The Jewish Way in Death and Mourning

The caring of the dead and respect for the life that has left this earth. The funeral service and the eulogy. Burial in the earth and cremation.

Consolation

For most of us, mourning is something to be endured. We are often merely passive spectators of our own pain, and we see our grief period as a grim mountain that we must climb over. But Maurice Lamm tells us it can be much more. Bereavement, he says, can often be an enriching experience, even as it is a sorrowful and often tragic one. Our faith in a higher power can move us to not only live through the present but also to stride into the future with renewed energy and a revitalized outlook on life. In this, his sequel to the best-selling *The Jewish Way in Death and Mourning* (over 350,000 copies sold), Rabbi Lamm helps mourners not just get through their grief, but also grow through it. He gently steers mourners on the path that allows their sorrow to teach them important lessons about life. And he shows consolers how to listen and speak with their hearts so that they can provide real comfort to others. His marvelous insights on the days of shiva, the year of kaddish, and the lovingkindness of others reveal the richness and true purpose of Jewish mourning rituals and customs. They prepare us to receive consolation and ready us for the journey that will take us beyond grief. His "Words for a Loss When at a Loss for Words" is a treasury of readings for finding and giving comfort by transforming the spiritual ideas of an ancient faith into contemporary language. Here there are stories and fables that illuminate our complicated lives, meditations from the depths of human experience, and a gallery of unforgettable images that speak to our souls during times of loss. Rabbi Lamm's words will help all who walk the

path of grief to find their way to consolation--and then beyond, to an appreciation of the blessings and opportunities that present themselves to us when we confront loss. And they can even take us further, to discover the celebrated Jewish art--of wringing blessing out of tragedy.

Teaching Tefilah

Parts I through IV of Teaching Tefilah contain fifteen chapters, each dealing with a section of the worship service or a topic related to prayer. Part V, new in this expanded revised edition, contains six new essays reflecting on recent trends in Jewish worship.

Corpse Encounters

This book takes a critical glance at the ritualized practices of death—corpse preparation, disposal, and aesthetic representation—and examines the workings of aesthetics that shape corpses, as well as the ways in which corpses spill over, resisting aestheticization.

A Time to Mourn, a Time to Comfort

A Step-by-Step Guide for Honoring the Dead and Empowering the Living When someone dies, there are so many questions--from what to do in the moment of grief, to dealing with the practical details of the funeral, to spiritual concerns about the meaning of life and death. This indispensable guide to Jewish mourning and comfort provides traditional and modern insights into every aspect of loss. In a new, easy-to-use format, this classic resource is full of wise advice to help you cope with death and comfort others when they are bereaved. Dr. Ron Wolfson takes you step by step through the mourning process, including the specifics of funeral preparations, preparing the home and family to sit shiva, and visiting the grave. Special sections deal with helping young children grieve, mourning the death of an infant or child, and more. Wolfson captures the poignant stories of people in all stages of grieving--children, spouses, parents, rabbis, friends, non-Jews--and provides new strategies for reinvigorating and transforming the Jewish ways we mourn, grieve, remember, and carry on with our lives after the death of a loved one.

The Jewish Mourner's Handbook

This book blends consolation and information about Jewish rituals of death and mourning

Saying Kaddish

From beloved New York Times bestselling author and award-winning journalist—the definitive guide to Judaism's end-of-life rituals, revised and updated for Jews of all backgrounds and beliefs. From caring for the dying to honoring the dead, Anita Diamant explains the Jewish practices that make mourning a loved one an opportunity to experience the full range of emotions—grief, anger, fear, guilt, relief—and take comfort in the idea that the memory of the deceased is bound up in our lives and actions. In *Saying Kaddish* you will find suggestions for conducting a funeral and for observing the shiva week, the shloshim month, the year of Kaddish, the annual *yahrzeit*, and the Yizkor service. There are also chapters on coping with particular losses—such as the death of a child and suicide—and on children as mourners, mourning non-Jewish loved ones, and the bereavement that accompanies miscarriage. Diamant also offers advice on how to apply traditional views of the sacredness of life to hospice and palliative care. Reflecting the ways that ancient rituals and customs have been adapted in light of contemporary wisdom and needs, she includes updated sections on *taharah* (preparation of the body for burial) and on using ritual immersion in a mikveh to mark the stages of bereavement. And, celebrating a Judaism that has become inclusive and welcoming. Diamant highlights rituals, prayers, and customs that will be meaningful to Jews-by-choice, Jews of color, and LGBTQ Jews. Concluding chapters discuss Jewish perspectives on writing a will, creating healthcare directives, making final arrangements, and composing an ethical will.

