Life After Life

The PRIZE-WINNING BESTSELLER, now a major BBC1 DRAMA SERIES starring Thomasin McKenzie, Sian Clifford and James McArdle, directed by BAFTA award-winning John Crowley. 'Dazzling, witty, moving, joyful, mournful, profound... one of the best novels I've read this century' Gillian Flynn, bestselling author of GONE GIRL 'A box of delights ... it grips the reader's imagination on the first page and never lets go.' HILARY MANTEL, author of THE MIRROR AND THE LIGHT

What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? Life After Life follows Ursula Todd as she lives through the turbulent events of the last century again and again. With wit and compassion, Kate Atkinson finds warmth even in life's bleakest moments, and shows an extraordinary ability to evoke the past. Here she is at her most profound and inventive, in a novel that celebrates the best and worst of ourselves. 'Merging family saga with a fluid sense of time and an extraordinarily vivid sense of history at its most human level. A dizzying and dazzling tour de force' Daily Mail 'Absolutely brilliant...it reminded me a bit of her first book Behind the Scenes at the Museum, which is one of my most favourite books ever.' Marian Keyes, author of Rachel, Again 'An exceptional writer' Guardian '[A] magnificently tender and humane novel' Observer 'A ferociously clever writer...a big, bold novel that is enthralling, entertaining' New Statesman 'Exceptionally captivating' New York Times 'Truly brilliant...Think of Audrey Niffenegger's The Time Traveler's Wife or David Nicholl's One Day.. a rare book that you want to start again the minute you have finished.' The Times

Life After Life

What if you could live again and again, until you got it right? On a cold and snowy night in 1910, Ursula Todd is born to an English banker and his wife. She dies before she can draw her first breath. On that same cold and snowy night, Ursula Todd is born, lets out a lusty wail, and embarks upon a life that will be, to say the least, unusual. For as she grows, she also dies, repeatedly, in a variety of ways, while the young century marches on towards its second cataclysmic world war. Does Ursula's apparently infinite number of lives give her the power to save the world from its inevitable destiny? And if she can -- will she? Darkly comic, startlingly poignant, and utterly original: this is Kate Atkinson at her absolute best.

Life After Life

WINNER OF THE COSTA NOVEL AWARD What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? Life After Life follows Ursula Todd as she lives through the turbulent events of the last century again and again. With wit and compassion, Kate Atkinson finds warmth even in life's bleakest moments, and shows an extraordinary ability to evoke the past. Here she is at her most profound and inventive, in a novel that celebrates the best and worst of ourselves.

A God in Ruins

WINNER OF THE 2015 COSTA NOVEL AWARD AND BESTSELLING LITERARY PAPERBACK OF THE YEAR 'Atkinson's finest work, and confirmation that her genre-defying writing continues to surprise and dazzle' Observer A God in Ruins relates the life of Teddy Todd – would-be poet, heroic World War II bomber pilot, husband, father, and grandfather – as he navigates the perils and progress of the 20th century. For all Teddy endures in battle, his greatest challenge will be to face living in a future he never expected to have. This gripping, often deliriously funny yet emotionally devastating book looks at war – that great fall of Man from grace – and the effect it has, not only on those who live through it, but on the

lives of the subsequent generations. It is also about the infinite magic of fiction. Few will dispute that it proves once again that Kate Atkinson is one of the most exceptional novelists of our age. 'A dazzling read...ends on one of the most devastating twists in recent fiction' DAILY TELEGRAPH

Life After Life

"Gorgeously written . . . McCorkle's greatest gift is in illuminating the countless tiny moments that make up our time on Earth."—O: The Oprah Magazine Award-winning author Jill McCorkle takes us on a splendid journey through time and memory in this, her tenth work of fiction. *Life After Life* is filled with a sense of wonder at our capacity for self-discovery at any age. And the residents, staff, and neighbors of the Pine Haven retirement center (from twelve-year-old Abby to eighty-five-year-old Sadie) share some of life's most profound discoveries and are some of the most true-to-life characters that you are ever likely to meet in fiction. Delivered with her trademark wit, Jill McCorkle's constantly surprising novel illuminates the possibilities of second chances, hope, and rediscovering life right up to the very end. She has conjured an entire community that reminds us that grace and magic can—and do—appear when we least expect it. Jill McCorkle's new novel, *Hieroglyphics*, is on sale June 9, 2020.

