The Flame Bearer (The Last Kingdom Series, Book 10)

A brand new companion to the Last Kingdom series, Uhtred's Feast, is available to pre-order now The tenth book in the epic and bestselling series that has gripped millions. A hero will be forged from this broken land. As seen on Netflix and BBC around the world.

Kingdom of Flames & Flowers

I've lived in the mud quarter in the entire life, watching as the fireguards came every five years to select the prettiest girls to go to the Seat to start new lives and get it all: husbands, houses without a speck of dirt, and enough food that hunger wasn't a constant pain in your belly. This year it's my turn. And the dragon that forces our kingdom to cower under our magnificent dome and hide behind stone walls hasn't shown any signs of leaving. No one is more shocked than me when the queen tries to execute me by throwing me into his domicile. What no one expected was for the dragon to transform into a man and kiss me.

Evoking Eternity

The brand new novel in Bernard Cornwell's number one bestselling series on the making of England and the fate of his great hero, Uhtred of Bebbanburg. BBC2's major TV show THE LAST KINGDOM is based on the first two books in the series. From the day it was stolen from me I had dreamed of recapturing Bebbanburg. The great fort was built on a rock that was almost an island, it was massive, it could only be approached on land by a single narrow track - and it was mine. Britain is in a state of uneasy peace. Northumbria's Viking ruler, Sigtryggr, and Mercia's Saxon Queen Aethelflaed have agreed a truce. And so England's greatest warrior, Uhtred of Bebbanburg, at last has the chance to take back the home his traitorous uncle stole from him so many years ago - and which his scheming cousin still occupies. But fate is inexorable and the enemies Uhtred has made and the oaths he has sworn combine to distract him from his dream of recapturing Bebbanburg. New enemies enter into the fight for England's kingdoms: the redoubtable Constantin of Scotland seizes an opportunity for conquest and leads his armies south. Britain's precarious peace threatens to turn into a war of annihilation. But Uhtred is determined that nothing, neither the new enemies nor the old foes who combine against him, will keep him from his birth right. He is the Lord of Bebbanburg, but he will need all the skills he has learned in a lifetime of war to make his dream come true.

The Flame Bearer

From Gail Z. Martin, one of the most exciting writers of fantasy adventure, comes the fourth and final novel in the epic Ascendant Kingdoms saga. Blaine McFadden and his allies have brought magic back under mortal command and begun to restore order to the beleaguered kingdom of Donderath. Now, new perils and old enemies gather for a final reckoning. Foreign invaders, a legendary dark mage and vengeful immortals fight Blaine's battered forces for control of the continent, and Blaine's weary army is the only thing standing between a kingdom struggling to rise from the ashes and a descent into fury and darkness.

The Flame Bearer

Nineteen years ago, on the island kingdom of Garlin, a girl was born. With charred skin as rough as rock, Vala was instantly feared. For how could one be scorched by magic when it had perished ages before? Recognizing an asset, the royal family welcomed her on their Guard. Her detail: the prince. To watch. To protect. She has grown with him, lives her life for him. When the high kingdom's princess comes to assess the prince, assassins of rival courtiers come to claim his life. One nearly succeeds in his mission. But with shadowy movements and charred skin like her own, Vala knows he is not like the rest. As threats to the prince continue and questions about Vala's life begin to rise, she faces a fear worse than fire or water, worse even than losing him. She fears finding out who she truly is.

Fallen Flame

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenders want her dead. The wolveren are growing more unpredictable. And as her abilities to feel pain and emotion

begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

A Kingdom of Flesh and Fire

"The year is 1971, and working class life in Liverpool holds little promise for fourteen year old Stephen as he waits to leave school. Two years before, he'd had a love affair with a construction worker. Then during the school holidays he'd tried out a new role, dressing and living as a woman in a Midlands town. Now it had to be London and the bright lights. So when his teacher told him he'd no ambition, Stephen just kept dumb and thought to himself: 'I'm not going to stay around here working in a factory, honey. I'm going OUT THERE, where there's LIFE. I'm going to be a prostitute, just like my mum.' Stephen became Flame - and this is his true story."--Page [4] of cover.

