

the quest for drug control politics and federal policy in a period of increasing substance abuse 1963 1981

[#drug control politics](#) [#federal drug policy](#) [#substance abuse history](#) [#US drug policy 1963-1981](#) [#drug addiction epidemic](#)

This analysis delves into the intricate drug control politics and federal drug policy enacted in the United States between 1963 and 1981. It explores the governmental quest to manage an escalating period of substance abuse history, highlighting how legislative decisions and policy shifts were shaped during a critical era of the drug addiction epidemic and the evolving US drug policy.

Our collection supports both foundational studies and cutting-edge discoveries.