The End of Days

Winner of the 2015 Independent Foreign Fiction Prize From one of the most daring voices in European fiction, this is a story of the twentieth century traced through the various possible lives of one woman. She is a baby who barely suffocates in the cradle. Or perhaps not? She lives to become as an adult and dies beloved. Or dies betrayed. Or perhaps not? Her memory is honoured. Or she is forgotten by everyone. Moving from a small Galician town at the turn of the century, through pre-war Vienna and Stalin's Moscow to present-day Berlin, Jenny Erpenbeck homes in on the moments when life follows a particular branch and 'fate' suddenly emerges from the sly interplay between history, character and pure chance. *The End of Days* is a novel that pulls apart the threads of destiny and allows us to see the present and the past anew.

Life After Life

Life After Life: A Novel By Kate Atkinson

The Years of Rice and Salt

This alternate history from the award-winning author of 'The Wild Shore' takes us on a journey through seven hundred years of history as it never was, but might have been.

Reflections on Life After Life

What happens to us when we die? Many think of heaven as an unimaginable state of bliss. As for hell, it's far out of proportion to any sin we might have committed and makes a travesty of God. But what if the afterlife was something very different? The key to such knowledge is mediumship. Three decades of research have taught the author, a world expert in the field of death and afterlife studies, who the most reliable voices are. These accounts are far better developed and more plausible than anything found in the world's scriptures or theologies. We hunger for a reliable revelation telling us that life here and now is meaningful and good, that each of us has an important part to play in its proper unfolding, that we are accountable for all we do, and that the godless materialism all around us is a pathological mistake. The world ahead, unlike ours, is fascinating and fair. Authentic mediums may be the closest thing to the voice of God that our planet has.

The Afterlife Unveiled

Paddy Armstrong was one of four people falsely convicted of The Guildford Bombing in 1975. He spent fifteen years in prison for a crime he did not commit. Today, as a husband and father, life is wonderfully ordinary, but the memory of his ordeal lives on. Here, for the first time and with unflinching candour, he lays bare the experiences of those years and their aftermath. *Life after Life* is a testament to the resilience of the human spirit and the power of forgiveness. It reminds us of the privilege of freedom, and how the balm of love, family and everyday life can restore us and mend the scars of even the most savage injustice. 'This book captures the sweet soul of Paddy. Beautifully written. For lovers of freedom everywhere.' Jim Sheridan

Life After Life

Ruby Lennox was conceived grudgingly by Bunty and born while her father, George, was in the Dog and Hare in Doncaster telling a woman in an emerald dress and a D-cup that he wasn't married. Bunty had never wanted to marry George, but here she was, stock in a flat above the pet shop in an ancient street beneath York Minster, with sensible and sardonic Patricia aged five, greedy cross-patch Gillian who refused to be ignored, and Ruby. Ruby tells the story of The Family, from the day at the end of the nineteenth century when a travelling French photographer catches frail beautiful Alice and her children, like flowers in amber, to the startling, witty, and memorable events of Ruby's own life.

