Gotta Be Shiesty 3

In this chilling third installment Gotta be Sheisty: What Goes Around Comes Around, Shelley is finally released from jail and things are slowly returning to normal. She begins to make amends with her family and receives a surprise from Xavier. However, when old feelings begin to arise between Shelley and McKenzie, it becomes clear that old habits do die hard. Things start to heat up between the two of them. Meanwhile an unexpected return from Jake will have this family in a downward spiral once again. Will they overcome their battles or will Shelley be forever tormented by the sins of her past?

The Autobiography of Gucci Mane

The highly anticipated memoir from Gucci Mane, "one of hip-hop's most prolific and admired artists" (The New York Times).

Holding A Dope Boy Down 3

Just when Dime believes she has her prince, she comes to grips with the fact that this may be Lucifer himself. When Blocc comes back on the scene, her whole world is flipped upside down, and she's simply trying to hang on. When the two are back in each other's presence, the natural bond they carry is displayed. Blocc's team is at war with the Mobs, delivering out cold casualties. Once at odds with Dime, will he look past her disappearances and realize the bigger picture for their future? Both wanting love when their hearts had been conjoined since teens, they have to rebuild what once stood strong.

In this finale, the couples are on a quest for survival and love. Dead ends are met, and new journeys begin. Where they may lead, you'll have to join in on the ride to find out.

A Gangster's Code 2

After losing everything, POP takes C-NOTE's head to GONZO, hoping to clear his name. Instead of receiving a pass from his plug, Pop is given seventy-two hours to leave town or he'll have an onslaught of bullets aimed at him and his family. Broke, homeless and bitter, Pop relocates his family to Houston, Texas, seeking a new start in the game. There he meets BORN READY, a man who plays the streets like a game of chess. When a supreme hustler and a fearless gunner join forces, there's no stopping their rise to the top. But treachery, deceit and trouble lies in wait. The fast money is good, but Pop's woman, QUEENIE, prefers his love and attention much more than his riches. When the streets become more important to Pop than his home, will he still be able to trust the woman he loves? Or will his neglect of her breed the unthinkable in her heart? Whatever comes with the game, good or bad, Pop is determined to live or die by A GANGSTER'S CODE, the only true way to become a Thug Immortal.

Thong on Fire

Bestselling urban erotic fiction phenomenon Noire tells the down and dirty story of a sassy stripper with an attitude that raises her up and then brings her down—hard. It's a hard life for Saucy Sarita Robinson and the rules of the game are clear: get yours or get had. When her father gets popped in an armed robbery and her mother turns to drugs, Saucy is left to scratch out a life for herself on the streets of Harlem, and this city-slick vixen refuses to become a victim. Young, hot, and hungry for the spotlight, Saucy has a full package and uses her assets to get whatever she wants. 128th Street has its own rules, and she knows them well. With sex as her weapon of choice, Saucy uses her beauty and her body to hustle her way straight into the heart of the hip-hop underworld, preying upon any man—or woman—who might help her get ahead. But Saucy just can't get enough. Her calculating nature and insatiable appetite for power and prestige tempt her into dangerous waters, and before long she finds herself in too deep. The shot callers of the hip-hop world have a few tricks for Saucy—a gutter plan to force her back onto the very streets that she came from. But Saucy refuses to go down easy. She plots her revenge against some of the most powerful playas in the music industry, never suspecting that her enemies will fight back—and fight back hard.

Tearing Down The Wall of Sound

In 2002, the reclusive and legendary record producer Phil Spector gave his first interview in twenty-five years to Mick Brown. The day after it was published an actress named Lana Clarkson was shot dead in Spector's LA castle. This is Brown's odyssey into the strange life and times of Phil Spector. Beginning with that fateful meeting in Spector's home and going on to explore his colourful and extraordinary life and career, including the unfolding of the Clarkson case, this is one of the most bizarre and compelling stories in pop history.

