Best Tales of the Yukon

When Robert W. Service was transferred to the Whitehorse Branch of the Canadian Bank of Commerce in the Yukon Territory in 1904, six years after the Klondike Gold Rush, his career as a world-famous poet would soon begin. Inspired by the beauty of the Yukon wilderness, Service would write some of the most expressive poetry of the age depicting the trials and tribulations of the Yukon gold mining life. Best Tales of the Yukon collects together forty-seven of these poems. Selected from two of his earliest volumes, *Spell of the Yukon and Other Verses* and *Ballads of a Cheechako*, this volumes includes some of Service's most memorable poetry including the classics *The Shooting of Dan McGrew*, *The Law of the Yukon*, and *The Cremation of Sam McGee*.

Robert W. Service

A comprehensive edition with all of the classic works, from *The Spell of the Yukon* to *Ballads of a Cheechako*, by the masterful yarn-spinner who chronicled the Klondike gold rush and the savage beauty of the Frozen North.

Best Tales of the Yukon

In 1904, the Canadian Bank of Commerce transferred teller Robert W. Service to the Yukon Territory. Soon, he was famous as the poet who chronicled the Klondike gold rush and the savage beauty of the frozen north. His tales of hard-bitten prospectors and sourdoughs in "The Land God Forgot" make vivid, exciting reading. Here are all the brawling, colorful characters that Service immortalized, including One-Eyed Mike, Dangerous Dan McGrew, Pious Pete, Blasphemous Bill--and, of course, the lady known as Lou.

Best Tales of the Yukon

Transport yourself to the untamed world of the Yukon through the immersive verse of poet Robert Service. This collection captures the rugged beauty, adventure, and frontier spirit of the Yukon Territory at the turn of the 20th century. Service's mastery of narrative poetry shines as he chronicles the tales of determined prospectors, hardy adventurers, gamblers, outlaws, and those lured by the call of the North. His ballads evoke the harsh realities and myths of the Gold Rush era in the raw, vibrant language of the common man. Thrill to the danger and drama of the wilderness as Service spins yarns of trailblazers, the Royal Canadian Mounted Police, striking riches and elusive gold. Feel the bitterness of an Arctic winter night; experience the rowdy saloons of Dawson City firsthand. Transport back to an era when the lure of the Klondike captured imaginations worldwide. Filled with the smiled-at perils and hard-won triumphs of the unsung heroes and rogues who braved a merciless land, Service's tales overflow with frontier spirit. His rollicking rhymes and rhapsodic free verse masterfully capture the essence of Yukon folklore. This Canadian bard's spellbinding stanzas will whisk you away to the trails, rivers, and mountains of an unbridled time and place.

Sourdoughs, Claim Jumpers & Dry Gulchers

Sourdoughs, Claim Jumpers & Dry Gulchers: Fifty of the Grittiest Moments in the History of Frontier Prospecting, offers 50 tales of hard-bitten sourdoughs, petty bandits, outright outlaws, guilt-free gunmen, and murderous money-grubbers as they scrabbled to gain the lands, foodstuffs, and fortunes of wide-eyed greenhorns, gullible and trusting tenderfoots, and slow-on-the-draw gold panners.

Hooker) Hidden Water (Dane Coolidge) A Voice in the Wilderness (Grace Livingston Hill) ...

Sunshot

The Devil's Highway crosses a stretch of borderland desert in northern Mexico where many immigrants have traveled—and too many have died. It is a desoblado where desperate people defend secret places. But it is also known as El Gran Desierto—a place where stately saguaros stand near aromatic elephant trees, where sand dunes caress the edges of jagged granite mountains, where one can watch bighorn sheep in the morning and whales in the afternoon. Over the years, desert rat Bill Broyles has ventured repeatedly into this sunshot landscape, slogged across its salt flats and sand dunes, and defied its deadly heat. This book chronicles his years of exploration, a vivid and personal introduction to a thorny but ultimately enchanting place that manages to endear itself over time, if it doesn't kill you first. Michael Berman's stark black-and-white photographs capture the desolate beauty of the desert while conveying a sense of Broyles' adventures. Gleaned from more than 4,000 images shot with a large-format camera, these exquisite photographs translate the desert's formidable monotone into finely tuned studies of light and represent some of the best photos ever taken of this mysterious region. El Gran Desierto is a grand desert indeed, with beauty, spirit, and mystery rivaling any place on Earth, and anyone captivated by the earlier explorations of Lumholtz, Ives, or Hornaday—or by Edward Abbey's love of desert places—will revel in these modern-day adventures. Sunshot defies the stereotype of a punishing wilderness to show how even the most perilous desert can be alluring if approached with knowledge and respect.

The Spell of the Yukon, and Other Verses

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. The Spell of the Yukon

Robert William Service (1874-1958) was a poet and writer, often called "the Bard of the Yukon," is best known for his humorous tales in verse "The Shooting of Dan McGrew" and "The Cremation of Sam McGee," which are included in *The Spell of the Yukon*.