Flame

This is a children's story about a curse placed on Princess White Flame of the Fire Fairies and how it was lifted. In this story you will hear tell of Prince Radiance, and Princess White Flame, who lived in the Fire Country and of many strange and wonderful adventures on which they journeyed on to reach, at last, a never-ending happiness. OF all the fairy countries in the world none is more wonderful or beautiful than the country where the Fire Fairies live. Into that land no fairies of the earth, or air, or water dare venture. They would be seared, or changed to ash or vapor. There are many doors which open into the Fire Kingdom. They number in the thousands, and hundreds of thousands. Wherever you see the firelight flicker, wherever you see flames leaping and dancing, wherever you hear the snap of the burning logs, there you may be sure is an open door. Then if you choose to creep close to it, and peer in, you may perhaps see wonderful things; fairy forms that flit and vanish, and reappear, and vanish again among the leaping flames. Perhaps, also, you may see the shining domes and glittering turrets of the fairy palaces. But when the fire burns down, and the hearth grows dark the door is closed—there is no more to be seen of that wonderland. In the very heart of the Fire Country stands the palace of King Red Flame, the gleaming flame-coloured palace, the Palace of Burning Coals. Around it lies a wonderful garden, where paths wind away among great fields of fire lilies, and flame roses lift their heads, and the tall shining trees rustle in the wind with a sound like the whispering of the fire on the hearth. Here in this glowing country the good and happy fairies work and play, and serve their king as all good fairies should. But not all fairies in this land are good and happy. Beyond the glow of the roses and the lilies, beyond all sight of the glimmering trees, there lies another part of the country where the evil fairies live. Here are great Plains of Ash, and huge Caverns of Soot, and stretches of gloom in which the Shadow Witch comes and goes. Here lurk the Imps of Darkness, Dragons crouch, and Wizards dwell. Perhaps sometimes when you have looked into the Fireplace you have seen those dismal plains and darksome valleys. They lie away from the heart of the Fire, at the side of the Hearth, and between the flames and the heaps of ashes. Magic by Fire: Spark of a Flame

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Filled with epic adventure, forbidden romance, deceit, lies, and betrayal, FB&A draws you in from page one and refuses to let go!" - Erica, The Rest Just Falls Away "Jennifer L. Armentrout comes trough once again with From Blood and Ash as it kept me enthralled throughout the full book. You won't be able to put down this epic story once you start." - Julalicious Book Paradise "From Blood and Ash strikes the perfect balance between fantasy and romance elements leaving the world feeling live in and full while allowing the relationship between the main characters feeling real and authentic." - Nads Book Nook, Nadine Bergeron "Be prepared to spend your whole day reading From Blood and Ash. Once you start reading this high fantasy novel, you won't want to put it down." - Love Book Triangle "From Blood and Ash is absolutely breath taking. JLA does what she does best by creating a fantastical world filled with romance, lies, betrayal, adventure and all things we love and expect from JLA characters that melt our hearts and steal our hearts and souls. I cannot wait for the next one!" - Pia Colon "From Blood and Ash, Jennifer L. Armentrout brought to life a high fantasy that is enthralling. Another masterful addition to my collection. Get ready to stay on your toes from start to end." - Amy Oh, Reader by the Mountains "From Blood and Ash is the first high fantasy novel by Jennifer L Armentrout and she absolutely nails it. This is fantasy for skeptics and unbelievers because it makes you want to be a fantasy fan! This page turner makes you want to devour it in one night and at the same time savor every detail. Heart stopping and inspiring and grips you from page one." - Tracy Kirby "An intriguing puzzle of a world, a ruthless hero, a determine heroin, and a plot that will keep you up late, this book is one of the best I've read this year." - Valerie from Stuck In Books "From Blood and Ash, a thrilling high fantasy that packs a punch, each page will leave you wanting more!" - Tracey, Books & Other Pursuits

