Healing is Here—Week 1

The daily devotions on prayer for physical healing begin! (Healing Bible Verses PDF available for free in Introduction) *** Search for the full version of this book, currently free on Google Play! Sickness and miraculous healing are shrouded in mystery. Not many know how to pray for themselves or a loved one when they are sick. Not only that, most people don't feel confident that God is willing to help them when they pray. After John W. Nichols (author of GOD is HERE) discovered his daughter had many symptoms of autism, he began reading the Bible with new eyes, trying to understand healing for today. Soon he felt impressed to fast for 7 weeks and pray through Scriptures about healing daily. Healing is Here: A 49-Day Devotional Journey of Healing Through the Bible, compiles the author's notes and prayers during his fast. It has been organized to apply to anyone who wants to learn about healing at their own pace, with Scriptural support, suggested prayers, and journaling prompts. (There is no requirement to fast while going through this devotional) John systematically teaches the mysteries he has unlocked over the course of four years of studying and applying Biblical Christian healing. He wrote this devotional with the hope of helping others who are in similar circumstances: those who desperately need healing, aren't sure how to pray, and are wondering if God is willing to help. The first week covers verses that reveal: God's healing nature Why people started getting sick Our need to connect with Him

despite our pain How Jesus represented God as He healed The importance of asking God for what we need, and the promises in His Word regarding asking The depth of provision in Jesus's sacrifice Jesus's example of speaking to what needs changed, instead of speaking to God about what needs changed Over the course of the full 49 days you will discover: What is God and Jesus's will regarding healing How Jesus fulfilled prophetic verses of healing How God's will is accomplished What we can learn from the remarkable similarity between salvation and healing What do covenants have to do with sickness and healing How to receive the same blessings God promised His people in the Bible How God disciplines and teaches us What faith has to do with healing What we can learn about God by looking at Jesus in the gospels How sin and righteousness affects healing What the Bible teaches us about evil spirits How Jesus showed us to fight the enemy, and how to be equipped for that fight How Satan attacks, and what we can do about it What Jesus told His disciples (and us) to do What is the right atmosphere for healing How to exercise and apply Jesus's name, authority, anointing, and blood How fear and doubt play into sickness and how to overcome them How to heal the soul (thoughts and emotions) What are the promises and benefits of God, and how to claim them How fasting affects healing Many surprising (and practical) elements of healing seen in the Bible which can be applied today Don't forget to get the free resources linked within the book! "What I love about this devotional is that it answers questions about healing (mentally, physically, spiritually and emotionally) in such a relatable way. Each devotional is loaded with Bible verses, a prayer and thought provoking questions to help you journal your journey to healing and restoration. This is a must read for anyone from the new believer to the person that's walked with Christ their whole life. You will gain new understanding of the Scriptures and insight into who God is and how He wants to heal you." — Chris Hendrix, Author of Devotional Guide to Stretching Your Faith, Devotions By Chris, DevotionsByChris.com "Healing is Here is a powerful resource for those pursuing physical healing in their bodies. Written with gentleness and humility, he addresses so many deep concepts in a way that quietly unravels the bad theology we've so often been taught. Healing is part of our portion as believers, so don't live another day sick. Still Scarred, Totally Healed

Abuse of any kind whether verbal, mental, physical, emotional or sexual leaves scars. The impact of abuse is far reaching. When you're wounded during your childhood years the pain affects every area of your life. Your innocence is stolen. You're confused, angry and bitter. You have low self-esteem and no self-worth. Oftentimes you wear a mask because you really don't know who you are. Your adolescence, young adult and adult years are filled with inner turmoil and pain. You feel guilty, dirty and distant. When you're abused you are wounded because your mind, body and spirit has been broken. But God

specializes in putting broken hearts and lives back together again. Without God's divine intervention and revelation you will never discover who you are. God is bigger than your pain. His purposes are greater than your past. And his desire is to love and affirm you. To restore and rebuild every broken area in your life. In this book, "Still Scarred, Totally Healed," Patrina Gardner shares her personal testimony of childhood pain. But she also proves that you can trust God again. When you open your wounded heart and mind to God's truth He will move you from a place of shame to a place of grace. He will heal you to reveal to you His wonderful purpose and plans for your life.