Behind the Scenes at the Museum

The groundbreaking, bestselling classic, now available in a special fortieth-anniversary edition that includes a new Foreword from Eben Alexander, M.D., author of *Proof of Heaven*, and a new Afterword by the author. Raymond Moody is the “father” of the modern NDE (Near Death Experience) movement, and his pioneering work *Life After Life* transformed the world, revolutionizing the way we think about death and what lies beyond. Originally published in 1975, it is the groundbreaking study of one hundred people who experienced “clinical death” and were revived, and who tell, in their own words, what lies beyond death. A smash bestseller that has sold more than thirteen million copies around the globe, *Life After Life* introduced us to concepts—including the bright light, the tunnel, the presence of loved ones waiting on the other side—that have become cultural memes today, and paved the way for modern bestsellers by Eben Alexander, Todd Burpo, Mary Neal, and Betty Eadie that have shaped countless readers notions about the end life and the meaning of death.

Life After Life

"Winter Santiago hit time served. Still stunning, still pretty, still bold, still loves her father more than any man in the world, still got her hustle and high fashion flow. She's eager to pay back her enemies, rebuild her father's empire, reset his crown, and ultimately to snatch Midnight back into her life no matter which bitch had him while she was locked up. But Winter is not the only one with revenge on her mind. Simone, Winter's young business partner and friend, is locked and loaded and Winter is her target. Will she blow Winter's head off? Can Winter dodge the bullets? Or will at least one bullet blast Winter into another world? Either way Winter is fearless. Hell is the same as any hood and certainly the Brooklyn hood she grew up in. That's what Winter thinks."--Provided by publisher.

Life After Death

Evocative, suspenseful, and beautifully written, this debut women's thriller is set in a town called Train Line, in western-most New York, home to a community of mediums and spiritualists. In this environment, Naomi Ash comes of age and begins to distinguish what might be her own true vision from fakery and fraud.

After Life

Two great truths govern human existence: impermanence is the law of the Universe and therefore it is inevitable, but the jeewatma (soul) is permanent and lives forever. When one views human existence from the perspective of this knowledge, then the only certitude is that there is no death. With the materialization of the Universe the wheel of time was set in motion, imprinting preordained impermanence. Yet, despite the world's impermanence, Man is offered the opportunity of acquiring knowledge and achieving spiritual growth within his lifespan. The cosmic soul momentarily adopts a human body to experience advancement in human form. But when the jeewatma departs the physical body from one of the five koshas (sheaths), it is released from this confinement and bondage into the joyful revelation of its true nature. The soul experiences divine love and achieves a state of timelessness. The demise of the human body thus becomes the moment for joyful fulfillment – when the jeewatma achieves ultimate growth and eternal beauty. Though the human form and external body decays, the jeewatma or the subtle body/soul, remains intact in its true and original form. Litterateur Rajendra Kher has spent long years studying the subject of death. He has researched both ancient and modern references, as well as the Vedas, Upanishads, Bhagavad-Gita, Srīmad Bhagvatam and various mythological literature in his attempt to unravel and comprehend death and 'life after life'. He has also analyzed the personal experiences of rishis, scholars, masters and yogis; adding his findings to the book to make it comprehensive. The gift contained in these pages is the lifting of the veil on

death. In so doing, it frees each of us from unknown fears and dread about death and dying, enabling us to experience instead, true happiness and the grace of living.

Life After Life - Lifting the Veil on Death

In December 1943, 20-year-old Army private George Ritchie died of pneumonia. Nine minutes later, he came back profoundly changed. What happened to him while his dead body lay under a sheet would change his life, and that of his family, friends, and patients. His bestselling book about his experiences, *Return from Tomorrow*, has sold more than 250,000 copies. In this book George Ritchie briefly retells the story of that strange experience and then tells what happened later, including the real miracles that he has seen in his years of practice as a physician and psychiatrist. Included here are powerful stories of physical and emotional healing that were informed by those nine minutes on "the other side." Replaces *Order to Return*, 978-1-57174-096-0