We Hunt the Flame

She would know the world of vengeful gods and monsters, and the lengths one would go for love. And nothing would ever be the same for her again. Gifted thief Romeria steals jewels under a notorious New York City crime boss. But when an enigmatic woman secures her services at swordpoint, Romeria is wrenched from this world and transported into a realm of opposing thrones, warring elven societies and elemental magic. Waking up in the body of a treacherous elven princess, Romeria quickly realises she's entangled in a deadly plot and must hide her identity at all costs - not least from the princess's betrothed, King Zander, who detests her. Romeria is forced to play the smitten princess as the unwilling pair work together to uncover the danger that surrounds them. But with their enemies closing in - and as she fights her growing feelings for the king - it's time for Romeria to find out who she truly is. The first book in the captivating Fate & Flame series

From Blood and Ash

The world is balanced on the edge of a knife, and war is almost certain between the empire and the Phoenix Riders. Veronyka finally got her wish to join the Riders, but while she's supposed to be in training, all she really wants to do is fly out to defend the villages of Pyra from the advancing empire.

Tristan has been promoted to Master Rider, but he has very different ideas about the best way to protect their people than his father, the commander. Sev has been sent to spy on the empire, but maintaining his cover may force him to fight on the wrong side of the war. And Veronyka's sister, Val, is determined to regain the empire she lost--even if it means inciting the war herself. As tensions reach a boiling point, the characters all find themselves drawn together into a fight that will shape the course of the empire--and determine the future of the Phoenix Riders. Each must decide how far they're willing to go--and what they're willing to lose in the process.

A Fate of Wrath and Flame

Son of the Flame BlurbThe Son of Flame is the second installment to The Ash and Stone series continuing the epic adventure across the Three Kingdoms, a land filled with conspiracy, magic, betrayal, and the machinations of fate. The King of Ravinshore has been saved, the traitorous Order of Walrea exposed, and its Lord Watcher chased across the sea. But the danger isn't over for the Three Kingdoms. In Queen's Hill, though Olin and his friends managed to stop the Order of the Red Flame from following Walrea's lead to overthrow the kingdom, the Red Flame hasn't given up and are determined to succeed where Walrea failed. Enemies and allies alike rally around the throne of Queen's Hill and conspiracy whispers in the shadows, but the true danger may lurk on the throne itself, as King Ranald of Queen's Hill is consumed by fear and paranoia brought on by the failed coup. As tensions in the kingdom rise, the growing madness of the king threatens to topple the already tenuous peace. Meanwhile, Olin, once a simple skiff thrust into a dangerous secret, is now heralded as the savior of Ravinshore. But his struggles aren't over. Once again abandoned by the mother he thought he'd found, Olin finds himself adrift and rudderless, struggling with frightening new powers and threats from the Order he betrayed. Levyna is determined to stand by him, even as she searches for the meaning of a haunting new dream, fearful of what its warning means for their future. As enemies lurk within every shadow and war looms on the horizon, Olin and Levyna must face their demons as they come to terms with the magic linking them together. But as their magic grows stronger, it threatens to tear them apart, and may become the very spark that burns the kingdom to ash.

Heart of Flames

Reborn as the Flame, thirteen-year-old Emily has saved Olympus from destruction but when the gruesome Nirads begin a new invasion, Emily and her friends become entangled in the conflict as old grudges are unearthed and new enemies are discovered.

Son of the Flame

Duty before love; legacy before life. Six months have passed, and Tallora is haunted by memories of Solvira and the woman she loves-Empress Dauriel Solviraes, seated on a throne a thousand miles away. But when rumors of the Tortalgan Sea's coalition with Moratham surface, Tallora fears her small kingdom will be destroyed between the two warring empires. With the help of new friends-a merfolk prince and a mysterious sea witch-Tallora must return to Solvira in order to stop the rising tides of war. From the author of *FALLEN GODS* comes a story of duty and betrayal-and a love that transcends the bounds of land and sea.

