Hunt the Dawn

Lathan Montgomery's genetic anomaly allows him to smell and see people's memories. He uses his skills to help the Ohio Department of Criminal Investigation, and is on the path of an active serial killer. When he saves plucky, down-on-her-luck Evanee Brown from an abusive encounter, he finds she's the only person who doesn't trigger his powers. Evanee would escape her job, the town, and her abuser, if she could. Until she meets Lathan and her nightmares embroil her in his investigations. Together they are an indomitable force, but everyone around them is trying to tear them apart.

The Hunt Series, Book 1: Dawn Memories

The Hunt are children sent from an endangered world in another universe/dimension of reality, to protect them from a despot who wants to command their Talents. Given into the keeping of the Hounds of Hamin, the members of the Hunt have been separated by time as well as distance. They know each other by the scars--rows of teeth marks--on their wrists. Some have been in our world for decades, others only for a few years. Before more enemies show up to destroy them, they must locate each other, soon, to find a way back home to save their world. The explosion nearly killed her, but it also brought her back to life... The explosion that should have killed Dawn ignites a fiery trail of buried memories, all leading to the point where it all began. She remembers... She's not from Earth at all. She's the daughter of one of the ruling families of another world in another dimension, sent to Earth by her parents to protect her from a galactic despot who wants all the rulers' children as hostages. She's from the Hunt, branded as such by two thin white lines on her wrist, caused by the Hounds of Hamin--interdimensional guardian beasts that hold the children's wrists in their mouths as they pull them through the vortex from their world to Earth. But Dawn remembers something else. Someone else. Stayn, her best friend and her betrothed. Where is he? Can he rescue her from the 'safe' house where she's currently guarded by federal agents? And can they rekindle what time and distance has torn apart?

Hunter's Dawn

An ancient inscription raises more questions than answers. Shadow and the Nephilims' hunt for Black Cronos is far from over. When they find a hideout, they discover an ancient Sumerian stone tablet that forces them to rethink the Nephilims' history – and Black Cronos's plans. It seems their quest for the ultimate warrior is far from over. The hunt takes them back to the desert, and resumes the search for a civilisation long thought buried. Harlan's involvement with the Paranormal Division isn't over, either. In fact, it's just beginning, and it seems there's more to JD than he realised. And more to Black Cronos, too. As tensions rise, what they uncover could change everything. Double agents, betrayals, murky occult organisations, and nonstop action, make this the best instalment in the White Haven Hunters series yet! If you love magic, mystery, and danger, with plenty of action, intrigue, and humour, you'll love Hunter's Dawn.

Dawn: Before the Hunt

In a world where everything is going right, life is moving into the direction that you want it to go it seems like nothing can go wrong. A run in the morning is something that makes Sam feel free and relax before the day begins. Yes she goes to school, and yes it never seems like any normal day for others, but it is for her. When one day this mysterious guy named Kevin moves into her life, everything changes. Not just her life around her, but who she is as a human and who she might not be. Some things that were not important to her anymore come into the light and she wishes that none of it ever happened. Especially when she finds out that she is the Queen or Leader to a bunch of children that she never really met, but only saw come out of the woods during the day. Too many are after her and she doesn't understand who is her enemy and who isn't. With death at her door and having a life on the run, the only ones that help her stay in control is the mystery boy and another friend she meets along the way. All she has to do is stay alive and stay in control of herself. Sounds easy right?

The Magical Hunt

The hunt is only beginning, and magic swirls within it keeping them both on the right path, and leading them astray... Malediction has claimed Princess Elodie of Zelnon and her friends. They must fight to escape even when it seems like they are living in an endless curse. Through each battle they take one step closer to their ultimate goal—home. What is lost is their key to returning to Zelnon, and Elodie's rightful place on the throne. There are two different paths, both desired, but one will bring her home—the other could lead to her downfall. Some prophecies are self-fulfilling, and Elodie must be careful she doesn't make her worst fears happen. She has many decisions to make—and once they're in Zelnon, the true battle will begin. Along with the duties of her kingdom, she must also discern the means to her happiness. Does she believe in love, and if so, who does she give her heart to...