Do You Want to Be Healed?

"Do you want to be healed?" Jesus asks that question several times in the Bible—of the woman at the well, Bartimaeus the blind man, the woman caught in adultery, the rich young man—and he asks the same of you as well. *Do You Want to Be Healed?* is a 10-day personal retreat that uses a healing process similar to the one found in the author Bob Schuchts's bestselling book *Be Healed*. Each day of the do-it-yourself retreat engages you with a question Jesus asked his followers and uses the traditional practice of lectiodivina (divine reading) to dive into a scriptural scene where Jesus heals the spiritually and physically sick. Through the five movements of reading, meditation, prayer, contemplation, and action, you will encounter the biblical figures who received the healing words of Jesus, you will undergo your own spiritual healing and discover your personal response to Jesus's most probing questions, including: Do you want to be made well? What are you thinking in your heart? Has no one condemned you? Can you drink the cup? Have you come to believe? and Do you love me more than these? Through these questions and the healing answering them brings about, you will come to understand the principles of spiritual healing—such as facing your brokenness, acknowledging your sin and shame, and discovering the healing power of the sacraments—Schuchts shares in *Be Healed*. Those who have already read *Be Healed* will be drawn deeper into their healing with a refresher on the core principles of Schuchts's work. The book is also perfect for those who want to begin the process of spiritual healing. *Do You Want to Be Healed?* also is an essential resource for pastors, spiritual directors, therapists, and those who help lead others in an integration of their human and spiritual formation.

Inside Out

How much attention do we pay to our inner lives when our external lives demand so much from us? Externally everything can look perfect on the outside, but there can be a storm raging within our HEARTS. Jesus said, "Let not your hearts be troubled" John 14:1 'Inside Out' is about discovering the treasures God has for our hearts. In a world that is forever focusing on external makeovers, 'Inside Out' reveals the importance of looking into our inner lives and how, in receiving healing and freedom, we can prosper in every part of our lives - Body, Soul and Spirit. Our hearts are like a gateway and as

we open them to God, He will pour in His promises. Proverbs 4:23 says, 'Above all else, guard your heart, for it is the wellspring of life'. Through her own journey of brokenness, overcoming fear, anxiety and illness that had taken its toll on her physically, Paula Connelly shares openly how God revealed the real issues within her heart and the keys to becoming free from the Inside Out. Finding balance in marriage, family, work and ministry can be a challenge for most women. Embarking on a journey deep within the chambers of her heart, she discovered God's promises and treasures that bring life in abundance and peace that is meant for our hearts every day. These same treasures in the Word of God are awaiting YOU. Through the pages of 'Inside Out', You will discover Keys to: Uncover the issues of the heart; Keeping and guarding your heart; Overcoming fear; Finding rest and peace for your heart; Having a Heart of worship and how to; Never give up or lose heart in the face of adversity. God's plan for each of us is to have a brand new heart and healing begins from the Inside out!

How Healed Do You Want to Be?: Finding hope and wholeness in a sharp-edged world

It is a sharp-edged world and getting hurt is unavoidable. Whether it is physical, spiritual or emotional, we all experience pain on some level and are left with trying to pick up the pieces. What do we do? How do we move forward? Do we want to merely get bandaged up so we can get back into the game? Or do we want something so powerful and miraculous that it leaves us better than when we first experienced pain? In *How Healed Do You Want to Be?* author William Faris explores the world of healing from a different perspective, defining the true nature of healing and challenging the reader to ask those tough questions that help us discover the deep healing God has for our lives. He lays out a biblical road map that helps those on this journey find a healing that leaves them in better shape than when one of the sharp edges from the world first found them.

Charge Your Faith

If you're like many of my patients who are fed up with taking medications that only treat the symptoms but never truly target the underlying cause of their illnesses, then *Charge Your Faith* is for you! This devotional will teach how to receive God's medicine and be made whole. For each day, I elaborate on scriptures applicable to your health condition and provide a prayer for you to activate your faith for your healing.