The Flame of Olympus

Tehdra El kyn, a warrior elite of the shadow realm, has infiltrated the Nurian kingdom as a concubine for the merciless King Ajali, a man her demon has claimed as mate. Tehdra enters a court of deceit, political intrigue, and danger, where she tries to prevent the kings' assassination without betraying her heart and her realm. Soon she finds that she must make terrifying choices which may result in her death or war for her kingdom. King Ajali Haddin is powerful, cunning, and ruthless in protecting those he loves. With whispers of the realms plotting his death and the destruction of his kingdom, he uses Tehdra, a suspected spy to draw the enemy into combat. The last thing Ajali expected was to be captivated by Tehdra's fierceness and her chilling beauty. Resisting her is the hardest battle he's ever fought, but one he is determine to win. For to claim a woman as Tehdra means betraying his kingdom.

Heart of Silver Flame

Discover a secret world of fairytale creatures! The creatures of The Kingdom of Bellua need Hattie's help now more than ever! Evil King Ivar of the Imps has stolen the ultimate power - the immortality of

Eternal Flames

Royalty always seems to have so many tough choices, high up in the castle, with servants to wait on their every need. However, Princess Rose has never been one to want others to serve her. That's not the only thing that she wishes to change about her life--she has always been fascinated with magic, which has been outlawed in the kingdom. But when several shadowy figures seem to want the princess out of the picture, she has no choice but to leave her fate in the hands of a mysterious newcomer, whose very existence is forbidden.

Hattie B, Magical Vet: The Phoenix's Flame

As the only one in the kingdom of Picaladoria that can see the fire wisps, Princess Gabriella is the only one who knows why some of the people of Picaladoria have been acting so peculiar. Well, the only one that is, except for her fiancé Prince Ashworth, who believes her as she tells him all of the times that she's seen the fire wisps jump into the unsuspecting bodies of the kingdom's people, including her father, King Marbamas. Not yet knowing what is causing the appearance of the fire wisps, Princess Gabriella discovers that she now has a new supernatural ability that is powerful, but hard to control. Now Princess Gabriella must learn how to use this supernatural ability, before everyone in Picaladoria is taken over by the fire wisps. However, if Prince Ashworth's implied words to Princess Gabriella are accurate, the only way for Princess Gabriella to use her magical and supernatural powers to save everyone, is to sacrifice herself. And that is exactly the kind of heartbreak that Prince Ashworth is both predicting, and afraid of not being able to bear.

A Shadowing Flame

In *The Smoke and the Flame*, Colleen O'Banyon longs for love and adventure until she encounters Darius McLinnin, one of the fabled race called the Jinn. In each other's arms they find all the passion, all the love their hearts desire. But there is a ring, ancient and powerful, and only it can control the Jinn. As the ruler of the Jinn and their kingdom, Kaf, Darius is sworn to keep his people safe from it. Willing to protect the man she loves and guard his kingdom with her life, Colleen vows to aid him. Alaster, an evil sorcerer, will stop at nothing to make the ring and Kaf his. The battle begins in *The Smoke and the Flame*.

Serials and Series

While many fans remember The Lone Ranger, Ace Drummond and others, fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials, though few made it to the United States. The 471 serials and 100 series (continuing productions without the cliffhanger endings) from the United States and 136 serials and 37 series from other countries are included in this comprehensive reference work. Each entry includes title, country of origin, year, studio, number of episodes, running time or number of reels, episode titles, cast, production credits, and a plot synopsis.

The Republic Pictures Checklist

Republic Pictures Corporation, began as a motion picture laboratory in 1915. By 1935, Republic had become a studio and released its first movie, *Westward Ho!* starring a young John Wayne, who would stay with Republic for the next 17 years. Republic would go on to produce highly successful Westerns starring singing cowboys Gene Autry and Roy Rogers as well as serial adventure series. The studio cranked out so many exciting (not to mention money-making) serials that it became known as "The Thrill Factory." Occasionally, Republic would produce and distribute "A" features, such as *Macbeth* and *The Quiet Man*, but it was the "B" Westerns and adventure serials that they knew best how to produce and market. Until its demise in 1959, Republic fed hungry moviegoers with a steady diet of "B" Westerns, serials, dramas, series pictures and musicals. The Republic Pictures Checklist provides a full listing of Republic releases, with plot synopses, release dates, alternate titles, chapter titles and awards. All of Republic's output, including documentaries and training films, is included.