The Diamond Empire

#1 Essence bestselling author K'Wan returns with The Diamond Empire, the explosive, hard-hitting follow-up novel to the street love story Diamonds and Pearl. It's about to be an all-out war. While an ambitious rival has taken over Diamonds's crew, Diamonds lies in wait in exile, carefully planning his next move to comeback and reclaim his position as king of the streets of New York for good. But when an unexpected enemy from the past one-ups Diamonds and beats him at his own game, Diamonds needs to dig deep into his bag of tricks—and make an unlikely alliance—in order to climb back to the top. After opening her heart to Diamonds and then having him disappear, Pearl lives her days in a very dark place. But when her father's empire is toppled and a gaping power vacuum needs to be filled, Pearl is drawn into the very life her father so desperately wanted to shield her from. Pearl needs to fight tooth and nail to become queen of her father's kingdom, as Diamonds claws his way back to Pearl.

A Dopegirl Needs Love Too 2

They say it's better to have loved and to have lost than to not have loved at all... Mulani and Dox thought they were going to be the king and queen in the streets of Dallas, but what they didn't anticipate was their love story ending abruptly due to foolish mistakes on both ends. One year later and Lani hasn't

let anything stop her grind. Losing Dox was a hard pill to swallow, but she never let it alter her steps. Having to step up and take over Dox's operation in his absence has garnered Lani more notoriety and has everyone trying to get a piece of her. Never in a million years did Lani think that she would be the head of a successful drug operation. She's truly in rare form. The only thing that isn't rare is the downfalls that comes with the hustle. Lani is not only facing a threat from her past, but also has a problem with new enemies as well. Lani feels as if she has the streets behind her, her new secret lil boo -and with that, nothing will stop the reign she has on the streets. But with King Dox's return home, Lani soon finds out just how quickly he comes through and shakes up her whole life again. Dox has done another bid in the FEDs all over false charges-and being dumbly in love. Now that he's home, Dox wants to own the game, do it right, and never make the same mistake for a third time. What he doesn't anticipate is that not only has things has changed, but he's forced to work side by side with his ex Lani again. While Dox is convinced that he's over Lani, it isn't long before he finds out that real love is hard to let go. When a secret is revealed, Dox realizes that the only throne Lani belongs on is his. He's now more determined than ever to have his Lil Baby back-even it means he has to go through Asim, Sephora-and Lani's new love interest. With all the losses Dox has taken, the stakes are ridiculously high to prove why he's King. With his brothers Skully and Los right by his side, a win is a must for him. No one will take from him again--not his life, not his freedom, and definitely not his heart. No one is safe. Samuel "Skully" McGuay, Dox's older brother has had his fair share of bad luck as well. Now that he has a new life with his brothers in Dallas, things have been looking up for him. He believes money, power, and respect above all else and then plenty of women to enjoy. Skully's current situation Rianna RiRi Taylor was in need of a saving at the time he met her making it hard for him to turn away from the mother of 3. Now that Skully feels RiRi is where she needs to be in life, he's ready to turn back to his doggish ways having multiple women at his beck and call. Skully never really believed in love considering he'd never experienced seeing a man before him love a woman. When he finally realizes that what he he'd been needing all his life as right by his side, will it be too late for him? Carlos "Los" McGuay, the youngest of the three is a sucka for a big butt and a slim waist which is why he ended up being in love with a stripper. Kenethia "Fire" Atkins is one of the biggest exotic dancers in Dallas always headlining and bringing in plenty of cash. Fire loves her baby daddy Los, but she loves the limelight better. Refusing to give up the life and her sometimes bad girl ways, Fire that easily pushes Los into the hands of another woman. Los no longer interested in being Fire's sucka especially when her ways started to affect him more ways than one. He finds sudden interest in Jayla, Lani's new best friend. She becomes everything that he never knew he was missing. Jayla comes along and proves that history and a child means nothing when the love wasn't real. She and Los fall deeper than deep, but will Fire just standby and let her baby daddy slip away? In this sequel of A Dopegirl Needs Love Too, love is proven to never be overrated when the heart of the streets is fighting for it.