How You Can Be Healed

Yes Hallelujah!! You can be healed from anything. It is so exciting to find that God wants us blessed and healed and that He has provided us ways in His word to be healed, and healthy. I was thrilled beyond imagination when God showed me these things in His word. You don't have to be hurting physically, or spiritually. God shows you how to be healed and made whole in His precious word. You just have to know that healing is His will for you and believe it with all your heart. Then do what He tells you to do. How do we know for sure it is God's will that we be healed? Because Jesus healed everyone that asked Him and Jesus always did only what He saw the Father do or heard the Father say. And God says in His word that He desires above all that we be in health and prosper even as our soul prospers. When you have finished this book, you will know all these things, because the answer to everything is in the bible. You are more than a conqueror in Christ Jesus and no weapon formed against you shall prosper. You will begin to see the results you have been hoping for. You will begin to believe God wants you well. You will take back the things that the enemy has stolen and you will put him in his rightful place, under your feet. You will be healed and healthy.

You will learn how to increase your faith and exercise your authority over sickness and disease. Jesus Christ has redeemed you from every curse, including sickness. He asks you to trust Him, to be a "doer" of the Word, and to reach out and take your healing. He healed everyone who came to Him to be made whole, and His healing power is still flowing today. Bible Healing Demystified

You can be healed by believing the promises of God. In this book you find out how to do it. God is faithful to His Word. Bible Healing Demystified gives structured, Bible-based, practical instructions to help you receive healing and keep it. It is the result of the author's more than 30 years of prayer, study, ministry, and personal experience. This book guides you to win the battle of your faith: It uses the Scriptures to show how God heals through both His Word and your faith. By knowing this you can believe for your healing. It shows you how you can make your faith work for you rather than against you. You must know this to succeed. It gives you the 16 Key Scriptures to Heal You and Keep You Well. The Bible has many more Scriptures on healing, but these are all you need to appropriate healing. It dispels the major objections to Bible healing. This enables you to stand your ground. Do not let others dissuade you. When Jairus, the leader of the synagogue, heard that his daughter had died, Jesus told him, "Only believe." Bible healing does not happen just by praying and reading the Bible. It happens when you meet some conditions. Here you find these conditions. They are not what most people think they are. To apply the concepts in this book, you need to read them many times. Healing and health are worth discipline and effort. Put this book to work for you. When you have succeeded, pass it on to others who need healing. About the Author Maurizio Mingardi was an atheist. He was a scientist; he did scientific research and taught at universities and research institutes in Canada and abroad. He was also a consultant, and held executive positions in the Canadian Public Service, including the Privy Council Office and the Prime Minister's Office. Unsatisfied with his achievements and seeking for answers, he had a personal encounter with God, became a believer, and received the baptism of the Holy Spirit. He felt the call to the ministry, prepared and was ordained by the Evangelical Church Alliance Ministerial Fellowship of Canada. Presently, he is the President of this ministerial association. In 1983, Maurizio founded Mount Zion-Church of the Firstborn in Ottawa, Canada. He is still the Senior Pastor of this church.

Broken to Whole

Why aren't you healed? Do you ever feel like you continually struggle with certain emotions? Do hurt, rejection, anger, and anxiety rise up in you, causing an overreaction and taking on a life of their own? Maybe you've tried personal prayer, standing in faith, counseling, and various ministries, yet no matter what you do, nothing seems to work. If traditional prayer and deliverance hasn't cut it, you might be dealing with soul fragments. When we experience a traumatizing event, part of our coping strategy is to wall off a little piece of ourselves in order to contain that emotion. We then go on with life. A fragment is that part of you that's been locked away, inaccessible to healing, at least to the usual methods. This book is a game changer in how you'll look at inner healing. We aren't going to beat the drum for repentance and forgiveness although those are beneficial and necessary. Instead, we have made every effort to tell you something you don't know so that you can fill in your missing pieces. But let's be honest. Going into the depths of your soul might seem a little scary. After all, you did shut that door for a reason. The whole prospect of working with fragments might feel over your head. Don't worry, we explain in plain English a variety of techniques and exercises with loads of real-life examples, and Jesus does all the work. You don't have to relive your trauma, remember any complicated protocol, or feel like you're losing control. You'll learn: How to recognize and interact with fragments What the healing of fragments can mean for your physical health The role that deliverance plays in dealing with soul fragmentation How you can minister to others How even complex issues like Dissociative Identity Disorder and Satanic Ritual Abuse can be healed. This book is for you if you struggle with any of the following: Irrational or unexplained fears Stubborn or perpetual negative emotions Overreactions to seemingly small problems Any type of childhood trauma Losing blocks of time or inability to remember certain events or periods in life, or A tendency to "check out" in certain situations. Lets get you on your way to wholeness!