My Life After Dying

A deeply moving novel about a woman who thought she never wanted to be a mother—and the many ways that life can surprise us "An ode to possibility" — The Washington Post Rose Napolitano is fighting with her husband, Luke, about prenatal vitamins. She promised she'd take them, but didn't. He promised before they got married that he'd never want children, but now he's changed his mind. Their marriage has come to rest on this one question: Can Rose find it in herself to become a mother? Rose is a successful professor and academic. She's never wanted to have a child. The fight ends, and with it their marriage. But then, Rose has a fight with Luke about the vitamins--again. This time the fight goes slightly differently, and so does Rose's future as she grapples with whether she can indeed give up the one thing she thought she knew about herself. Can she reimagine her life in a completely new way? That reimagining plays out again and again in each of Rose's nine lives, just as it does for each of us as we grow into adulthood. What are the consequences of our biggest choices? How would life change if we let go of our preconceived ideas of ourselves and became someone completely new? Rose Napolitano's experience of choosing and then choosing again shows us in an utterly compelling way what it means, literally, to reinvent a life and, sometimes, become a different kind of woman than we ever imagined. A stunning novel about love, loss, betrayal, divorce, death, a woman's career and her identity, *The Nine Lives of Rose Napolitano* is about finding one's way into a future that wasn't the future one planned, and the ways that fate intercedes when we least expect it.

The Nine Lives of Rose Napolitano

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

A Little Life

Life After Life is the haunting and gloriously redemptive tale of Evans D. Hopkins's many lives, a sweeping journey from promising middle-class youth to civil rights militant, from criminal and convict to celebrated writer and enlightened man. Evans D. Hopkins was born during the Jim Crow era in a second-rate, segregated hospital, and educated in segregated primary schools in Danville, Virginia, a town that proudly proclaimed itself the "Last Capital of the Confederacy." With parents who stressed the value of education, as a teenager he was in the forefront of desegregation and the Civil Rights Movement. At the same time, he fell in love with the traditionally white man's game of tennis, modeling himself after his idol, the legendary Arthur Ashe, only to be swept off the courts by the Black Panther Party at the age of sixteen. Just out of high school, Hopkins moved to Panther headquarters in Oakland, California, where he spent two years writing for the Party newspaper, covering the trial of the San Quentin Six, working with Party founders Huey Newton and Bobby Seale, and taking part in their move into politics when Seale ran for mayor of Oakland. He became historian for the group, documenting the years when altercations with authorities resulted in the deaths of numerous Panthers. And he was witness to the internal strife within the Party that led to the group's decline and his own decision to leave in the fall of 1974. When he returned to Danville, Hopkins was a different man, disillusioned and filled with rage and a legacy of militancy. He was, in his own words, "the quintessential angry young black man." Convicted of armed robbery and given a life sentence, Hopkins would spend twenty of the next twenty-two years in the prisons of Virginia. Inside, fighting despair and isolation and dreaming of escape, Hopkins sought salvation in the written word, writing in his cell in the early morning hours to escape the noise of the prison. Focusing on issues of social and criminal injustice, Hopkins would

begin reaching a national audience when his inside account of an execution, "Who's Afraid of Virginia's Chair," was published in The Washington Post. Paroled in 1997, Hopkins returned home, a free man at last, but facing the overwhelming challenges of caring for his aging parents and daily life in a world that was new after so many years of incarceration. In this stunning look back at a man's struggle with himself and the world around him, *Life After Life* is also about the influences that sustained Hopkins's development despite overwhelming odds, influences that allowed him to emerge from two decades of imprisonment an uncorrupted man, still able to give to his family and community. Finally, *Life After Life* is a searingly honest view of events in America in the second half of the twentieth century as seen through the eyes of a child, a militant, a prisoner, and, most important, a writer.

Life After Life

The fourth Jackson Brodie novel: literary crime from the prizewinning number-one bestselling author of *Big Sky* and *Transcription*. 'Crime has given Atkinson the freedom to write an ambitious, panoramic work, full of excitement, colour and compassion' Sunday Times A day like any other for security chief Tracy Waterhouse, until she makes a shocking impulse purchase. That one moment of madness is all it takes for Tracy's humdrum world to be turned upside down, the tedium of everyday life replaced by fear and danger at every turn. Witnesses to Tracy's outrageous exchange in the Merrion Centre in Leeds are Tilly, an elderly actress teetering on the brink of her own disaster, and Jackson Brodie, who has returned to his home county in search of someone else's roots. All three characters learn that the past is never history and that no good deed goes unpunished.