An Alaska Anthology

Alaska, with its Indian, Eskimo, and Aleut heritage, its century of Russian colonization, its peoples' formidable struggles to wrest a living (or a fortune) from the North's isolated and harsh environment, and its relatively recent achievement of statehood, has long captured the popular imagination. In *An Alaska Anthology*, twenty-five contemporary scholars explore the region's pivotal events, significant themes, and major players, Native, Russian, Canadian, and American. The essays chosen for this anthology represent the very best writing on Alaska, giving great depth to our understanding and appreciation of its history from the days of Russian-American Company domination to the more recent threat of nuclear testing by the Atomic Energy Commission and the influence of oil money on inexperienced politicians. Readers may be familiar with an earlier anthology, *Interpreting Alaska's History*, from which the present volume evolved to accommodate an explosion of research in the past decade. While a number of the original pieces were found to be irreplaceable, more than half of the essays are new. The result is a fresh perspective on the subject and an invaluable resource for students, teachers, and scholars.

Klondike Tales

As a young man in the summer of 1897, Jack London joined the Klondike gold rush. From that seminal experience emerged these gripping, inimitable wilderness tales, which have endured as some of London's best and most defining work. With remarkable insight and unflinching realism, London describes the punishing adversity that awaited men in the brutal, frozen expanses of the Yukon, and the extreme tactics these adventurers and travelers adopted to survive. As Van Wyck Brooks observed, "One felt that the stories had been somehow lived—that they were not merely observed—that the author was not telling tales but telling his life." This edition is unique to the Modern Library, featuring twenty-three carefully chosen stories from London's three collected Northland volumes and his later Klondike tales. It also includes two maps of the region, and notes on the text.

Thanking Richard Brautigan

What does a reader do when his favorite author dies? The sudden and unexpected loss of a steady stream of preferred reading material is a shock to the reading diet, and changing diets is never an easy thing. Here's one reader's answer: write your own book, paying tribute to the author and saying thanks, all while struggling with life's humorous observations along the journey.

Food in Film

First published in 2003. Routledge is an imprint of Taylor & Francis, an informa company.

Robert W. Service

Storytelling is a precious, vibrant tradition among the Native peoples of the Far North. Collected here for the first time are stories from the communities of interior Alaska and the Yukon Territory. These are the tales the people tell about themselves, their communities, and the world they inhabit. Our *Voices* showcases twenty storytellers and writers who represent a full range of Athabaskan and related languages of Alaska and the Yukon. Both men and women recount popular tales of ancient times that describe the origins of social institutions and cultural values, as well as meaningful, sometimes intimate stories about their own lives and families or the history of their people. As representatives of an art transmitted through countless generations and now practiced with renewed interest and vigor by people reclaiming their cultural heritage, these narratives create a broad, brightly colored, richly detailed picture of the world of the Far North, present and past.

Our Voices

The great Yukon gold rush along the Klondike River gave rise to more than just mining camps and frontier hardships. It also sparked a literary legacy as writers joined the gold rush and sent back stories of adventure, romance, and memorable mining camp personalities. *Great Tales Of The Gold Rush* is an outstanding anthology of the best of these stories that range from realism to romance, from tall tales to true-life adventure. *Great Tales Of The Gold Rush* introduces a whole new generation of readers to an invaluable, enduring, and very special literary legacy from Jack London's "In a Far Country" to Robert Service's "The Shooting of Dan McGrew" to Elizabeth Robins' "The Ice Goes Out."

Great Tales of the Gold Rush

Towering glaciers, endless tundra, caribou and moose foraging through the forests, the seemingly endless Arctic winter nights—these are the images of the frozen North. When Alaska was America's newest possession and the Yukon was unexplored and considered desolate wasteland, intrepid men and women headed north on voyages of exploration and discovery. They found rivers clogged with spawning salmon, abundant game and wildlife, virgin timberland and fertile valleys. But it was a desolate life, far from the comforts and the conveniences of home. That changed soon enough with the discovery of gold. Gold fever struck fast and hot. They poured in by the thousands, desperately searching for the precious metal. Even after the glow faded, some remained—the true pioneers who would mold a new way of life from the land and the seas. Here is their story. Illustrated with original photographs and paintings, *Tales of Alaska and the Yukon* captures the spirit of the wild Northwest.

Tales of Alaska and the Yukon

William Macleod Raine was an American author best known for writing classic adventure novels about the Wild West. By the time he was a young adult, Raine became infatuated with the Wild West and became one of the greatest writers in that genre. Some of Raine's best known works include *A Texas Ranger*, *Bucky O'Connor: A Tale of the Unfenced Border*, and *Tangled Trails: A Western Detective Story*. *The Yukon Trail: A Tale of the North* is an adventure novel that is set in the Alaska territory in the early 20th century.