Hittin' the Bricks

"Urban erotica has never been hotter!" –Nikki Turner, author of Black Widow Have you ever been betrayed by those you love? Violated in the worst kind of way? And no matter how hard you tried to fight your way out of a trick bag, no matter how tall you tried to walk, did the cold streets of life lead you right back to your grimy destiny? The bestselling author of G-Spot and Candy Licker, Noire pens the intense tale of Eva Patterson, a tragic daughter of the ghetto who finds peril on the streets of New York. With an abusive mother and a heroin monkey on her back, Eva experiences a series of traumatizing events, forcing her to flee her Brooklyn tenement and seek refuge with her beloved cousin Fiyah in Harlem. But fate is not done wreaking havoc in Eva's life yet. Poised on the brink of progress, Eva meets King Brody, a vicious Harlem drug lord who runs Bricks, the hottest rap club in town. Unbeknownst to Eva, her cousin Fiyah's thirst for glory leads him to cut a killer deal with Brody. A trade-off is arranged: Fiyah gets a recording contract--and Brody gets Eva. The problem is, Eva already has a man: Ice Mello Williams, a hot Harlem rapper who has a bitter feud going with Fiyah and is determined to seize his recording contract. Torn between the man she loves and a violent kingpin, Eva becomes an unwilling pawn in a deadly game of cat and mouse. Can Fiyah and Mello help her elude the sadistic jaws of Brody, or will she end up losing her life in his brutal trap?

Changes

A New Yorker writer's intimate, revealing account of Tupac Shakur's life and legacy, timed to the fiftieth anniversary of his birth and twenty-fifth anniversary of his death. In the summer of 2020, Tupac Shakur's single "Changes" became an anthem for the worldwide protests against the murder of George Floyd. The song became so popular, in fact, it was vaulted back onto the iTunes charts more than twenty years

after its release—making it clear that Tupac's music and the way it addresses systemic racism, police brutality, mass incarceration, income inequality, and a failing education system is just as important now as it was back then. In *Changes*, published to coincide with the fiftieth anniversary of Tupac's birth and twenty-fifth anniversary of his death, Sheldon Pearce offers one of the most thoughtful and comprehensive accounts yet of the artist's life and legacy. Pearce, an editor and writer at *The New Yorker*, interviews dozens who knew Tupac throughout various phases of his life. While there are plenty of bold-faced names, the book focuses on the individuals who are lesser known and offer fresh stories and rare insight. Among these are the actor who costarred with him in a Harlem production of *A Raisin in the Sun* when he was twelve years old, the high school drama teacher who recognized and nurtured his talent, the music industry veteran who helped him develop a nonprofit devoted to helping young artists, the Death Row Records executive who has never before spoken on the record, and dozens of others. Meticulously woven together by Pearce, their voices combine to portray Tupac in all his complexity and contradiction. This remarkable book illustrates not only how he changed during his brief twenty-five years on this planet, but how he forever changed the world.

California Connection 2

Jewel used to be content with being a ride or die chick, playing Bonnie while the men in her life played Clyde. But now she realizes that it was her connections and street smarts that helped her man, Calico, rise to the top, and Jewel wants to be the one in control. She's tired of taking orders from men. She's willing to do anything to be queen of the streets, but when a deal she makes with the enemy comes back to haunt her, her dream is turned into a nightmare. Hopeless and struggling to keep her head above water, Jewel meets Misty, who seems to be her savior. They quickly form a bond, but when that bond is broken and the mist turns to rain, Jewel finds herself in the middle of a storm that she might not make it out of.

