ELIZABETH GASKELL Ultimate Collection: 10 Novels & 40+ Short Stories (Including Poetry, Essays & Biographies)

Jack London was an American novelist, journalist and social activist. Pioneering the genre of magazine fiction and prototyping science fiction, he became one of the first writers, who gained worldwide fame

and a large fortune. "The Game" is a story about a twenty-year-old boxer Joe, who meets his death in the ring. Since London was a sports reporter, he based the novel on his personal observations. In "The Abysmal Brute" story, a successful boxer, who was brought up in a log cabin and knows little of the real world, begins to realize the corrupt practices in the game of boxing. "Love of Life" is a collection of short stories, written mostly during author's "Klondike" period.

Jacobs is now remembered for his macabre tale "The Monkey's Paw." However, the majority of his output was humorous in tone. Michael Sadleir described Jacobs' fiction thus: "I wrote stories of three kinds, describing the misadventures of sailor-men ashore, celebrating the artful dodger of a slow-witted village, and such of the macabre." In the seven selected short stories the reader will be able to know a little of each facet of this versatile author. Mr. Bones

William H. Gass has written of Donald Barthelme that he has permanently enlarged our perception of the possibilities open to short fiction. In *Forty Stories*, the companion volume to "*Sixty Stories*," we encounter a dazzling array of subjects: Paul Klee, Goethe, "Captain Blood," modern courtship, marriage and divorce, armadillos, and other unique Barthelmean flights of fancy. These pithy, brilliantly acerbic pieces tangle with the ludicrous, pose questions that remain unresolved, and challenge familiar

bits of language heretofore unexamined. "Forty Stories" demonstrates Barthelme's unrivaled ability to surprise, to stimulate, and to explore.

Something Short and Sweet, H. E. Bates's sixth collection first published in 1937, demonstrates his mastery of character and form. Richard Church, writing in John O'London's Weekly, stated that this collection confirmed his belief that Bates "is an immortal...Here is a creative artist whose technique in the art of the short story is comparable with that of the great masters in this form." The title story explores the intricacies of the relationship between a forty-year-old evangelist and his twenty-year-old assistant. 'Cloudburst' and 'Spring Snow' are vignettes of human struggle in a rural context, similar to much of Bates's earlier work. 'Finger Wet, Finger Dry' and 'The Sow and Silas' continue Bates's success with the antics of Uncle Silas. The Morning Post commented that "each story stands out individual and distinct...In each the theme has been worked over, walked round, sifted, considered, a stance as viewpoint selected, the ultimate significance determined."

The Publishers Weekly

Around the age of 40, something simply seems to shift. If we're married, we may ask ourselves who we truly are and if we want to stay with our mate for the long haul; if we're not married, we may have the sense that we'd better get moving, especially if we want to have a family. And what about those who have long passed 40? Those who have gone through divorce or losing a spouse and still want to believe that love is possible later in life? Author Belinda Busteed Burum, herself a hopeless romantic, set out to prove that true love is possible at any age, that we don't have to settle for less than our heart's desire. Through conducting numerous interviews, reading scores of books and blogs, and speaking to experts, she sought to learn the secrets of those who got it right, even if by accident. From thrice-divorced singles who found love online, to couples falling in love in their 80s and 90s, the stories in this book corroborate that our path to the Promised Land of love is often circuitous involving life experience, self-inquiry, and relationships that don't work out quite as we envision. In witnessing the simple yet profound wisdom within real stories of ordinary people, Finding Love After 40 will give you hope that love is possible. And if you're already in a fulfilling relationship, you will enjoy reading other people's love stories and smile, because you already know that it's never too late to enjoy the magic of love.