I Am Healed! And My Faith is Making Me Whole!

We do not have to wait until we get to heaven to obtain what Christ did for us. It is ours now, and we may enjoy it now! If we live a life of weakness and defeat, it is because we do not realize our inheritance in Jesus Christ. Until we know who we are in Christ, we cannot live victorious lives in Him, as the Word teaches us. Instead of Jesus being our Master, Satan, sin and sickness will be our masters. The instant that you find out that you are the Righteousness of God in Jesus Christ. (2 Cor. 5: 21), Satan is defeated. (2 Tim. 1: 9, St. John 10: 10, 1 Jn. 5: 5, KJV) tells us that, "We have been called, by God to live an abundant, holy and victorious life in Jesus Christ." Therefore, if we are Righteous, we are healed; we only need to realize that our healing was purchased on the cross. The Word says that when Jesus arose from the dead, He arose with all power in His hands - He arose with nothing missing and nothing broken. Yes, He had the scars from the nails in His hands, and He had the scar from being pierced in His side, but He was complete and He was whole. This is not only a book on physical healing because God wants us healed in every area of our life. This book deals with teaching one how to have faith to be healed according to the Word of God, and how that healing can be manifested into wholeness, which is God's desire for us. If you are broken or suffering in any way, it is God's will for you to be healed and made whole. I pray that the anointing on this book, according to the Word of God will enlighten you, strengthen you, embolden you, and cause you to rise up and claim who you are in Jesus Christ!

Healing Scriptures

Healing Scriptures From Genesis To Revelation: 300 Healing Bible Verses On The Proven Healing Promises From God's Word Your healing words and healing promises from God's Word. These healing scriptures of God's medicine are paraphrased for an easy read. Here Is A Preview Of What You Will Learn Some of the most powerful scriptures are the healings and miracles Jesus performed that were recorded in the gospels of Matthew, Mark, Luke and John. This is an often untapped power for healing in the twenty first century. The scripture tells us in Hebrews 13:8: "Jesus Christ is the same yesterday and today and forever". If He was willing to heal someone of sickness and disease yesterday, then He is surely willing to heal anyone of us today! Here is a scripture of a man asking if Jesus was willing to heal him. We can also ask Him. Look at the recorded scripture below: Matthew 8:1-3: "When Jesus came down from the mountainside, large crowds followed him. 2: A man with leprosy came and knelt before him and said, "Lord, if you are willing, you can make me clean." 3: Jesus reached out his hand and touched the man. "I am willing," he said. "Be clean!" Immediately he was cleansed of his leprosy." Jesus healed people from all different ethnic groups and nationalities of all their diseases in the book of Matthew. Peter tells us in Acts 10:34, that he perceived that God is no respecter of persons. In other

words, He does not play favorites. Romans 2:11 says: "For God does not show favoritism". Jesus said from the cross "it is finished" in John 19:30. Healing at that moment was provided for all humankind. This may be a new thought for you. With this in mind, take each scripture to heart. Consider applying these scriptures as a type of medicine for your spirit, soul, and body! The only side effects you will experience are, health, energy, joy and an overall sense of well being! :) Included in this book, is a comprehensive list of 300 healing bible verses, which were compiled with healing scriptures from Genesis to Revelation. My goal was to find every healing scripture that was provided in the bible. I have paraphrased each healing scripture for an easy read. These healing scriptures will help you to renew your mind to God's way of healing! I pray that as you meditate on these healing scriptures that you may prosper and be in health, even as your soul prospers! (3 John 1:2) This Book Is For You! The Power of Healing Manifested in God's Word

