DESTINED is Book #4 of the Bestselling series THE VAMPIRE JOURNALS, which begins with book #1, TURNED—a FREE download! In DESTINED (Book #4 in the Vampire Journals), Caitlin Paine wakes to discover herself back in time. She finds herself in a cemetery, on the run from a mob of villagers, and seeks refuge in the ancient cloisters of Assisi, in the countryside of Umbria, Italy. There, she learns of her destiny and her mission: to find her father and the ancient vampire Shield needed to save mankind. But Caitlin's heart still pines for her lost love: Caleb. She desperately needs to know if he has survived their trip back in time. She learns that her mission requires her to go to Florence, but if she wants to pursue matters of the heart, she must go to Venice. She chooses Venice. Caitlin is overwhelmed at what she finds. Venice of the eighteenth century is a surreal place, men and women dressed in elaborate costumes and masks, celebrating an endless, lavish party. She is thrilled to discover and reunite with some of her close friends, and to be welcomed back into their coven. And she is excited to join them in Venice's Grand Ball, the most important costume dance of the year, where she hopes, once again, to find Caleb. But Caitlin is not the only one who can travel back in time: Kyle soon arrives, too, and is determined to hunt her down and kill her once and for all. Sam, too, arrives, determined to save his sister before it is too late. At the Ball, Caitlin searches everywhere, and finds no sign of Caleb. That is, until the very last dance. She dances with a masked man who takes her heart away, and she feels certain that it is him. But as the partners change, she loses him again. Or does she? Caitlin soon finds herself torn between the two loves of her life, and discovers that she has to be careful what she wishes for. Her joy at finding what she wants might just come mixed with tragedy and heartbreak. In a climactic, action-packed ending, Caitlin finds herself up against true evil, Rome's ancient vampire coven, and the most powerful vampire coven that ever existed. Surviving will demand all her skills, as she finds herself battling for her very life. She will have to sacrifice more than ever, if she is to save the one she loves. . . . The Dancing Vampire

This crowning collection brings together seven of Bole Butake's finest plays since 1984, namely: *Dance of the Vampires*; *Family Saga*; *Lake God*; *Betrothal Without Libation*; *And Palm Wine Will Flow*; *The Rape of Michelle*; and *Shoes*. More than an academic, Butake has distinguished himself as a playwright,

unearthing and foregrounding the ills, travails and predicaments of a land and people trapped by the blood-dripping impunities of vampires in power. In his rich repertoire of over ten plays, Butake takes sides with the downtrodden, the wretched of the earth, the deprived and the underdogs. His jabs and jibes, aimed at the rulers, are scathing, at times vitriolic. He has excelled at a stubborn determination to ignore the sinecures, lure and allure of power without responsibility.

Dance of the Vampires and Six Other Plays

Taking a postmodern critical approach, this collection of new essays explores The CW Network's popular television drama The Vampire Diaries, taking in the complete original series (2009-2017), its spinoffs, source novels and fan fiction. Spanning three decades, TVD has engaged its predominantly teenage audience with storylines around love, friendship, social politics and gender roles. Contributors traverse the franchise's metamorphosis to suit the complex tastes of an early 21st century audience.

The Vampire Diaries as Postmodern Storytelling

But Blair also has her own personal battles to fight - the father who abandoned her and the fiancé who walked out after learning what she is: a demon hunter. As if this wasn't enough, Blair has been thrown together with Larkin - the handsome, flirtatious and downright infuriating shapeshifter. After a couple of terrifying run-ins with one of Lilith's loyal followers, Blair begins to wonder - can she stay alive long enough to defeat Lilith's army? And can she protect her heart from Larkin's dangerous charms?