When a Jew Dies

"Samuel Heilman has walked the mourner's path both as an anthropologist observing the socio-cultural death practices of the Jewish community, and as a bereaved son grieving the loss of a beloved father. In the wake of his successful navigation through these two worlds—academic and personal—he presents an acute understanding of the detailed intricacies of the cycle of Jewish rituals from deathbed to burial, from mourning to memorialization. Heilman emerges from his journey through grief with a wise and

seasoned appreciation of the symbols and practices which are at the foundation of Jewish life and culture. When a Jew Dies provides an insightful roadmap to the subtle and profound vicissitudes of grief in the Jewish tradition. For mourner and scholar alike, this is a book to be savored, a friend to walk with, a companion with which to explore the reality of the walk through the valley of the shadow of death."—Simcha Raphael, author of Jewish Views of the Afterlife "Heilman has an unusually keen sense of perception and ability to put everything into an almost universal, social scientific perspective while, at the same time, retaining his personal ties, thought and feelings. As in his previous work, he here examines something that almost every traditional Jew is familiar with, and gives it new perspectives and new meaning. When a Jew Dies includes significant discussion of prevalent customs and the Jewish bases for them. The author's particularistic-universalistic synthesis as well as his deeply-rooted, personal-scholarly synthesis set this book apart from all others."—Chaim I. Waxman, Professor of Sociology at Rutgers University and author of America's Jews in Transition "Heilman offers a unique synthesis of historical scholarship and ethnographic description in this rich account of the complex processes by which Judaism brings the dying to the end of life and the mourning to the end of grief and a return to life. This is, as far as I know, the only study combining the legal-historical, social-historical, and ethnographic perspectives in a single volume. It offers a remarkable glimpse of how one sector of contemporary Jewry confronts the reality of death and transfigures it."—Martin S. Jaffee, author of Torah in the Mouth

After One-Hundred-and-Twenty

A deeply personal look at death, mourning, and the afterlife in Jewish tradition After One-Hundred-and-Twenty provides a richly nuanced and deeply personal look at Jewish attitudes and practices regarding death, mourning, and the afterlife as they have existed and evolved from biblical times to today. Taking its title from the Hebrew and Yiddish blessing to live to a ripe old age—Moses is said to have been 120 years old when he died—the book explores how the Bible's original reticence about an afterlife gave way to views about personal judgment and reward after death, the resurrection of the body, and even reincarnation. It examines Talmudic perspectives on grief, burial, and the afterlife, shows how Jewish approaches to death changed in the Middle Ages with thinkers like Maimonides and in the mystical writings of the Zohar, and delves into such things as the origins of the custom of reciting Kaddish for the deceased and beliefs about encountering the dead in visions and dreams. After One-Hundred-and-Twenty is also Hillel Halkin's eloquent and disarmingly candid reflection on his own mortality, the deaths of those he has known and loved, and the comfort he has and has not derived from Jewish tradition.

Jewish Insights on Death and Mourning

Jewish rituals customs and teachings that honour the dead and comfort the living are explored by a broad spectrum of contemporary writers who recount their own experiences at times of loss and grief. A helpful sensitively compiled book that provides both guidance and solace.

Creole Jews

This study presents a refined analysis of Surinamese-Jewish identifications. The story of the Surinamese Jews is one of a colonial Jewish community that became ever more interwoven with the local environment of Suriname.

Mourning & Mitzvah

An innovative integration of Jewish tradition and modern professional resources gives spiritual insight and healing wisdom to those who are mourning a death, to those who would help them, and to those who face a loss of any kind. This revised edition features a new introduction, new writing exercises, and resource lists.

The Jewish Book of Grief and Healing

This companion in sorrow offers compassionate guidance for putting the insights of Judaism into practice and finding new strength in ancient traditions. Beloved and respected spiritual leaders from across the Jewish denominational spectrum share insights from their experience, Jewish tradition and their personal encounters with grief and healing.

Lilith

This expanded second edition of the classic text on life after death in Judaism includes new material on practical applications of Jewish views of the afterlife, such as funeral, burial, and shiva, as well as an updated look at how views on death and dying have shifted in recent years. Synthesizing traditional Jewish sources with contemporary psychological thought, near-death experiences, and consciousness research, *Jewish Views of the Afterlife* offers a contemporary statement on ways of understanding the afterlife journey of the soul from a spiritual point-of-view. Both historical and contemporary, this book provides a rich resource for scholars and lay people, for teachers and students, and makes an important Jewish contribution to the growing contemporary psychology of death and dying.