A Gangster's Code

Sticking to the G-Code is more than a motto to a real gangster. POP SOMETHIN epitomizes what an official "G" is all about. For more than a decade, the legendary shooter and jack boy, brought terror to Houston, Texas, using his gun to obliterate everything in his path. When enemies try to clap back at Pop Somethin, he shows them just how he earned his street name, but this time the slaying lands him in the penitentiary. There, he meets C-NOTE, a prosperous dope boy from Dallas, who is being extorted by a vicious prisoner named BUCK WILD. Staying true to A GANGSTER'S CODE, Pop Somethin comes to his mans' rescue in a cold, violent manner that Buck Wild isn't prepared for, and he dares anyone to avenge the well-known convict. C-Note is more than impressed by his new friend's loyalty. When he is released, he offers Pop Somethin a chance to get rich at his side, A FAVOR FOR A FAVOR. With Pop Somethin now on the other side of the drug game, the streets are about to witness gangsterism at its best. Houston, Texas beware

Why To Kill a Mockingbird Matters

Tom Santopietro, an author well-known for his writing about American popular culture, delves into the heart of the beloved classic and shows readers why *To Kill a Mockingbird* matters more today than ever before. With 40 million copies sold, *To Kill a Mockingbird*'s poignant but clear eyed examination of human nature has cemented its status as a global classic. Tom Santopietro's new book, *Why To Kill a Mockingbird Matters*, takes a 360 degree look at the *Mockingbird* phenomenon both on page and screen. Santopietro traces the writing of *To Kill a Mockingbird*, the impact of the Pulitzer Prize, and investigates the claims that Lee's book is actually racist. Here for the first time is the full behind the scenes story regarding the creation of the 1962 film, one which entered the American consciousness in a way that few other films ever have. From the earliest casting sessions to the Oscars and the 50th Anniversary screening at the White House, Santopietro examines exactly what makes the movie and Gregory Peck's unforgettable performance as Atticus Finch so captivating. As Americans yearn for an end to divisiveness, there is no better time to look at the significance of Harper Lee's book, the film, and all that came after.

The Slumber Party from Hell

Early on the morning of December 12, 2002, I arrived at Perryville prison in a cold, white MCSO (Maricopa County Sheriff's Office) van with several other women. Besides my battle with breast cancer, I'd been up all night in the jail in a freezing cold concrete holding cell, and I was tired, anxious, and

numb. I had no idea what was in store for me. It turned out to be an unforgettable journey, one that filled me with fear, sorrow, and joy. I met people I never would have in my previous life and experienced things I would not have believed possible. Some were horrific, demeaning, and inhumane; some were wonderful. Gina was part of the wonderful.”

Batman: The Court of Owls Saga (DC Essential Edition)

Hidden for years, the mysterious Court of Owls surface in Gotham City--what must Batman do to defeat them and what deadly connection to they have to his past? Scott Snyder and Greg Capullo's masterpiece epic is collected in its entirety in trade paperback for the first time ever! After a series of brutal murders rocks Gotham City, Batman begins to realize that perhaps these crimes go far deeper than appearances suggest. As the Caped Crusader begins to unravel this deadly mystery, he discovers a conspiracy going back to his youth and beyond to the origins of the city he's sworn to protect. Could the Court of Owls, once thought to be nothing more than an urban legend, be behind the crime and corruption? Or is Bruce Wayne losing his grip on sanity and falling prey to the pressures of his war on crime? Considered one of the greatest stories in the Dark Knight's historic lore, **BATMAN: THE COURT OF OWLS SAGA** is an epic tale told by two of comics' finest storytellers. Collects issues #1-11 of **BATMAN**, as well as bonus material including sketches, scripts, design concepts and variant covers.

Christ and Satan

Christ and Satan is the title of the last of four poems in the eleventh-century Junius XI manuscript of Anglo-Saxon poetry. This critical edition contains text, glossary, textual and explanatory notes, and an essay surveying former criticisms and setting forth the author's ideas on the poem's principle of unity. Of particular value to students and scholars of Old English, Christ and Satan makes an important contribution to the understanding of this fine and interesting poem.