The Yukon Trail: a Tale of the North

Here, collected in a single volume, are the most popular verses of the great English-born Canadian poet. His famous ballads of the Klondike are here: "The Shooting of Dan McGrew," "The Spell of the Yukon," and "The Cremation of Sam McGee." Also included are unforgettable portrayals of the artists, grisettes, and models of the merry, tragic life of bohemian Paris, and other verses inspired by the First World War, during which Service drove an ambulance in France. And not to be overlooked are the many expressions of the poet's own homespun philosophy—his comments on women, on life and death, ambition, and success and failure, which strike a responsive chord in the reader's heart. Gaiety, humor, nostalgia, and pathos fill every page, along with the genuine Service ring of virility which has made his verse loved throughout the English reading world.

Best of Robert Service

Set against the dramatic backdrop of the Canadian Yukon, *The Chief of the Ranges* encompasses both romance and pulse-pounding battlefield action. The tale centers on Owindia, a young woman who idolizes her father, a powerful chief, but feels the absence of love in her life. Is her happily-ever-after just around the corner?

The Chief of the Ranges

With the building of the railroad and the settlement of the plains, the North West was opening up. The Klondike stampede was a wild interlude in the epic story of western development, and here are its dramatic tales of hardship, heroism, and villainy. We meet Soapy Smith, dictator of Skagway; Swiftwater Bill Gates, who bathed in champagne; Silent Sam Bonnifield, who lost and won back a hotel in a poker game; and Roddy Connors, who danced away a fortune at a dollar a dance. We meet dance-hall queens, paupers turned millionaires, missionaries and entrepreneurs, and legendary Mounties such as Sam Steele, the Lion of the Yukon. Pierre Berton's riveting account reveals to us the spectacle of the Chilkoot Pass, and the terrors of lesser-known trails through the swamps of British Columbia, across the glaciers of southern Alaska, and up the icy streams of the Mackenzie Mountains. It contrasts the

lawless frontier life on the American side of the border to the relative safety of Dawson City. Winner of the Governor General's award for non-fiction, Klondike is authentic history and grand entertainment, and a must-read for anyone interested in the Canadian frontier.

Klondike

Canada's Yukon is one the world's last great wildernesses, where bears, moose and caribou roam. It's a place where hikers, paddlers, skiers and mushers can travel for days without seeing another human soul, where the northern lights dance green and red across starry skies, and where glaciers tumble, mountain peaks soar, and tundra shrubs scream scarlet as summer turns to fall. Bradt's Yukon is the only guidebook dedicated to this natural and historical wonderland. Offering practical advice on everything from where to pan for gold to how to avoid being eaten by a bear, alongside quirky anecdotes (such as the story behind the 'sourtoe cocktail' - a shot of whisky garnished with a severed human toe), it's the perfect companion for highway drivers, cruise-ship passengers, and outdoors enthusiasts alike.

Yukon

A guide to classic literary works that identifies the common themes and characteristics of more than four hundred classic fiction works and offers suggestions on how to improve teen and adult readers' interest in the works.

Genrefied Classics

The "common man's poet" and "Canadian Kipling" recounts tales from the Klondike gold rush in this compilation of 34 of his best verses. Poems include "The Cremation of Sam McGee," "The Call of the Wild," "The Heart of the Sourdough," "The Shooting of Dan McGrew," and other memorable storytelling verses.

The Spell of the Yukon and Other Poems

This book is about abandoning everyday life and greeting the world and adventure with open arms. With no skills, no prospects, no plans and nowhere really to go except into the wilderness of our dreams we did just that. We had an easy comfortable life in Polperro, England, a life we had worked hard for many years to make. But as we lived this life the realization that it was not what we wanted and the need for adventure grew until in 1998 we left everything behind for the untamed wilds of the Canadian Great White North. Being ordinary people with no history in travel, adventure or survival we found ourselves in a new world of beauty, wonder and painful discovery. A world full of bears, wolves, caribou and moose, ridiculously cold temperatures, northern lights, majestic mountains, free rivers and endless lonely wilderness. The Book follows our journey not just across Canada and into the unknown but also our journey of self discovery, accepting failure and embracing challenges as we stumble upon the Yukon River, decide to canoe to the mystical golden city of Dawson, survive the winter, build a cabin in the woods, have a child and finally find the life we have always known we have wanted.

The Reader's Adviser

"The Yukon Trail: A Tale of the North" by William MacLeod Raine has everything in it that makes a good north tale - adventures, gold, love, fights, freeze, and nature. The Yukon promised many men and women the opportunity to find their fortunes. The romance of the gold rush creates a story that's exciting and hard to put down. Following the story of a man who freshly arrived in the Yukon and all the rites of passage one go through to settle in, this book gives readers a look into history.

The Good Life

Provides author biographies, publication data and plot summaries for some 500 fictional works featuring the Mounties, and plot summaries, casts, and credits for about 225 films. Also includes comic books, comic strips, TV and radio shows, operas, stage dramas, and musicals. Some bandw illustrations. Annotation copyrighted by Book News, Inc., Portland, OR