Started Early, Took My Dog

YOU ARE THE FIRST GENERATION RAISED WITHOUT RELIGION What happens if we are raised without religion or beliefs? As we grow older, the beauty and disenchantments of the world temper our souls. We all have spiritual impulses, yet where do these impulses flow in a world of commodities and consumerism? *LIFE AFTER GOD* is a compellingly innovative collection of stories responding to these themes. Douglas Coupland takes us into worlds we know exist but rarely see, finding rare grace amid our pre-millennium turmoil.

Life After God

The first book to deal with all the arguments against religion and, equally important, to put forward an alternative - humanism

The God Argument

In the follow-up to Elisa Medhus's *My Son and the Afterlife*—"a heartfelt, deeply moving story" (Eben Alexander, New York Times bestselling author of *Proof of Heaven*)—her son Erik tells his astounding story directly from the afterlife, describing in detail his death, transition, and spiritual renewal. *My Life After Death* begins on the tragic day when Erik Medhus took his own life. What follows is a moment-by-moment account of the spiritual life he discovers on the other side—told for the very first time in his own words as channeled by medium Jamie Butler and then transcribed by his mother Elisa. Overflowing with his signature honesty and candor, Erik describes more than just a visit to the afterlife. He personally walks us through the experience of dying, transitioning into spirit form, and reveals a detailed look at the life awaiting us on the other side. In this intimate and provocative memoir, crucial questions will finally be answered, including: What does it feel like to die? What is it like to become a spirit? Why and how do spirits communicate with the living? Is there a heaven? Ultimately, Erik's story provides the answers that will help readers find solace and remove the fears surrounding death, showing that love has no boundaries and life does not truly end.

My Life After Death

THE ENTHRALLING SUNDAY TIMES TOP 5 BESTSELLER AND WINNER OF THE WOMAN & HOME BOOK CHOICE AWARD 2020 'A compelling page-turner' DAILY MAIL _____ Find the liar. Find the killer . . . Amelia White didn't expect her career as a reporter to start like this: by finding a young woman's body, just around the corner from her Shepherd's Bush bedsit. With rumours already spreading about this poor murder victim, she seizes her chance to write the true story. But when more bodies are found, the police are baffled. Reporting on the story, Amelia meets witnesses as well as suspects. If she can only work out who the liar among them is, she may be able to stop the murders. Or might she

turn herself into the next victim? . . . _____ 'Gripping and suspenseful, a fast-paced murder mystery, love story and a young woman's journey of self-discovery' Daily Express 'This latest book from master storyteller Lesley Pearce is gripping and full of twists. Liar

The Afterlife is Real is the latest book from much-loved paranormal expert, Theresa Cheung, and is a captivating collection of true stories from people who have glimpsed the next life. Using as evidence first-hand accounts from ordinary people whose lives have been transformed by near death experiences and/or contact with the other side, Theresa will answer the big questions that everyone asks at some point in their lives whether or not they are religious/spiritual. What happens when we die? Will we ever see our loved ones again? Is there an afterlife? Is there a heaven? Its aim is to empower readers with the knowledge that there are answers, hope and life in the midst of confusion, uncertainty and death. Theresa instructs readers in how to look for signs of spirit communication and how near death experiences can inspire and transform lives. It is a powerful and comforting reminder that there is more waiting for us than we see in the here and now.

The Afterlife is Real

The zombies are back. The humans are losing. One man has the answers how to stop it all. Too bad he's dead, and not talking. It was supposed to be a rebirth of the human civilization, but the anti-techs who came up with the zombie virus don't want civilization to come back. No safe zones. No military. No government. Everyone for themselves. A small group of survivors knows about the plan and is looking for a way to stop it. All they have to do is travel through zombie filled towns and get past the humans who are already succumbing to the idea that might makes right and no one is to be trusted.