Diamonds and Pearl

From #1 Essence best-selling Crime Novelist K'Wan comes a tale of forbidden love, high stakes murder and the robbery gone bad that set it all in motion, *Diamonds and Pearl*. They say that good girls like bad boys, and this was especially true for Pearl Stone. A child born of privilege to a drug baron and reputed killer known in the streets as Big Stone. Although the flashy, fast-paced nature of the streets calls to Pearl, she's been brought up to look but not touch. But when a young hustler named Diamonds crawls up from the swamps of Louisiana and sets up shop in New York City, everything Pearl was taught flies out the window. Raised in the wild and schooled on the mean streets of New Orleans, Diamonds is no stranger to hard times and is willing to do whatever it takes to stay above the poverty line, including kill. When a robbery turned mass murder goes wrong, Diamonds is forced to flee New Orleans and lands in New York where he meets Pearl, and for the first time finds something he craves more than wealth and power...love. As the stakes get higher, Diamonds has to push away his past if he's to grab hold of his future—but by doing so, will he show Pearl that all that glitters isn't gold?

The History of American Graffiti

Book description to come.

Rick and Morty: Show Me What You Got

Explore the extraordinary Rick and Morty artwork from the sell-out Gallery 1988 exhibition in this exclusive collection. Delve into the worlds of Rick and Morty in this stunning memento showcasing the best of the Gallery 1988 exhibition. Together with Adult Swim, the gallery commissioned a series of art pieces to celebrate moments, characters, storylines, and episodes from the show. Rick and Morty: Show Me What You Got allows fans to explore the stunning artwork from the exhibition. Artists have contributed passionately made posters, sculptures, book covers, hip flasks and much more to commemorate this beloved series. Discover what inspired them, see their work in progress, and enjoy a collection of stunning, original Rick and Morty artwork.

Fundamentals of Fingerprint Analysis

The "CSI effect" has brought an explosion of interest in the forensic sciences, leading to the development of new programs in universities across the world. While dozens of professional texts on the science

of fingerprint analysis are available, few are designed specifically for students. An essential learning tool for classes in fingerprinting and impression evidence, *Fundamentals of Fingerprint Analysis* takes students from an understanding of the historical background of fingerprint evidence to seeing how it plays out in a present-day courtroom. Using a pedagogical format, with each chapter building on the previous one, the book is divided into three sections. The first explains the history and theory of fingerprint analysis, fingerprint patterns and classification, and the concept of biometrics—the practice of using unique biological measurements or features to identify individuals. The second section discusses forensic light sources and physical and chemical processing methods. Section Three covers fingerprint analysis with chapters on documentation, crime scene processing, fingerprint and palm print comparisons, and courtroom testimony. Designed for classroom use, each chapter contains key terms, learning objectives, a chapter summary, and review questions to test students' assimilation of the material. Ample diagrams, case studies, and photos demonstrate concepts in a way that prepares students for working actual cases.

The Responsible Company

The Responsible Company, by Yvon Chouinard, founder and owner of Patagonia, and Vincent Stanley, co-editor of its *Footprint Chronicles*, draw on the their 40 years' experience at Patagonia – and knowledge of current efforts by other companies – to articulate the elements of responsible business for our time. Patagonia, named by *Fortune* in 2007 as the coolest company on the planet, has earned a reputation as much for its ground-breaking environmental and social practices as for the quality of its clothes. In this exceptionally frank account, Chouinard and Stanley recount how the company and its culture gained the confidence, by step and misstep, to make its work progressively more responsible, and to ultimately share its discoveries with companies as large as Wal-Mart or as small as the corner bakery. In plain, compelling prose, the authors describe the current impact of manufacturing and commerce on the planet's natural systems and human communities, and how that impact now forces business to change its ways. *The Responsible Company* shows companies how to reduce the harm they cause, improve the quality of their business, and provide the kind of meaningful work everyone seeks. It concludes with specific, practical steps every business can undertake, as well as advice on what to do, in what order. This is the first book to show companies how to thread their way through economic sea change and slow the drift toward ecological bankruptcy. Its advice is simple but powerful: reduce your environmental footprint (and its skyrocketing cost), make legitimate products that last, reclaim deep knowledge of your business and its supply chain to make the most of opportunities in the years to come, and earn the trust you'll need by treating your workers, customers and communities with respect.