Encyclopedia of Weird Westerns

From automatons to zombies, many elements of fantasy and science fiction have been cross-pollinated with the Western movie genre. In its second edition, this encyclopedia of the Weird Western includes many new entries covering film, television, animation, novels, pulp fiction, short stories, comic books, graphic novels and video and role-playing games. Categories include Weird, Weird Menace, Science Fiction, Space, Steampunk and Romance Westerns.

In the Nick of Time

By the famous Big Reel columnist: the story of serials from Universal's 1930 *The Indians Are Coming* to Columbia's 1956 *Blazing the Overland Trail*. Fifteen fascinating chapters explain the importance of "cliffhangers" to the industry as audience builders and "product leaders." The serials provided training for actors and served as a "technical university" for people who later made the television industry work. An appendix lists in order of release all of the sound serials from 1930 through 1956, showing titles, releasing companies, chapter titles, directors and several cast members. Superb photographs.

Westerns

Although Hollywood is no longer producing westerns at the rate of over 100 a year, the western movie enthusiast has over 1,000 classic films available on DVD. This guidebook, written in the same vein as the author's previous "goldmines of information" (to quote one reviewer), "Silent Films & Early Talkies on DVD," "Mystery, Suspense, Film Noir and Detective Movies on DVD," and "British Movie Entertainments on VHS and DVD," is a must-have item for even the casual western movie fan. Over 400 DVDs were examined: 136 are described in exhaustive detail and a further 100 summarized. All 66 Hopalong

Cassidy movies are featured and there are chapters on Gene Autry, Roy Rogers, John Wayne, Alan Ladd and Buck Jones as well as a guide to a few of Hollywood's worst westerns.

The Republic Chapterplays

Known as Hollywood's "Thrill Factory," Republic Pictures produced some of the most exciting serials to hit the big screen. The studio's chapterplays were one of the most popular Saturday matinee genres. Covering nearly 70 serials, the filmographies include full production credits; release dates; chapter titles; running times; sound systems (when applicable); a note on reissues, condensations and sequels; and an extensive cast list showing roles played. Included are an essay on the general development of the American serial and a history of Republic studio to the present.

Encyclopedia of American Short Films, 1926-1959

Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a "filler" in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.

Born in Flames

Twenty years as an outsider scouring the underbelly of American culture has made Howard Hampton a uniquely hard-nosed guide to the heart of pop darkness. Bridging the fatalistic, intensely charged space between *Apocalypse Now Redux* and *Nirvana's Smells Like Teen Spirit*, his writing breaks down barriers of ignorance and arrogance that have segregated art forms from each other and often from the world at large. In the freewheeling spirit of Pauline Kael, Lester Bangs, and Manny Farber, Hampton calls up the extremist, underground tendencies and archaic forces simmering beneath the surface of popular forms. Ranging from the kinetic poetry of Hong Kong cinema and the neo-New Wave energy of *Irma Vep* to the punk heroines of *Sleater-Kinney* and *Ghost World*, *Born in Flames* plays odd couples off one another: pitting *Natural Born Killers* against *Forrest Gump*, contrasting Jean-Luc Godard with Steven Spielberg, defending David Lynch against aesthetic ideologues, invoking *The Curse of the Mekons* against Fredric Jameson's Postmodernism, and introducing D. H. Lawrence to *Buffy the Vampire Slayer*. "We are born in flames," sang the incandescent Lora Logic, and here those flames are a source of illumination as well as destruction, warmth as well as consumption. From the scorched-earth works of action-movie provocateurs Seijun Suzuki and Sam Peckinpah to the cargo cult soundscapes of Pere Ubu and the Czech dissidents Plastic People of the Universe, *Born in Flames* is a headlong plunge into the passions and disruptive power of art.