Life After Life

This is the extraordinary novel that has captured millions in its spell!

Flowers in the Attic

Joe Posnanski enters the colorful world of Harry Houdini and his legions of devoted fans to explore the illusionist's impact on global culture—and why his legacy endures to this day. Nearly a century after Harry Houdini died on Halloween in 1926, he feels as modern and alive as ever. The name Houdini still leaps to mind whenever we witness a daring escape. The baby who frees herself from her crib? Houdini. The dog who vanishes and reappears in the neighbor's garden? Houdini. Every generation produces new disciples of the magician, from household names in magic like David Copperfield and David Blaine to countless other followers whose lives have been transformed by the power of Houdini. In rural Pennsylvania, a thirteen-year-old girl finds the courage to leave a violent home after learning that Houdini ran away to join the circus; she eventually becomes the first female magician to saw a man in half on television. In Australia, an eight-year-old boy with a learning impediment feels worthless until he sees an old poster of Houdini advertising "Nothing on earth can hold Houdini prisoner," and begins his path to becoming that nation's most popular magician. In California, an actor and Vietnam War veteran finds purpose in his life by uncovering the secrets of his hero. But the unique phenomenon of Houdini was always more than his death-defying stunts or his ability to escape handcuffs and straitjackets. It is also about the power of imagination and self-invention. His incredible transformation from Ehrich Weiss, humble Hungarian immigrant and rabbi's son, into the self-named Harry Houdini has won him a slice of immortality. No one has withstood the test of time quite like Houdini. Fueled by Posnanski's personal obsession with the magician—and magic itself—The Life and Afterlife of Harry Houdini is a poignant odyssey of discovery, blending biography, memoir, and first-person reporting to trace Houdini's metamorphosis into an iconic figure who has inspired millions.

The Life and Afterlife of Harry Houdini

This two book volume contains the author's bestselling title, "Life After Death, Powerful Evidence You Will Never Die" and the sequel, "Life After Death Book II: Heaven, Hell & You," thereby revealing what everyone living today needs to know about life after death. Book One lays out indisputable evidence the brain does not create your consciousness, and that when your body dies, your consciousness will be released into a mental realm. It explains what you can expect to experience during the first minutes until you come to a border near death survivors agree is a point of no return. Book Two will lead you past that border to explore that Shakespeare called, "The undiscovered country," a mental realm each individual creates for him or herself. It also makes suggestions about actions to take now to insure the best possible outcome after death. Read what reviewers had to say about Book I: "Extraordinary findings in Stephen Martin's newest book, Life After Death, Powerful Evidence You Will Never Die, will keep readers on the edge of their seats as they burn through this well written book's pages. . . ." - Mark Davis, M.D. "If you only read one book about the afterlife, I highly recommend this one. It's an extensive research project and is quite understandable for the average reader. . . ." - Alan Halverson "I couldn't put this book down. I'm 34 years old with no major health issues and have been recently dealing with a lot of anxiety over death. . . ." - Nicole Ryan "This is one of the most powerful books on this subject that I have ever read. Very inspiring." - C. Ann Clarkon "Very accessible and well-written overview of recent research supporting evidence of consciousness existing independent of the brain; as well as its implications for survival of awareness after physical death. . . ." - Keith Park, Ph.D.

Afterlife, the Whole Truth

Once a murderer, always a murderer? Or can a murderer be redeemed? Who do they really become after they have served decades in prison? What does it take for a killer to be accepted back into society? What is the chance that he will kill again? Award-winning journalist Nancy Mullane found herself facing these questions when she accepted an assignment to report on the exploding costs of incarceration. But the men she met behind the walls astonished her with their remorse, introspection, determination, and unshakable hope for freedom and forgiveness. Life After Murder is an intimately reported, utterly compelling story of five convicted murderers sentenced to life with the possibility of parole, who discover after decades in prison that their second chance, if it comes at all, is also the challenge of a lifetime. It follows their struggle for redemption, their legal battles to make good on the state's promise of parole, and the lives they found after so many years inside.

