live up to her family's legacy. Under the disapproving eye of her mother, the Kingdom's most powerful priestess and seer, she fears she may never be good enough. But when the Kingdom's children begin to disappear, Arrah is desperate enough to turn to a forbidden, dangerous ritual. If she has no magic of her own, she'll have to buy it--by trading away years of her own life. Arrah's borrowed power reveals a nightmarish betrayal, and on its heels, a rising tide of darkness that threatens to consume her and all those she loves. She must race to unravel a twisted and deadly scheme... before the fight costs more than she can afford. Set in a richly imagined world inspired by whispered tales of voodoo and folk magic, Rena Barron's captivating debut is the beginning of a thrilling saga about a girl caught between gods, monsters, and the gift and the curse of power. "Masterful."--SLJ (starred review)

An impassioned firsthand account of the Russian Revolution An American journalist and revolutionary writer, John Reed became a close friend of Lenin and was an eyewitness to the 1917 revolution in Russia. Ten Days That Shook the World is Reeds extraordinary record of that event. 'It flashed upon me suddenly: they were going to shoot me!' This electrifying eyewitness account of the Russian Revolution, written by an American journalist in St Petersburg as the Bolsheviks seized power in 1917, is an unsurpassed record of history in the making. John Reed (1887-1920) American journalist and poet-adventurer whose colorful life as a revolutionary writer ended in Russia but made him the hero of a generation of radical intellectuals. Reed became a close friend of V.I. Lenin and was an eyewitness to the 1917 October revolution. He recorded this historical event in his best-known book TEN DAYS THAT SHOOK THE WORLD (1920). Reed is buried with other Bolshevik heroes beside the Kremlin wall.

Deconstructing Martial Arts

"Over the past two decades the study of social movements, revolution, democratization and other non-routine politics has flourished. And yet research on the topic remains highly fragmented, reflecting the influence of at least three traditional divisions. The first of these reflects the view that various forms of contention are distinct and should be studied independent of others. Separate literatures have developed around the study of social movements, revolutions and industrial conflict. A second approach to the study of political contention denies the possibility of general theory in deference to a grounding in the temporal and spatial particulars of any given episode of contention. The study of contentious politics are left to 'area specialists' and/or historians with a thorough knowledge of the time and place in question. Finally, overlaid on these two divisions are stylized theoretical traditions - structuralist, culturalist, and rationalist - that have developed largely in isolation from one another." <http://www.loc.gov/catdir/description/cam021/2001016172.html>.

History of Humanity

The Ipiian Empire was once a land that welcomed dragons and spirits alike, but a century of war and bloodshed saw them all but vanish. Now, the lost things are returning and the Onryo have gathered. Five legendary spirits with mysterious powers, bent on freeing an ancient evil that would wreak havoc on humanity. Haruto swore his soul to the God of Death for the chance to hunt down the vengeful ghost of his wife. Now an onmyoji, he's tasked by the Imperial Throne to hunt down monsters and malicious spirits. But he knows not all spirits are evil and not all deserve the peace of the sword. Kira is a student at Heiwa, an academy for children with dangerous techniques. But she has a secret, she's not like the other students. When the school is attacked, she flees with one of the tutors, determined to hide both from those who would kill her, and those who would use her. As a plague of spirits sweeps across the land, the Onryo leave a bloody trail for Haruto to follow. But who's hunting who?

'among the most significant works of science fiction released in recent years' TOR.COM An extraordinarily inventive and hugely original SF novel that charts a compelling vision of a future and spins an hypnotic narrative around it. A novel that could command the same amount of attention and furore that met the publication of The Quantum Thief. The richness and originality of its vision combined with its playful take on hard science make this a novel with real commercial potential that will be talked about for years and should launch a major career in SF. In the far future man has spread out into the galaxy. And diversified. Some have evolved physically into strange new forms, some have become immortal. Some hark back to the old ways. We have built a glorious new future. One that stretches from the sleepy Old World, to new terraformed planets and Dyson spheres built around artificial suns. For as long as we can remember (and some have lived 12,000 years) we have delighted in a rich new existence. Yes there have been wars but we are content in our splendour. Art is revered, life is easy, death forgotten for many. But now there are rumours of a bid to oust the Emperor and a worrying story that our history is not as we remember it - not only man left Earth...

The Shadow Reader

Rudi Mackenzie must confront the forces that drive the Church Universal and Triumphant in order to free the people who live in what once was the state of Idaho.

The Sentry

What makes a good story or a screenplay great? The vast majority of writers begin the storytelling process with only a partial understanding where to begin. Some labor their entire lives without ever learning that successful stories are as dependent upon good engineering as they are artistry. But the truth is, unless you are master of the form, function and criteria of successful storytelling, sitting down and pounding out a first draft without planning is an ineffective way to begin. Story Engineering starts with the criteria and the architecture of storytelling, the engineering and design of a story--and uses it as the basis for narrative. The greatest potential of any story is found in the way six specific aspects of storytelling combine and empower each other on the page. When rendered artfully, they become a sum in excess of their parts. You'll learn to wrap your head around the big pictures of storytelling at a professional level through a new approach that shows how to combine these six core competencies which include:

- Four elemental competencies of concept, character, theme, and story structure (plot)
- Two executional competencies of scene construction and writing voice

The true magic of storytelling happens when these six core competencies work together in perfect harmony. And the best part? Anyone can do it!

A New English Dictionary on Historical Principles

As the Uncrowned King tournament reaches its final rounds, tensions between the competing factions are higher than ever. The outcome may determine the power balance throughout the rest of the world. Each Monarch schemes to seize any advantage they can...while far away, a Dreadgod stirs. When the tournament ends, the Dreadgod will rise. Whether it will be driven back into the sea or allowed to rampage depends on the Monarchs. And on which of them is left standing.

The Door in the Hedge

From ensorcelled princesses to a frog that speaks, an enchanting collection of fairy tales from the Newbery Medal-winning author. The last mortal kingdom before the unmeasured sweep of Faerieland begins has at best held an uneasy truce with its unpredictable neighbor. There is nothing to show a boundary, at least on the mortal side of it; and if any ordinary human creature ever saw a faerie—or at any rate recognized one—it was never mentioned; but the existence of the boundary and of faeries beyond it is never in doubt either. So begins “The Stolen Princess,” the first story of this collection, about the meeting between the human princess Linadel and the faerie prince Donathor. “The Princess and the Frog” concerns Rana and her unexpected alliance with a small, green, flipper-footed denizen of a pond in the palace gardens. “The Hunting of the Hind” tells of a princess who has bewitched her beloved brother, hoping to beg some magic of cure, for her brother is dying, and the last tale is a retelling of the Twelve Dancing Princesses in which an old soldier discovers, with a little help from a lavender-eyed witch, the surprising truth about where the princesses dance their shoes to tatters every night.
