Dog Love - An Unbreakable Bond

The bond between humans and dogs is more intense than our bond with any other species there's not even a close second. Dogs are more than just a pet; they are trusted companions. They help us hunt, guard our homes, look after our livestock and even our children and, over time, do so many useful and wonderful things that it boggles the mind. This compilation of heart-warming dog stories illustrates the pure love of these amazing creatures, including extraordinary instances and first-hand accounts of bravery, friendship, loyalty, devotion and companionship down to their very last breath. There's a reason we call them man's best friend. No matter the situation, your dog is happy to see you. You are greeted with the same enthusiasm each and every time you walk in that door. A dog has the ability to live in the present moment. They don't regret the past or worry about the future. While we often ask so much of them, they require almost nothing in return. You can ask your dog to chase a Frisbee, take a nap on the couch, herd some sheep, or run around a show ring and he'll do it, happily, for hours on end. He only wants to be fed, and told he's good, and most of all loved. If a dog has love, he really needs nothing else.In the presence of a dog, somehow, nothing else matters. A dog is handing out pure love, sparing no expense, and asking absolutely nothing in return. Perhaps American Humorist Josh Billings said it best: "A dog is the only thing on earth that loves you more than he loves himself."

Dog's Best Friend

One of the first words we learn. Perhaps the best friend we'll have. An animal so much part of our lives that we speak to it like a child and spend small fortunes on its wellbeing and wardrobe. Dogs and humans: in the last 200 years no inter-species relationship has developed so fast nor come so far. Dogs accompany us in every walk of life, usually three times a day. How and why did this relationship begin? How has it changed over the centuries? And who's getting the upper hand? Dog's Best Friend investigates this unique bond by revisiting some of the most important milestones in our shared journey. It begins with the earliest visual evidence on ancient rock art, and ends at the laboratory that sequenced the first dog genome. En route we encounter the first Labradoodle in Australia, a misguidedly loyal Akita in Japan, an ill-fated Poodle trainer in the United States, and a hilariously disobedient Romanian rescue dog named Kratu at the Birmingham NEC. We will also meet Corgis and Dorgis at the Palace, the weightless mutniks of the Soviet space programme, a Dalmatian who impersonates Hitler, and an owner who claims his Border Collie can remember the names of more than a thousand soft toys.

Sergeant Rex

The thrilling and inspiring story of a U.S. Marine and his dog Rex, a bomb sniffing German Shepard, who forged a bond of trust and loyalty while serving on the war-torn streets of Iraq's most dangerous city. Called "a deeply affecting tale of courage and devotion in the cauldron of war" by Publishers Weekly, Sergeant Mike Dowling's heart-pounding account of an unbreakable bond between man and dog takes us into the searing 130-degree heat, the choking dust, and the ever-present threat of violent attack in Iraq's infamous Triangle of Death. In 2004, Dowling and his military working dog Rex were part of the first Marine Corps military K9 teams sent to the front lines of combat since Vietnam. It was Rex's job to sniff out weapons caches, suicide bombers, and IEDs, the devastating explosives that wreaked havoc on troops and civilians. It was Mike's job to lead Rex into the heart of danger. An extraordinary chronicle of loyalty in the face of terrible adversity, Sergeant Rex is an unforgettable story of sacrifice, courage, and love.

It's All About Treo

Dave Heyhoe When Dave Heyhoe was sent to Afghanistan to help detect the Taliban's murderous roadside bombs, he knew he'd need a special dog by his side. Luckily

for him, his closest pal Treo, a staggeringly brave ball of energy and mischief was with him every step of the way. The two friends had a miraculous understanding that helped them save countless lives but, as they embarked on a roller-coaster emotional ride, Dave realized he needed Treo more than he could ever have imagined. Tear-jerkingly sad one moment, laugh-out-loud hilarious the next, It's All About Treo is a moving and uplifting story that will melt the hearts of animal lovers everywhere.