Jewish Views of the Afterlife

There are many books devoted to explicating Jewish laws and customs relating to death and mourning and a wealth of studies addressing the significance of death practices around the world. However, never before has there been a study of the death and mourning practices of the founders of Judaism - the Rabbis of late antiquity. *The Meanings of Death in Rabbinic Judaism* fills that gap. The author examines the earliest canonical texts - the Mishnah, the Tosefta, the Midrashim and the Talmud of the Land of Israel. He outlines the rituals described in these texts, from preparation for death to reburial of bones and the end of mourning. David Kraemer explores the relationships between the texts and interprets the rituals to uncover the beliefs which informed their foundation. He discusses the material evidence preserved in the largest Jewish burial complex in antiquity - the catacombs at Beth Shearim. Finally, the author offers an interpretation of the Rabbis' interpretations of death rituals - those recorded in the Babylonian Talmud. *The Meanings of Death in Rabbinic Judaism* provides a comprehensive and illuminating introduction to the formation, practice and significance of death rituals in Rabbinic Judaism.

The Meanings of Death in Rabbinic Judaism

"An indispensable sourcebook... Emphasis falls on the variegated, often joyful, culture of the Polish Jews, on what existed before the garden was ruined." --Geoffrey Hartmann, *The New Republic* "From these marvelous selections, one can see an entire culture unfolding." --Curt Leviant, *New York Times Book Review* "This newly revised version of the classic study... is a pleasure for the eye and the soul. One of the seminal studies of the impact of the Shoah on European Jewry, it is even more moving in its new incarnation than in its original version. More than a collection of studies of books of remembrance and mourning, this volume asks how one can mourn for a world lost and still live in the present and the future." --Sander L. Gilman "Kugelmass and Boyarin have done a splendid job of combing the vast memorial book literature to select the most revealing accounts of Jewish life in interbellum Poland. Ordinary people speak in this volume with an immediacy and poignancy that cannot help but touch the reader. In the time since it first appeared, *From a Ruined Garden* has become a classic. Its reappearance in an updated and expanded form is most welcome." --Barbara Kirshenblatt-Gimblett "In this magnificent collection, the editors combine a profound 'feel' for the vanished world of Polish Jewry, the anthologist's skill at selecting the telling example, and the anthropologist's sophisticated understanding of how these testimonies should be read. A marvelous introduction to this rich literature." --Peter Novick Polish Jewish survivors of the Holocaust compiled memorial books to preserve the memory of their destroyed communities. They describe daily life in the shtetl as well as everyday life during the Holocaust and the experiences of returning survivors. These memories paint a haunting picture of a way of life lost forever.

From a Ruined Garden, Second Expanded Edition

This exploration of the emotional and spiritual aspects of spending a year in mourning will resonate with anyone who has lost a loved one—from the author of *The Search for God at Harvard*. "His candid, searching book ... breaks our heart." —*The New York Times Book Review* Ari Goldman describes how his year in mourning for his father affected him as a son, husband, father, and member of his community. Through the daily recitation of kaddish, Goldman discovered that he could connect with and honor his father and his mother in a way that he could not always do during their lifetimes. And in his daily synagogue attendance, he found his fellow worshipers to be an unexpected source of strength, wisdom, and comfort.

Living a Year of Kaddish

"The Oxford Dictionary of the Jewish Religion has been the go-to resource for students, scholars, and researchers in Judaic Studies since its 1997 publication. Now, The Oxford Dictionary of the Jewish Religion, Second Edition focuses on recent and changing rituals in the Jewish community that have come to the fore since the 1997 publication of the first edition, including the growing trend of baby-naming ceremonies and the founding of gay/lesbian synagogues. Under the editorship of Adele Berlin, nearly 200 internationally renowned scholars have created a new edition that incorporates updated bibliographies, biographies of 20th-century individuals who have shaped the recent thought and history of Judaism, and an index with alternate spellings of Hebrew terms. Entries from the previous edition have been revised, new entries commissioned, and cross-references added, all to increase ease of navigation research." -- Provided by publisher.

The Oxford Dictionary of the Jewish Religion

Fully revised with a new author's preface, epilogue, and over a dozen new guided exercises, Anne Brener brings us an innovative integration of Jewish tradition and modern professional resources in this 25th anniversary edition of a modern classic. *Mourning & Mitzvah* gives spiritual insight and healing wisdom to those who mourn a death, to those who would help them, and to those who face a loss of any kind. *Mourning & Mitzvah* teaches you the power and strength available to you in the fully experienced mourning process. When the temple stood in the ancient city of Jerusalem, mourners walked through the gates and into the courtyard along a specifically designated mourner's path. As they walked, they came face to face with all the other members of the community, who greeted them with the ancestor of the blessing, "May God comfort you among the mourners of Zion and Jerusalem." In this way, the community embraced those suffering bereavement, yet allowed for unique experiences of grief.