Spirit of Islam

SLAM in Contemporary Language Al-Risala has a two-fold aim: first, to introduce Islam as a divine message; second, to promote positive and constructive thinking among the people. It is published in Urdu and English by the Islamic Centre, New Delhi.

Gorilla Convict

"*Gorilla Convict*" is a selected compilation of Seth's work that has appeared on his long running blog at gorillaconvict.com. Online since 2005, the blog gives the scoop on street legends, the mafia, prison gangs, hip-hop and hustling and life in the belly of the beast. What makes this collection so unique is that Seth writes his blog and stories from his cell block in the Federal Bureau of Prisons where he has spent nearly two decades in prison. He founded the *Gorilla Convict* website from prison, and his intriguing and amazing stories have created a large and dedicated audience from prison. The book gives the reader real, raw and in your face stories that have not been written from the mainstream news media point of view. They are written by a man who understand the criminal and convict codes and who lives and resides with the men he writes about in the belly of the beast. This collection of crime, prison and street lore is as inside as you can get.

The No Contact Rule

You're trying to get over your ex, yet you're still in touch and have ended up being their back-up plan. Maybe you haven't left yet, but you want to and just don't know how. Maybe you're tired of doing the lather, rinse, repeat of getting back together and winding back at square one. It's time to cut contact. *The No Contact Rule* is an inspiring guide to extinguishing the temptation to stay in touch or to keep

engaging, helping you to reclaim your sense of self and move on to a healthier relationship. Through her popular blog *Baggage Reclaim*, Natalie Lue has helped thousands of people break free from unhealthy relationships and breakups after using No Contact to kick a toxic relationship and transform her life. Discover what 'NC' is and how to do it, how to break an unhealthy cycle and navigate various situations - from Facebook to pesky texts, working together, sharing a child or feeling trapped by your feelings and thoughts. Cut contact and put the focus on you. By treating you with the love, care, trust and respect you deserve, this could be one of the best decisions you've ever made.

Your Favorite Band Is Killing Me

Music critic Steven Hyden explores nineteen music rivalries and what they say about life in this "highly entertaining" book (*Rolling Stone*) that is essential reading for all music fans. Beatles vs. Stones. Biggie vs. Tupac. Kanye vs. Taylor. Who do you choose? And what does that say about you? Actually--what do these endlessly argued-about pop music rivalries say about us? Music opinions bring out passionate debate in people, and Steven Hyden knows that firsthand. Each chapter in *Your Favorite Band Is Killing Me* focuses on a pop music rivalry, from the classic to the very recent, and draws connections to the larger forces surrounding the pairing. Through Hendrix vs. Clapton, Hyden explores burning out and fading away, while his take on Miley vs. Sinead gives readers a glimpse into the perennial battle between old and young. Funny and accessible, Hyden's writing combines cultural criticism, personal anecdotes, and music history -- and just may prompt you to give your least favorite band another chance.

FTW Self Defense

FTW SELF DEFENSE FTW Self Defense is a revolutionary text which addresses, in great detail, many important yet controversial topics which most instructors do not discuss with their students. This is the reality of self defense, and these topics are not entered into lightly. Intended for mature and open minded students only. This is the long awaited companion volume to the underground bestseller *Hardcore Self Defense*.

Too Sane a Murder

This book brings together veteran and emerging scholars from a variety of fields to chart new territory for hip-hop based education. Looking beyond rap music and the English language arts classroom, innovative chapters unpack the theory and practice of hip-hop based education in science, social studies, college composition, teacher education, and other fields. Authors consider not only the curricular aspects of hip-hop but also how its deeper aesthetics such as improvisational freestyling and competitive battling can shape teaching and learning in both secondary and higher education classrooms. *Schooling Hip-Hop* will spark new and creative uses of hip-hop culture in a variety of educational settings. Contributors: Jacqueline Celemencki, Christopher Emdin, H. Bernard Hall, Decoteau J. Irby, Bronwen Low, Derek Pardue, James Braxton Peterson, David Stovall, Eloise Tan, and Joycelyn A. Wilson "Hip hop has come of age on the broader social and cultural scene. However, it is still in its infancy in the academy and school classrooms. Hill and Petchauer have assembled a powerful group of scholars who provide elegantly theoretical and practically significant ways to consider hip hop as an important pedagogical strategy. This volume is a wonderful reminder that 'Stakes is high!'" —Gloria Ladson-Billings, Kellner Family Chair in Urban Education, University of Wisconsin–Madison "This book is a bold, ambitious attempt to chart new intellectual, theoretical, and pedagogical directions for Hip-Hop Based Education. Hill and Petchauer are to be commended for pushing the envelope and stepping up to the challenge of taking HHBE to the next level." —Geneva Smitherman, University Distinguished Professor Emerita, English and African American and African Studies, Michigan State University