The Dog Who Could Fly

“A thoroughly enjoyable story of heroism and true friendship” (Publishers Weekly, starred review), thisSunday Times top ten bestseller is the true account of a German shepherd who was adopted by the Royal Air Force during World War II, flying countless combat missions and surviving everything from crash-landings to parachute bailouts—ultimately saving the life of his owner and dearest friend. In the winter of 1939 in the cold snow of no-man's-land, two loners met and began an extraordinary journey that would turn them into lifelong friends. One was an orphaned puppy, abandoned by his owners as they fled Nazi forces. The other was a different kind of lost soul—a Czech airman bound for the Royal Air Force and the country that he would come to call home. Airman Robert Bozdech stumbled across the tiny German shepherd—whom he named Ant—after being shot down on a daring mission over enemy lines. Unable to desert the puppy, Robert hid Ant inside his jacket as he escaped. In the months that followed, the pair would save each other's lives countless times as they flew together with RAF Bomber Command. Finally grounded after being injured on a flight mission, Ant refused to abandon

his duty, waiting patiently beside the runway for his master's return from every sortie, and refusing food and sleep until they were reunited. By the end of the war, Robert and Ant had become true war heroes, and Ant was justly awarded the Dickin Medal, the “Animal VC.” With beautiful vintage black-and-white photos of Robert and Ant, The Dog Who Could Fly is a deeply moving story of loyalty in the face of adversity and the unshakable bond between a man and his best friend.

This is the remarkable true story of their dramatic adventures amid the perils of war and the uncertainties of a restless peace. It is the story of their magnificent and unforgettable mutual loyalty and devotion. One Man and His Dog, one of the greatest dog stories of all time"--Page 4 of cover.

But when the sky suddenly darkened and the waves turned fierce, the unthinkable happened: Sophie disappeared overboard. War Dog

In the winter of 1939 in the cold snow of no-man's-land, two loners met and began an extraordinary journey together, one that would bind them for the rest of their lives. One was an orphaned puppy, abandoned by his owners as they fled the approaching Nazi forces. The other, a lost soul of a different sort - a Czech airman, flying for the French Air Force but soon to be bound for the RAF and the country that he would call home. Airman Robert Bozdech stumbled across the tiny German Shepherd after being shot down during a daring mission over enemy lines. Unable to desert his charge, he hid the dog inside his flying jacket as he made his escape. In the months that followed the pair would save each other's lives countless times as they fled France and flew together with Bomber Command; the puppy - which Robert named Ant - becoming the Squadron mascot along the way. Wounded repeatedly in action, shot, facing crash-landings and parachute bailouts, Ant was eventually grounded due to injury.

Even then he refused to abandon his duty, waiting patiently beside the runway for his master's return from every sortie. By the end of the war Robert and Ant had become very British war heroes, and Ant was justly awarded the Dickin Medal, the 'Animal VC'. Thrilling and deeply moving, their story will touch the heart of anyone who understands the bond that exists between one man and his dog.

Capitalism and Desire

Despite creating vast inequalities and propping up reactionary world regimes, capitalism has many passionate defenders—but not because of what it withholds from some and gives to others. Capitalism dominates, Todd McGowan argues, because it mimics the structure of our desire while hiding the trauma that the system inflicts upon it. People from all backgrounds enjoy what capitalism provides, but at the same time are told more and better is yet to come. Capitalism traps us through an incomplete satisfaction that compels us after the new, the better, and the more. Capitalism's parasitic relationship to our desires gives it the illusion of corresponding to our natural impulses, which is how capitalism's defenders characterize it. By understanding this psychic strategy, McGowan hopes to divest us of our addiction to capitalist enrichment and help us rediscover enjoyment as we actually experienced it. By locating it in the present, McGowan frees us from our attachment to a better future and the belief that capitalism is an essential outgrowth of human nature. From this perspective, our economic, social,

and political worlds open up to real political change. Eloquent and enlivened by examples from film, television, consumer culture, and everyday life, Capitalism and Desire brings a new, psychoanalytically grounded approach to political and social theory.