The Hunt for the Dawn Monkey

Publisher Description

The Hunt for the Dawn Monkey

Taking us back roughly 45 million years into the Eocene, "the dawn of recent life," Chris Beard, a world-renowned expert on the primate fossil record, offers a tantalizing new perspective on our deepest evolutionary roots. In a fast-paced narrative full of vivid stories from the field, he reconstructs our extended family tree, showing that the first anthropoids—the diverse and successful group that includes monkeys, apes, and humans—evolved millions of years earlier than was previously suspected and emerged in Asia rather than Africa. In *The Hunt for the Dawn Monkey*, Beard chronicles the saga of two centuries of scientific exploration in search of anthropoid origins, from the early work of Georges Cuvier, the father of paleontology, to the latest discoveries in Asia, Africa, and North America's Rocky Mountains. Against this historical backdrop, he weaves the story of how his own expeditions have unearthed crucial fossils—including the controversial primate *Eosimias*—that support his compelling new vision of anthropoid evolution. The only book written for a wide audience that explores this remote phase of our own evolutionary history, *The Hunt for the Dawn Monkey* adds a fascinating new chapter to our understanding of humanity's relationship to the rest of life on earth.

Dawn, Dusk and Deer

Dawn, Dusk and Deer is about memories. Fond memories. It is my belief that one of the principal things gained from deer hunting is the host of great memories that one can visit, at will, year after year. All one has to do to get into a very enjoyable conversation is find another deer hunter to share memories with. True deer hunters not only love to hunt deer, but they also love to tell about and hear others tell about hunting deer. Deer hunting is patriotic sport. The Native Americans were here and hunting deer when Europeans arrived. The settlers then hunted deer until they were almost extinct in many parts of America. With conservation they have recovered in population. And many Americans still practice the sport of their ancestors. I do. And I like to hear the stories of other hunters and to tell the stories that came to me on my deer hunting trail. The story recorded here is not so much about harvesting of deer for food but about the many experiences that come along on the deer trail. Some good and some bad.

Dawn (The Dire Wolves Chronicles #3)

It is always darkest before dawn. Gage and Mary Anne are on the run and determined to break Hunter out of prison so he can finish changing Gage. They look to Mary Anne's college friend Genevieve and the zany Dire Denny for assistance, but in the end, help comes from the unlikelyst of places. Hunter must end the hunt even if it means destroying his own brother and giving up on the girl destined to be his. With betrayal surrounding him at every turn, his best chance at ending the hunt is someone he is sworn to hate. *New Adult Paranormal Romance - *The Dire Wolves Chronicles #3*

By Dawn's Early Light

Daniel Prentice's technological skill helped save the world from the deadly impact of Y2K in the popular thriller *Flee the Darkness*. But that victory didn't stop the encroaching evil. In this gripping sequel, tension mounts in the 21st century as a Russian-Arab invasion of Jerusalem seems imminent. Now Daniel must guide NSA chief Captain Michael Reed in the battle ahead. More than a battle for the land, the offensive could be the fulfillment of Ezekiel's ancient biblical prophecy of Gog and Magog invading Israel. As the world shudders in response, the invaders offer Israel a choice: surrender or be obliterated. As the State of Israel fortifies itself against the coming onslaught of missiles, biological weapons, and an invasion force attacking from all four borders, Reed and his Israeli counterpart, Sergeant Major Devorah Cohen, exhaust every military resource to prevent a nuclear war. Soon Reed and Cohen realize that the real battle they face is one of spiritual origin—for which no military drill could prepare them. Will Michael and Deborah find faith to confront the enemy? Never have the forces of evil been stronger, the stakes higher, or the world's possible destruction nearer than *By Dawn's Early Light*.

Yes, I Hunt

Come along on the intriguing journey of a woman ER doctor and former vegetarian who takes up hunting to accompany the love of her life. Jumping in with enthusiasm, she makes it her own, and discovers all the world of hunting offers. Hunting adventures and stories from thirty years of successful hunts are told with humor and sensitivity. More than a how-to manual, although it contains helpful tips and wisdom, this is a journey of one woman's personal growth, and the gifts sharing in the hunt have brought into her life and relationships. Inspirational, yet practical, the book is for those who are considering hunting, are hunters, or want to support the hunters in their lives. God's amazing outdoors comes alive as we experience the thrill of the chase, and the satisfaction in providing food to share at our tables. Includes safety checklists, ethics of hunting, tips for successful hunts, and both meat and vegetarian recipes. A refreshing and enlightening look at one woman's inspiring journey into the world of hunting. Dawn's storytelling is powerful and entertaining and her tips and wisdom are insightful. Immerse yourself in this fun and meaningful adventure. --Tracy Barnes, Olympic biathlete and founder of *Check Outside [An]* autobiography of growth, change, determination, and beliefs of an amazing woman. . . . a book on life and transitions which far exceeds the target audience of hunters. --Jerry Barnhart, shotgun instructor