Zorro Unmasked

To coincide with *The Mask of Zorro*, the blockbuster film produced by Steven Spielberg and starring Antonio Banderas, Hyperion presents a complete, illustrated history of the character--from 1920's pulp fiction to the present. 75 photos & illustrations.

Western Film Series of the Sound Era

"This volume covers 30 western film series produced from the mid-1930s to the early 1950s. Included are such long-running series as *Hopalong Cassidy*, *The Durango Kid* and *The Three Mesquiteers* as well as those that had moderate or brief runs. The book contains a plot synopsis and an analysis of each series' place in cinema history"--Provided by publisher.

WINNER OF THE 2019 ECPA CHRISTIAN BOOK AWARD FOR YOUNG PEOPLE'S LITERATURE Let Your Kids See How Fun the Bible Can Be The Bible is far from boring, but sometimes it can feel that way to kids. Spark their excitement for God's Word with this craze-mazing collection of infographic spreads designed to make the Bible come alive for kids and adults alike. These colorful creations visually depict the key concepts, important people, and most unusual facts from the Bible in a new and exciting way. For instance, did you know? You'd need 7,453,506 soccer balls to fill up Noah's Ark. Paul travelled over 10,000 miles on his missionary journeys—the distance from New York City to Rio Grande at the tip of South America. There is a talking donkey in the Bible. Roughly 3-4 million left Egypt during the Exodus. Imagine the entire city of Los Angeles leaving town and wandering in the desert for 40 years! The phrase "a leopard can't change its spots" comes from Jeremiah 13:23 In addition to the incredible infographics found throughout, you and your kids will love playing a Bible timeline board game that folds out from the middle of the book. This game will help your family see God's awesome plan from Genesis to Revelation! Instill in your kids a lifelong love of God and the Bible. And who knows? You might learn a thing or two yourself along the way.

Grip of the Shadow Plague

Very strange things are afoot at Fablehaven. Someone or something has released a plague that transforms beings of light into creatures of darkness. Seth discovers the problem early, but as the infectious disease spreads, it becomes clear that the preserve cannot hold out for long. In dire need of help, the Sorensons question where to turn. The Sphinx has always given sound advice -- but is he a traitor? Inside the Quiet Box, Vanessa might have information that could lead to a cure -- but can she be trusted? Meanwhile, Kendra and members of the Knights of the Dawn must journey to a distant preserve and retrieve another hidden artifact. Will the Society of the Evening Star recover it first? Will the plague eclipse all light at Fablehaven?

Grip of the Shadow Plague

"For centuries, mystical creatures were gathered into a hidden refuge call Fablehaven to prevent their extinction. It's one of the last strongholds of true magic."--P. [4] of cover.

Fablehaven

When Kendra and Seth go to stay at their grandparents' estate, they discover that it is a sanctuary for magical creatures and that a battle between good and evil is looming.

Fablehaven

Se avecina una temporada complicada en Fablehaven. Algo o alguien ha liberado una plaga que transforma a los seres de la luz en criaturas de la oscuridad. Seth descubre que el problema muy

pronto, pero también se da cuenta, a medida de que la infección se extiende, de que la reserva está en verdadero peligro. En medio de este inmenso problema, los Sorenson no saben a quién acudir. La Esfinge siempre les había dado buenos consejos, pero ahora ya no están seguros de si se ha convertido en un traidor. Es posible que Vanesa sepa algo, pero tampoco se puede confiar en ella...Entre tanto, Kendra y los Caballeros del Amanecer deben viajar a una reserva lejana y hacerse con otro de los artefactos, antes de que el enemigo se lo arrebatase...

Fablehaven

Des événements étranges se préparent à Fablehaven. Quelqu'un ou quelque chose a provoqué un fléau qui transforme les êtres de lumière en créatures des ténèbres. Seth découvre le problème assez vite, mais alors que l'infection se propage, il devient évident que la réserve ne pourra plus tenir longtemps. Ayant besoin de secours urgents, les Sorenson se demandent vers qui se tourner. Le Sphinx a déjà donné ses conseils – mais serait-il un traître? Dans sa prison, Vanessa doit bien posséder les informations qui pourraient les mener à un remède, mais peuvent-ils lui faire confiance? Pendant ce temps, Kendra et les Chevaliers de l'Aurore doivent voyager jusqu'à une réserve éloignée et retrouver un autre artefact. Est-ce que la Société de l'Étoile du Soir parviendra à mettre la main dessus avant eux ? Est-ce que ce fléau éteindra à jamais toute lumière à Fablehaven?