Life After Murder

Shares an account of his religiously transformative near-death experience and revealing week-long coma, describing his scientific study of near-death phenomena while explaining what he learned about the nature of human consciousness.

Proof of Heaven

What happens when we die? This new edition of -Life After Death- adds to powerful evidence consciousness continues the author presented in his 2015 release. He spent two years gathering information that demonstrates this and along the way interviewed more than a hundred experts in a number of different fields. Among them were parapsychologists, medical doctors, psychologists, psychiatrists, quantum physicists, and researchers into the true nature of reality. Specific examples are presented that indicate what happens when we die, for example that memories can be formed and retained despite a subject's brain having been shutdown and the blood drained from it. Questions such as whether or not you will be able to communicate with living loved ones after death are addressed, if it is possible to be reborn, and what might be missing from reproductive theory to explain the various phenomena indicated in the many case histories and scientific investigations presented. All of us will someday cross the border to what Shakespeare called -The undiscovered country.- As long as we must make that trip, wouldn't it be smart to find out where we are going and what to expect when we get there?

Life After Death, Powerful Evidence You Will Never Die

An updated, repackaged edition of the bestselling divination tool and party favorite - ask a yes or no question, open the book, find your answer - with more than a million copies in print. Should you ask your boss for a raise? Call that cutie you met at a party? Sell your Google stock? Tell your best friend her boyfriend's cheating? The answer to these questions (and hundreds of others) is in this fun and weirdly wise little book that's impossible to put down. It's simple to use: just hold it closed in your hands

and concentrate on your question for a few seconds. While visualizing or speaking your question, place one palm down on the book's front and stroke the edge of the pages back to front. When you sense the time is right, open to the page your fingers landed on and there is your answer! Fun, satisfying, and a lot less time-consuming than asking everyone you know for advice. Over 1 million copies in print!

The Book of Answers

A lost classic found, a guidebook for life's biggest adventure--death! Gustav Theodor Fechner was a 19th-century physicist, psychologist, metaphysicist, and musician, who applied his considerable intellect to examining the question of life after death. Does it exist? If so, what form might it take? First written and published in a time when traditional understanding of God and nature were undergoing a huge transformation, Fechner's reasonable, accessible, and groundbreaking book became a manual for living well and dying as part of life. Fechner explains that death is another form of birth. That just as you cannot remember the time in the womb and the painful birthing process, so too will you not remember death when you have gone through another birthing or awakening into the spirit world. In this third stage of life, the quality of life is determined by one's actions in the second stage. Right actions provide spirits with a way to better influence the living. False actions on this plane provide nothing and can be debilitating in the world to come. The Little Book of Life After Death was first published in this country with an introduction by William James, arguably the most insightful philosopher of the late 19th century, as well as a forefather of modern psychology.

The Little Book of Life After Death

It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes--the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father--and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground.

The Girl with Ghost Eyes

A vibrant collection of sharp and essential modern pieces on Vladimir Nabokov's perennially provocative book—with original contributions from a stellar cast of prominent twenty-first century writers. In 1958, Vladimir Nabokov's *Lolita* was published in the United States to immediate controversy and bestsellerdom. More than sixty years later, this phenomenal novel generates as much buzz as it did when originally published. Central to countless issues at the forefront of our national discourse—art and politics, race and whiteness, gender and power, sexual trauma—*Lolita* lives on, in an afterlife as blinding as a supernova. *Lolita in the Afterlife* is edited by the daughter of *Lolita*'s original publisher in America. WITH CONTRIBUTIONS BY Robin Givhan • Aleksandar Hemon • Jim Shepard • Emily Mortimer • Laura Lippman • Erika L. Sánchez • Sarah Weinman • Andre Dubus III • Mary Gaitskill • Zainab Salbi • Christina Baker Kline • Ian Frazier • Cheryl Strayed • Sloane Crosley • Victor LaValle • Jill Kargman • Lila Azam Zanganeh • Roxane Gay • Claire Dederer • Jessica Shattuck • Stacy Schiff • Susan Choi • Kate Elizabeth Russell • Tom Bissell • Kira Von Eichel • Bindu Bansinath • Dani Shapiro • Alexander Chee • Lauren Groff • Morgan Jerkins

