

Less Than Two Dollars A Day A Christian View Of World Poverty And The Free Market

[#world poverty](#) [#Christian perspective](#) [#free market](#) [#economic development](#) [#poverty alleviation](#)

Explore a Christian perspective on global poverty, examining the challenges faced by those living on less than two dollars a day and analyzing the potential role of free market principles in alleviating poverty and fostering sustainable economic development. This insightful look delves into the complex relationship between faith, economics, and the global pursuit of justice for the world's most vulnerable populations.