ARISE! BE BLESSED! LOVE, HOPE & HEALING STARTS WITHIN YOU! If you've been: Abused! Criticized! Ostracized! Humiliated! Just remember how Jesus died and suffered for our sins. Our healing has been proclaimed, so let's meditate on this scripture for a moment. In Isaiah 53:5 by the stripes He received, we are healed (Oh! What an awesome love!). If you want to be free of past hurt and pain, come take a journey with me down memory lane. Oh! How I want to be free, be free to release what's inside of me, deep to the core of my soul. These burdens I must cast away so life can be made whole. So life can be made abundantly. It's time to let go and let God heal the hurt even if it's a process over time; I did! Remember ye not the former things, neither consider the things of old (Isaiah 43:18).

Inner Healing

INNER HEALING is about being transparent with God, ourselves and others to release the hurt, pain, and shame suffered from past experiences; to be healed inwardly. Deep wounds are sustained from family, friends, associates, strangers, and are even self-inflicted, but in order to be made whole it is necessary to remove the superficial covers that are used. Past hurts, pain, and suffering from abuse, rejection, abandonment, generational curses, false accusations, social injustices and unhealthy relationships has to be exposed and dealt with; to reach your potential and avoid wounding others. Understand it is important to receive help in many situations to be set free. Band-aids, medications or other superficial cover-ups are temporary, but deliverance and healing that comes through the anointing (presence and power), of God is permanent. You will develop a genuine expression of love for God, self and others. Dr. Gwendolyn A. Washington is an ordained minister and has been involved in the ministry of healing for over twenty years. She has seen cases of people healed by the hand of God as well as through medical technology as a registered nurse. She is a church planter and was a pastor for 16 years. She has a Master's of Divinity and Doctor of Ministry from the Interdenominational Theological Center in Atlanta, GA. Her dissertation is titled: Faith Healing Ministry: A Christian Education Model for Clergy and Laity. The research focused on discovering why there is a lack of healing in the Christian church.

Do You Want to Be Healed?

This man had remained on the same spot helpless, hopeless, abandoned, rejected, impotent and unforgiven for 38 years! (That was even before Jesus was born). He had no man to help him. He stayed by the well of blessings and miracles for 38 years, yet all was not well with him. Many knew he had an ugly past. Some had forgotten about him. Most never knew who he was. To his family, he has been forgotten. To the society, he was no longer relevant. The Bible even never mentioned his name. But one day, Jesus was going to the Temple and stopped by to attend to him. He did not even know Jesus. Why would Jesus stop because of a man who had an ugly past? Why would Jesus stop because of such a man who never have faith to be healed nor ever knew Jesus? Why would Jesus stop because of a man who is unforgiving and unforgiven? Jesus stopped and asked this man a simple but heart-searching question: DO YOU WANT TO GET WELL? This book is specially written for three reasons. To find peace in Gods forgiveness To find peace in forgiving others To find peace in forgiving yourself The healing begins when the silence is broken. DO YOU WANT TO GET WELL?

Broken to Whole

Still not healed despite deliverance and inner healing prayer? Discover the hidden reason your efforts have been undermined and how to get your breakthrough. Do you ever feel like you continually struggle with certain emotions? Do hurt, rejection, anger, and anxiety rise up in you, causing an overreaction and taking on a life of their own? Maybe you've tried personal prayer, standing in faith, counseling, and various ministries, yet no matter what you do, nothing seems to work. If traditional prayer and deliverance hasn't cut it, you might be dealing with soul fragments. When we experience a traumatizing event, part of our coping strategy is to wall off a little piece of ourselves in order to contain that emotion. We then go on with life. A fragment is that part of you that's been locked away, inaccessible to healing, at least to the usual methods. This book is a game changer in how you'll look at inner healing. We aren't going to beat the drum for repentance and forgiveness although those are beneficial and necessary. Instead, we have made every effort to tell you something you don't know so that you can fill in your missing pieces. You'll learn: How to recognize and interact with fragments What the healing of fragments can mean for your physical health The role that deliverance plays in dealing with soul fragmentation How you can minister to others How even complex issues like Dissociative Identity Disorder and Satanic Ritual Abuse can be healed.