Business Credit Builder

Everyone's favorite houseguest who never left, Leon Black (played by award-winning comedian JB Smoove on HBO's *Curb Your Enthusiasm*) drops his wisdom and good-bad advice for the masses. Learn the secrets Larry David has gleaned from the Falstaff of television. Live your best Leon. Bring the Ruckus. Aristotle. Gandhi. Lao Tzu. Dr. Ruth. Amateurs. For centuries bespeckled dorks have pored over the scrolls of the ancients, read tea leaves, and looked to the stars for philosophy, wisdom, and advice. While some people have probably offered good advice, and others offer bad advice, Leon is here to offer his brand of good-bad advice. These are the musings of a master genius spitting out the secrets of the universe—to help you become just like him. Be forewarned: in opening this tome and

Leon's mind, you need to be prepared for straight talk. The kind of unfiltered blunt straight talk that pounds on your door, invites itself in, makes itself at home, helps itself to your food, security pass code, your expensive organic beet juice, and finally makes itself comfortable on that twin bed in your guest room. All the while you think you're helping it—but really it's helping you help yourself! Because that's how this book doozit. Leon Black, he ain't wrong...he just ain't right.

Schooling Hip-Hop

Not too far away from the flea markets, dusty attics, cluttered used record stores and Ebay is the world of the vinyl junkies. Brett Milano dives deep into the piles of old vinyl to uncover the subculture of record collecting. A vinyl junkie is not the person who has a few old 45s shoved in the cuboard from their days in high school. Vinyl Junkies are the people who will travel over 3,000 miles to hear a rare b-side by a German band that has only recorded two songs since 1962, vinyl junkies are the people who own every copy of every record produced by the favorite artist from every pressing and printing in existence, vinyl junkies are the people who may just love that black plastic more than anything else in their lives. Brett Milano traveled the U.S. seeking out the most die-hard and fanatical collectors to capture all that it means to be a vinyl junkie. Includes interviews with Thurston Moore of Sonic Youth, Peter Buck from R.E.M and Robert Crumb, creator of Fritz the cat and many more underground comics.

The Book of Leon

At the age of nineteen, Nasir "Nas" Jones began recording tracks for his debut album -- and changed the music world forever. Released in 1994, Illmatic was hailed as an instant masterpiece and has proven one of the most influential albums in hip-hop history. With its close attention to beats and lyricism, and riveting first-person explorations of the isolation and desolation of urban poverty, Illmatic was pivotal in the evolution of the genre. In Born to Use Mics, Michael Eric Dyson and Sohail Daulatzai have brought together renowned writers and critics including Mark Anthony Neal, Marc Lamont Hill, Eddie S. Glaude, Jr., and many others to confront Illmatic song by song, with each scholar assessing an individual track from the album. The result is a brilliant engagement with and commentary upon one of the most incisive sets of songs ever laid down on wax.

Vinyl Junkies

Yes in Their Own Words

Born to Use Mics

The fourth installment of LIFE LOGS features traditional articles plus a bonus article that expounds upon the music industry and its business practices. Alongside the bonus material, Jaevonn provides additional commentary, for some of the previous articles, to reflect a more current state of mind. Proving exactly what this series is meant to be, a conscious and continuous tool for growth.