Warriors: Dawn of the Clans #3: The First Battle

Discover the origins of the warrior Clans in the third book of this thrilling prequel arc from mega-best-selling author Erin Hunter. The *Dawn of the Clans* series takes readers back to the earliest days of the Clans, when the cats first settled in the forest and began to forge the Warrior code. The rivalry between Gray Wing and Clear Sky has driven a bitter wedge between the forest cats. As Thunder and Gray Wing struggle to find a peaceful path for the future, tensions are growing. What began as a misunderstanding between two brothers has spread far and wide—and now every mountain cat, rogue, and kittypet in the forest will be forced to pick a side. *Dawn of the Clans #3: The First Battle* also contains an exclusive bonus scene and a teaser to *Dawn of the Clans #4: The Blazing Star*.

Tastes from the Temple

Tastes from the Temple is a cookbook in the tradition of "church community" cookbooks presented by the Temple of Witchcraft, a neo-pagan spiritual community that believes cooking and food are sacred and magical. Presented by author and "kitchen witch" Dawn Hunt, with a Foreword by author and Temple Founder Christopher Penczak (author of the "Temple of Witchcraft" series), the book turns a collection of delicious recipes into a window into a modern pagan community, complete with history, anecdotes, and magical influences for each recipe.

Winter Dawn

'One of those books you can't put down..by the end you feel like you've run for your life' NetGalley 5* From the author of the #1 Bestselling Audible Thriller of the Year comes a terrifying hunt to the death...When a New York Senator is chosen as an assassination target by Colosseum, the chilling online game, she faces a terrible choice; to run or to hide. No-where is safe. No-one can be trusted. But just when the Senator's brutal death seems inevitable, a young agent called Winter arrives from London to protect her. Now Winter is all that stands between the Senator and Colosseum's deadly hunt. As dawn creeps in, time is running out for Winter to unravel the mystery at the heart of this sinister game: who is the shadowy head of Colosseum, and what is his ultimate purpose? It is darkest before

the dawn. As Winter and the Senator journey together into the dark heart of the longest night, they soon discover that nothing about Colosseum is what it seems. There are rules, and there is a purpose, if only they can solve the riddle in time. Colosseum is more than a hunt: it's a challenge. Targets must face their deepest fear, or die at dawn. Praise for The Winter Series 'Wow! Double wow!! Triple wow!!!.... If this is what Winter is like, I don't like the other seasons anymore.' B for Book Review, 5 stars 'YES! YES! YES! That is how you write an action thriller. The pace is relentless. This is pure action... I highly recommend this for action junkies and anyone who likes a tense thriller.' Goodreads reviewer, 5 stars 'Heart-pounding danger with a female James Bond. Total adrenaline fest! The writing is top-notch and I would put Callister's action series against the best in the genre — Jack Ryan, move over!' Goodreads reviewer, 5 stars 'A high-octane thriller... It is a thrill-a-minute, edge-of-your-seat thriller that will have you quickly turning the page... will keep you entertained and engrossed until it's thrilling denouement. A great read that will spike your blood pressure accordingly – not for the faint-hearted!' Goodreads reviewer 'If you are looking for an action-packed suspense thriller with a kick-ass heroine government agent, then this is the book for you.' The Book Nurse, 5 stars 'The author has created a plot with lots of twists and turns along the way. I was gripped by the story and on the edge of my seat for most of the book.' The Ginger Book Geek 'perfect for fans of le Carré, Fleming and those looking to start a riveting new thriller series'. – Audiofile magazine 'There is a new kid on the block – the love child of Jack Reacher and Lisabeth Slander....she can out-punch Bourne and out-pull Bond. – Andy Martin, author of Reacher Said Nothing 'gripping and compulsive' – The Book Doctor 'A clever, original spy thriller...Winter Dark is a gripping, pacy and highly original thriller. Highly recommended.' Goodreads reviewer, 5 stars 'Callister's experience as a City analyst of tech companies has alerted her to the dark side of the information revolution. "The internet has facilitated the maximum realisation of human nature," she says... "If you want to do weird stuff, no matter how extreme, then the internet can connect you to someone who wants it too. These are people who should never meet.' The novels are dystopian adventures in the surveillance society, featuring what she calls "toxic femininity".... It's probably the most direct riposte to Harvey Weinstein yet.' The Independent 'It is hard to put this one down! Lots of twists in this quite different and spectacular read! RECOMMEND HIGHLY!!!' Goodreads reviewer, 5 stars