Want to identify fiction books that boys in grades three through nine will find irresistible? This guide reveals dozens of worthwhile recommendations in categories ranging from adventure stories and sports novels to horror, humorous, and science fiction books. In *Get Those Guys Reading!: Fiction and Series Books that Boys Will Love*, authors Kathleen A. Baxter and Marcia A. Kochel provide

compelling and current reading suggestions for younger boys—information that educators, librarians, and parents alike are desperate for. Comprising titles that are almost all well-reviewed in at least one major professional journal, or that are such big hits with kids that they've received the "stamp of approval" from the most important reviewers, this book will be invaluable to anyone whose goal is to help boys develop a healthy enthusiasm for reading. It includes chapters on adventure books; animal stories; graphic novels; historical fiction; humorous books; mystery, horror, and suspense titles; science fiction and fantasy; and sports novels. Within each chapter, the selections are further divided into books for younger readers (grades 3–6) and titles for older boys in grades 5–8. Elementary and middle school librarians and teachers, public librarians, Title One teachers, and parents of boys in grades 3–9 will all benefit greatly from having this book at hand.

Fablehaven. Stella della sera

Trapped in a world where magic is powerful and dreams are real, Cole continues his quest in book three of this New York Times bestselling "fanciful, action-packed adventure" series (Publishers Weekly, starred review), from the author of the Fablehaven and Beyonders series. Cole Randolph still can't believe the way his life has been turned inside out. Stuck in a strange land far from home, he found his friend Dalton and has survived the first two kingdoms of the Outskirts. But none of that has prepared him for the magnetic highways and robotic bounty hunters of Zeropolis. Ruled by Abram Trench, the one Grand Shaper who stayed loyal to the evil High King, the government of Zeropolis uses advanced technologies to keep tight control. Luckily, the resistance in Zeropolis is anchored by the Crystal Keepers—a group of young rebels with unique weapons. On the run from the High King's secret police, Cole and Dalton venture to find more of their lost friends—and help their new friend, Mira, locate her sister Constance. But as their enemies ruthlessly dismantle the resistance, time is running out for Cole to uncover the secrets behind the Zeropolitan government and unravel the mystery of who helped the High King steal his daughters' powers. Will Cole be able to fix what has gone awry with the magic in The Outskirts, or will he be stranded forever in a world between reality and imagination?

In his quest for vengeance against the witch Mangora, TY stumbles across a curious book he believes might help. But its pages hold a dark secret that threatens to unravel everything his family and friends have been fighting for. The more he reads, the more addicted he becomes to the knowledge it offers... With no memory of who he is or where he came from, AYRION finds himself traveling with a pair Rhivanni tinkers as they head east toward Sidara. Then a plea for help from a young rover boy leads them into the middle of a horrific bloodbath against an enemy no one has seen in over a thousand years. If they aren't stopped, these creatures will spread across Aldor, leaving nothing but destruction in their wake... As the first prisoner to escape the clutches of the White Tower, FERRIN'S only concern is reaching his sister, Myriah, before the Black Watch catches him. Joined by RAE, her daughter, Suri, and a former captain in the Black Watch, the small band makes their way north, hoping to keep ahead of the white riders. Little do they know who has been sent to track them down... Meanwhile, KIRA and the Warren underground continue their search for Reeve as they attempt to discover the reason behind the strange disappearances in Aramoor. However, the answers they seek are more disturbing than anything they could have imagined... Street Rats of Aramoor Book 1: Banished Book 2: Hurricane Book 3: Rockslide Book 4: Sandstorm Book 5: Wildfire Book 6: Avalanche The Aldoran Chronicles Book 1: The White Tower Book 2: Plague of Shadows Book 3: The Four-Part Key Book 4: The Tunnels Beneath

Fablehaven. I cavalieri dell'alba

Un nouveau malheur s'est abattu sur Fablehaven, incroyable refuge d'animaux fantastiques. Les brins-de-lutins, de minuscules créatures pacifiques, se montrent soudainement belliqueux et hostiles.