Yesstories

NEW YORK TIMES BESTSELLER For the first time, Curtis "50 Cent" Jackson opens up about his amazing comeback—from tragic personal loss to thriving businessman and cable's highest-paid executive—in this unique self-help guide, his first since his blockbuster New York Times bestseller *The 50th Law*. In his early twenties Curtis Jackson, known as 50 Cent rose to the heights of fame and power in the cutthroat music business. A decade ago the multi-platinum selling rap artist decided to pivot. His ability to adapt to change was demonstrated when he became the executive producer and star of *Power*, a high-octane, gripping crime drama centered around a drug kingpin's family. The series quickly became "appointment" television, leading to Jackson inking a four-year, \$150 million contract with the Starz network—the most lucrative deal in premium cable history. Now, in his most personal book, Jackson shakes up the self-help category with his unique, cutting-edge lessons and hard-earned advice on embracing change. Where *The 50th Law* tells readers "fear nothing and you shall succeed," *Hustle Harder, Hustle Smarter* builds on this message, combining it with Jackson's street smarts and hard-learned corporate savvy to help readers successfully achieve their own comeback—and to learn to flow with the changes that disrupt their own lives.

Life Logs Vol 4

After Brett Whitson got his second covid vaccination, he felt good, very good; better than he could remember. This despite the fact that he had been fired from his anchorman position at the local television for refusing to talk about Trump's "cures" for the coronavirus. That didn't seem to matter anymore. He wondered if there was a side effect of the vaccination. That night, he had a dream that was so real, he wasn't sure it was a dream. He remembered having a conversation with someone who explained that after people of higher consciousness got fully vaccinated, their lives changed dramatically. Not only did they feel better, they could also hear the thoughts of other people. For Brett, this was just the beginning.

Hustle Harder, Hustle Smarter

You can either play the role of a compliant enterpriser or inquirer, or of an adaptive enterpriser or inquirer. You cannot play all four roles at the same time or place. Nor can you play them equally well, because your temperament limits your choices. Face it, you're born that way, born with a brain that is different from the brains of some of your companions and the same as the brain of your other companions. Nature trumps Nurture everywhere and always. You've either a logistical, or diplomatic, or tactical, or strategic brain to use. Use it or lose it.

Ski Mask Cartel 3

Profoundly moving, filled with tenderness, and brought to life by a curious, sprawling imagination, *Drowning Practice* is the story of a mother and daughter trying to save each other's lives at what could be the end of the world. One night, everyone on Earth has the same dream—a dream of being guided to a watery death by a loved one on November 1. When they wake up, most people agree: after Halloween, the world will end. In the wake of this haunting dream and saddled with its uncertainty, Lyd and her daughter, Mott, navigate a changed world, wrestling with how to make choices when you really don't know what comes next. Embarking on a quixotic road trip filled with a collection of unexpected and memorable characters, Lyd and Mott are determined to live out what could be their final months as fully as possible. But how can Lyd protect Mott and help her achieve her ambitions in a world where inhibitions, desires, and motivations have become unpredictable, and where Mott's dangerous and conniving father has his own ideas about how his estranged family should spend their last days? Formally inventive and hauntingly strange, *Drowning Practice* signals the arrival of a singular new voice in Mike Meginnis, who writes with generosity and precision, humor and sorrowfulness. Stirring and surprising at every turn, *Drowning Practice* is literary speculative fiction at its best and with a pulsing heart: a mother and daughter trying to decide how they should live out what might be the final months of their—or anyone's—life on Earth.

Thought So

For the first time, Jethro Tull founder, singer, songwriter and photographer Ian Anderson has gathered together the complete lyrics from all of the Tull and solo albums in one volume. This hardback book is illustrated throughout with new, original and previously unpublished photographs taken by Ian to accompany certain lyrics. Ian has combed through everything from *This Was* in 1968 to unreleased 2021 songs, taking in all of his solo albums and tracks released only on box sets and compilations, to collate more than 300 song lyrics. After listening to original masters, checking notebooks and song sheets, Ian is confident that this book represents the complete, collected lyrics of his more than six decade-long career.
