My cot was down by a cypress grove

and I sat by my window the whole night long

and heard well up from the deep, dark wood..

mockingbird's passionate song

and my life's cold winter that knew no spring

Of my mind so weary, and sick, and wild

of my heart too sad to sing.

For oft from the darkness of hearts and lives

come songs that brim with joy and light

As out of the gloom of the cypress grove

the mockingbird sings at night.

in a strain to soothe his bleeding heart

And he smiled at the sound of my voice and lyre

And into my soul there came a ray.
