New York Times bestselling author Julia Quinn presents a collection of 'second epilogues' to her bestselling Bridgerton series, now a series created by Shondaland for Netflix, and also includes a bonus novella, 'Violet in Bloom', about the Bridgerton matriarch. 'A veritable treat' Daily Mail Once upon a Regency time, an author created a family . . . But not just any family. Eight brothers and sisters, assorted in-laws, sons and daughters, nieces and nephews, (not to mention an overweight corgi), plus an irrepressible matriarch who's a match for any of them . . . These are the Bridgertons. Through eight bestselling novels, readers laughed, cried, and fell in love. But they wanted more. And so the readers asked the author . . . What happened next? Does Simon ever read his father's letters? Do Francesca and Michael become parents? Who would win in a Pall Mall grudge match? Does 'The End' really have to be the end? This is a collection of Julia Quinn's funny, heart-warming 'second epilogues,' which are included at the ends of each novel. This collection also includes plus a brand new novella about none other than the wise and witty matriarch: Violet Bridgerton herself. It's In His Kiss

Unlike most men of his acquaintance, Gregory Bridgerton believes in true love. And he is convinced that when he finds the woman of his dreams, he will know in an instant that she is the one. And that is exactly what happened. Except. She wasn't the one. In fact, the ravishing Miss Hermione Watson is in love with another. But her best friend, the ever-practical Lady Lucinda Abernathy, wants to save Hermione from a disastrous alliance, so she offers to help Gregory win her over. But in the process, Lucy falls in love. With Gregory! Except. Lucy is engaged. And her uncle is not inclined to let her back out of the betrothal, even once Gregory comes to his senses and realizes that it is Lucy, with her sharp wit and sunny smile, who makes his heart sing. And now, on the way to the wedding, Gregory must risk everything to ensure that when it comes time to kiss the bride, he is the only man standing at the altar.

On The Way To The Wedding

In every life there is a turning point. A moment so tremendous, so sharp and breath-taking, that one knows one's life will never be the same. For Michael Stirling, London's most infamous bachelor, that moment came the first time he laid eyes on Francesca Bridgerton. After a lifetime of chasing women, of smiling slyly as they chased him, of allowing himself to be caught but never permitting his heart to become engaged, he took one look at Francesca Bridgerton and fell so fast and hard into love it was a wonder he managed to remain standing. Unfortunately for Michael, however, Francesca's surname was to remain Bridgerton for only a mere thirty-six hours longer - the occasion of their meeting was, lamentably, a supper celebrating her imminent wedding to his cousin.

We can't really say more without giving away a big, fat spoiler, but it turns out that Colin is a bit of a meddler, Hyacinth is more of a meddler, and the only time all of the Bridgertons stop talking at once is when Penelope has something really embarrassing to say. Because of Miss Bridgerton

Three bestselling authors. Two delightful novels. One terrific collection! From Julia Quinn, author of the Bridgerton series, now streaming on Netflix—writing along with close friends and popular authors Eloisa James and Connie Brockway—comes *THE LADIES MOST*... a duo of cleverly crafted novels, *The Lady Most Likely* and *The Lady Most Willing*, together for the first time. *THE LADY MOST LIKELY* Hugh Dunne, the Earl of Briarly, needs a wife, so his sister hands him a list of delectable damsels and promises to invite them—and a few other gentlemen—to her country house for what is sure to be the event of the season. Hugh will have time to woo whichever lady he most desires. Unless someone else snatches her first. The invitation list includes: The always outspoken Miss Katherine Peyton The impossibly beautiful (and painfully shy) Miss Gwendolyn Passmore The widowed Lady Georgina Sorrell (who has no plans to marry, ever) And your hostess, Lady Carolyn Finchley, an irrepressible matchmaker with romantic plans for every last one of them—especially *THE LADY MOST LIKELY* to marry an eligible Earl. *THE LADY MOST WILLING* Taran Ferguson, laird of his clan, is determined that his ancient (if not so honorable) birthright be secured before he dies. When both his nephews refuse to wed, he takes matters into his own hands, raiding an English lord's Christmas ball and making off with four lovely potential brides (and one very irate duke). When his nephews, the Comte de Rocheforte and the Earl of Oakley, arrive for their annual holiday visit, they are drawn into a matchmaking party, of sorts. Among the unwitting guests are: Miss Fiona Chisholm, a beauty with a scandalous past Lady Cecily Tarleton, a lovely heiress—but she's English Miss Catriona Burns, a lady with no name or fortune, so clearly someone made a mistake! As the snow piles up outside the highland castle, and the guests are forced to pass the time together, the initial dismay turns to unanticipated attractions and then irresistible passions – and indeed, there might be one *LADY MOST WILLING* to marry a Scottish lord.

But now, spinning in the strong arms of the debonair and devastatingly handsome Benedict Bridgerton, she feels like royalty. Alas, she knows all enchantments must end when the clock strikes midnight. But rest assured, he's spinning in his grave when Gareth and Hyacinth cross paths at the annual—and annually discordant—Smythe-Smith musicale. But as they delve into the mysterious text, they discover that the answers they seek lie not in the diary, but in each other . . . and that there is nothing as simple—or as complicated—as a single, perfect kiss.

Liar

An intimate, impertinent, and incisive collection about race, progress, and hypocrisy from Jill Louise Busby, aka Jillisblack. Jill Louise Busby spent years in the nonprofit sector specializing in Diversity & Inclusion. She spoke at academic institutions, businesses, and detention centers on the topics of Race, Power, and Privilege and delivered over two-hundred workshops to nonprofit organizations all over the California Bay Area. In 2016, fed up with what passed as progressive in the Pacific Northwest, Busby uploaded a one-minute video about race, white institutions, and faux liberalism to Instagram. The video received millions of views across social platforms. As her pithy persona Jillisblack became an "it-voice" weighing in on all things race-based, Jill began to notice parallels between her performance of "diversity" in the white corporate world and her performance of "wokeness" for her followers. Both, she realized, were scripted. Unfollow Me is a memoir-in-essays about these scripts; it's about tokenism, micro-fame, and inhabiting spaces-real and virtual, black and white-where complicity is the price of entry. Busby's social commentary manages to be both wryly funny and achingly open-hearted as she recounts her shape-shifting moves among the subtle hierarchies of progressive communities. Unfollow Me is a sharply personal and self-questioning critique of white fragility (and other words for racism), respectability politics (and other words for shame), and all the places where fear masquerades as progress.