Mourning and Mitzvah (25th Anniversary Edition)

Jewish customs and traditions about death, burial and mourning are numerous, diverse and intriguing. They are considered by many to have a respectable pedigree that goes back to the earliest rabbinic period. In order to examine the accurate historical origins of many of them, an international conference was held at Tel Aviv University in 2010 and experts dealt with many aspects of the topic. This volume includes most of the papers given then, as well as a few added later. What emerges are a wealth of fresh material and perspectives, as well as the realization that the high Middle Ages saw a set of exceptional innovations, some of which later became central to traditional Judaism while others were gradually abandoned. Were these innovations influenced by Christian practice? Which prayers and poems reflect these innovations? What do the sources tell us about changing attitudes to death and life-after death? Are tombstones an important guide to historical developments? Answers to these questions are to be found in this unusual, illuminating and readable collection of essays that have been well documented, carefully edited and well indexed.

Death in Jewish Life

Winner of the 2008 Gradiva Award! Can something as negative as loss also be a positive, transformative experience? Is it possible that not only individuals but also societies can be developmentally arrested by problematic mourning? *On Deaths and Endings* brings together the work of psychoanalytic scholars and practitioners grappling with the manifold issues evoked by loss and finality. The book covers the impact of endings throughout the life cycle, including effects on children, adolescents, adults, those near death and entire societies. New psychoanalytic perspectives on bereavement are offered based on clinical work, scholarly research and the authors' own, deeply personal experiences. The contributors present compelling, often moving, enquiries into subjects such as the reconfiguration of self-states subsequent to mourning, the role of ritual and memorials, the tragic impact of unmourned loss, modern conceptualisations of the death instinct, and terror-based losses. In that much psychotherapy is conducted with people who have suffered some form of loss, this book will be an invaluable resource for all mental health professionals. The emphasis on the potential of working through the vicissitudes of these experiences will provide inspiration and hope both to those who have endured personal loss and to anyone working with grieving patients.

On Deaths and Endings

Comprehensive volume on Jewish death and mourning. Question-and-answer format explores the laws, observances and customs that relate to Jewish mourning. Includes a special inspirational section and readings for the bereaved.

The Jewish Mourner's Book of why

While it follows the Jewish mourning process and tradition, this book is not just for Jews, but for all people who would gain strength to heal and insight from the Bible and teachings of Jewish tradition. "It is the best book on the subject that I have ever seen".--Rabbi Levi Meier, Ph.D. Over 60 guided meditations.

Church & Synagogue Libraries

The practical, inspiring guide for all Jewish people expecting a baby. Expanded, updated, and revised. A complete resource to the traditions and rituals for welcoming a new child to the world and into the Jewish community, and for commemorating this joyous event in family life--whatever your family constellation. Provides ceremonies you can copy for handouts so that guests are an even greater part of the experience. Special section for interfaith families helps make the celebrations inclusive, comfortable, and joyous for all. Ceremonies for girls, as well as for boys. "Drawn from the wealth of mythic, historic, religious, culinary, and literary traditions that surround the arrival of a new Jewish baby, and informed by contemporary insight and practice, The New Jewish Baby Book describes the many ways that new parents can celebrate the arrival of a child, the newest member of your extended families, and a unique and precious chapter in the on-going saga of the Jewish people." --from the Introduction

Mourning & Mitzvah

Remember My Soul provides the comforting voice of wisdom at life's most painful moment. Drawing on decades of experience in Jewish outreach and counseling people who have lost a loved one, Remember My Soul, was written specifically for people with little or no prior knowledge of Judaism and the way Judaism understands and approaches death, loss and mourning. People who have suffered a recent loss--and those for whom a distant loss continues to be a struggle--will find in these pages insight, inspiration and resolution. Remember My Soul includes: *An explanatory journey through shiva and all the aspects of Jewish mourning. *A thirty-day guided path of insight and reflection based on the ancient tradition for benefiting the soul of the departed. *Ten questions people ask about death and the afterlife. *Personal reflections from people who have lost a loved one about how Jewish wisdom and traditions enable one to cope with a loss and relate to death in the bigger picture of life

The Jewish Home, Book 12-15

Fully revised with a new author's preface, epilogue, and over a dozen new guided exercises, Anne Brener brings us an innovative integration of Jewish tradition and modern professional resources in this 25th anniversary edition of a modern classic. Mourning & Mitzvah gives spiritual insight and healing wisdom to those who mourn a death, to those who would help them, and to those who face a loss of any kind. Mourning & Mitzvah teaches you the power and strength available to you in the fully experienced mourning process. When the temple stood in the ancient city of Jerusalem, mourners walked through the gates and into the courtyard along a specifically designated mourner's path. As they walked, they came face to face with all the other members of the community, who greeted them with the ancestor of the blessing, "May God comfort you among the mourners of Zion and Jerusalem." In this way, the community embraced those suffering bereavement, yet allowed for unique experiences of grief.