Warriors: Dawn of the Clans #2: Thunder Rising

Discover the origins of the warrior Clans in the second book of this thrilling prequel arc from mega-best-selling author Erin Hunter. The Dawn of the Clans series takes readers back to the earliest days of the Clans, when the cats first settled in the forest and began to forge the Warrior code. The mountain cats from the Tribe of Rushing Water followed the Sun Trail to a new territory, convinced that in a land with more prey, their lives would be free from strife. But while no cat has gone hungry, tensions are rising. The once firmly united group has split in two—and a young cat named Thunder is caught in the middle. Dawn of the Clans #2: Thunder Rising also contains an exclusive bonus scene and a teaser to Dawn of the Clans #3: The First Battle.

The Hunt for the Dawn Monkey

A leading authority on the primate fossil record sheds new light on the human evolutionary tree, reconstructing the early roots of modern-day humans, offering a compelling new vision of anthropoid evolution, and analyzing the relationship between humans and other primates.

Hunt for the Dawn Monkey

If the major outlines of human origins are settled, the search for anthropoid origins remains scientifically in its infancy. We remain fairly ignorant of such basic questions as when, where, how, and why our earliest anthropoid ancestors evolved. Paleontology is one of the few academic disciplines in which field exploration remains a fundamental part of the quest to expand knowledge and understanding. This unique combination of the possibility for personal adventure and intellectual fulfillment is what attracted the author to paleontology in the first place. He hopes to impart a fraction of what he has experienced and learned during these past few years in this book. Winner, Phi Beta Kappa Award in Science and the Howells Prize, Amer. Anthropological Assoc. Ill.

Sources from the Dawn of the Great Witch Hunt in Lower Navarre, 1370

This book provides an annotated source edition of the only two extant documents related to the sorcery trial brought against Pes de Guoythie and Condesse de Beheythie in Lower Navarre, in 1370. It provides full transcriptions of both documents, and English translations of the most salient passages. These sources illustrate at an early date many of the features prevalent in later sources on which trials, such as the metamorphosis of those accused into animals; infanticide; poisoned apples; collective meetings; and ointments made from various creatures. As such, it offers a fascinating insight into allegations of witchcraft in the High and Late Middle Ages.

The Eye of the Hunter

From the bestselling author of the Iron Tower trilogy and The Silver Call duology comes the magnificent epic of Mithgar... A thousand years had passed since the Eye of the Hunter last glared in the heavens. A thousand years since the immortal Elfess Riatha brought word of the prophecy to the Warrows Tomlin and Petal with whom she had leagued to hunt down and defeat Baron Stoke, one of the most evil beings to ever stalk the lands of Mithgar. The price of Stoke's doom had been a beloved companion's life, the two plunging, locked in combat, down an icy chasm which had sealed shut the ring of eternity. Now the comet known as the Eye of the Hunter again rode Mithgar's skies, and the creatures of darkness once again ravaged the lands, heralding the imminent return of their dread mster, Baron Stoke. And now five brave souls must answer the call of prophecy: Riatha and the elf called Aravan; Gwylly and Faeril, last in a long line of Firstborn Warrow descendants of Tomlin and Petal; and one other, one restored to them from Death's chill grasp.

The Dawn Stand-to

In 1936, at the age of 18, Peter Mills, son of a Norfolk doctor, went in search of adventure. He sailed for Kenya, then sparsely populated, teeming with game, and almost untouched by civilization. He set out to hunt and explore but funds ran out and he had to find an income to avoid repatriation. In a remote police station he spoke to the Inspector in charge. An hour later, he joined the prestigious Kenya Police. His romantic exploits, gun battles with wild tribesmen, cattle rustlers and criminals, encounters with dangerous animals and eccentric settlers are a hair-raising and often hilarious adventure. Eventually, as a high-ranking officer he played a crucial role in the war against the Mau Mau. This is a thrilling story of the last days of Empire and one man's account of his exploits in a beautiful, untamed land peopled by eccentric settlers and primitive tribes people. A story of the courage and tenacity of one rugged individualist and his part in bringing civilization to that land.