Voilà qui semble bien impossible pour Stan Sorenson, le gardien, pour ce peuple sans problème jusqu'ici. Et puis, ce sont les fées qui se transforment en êtres maléfiques. Pas en mutards, ces fées déchues, elles restent les mêmes, mais sont empreintes d'ombre. Le pire, c'est que le fléau semble s'étendre à tout le sanctuaire, n'épargnant pas les humains. Stan ignore la provenance de cette nouvelle menace ni comment l'éradiquer. Fablehaven plonge de plus en plus dans le chaos, jamais l'équilibre du sanctuaire n'a été si menacé. Pendant ce temps, Kendra, 14 ans, est à Atlanta pour être intronisée Chevalier de l'Aube. Elle accepte de participer à une mission périlleuse, à la recherche d'un nouvel artefact dans la réserve secrète de Mesa Perdue en Arizona. Elle espère découvrir les traîtres au service de la Société de l'Étoile du Soir. Quant à son frère Seth, 12 ans, désobéissant impénitent qui s'assagit un tant soit peu, c'est une nouvelle aventure qui commence. Il mène l'enquête à sa façon instinctive, lui qui se sait désormais immunisé contre la peur magique.

Get Those Guys Reading!

She spent her life craving change. Now she wishes she'd never heard of magic... More than anything Abigail longs for escape from her boring life, to see magnificent hills and magical creatures with her best friend. But she never thought her adventure would be to save her own life. The malignant sorcery of the shadow plague is feared. A demonic power that takes control of its victim and holds them hostage with its dark magic. And Abigail has been infected. Threatened to become a vessel of chaotic magic, Abigail strikes out to find her estranged aunt, the only person who's ever taken control of the plague. She needs guidance, she needs safety, and she needs to control the plague before it takes control of her. But a host of demons and malignant creatures stand between Abigail and her destination. As the disease grows within her, will she find her aunt in time? Or will she be consumed by the demonic power of the shadow plague? Rife with evil magic, dark elves, and whimsical fae, A Plague of Shadows kicks off an epic sword and sorcery retelling of Ragnarok from Norse Mythology. Don't be left behind, catch the plague when you buy today!

Fablehaven

Fourteen-year-old Jason Walker is transported to a strange world called Lyrian, where he joins Rachel, who was also drawn there from our world, and a few rebels, to piece together the Word that can destroy the malicious wizard emperor, Surroth.

Talking Book Topics

L'histoire commence avec Kendra, âgée de 13 ans et Seth, âgé de 11 ans qui rendent visite à leurs grands-parents au Connecticut pour une durée de 17 jours. Leurs parents profitent pendant ce temps d'une croisière en Scandinavie. Les enfants se divertissent grâce à un grenier rempli de livres et de jouets, une cabane dans un arbre avec une vue spéciale, une piscine entourée de papillons colorés et des libellules exotiques. Mais rapidement, leur attention se porte sur la forêt interdite qui entoure la maison des grands-parents. Quand Kendra découvre le livre intitulé *##Journal des secrets##* qui lui dit de "Boire du lait"

Crystal Keepers

Sniper and antihero Skull Denham refuses the Eden Plague rather than giving up the demons that drive him. Instead, he selects his own mission to fight against the ever-growing evil of those who would murder innocent Plague carriers, using the only methods he's ever found effective: swift, precise and brutal violence. Edgier than other plague Wars novels, Skull's Shadows is a post-apocalyptic thriller meant for mature readers due to language, violence and adult situations. It provides another view of the period following Infection Day and fills in more of Skull's story before he becomes a key player in the future salvation of humanity.
