An English Grammar

This teacher resource book is filled with more than 200 communicative, interactive, task-based grammar games that help make learning grammar fun. All of these grammar activity ideas are keyed to the Azar English Grammar Series, by Betty Schramper Azar, and include complete step-by-step instructions for the activities to add a fun new learning dimension to the classroom. --From publisher's description.

Fun with Grammar

This is the British edition of "Grammar and Vocabulary Games for Children". It is a resource book for teachers and home-schooling parents who want to make their children's grammar and vocabulary lessons fun. Grammar, punctuation, phonics, vocabulary and proverbs are all presented in the form of fifty active games. At the end of a formal lesson, these activities can be given as a reward for hard work, or to reinforce the topic just studied. For restless children who need to stretch their legs and let off steam before they knuckle down to further work, the games presented in this book provide the perfect solution. Several of the vocabulary games are designed to help ESL students to practise their new words, and all the games encourage children to listen, concentrate and stay focused on the topic of study. The activities are aimed at children between the ages of 7 and 13 years. Grammar lessons and vocabulary building will never be boring when children are offered the games in this book.

Get Going with Grammar

Learn English grammar the way we use the English language: by following the rules by which we use it. In this book, English grammar is taught in small, discrete lessons, concentrating on one aspect of grammar at a time, and supported by worksheets on which students can practice. The course is derived from the structure of sentential logic, and the maxim of Horace, who said, "Whatever you want to teach, be brief." In this course students learn to understand and grammatically structure their sentences by means of a sequential application of the rules of grammar, using the same methods learned in mathematics and logic. In this course, grammar is taught by using it in its everyday and playful sentences, likening the rules of grammar to the rules of a game. A course used by students for almost a decade, the Grammar Game capitalizes on every student's desire to learn and understand what he or she can do to learn a putatively difficult subject. This book is the beginning of a revolution in education where the learning of languages can now be put on an equal plane with the much sought after subjects of mathematics and science in our culture, -and that is where it should be. Also look for The Grammar Game Workbook Answer Key which provides all the answers for all of the worksheets in The Grammar Game, available on line from Lulu Publishing, at www.lulu.com.

Grammar and Vocabulary Games for Children

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Puzzled by past tenses? Confused by comparatives? This clearly structured and beautifully presented workbook includes grammar practice activities that make learning English grammar incredibly easy. The English for Everyone English Grammar Guide Practice Book is an essential companion to the English for Everyone English Grammar Guide, a comprehensive reference book that makes even the trickiest grammar rules clear and simple. The Practice Book mirrors the unit-by-unit structure of the Grammar Guide. Each Practice Book unit is full of carefully graded grammar exercises to drill and reinforce the grammar you have learned in the corresponding English Grammar Guide unit. These exercises will help you build up your confidence and become more fluent, giving you the chance to practise using the most important English grammar constructions again and again. Ideal for learners at all levels, and covering CEFR levels A1 to C1, the English for Everyone English Grammar Guide Practice Book presents basic (beginner), intermediate, and advanced English grammar in one easy-to-navigate book. Like all books in the innovative English for Everyone series, it uses a visual learning method: many of the exercises are accompanied by attractive illustrations that put grammar practice points into context and give you visual cues to help you understand the exercises. Whether you want to improve your grammar for work, study, travel, or exams, the English for Everyone Grammar Guide Practice Book offers you a simple way to learn English grammar, remember it, and use it with confidence.

The Grammar Game

Contains 120 activities for teaching and revising grammar, ranging from elementary to advanced level. The book is divided into two parts, Part 1 gives detailed teacher's notes for each activity, while Part 2 contains various card and handouts to be photocopied.

English for Everyone English Grammar Guide Practice Book

English Grammar Workbook

Getting to Grips with English Grammar, Year 6 is a flexible resource for teaching grammar in Key Stage 2. It introduces pupils to grammar and punctuation through fun, engaging themes, such as The Wobbly Flower Show.

A Gram of Grammar

This revision and practice book covers all areas that will be tested at the end of primary school in the English test in Grammar, punctuation, spelling and vocabulary test at levels 3 - 5. This is the Standard Assessment Test or the SATs as popularly known. Some harder questions aimed at level 6 have been deliberately included in the book to give further practice to pupils who are able; taken all together, completion of the exercises will not only help pupils perform well in their SATs, they will prepare them well for their work at secondary school and beyond. Each section provides background information on different word classes in sentence construction; examples of correct usage in both speaking and writing composition are included as are a variety of consolidation exercises. Completing the exercises will ensure that pupils gain fluency in both oral and written communications and know what to do if misunderstanding should occur during private or school work. The revision notes and exercises will also help pupils' reading fluency. This book is also suitable for those new to the English language or learning English as an additional language.

Basic English Grammar

The use of correct grammar is important because it is the main feature within both our spoken and written communication that allows us to have our messages clearly understood. Grammar also helps children expand their vocabulary by helping them to develop more interesting ways of presenting information. Children's grammar will develop as they are exposed to lots of language. The kinds of language we use is also important. To provide rich language learning opportunities, educators can: expand on children's language, model complex language, and talk explicitly about words, phrases, and sentences which you can find from this book.

Getting to Grips with English Grammar, Year 6: Developing Grammar and Punctuation Through Reading and Writing

Versatile Vocabulary: Games for enhancing vocabulary Versatile Vocabulary has been specially created to encourage students, through games, to use vocabulary in a variety of ways: defining words, using words in sentences, spelling words, acting out words, changing word forms and generating new words. The vocabulary has been carefully chosen from various concordances of the most frequently used words. It is vocabulary that ESL/EFL students need to know, and for most of the games, templates have been provided that allow teachers to customize games to practise their own target vocabulary.

Key Features 21 photocopiable games featuring the words most frequently used by English speakers
Teacher's notes for each game, with suggested variations to the game
Templates for teachers and students to create their own versions
