How the West brought economic disaster on itself - How the West brought economic disaster on itself by UnHerd 213,279 views 1 year ago 38 minutes - Freddie Sayers speaks to financial analyst Louis Gave about the West's self-made economic crisis. Read the article here: ...

Introduction

Have Western sanctions on Russia made the Western economic situation worse?

How do those sanctions directly impact the West?

The impact of external forces on these sanctions

Is the price of the ruble worth looking at in depth?

Are there sides to this story that are being missed?

Has Russia been forced into the arms of China, as a result?

To what extent are these sanctions a political going or on climate change prevention one?

How should governments be tackling the climate crisis amid global political unrest?

Is the US in a better position because it produces most of its own energy?

Is the UK in a similar position to the US?

What is the worst-case scenario?

What are Louis' predictions for the Western economy moving forward?

How seriously did lockdowns affect the West's economy?

Is it sustainable to have interest rates above 4%?

Is the economic mess that the West finds itself in is due to the fault of policymakers?