Lolita in the Afterlife

Death was only the beginning. My name is Audrey Lyons, and I'm dead. I've also just learned that everyone in the afterlife is given a job . . . for all of eternity, and I've been assigned to be a demon hunter. This could be bad--physical activity and I aren't on speaking terms and my trainer, Logan, is as infuriating as he is attractive. Just when I think my life--or rather, afterlife--is all punch, stab, rinse and repeat, I find myself the wielder of the most powerful sword in existence and the key to unleashing the apocalypse. With Satan gunning for me, the lives of the living, the fate of my fellow hunters, and the balance between good and evil now rests in my hands. But no pressure, right? Fans of *The Mortal Instruments*, *Buffy the Vampire Slayer*, and *Supernatural* won't want to miss out on all the twists and

turns in this clean YA Fantasy journey. Grab your copy of the book that readers have called "captivating," "stunning," and "refreshingly beautiful!"

Huntress

'A darkly sumptuous tale of wicked spectacle, wild injustice and the insuppressible strength of women' EMMA STONEX, author of THE LAMPLIGHTERS 'An essential story of women resisting the unjust exertion of male power' SUNDAY TIMES _____ The Salpêtrière asylum, 1885. All of Paris is in thrall to Doctor Charcot and his displays of hypnotism on women who have been deemed mad or hysterical, outcasts from society. But the truth is much more complicated - for these women are often simply inconvenient, unwanted wives or strong-willed daughters. Once a year a grand ball is held at the hospital. For the Parisian elite, the Mad Women's Ball is the highlight of the social season; for the women themselves, it is a rare moment of hope. Geneviève is a senior nurse. After the childhood death of her sister, she has shunned religion and placed her faith in Doctor Charcot and his new science. But everything begins to change when she meets Eugénie, the 19-year-old daughter of a bourgeois family. Because Eugénie has a secret, and she needs Geneviève's help. Their fates will collide on the night of the Mad Women's Ball... _____ 'In this darkly delightful Gothic treasure, Mas explores grief, trauma and sisterhood behind the walls of Paris' infamous Salpetriere hospital' PAULA HAWKINS, author of A SLOW FIRE BURNING 'A beautifully written debut...I have absolutely no doubt it will be one of my favourite novels of 2021.' AJ PEARCE, author of DEAR MRS BIRD 'Essential reading' COSMOPOLITAN 'A deftly woven tale of hope and pain, judgement and redemption, cruelty and kindness. Utterly captivating and profoundly affecting.' Sunday Times bestseller, MIRANDA DICKENSON 'Enter the dance of this little masterpiece and let yourself be dazzled. Assured of hitting the bestseller lists' THE PARISIAN _____ AN AMAZON PRIME ORIGINAL FILM STARRING MÉLANIE LAURENT

The Mad Women's Ball

Dear Cici and Father, I have come to Devon and married a duke. And I'm more tired and hungry than I have ever been in my life. Please let me come home. Compromised and wedded on the same day, Lady Miranda was fast finding married life not to her taste. A decaying manor and a secretive husband were hardly the stuff of girlish dreams. Yet every time she looked at dark, brooding Marcus Radwell, Duke of Haughleigh, she felt inexplicably compelled—and determined—to make their marriage real!