The New Jewish Baby Book

In the third edition of Jewish Views of the Afterlife, Rabbi Simcha Paull Raphael walks readers through the Jewish tradition of the afterlife while providing insights into spiritual care with dying and grieving individuals and families.

Remember My Soul

A collection of writings helps surviving loved ones to mourn and find comfort after a loss with a first part that examines Jewish mourning practices and traditions and a second part that explores contemporary issues related to death.

Mourning and Mitzvah

This visionary work explores the sensitive balance between the personal and private aspects of grief, the social and cultural variables that unite communities in bereavement, and the universal experience of loss. Its global journey takes readers into the processes of coping, ritual, and belief across established and emerging nations, indigenous cultures, and countries undergoing major upheavals, richly detailed by native scholars and practitioners. In these pages, culture itself is recognized as formed through many lenses, from the ancestral to the experiential. The human capacity to mourn, endure, and make meaning is examined in papers such as: Death, grief, and culture in Kenya: experiential strengths-based research. Death and grief in Korea: the continuum of life and death. To live with death: loss in Romanian culture. The Brazilian ways of living, dying, and grieving. Death and bereavement in Israel: Jewish, Muslim, and Christian perspectives. Completing the circle of life: death and grief among Native Americans. It is always normal to remember: death, grief, and culture in Australia. The World of Bereavement will fascinate and inspire clinicians, providers, and researchers in the field of death studies as well as privately-held professional training programs and the bereavement community in general.

Jewish Views of the Afterlife

'The book could open up a fruitful controversy in social gerontology and should become part of the library of every social gerontologist' -- Contemporary Sociology 'A unique contribution to cross-cultural studies in aging' -- Choice 'Worthwhile reading for any human service professional dealing with the aged' -- Social Work

Jewish Reflections on Death

Bread and Fire is about the everyday lives of Jewish women and the struggles and aspirations, failings and triumphs of their spiritual endeavors. The women whose writings appear in this book span a wide range of ages, backgrounds, perspectives and professions. In her own way, each one reveals God as an anchoring force in her life. Readers will find themselves laughing, crying and gaining reassurance and strength as they come face-to-face with these women just like them who are moving forward in the ancient quest to find God in the everyday.

Religion and Mental Health

PaRDeS. Zeitschrift der Vereinigung für Jüdische Studien e.V., möchte die fruchtbare und facettenreiche Kultur des Judentums sowie seine Berührungspunkte zur Umwelt in den unterschiedlichen Bereichen dokumentieren. Daneben dient die Zeitschrift als Forum zur Positionierung der Fächer Jüdische Studien und Judaistik innerhalb des wissenschaftlichen Diskurses sowie zur Diskussion ihrer historischen und gesellschaftlichen Verantwortung. PaRDeS. Journal of the Association of Jewish Studies e. V. The journal aims at documenting the fruitful and multifarious culture of Judaism as well as its relations to its environment within diverse areas of research. In addition, the journal is meant to promote Jewish Studies within academic discourse and discuss its historic and social responsibility.

Wrestling with the Angel

Patients as Policy Actors offers groundbreaking accounts of one of the health field's most important developments of the last fifty years--the rise of more consciously patient-centered care and policy-making. The authors in this volume illustrate, from multiple disciplinary perspectives, the unexpected ways that patients can matter as both agents and objects of health care policy yet nonetheless too often remain silent, silenced, misrepresented, or ignored. The volume concludes with a unique epilogue outlining principles for more effectively integrating patient perspectives into a pluralistic conception of policy-making. With the recent enactment of the Patient Protection and Affordable Care Act, patients' and consumers' roles in American health care require more than ever the careful analysis and attention exemplified by this innovative volume.

The World of Bereavement

A study of ethnic life in the city, detailing the process of adjustment, cultural survival, and ethnic identification among groups such as the Irish, Ukrainians, African Americans, Asian Indians, and Swedes. New to this edition is a six-chapter section that examines ethnic institutions including saloons, sports, crime, churches, neighborhoods, and cemeteries. Includes bandw photos and illustrations. Annotation copyright by Book News, Inc., Portland, OR