Be Transformed

Winner of a 2018 Catholic Press Association Award: Sacraments. (First Place). How can Christians grow spiritually in the midst of our sinfulness? How can we transform our lives in a way that allows us to share in the resurrection of Jesus? God has already given us the perfect solution—the sacraments. Whether it is the wound of past hurts, the strain in our relationships, or the stress of daily life, we all need to be comforted and made whole by Christ. In this follow-up to his bestselling *Be Healed*, Bob Schuchts explains how the sacraments can fuel your emotional and spiritual healing and bring you closer to God. Based on more than thirty-five years of experience as a therapist and decades spent in parish ministry, Schuchts demonstrates how each of the seven sacraments can be a life-changing encounter with Christ, communicated through the power of the Holy Spirit. He pairs each healing sacrament with one of the seven deadly wounds that emanated from original sin in the Garden of Eden. We perpetuate and deepen those wounds each time we sin, but the sacraments are God's remedy for sin. They give us a way to restore us to wholeness in Christ. In *Be Transformed*, You'll discover how each sacrament can help you heal from wounds that can impede your relationships and sense of self-worth. With Schuchts's help, you'll learn how: Baptism makes us beloved children of God, healing our wounds of rejection Holy Communion heals our wounds of abandonment by inviting us to share

in Jesus' abiding presence Confirmation overcomes our powerlessness through the power of the Holy Spirit Holy Orders heals wounds of confusion and disorder by re-establishing God's authority in our lives In marriage, God's faithful love heals wounds of fear and mistrust Reconciliation restores purity and releases us from shame Anointing of the Sick provides enduring hope to overcome our hopelessness Be Transformed offers all of the tools you need for a fresh understanding of the sacraments, including reflection questions, scripture meditations, prayers, and inspiring stories. You'll come away hungry for the sacraments in a way you never knew possible.

Oh, how I wish the church would talk about this stuff and allow the Holy Spirit to make people whole." "A person can only love at the level their heart has received healing and love from God." Some things we can't or won't let go of. It is some of those things that are detrimental to our overall well-being. Sometimes we don't know this. A Journey to Inner Healing

Hear And Be Healed! Do you or someone you know need healing in your physical body? If you are a born-again believer, Jesus obtained your healing two thousand years ago. Healing is already on the inside of you. It was given to you by God's grace (God's undeserved favor). You didn't deserve it or

couldn't earn it, God gave it to you as a gift through Jesus Christ. Unfortunately, most believers don't experience what Jesus has already done for them because of religion and tradition of men. Wrong believing has hindered believers from receiving healing and all the finished works of Jesus Christ. You have a blood-bought right because of Jesus's blood to walk in divine health, prosperity, soundness, and wholeness. This is a covenant right! In Healing from a Grace Perspective, you will learn how to apply the Word of God with precision and accuracy to get the healing on the inside of you to manifest on your physical body. No disease, to include cancer, can stand up to the Word of God when applied with aggressive faith and precision. Take your healing. It belongs to you! Jesus has given me the assignment of getting faith in the body of Christ for healing. Jesus said to me "if people will believe what you teach them and do it aggressively healing will come to them." Wrong Believing One of the greatest hindrances to receiving from God is wrong believing. Believing contrary to what the Scriptures says is a sure way of not receiving your healing. We have heard so much information that is not in agreement with the Scriptures. For example, if you believe that it's not God's will to heal everybody when the Bible clearly states "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth" (3 John 2, KJV), then Satan can talk you out of your healing. He can convince you that God won't heal you because of something you did or didn't do. This is why reading and studying the Word of God for yourself on a daily basis is so important. You must believe God wants you well and God by his grace has made healing available. Sinner's Prayer Say this prayer aloud with all your heart and Jesus will come to live on the inside of you. Father, Your word says according to Roman 10:9 if I confess with my mouth the Lord Jesus Christ and believe in my heart that God has raised him from the dead I will be saved. I renounce sin and ask Jesus to come into my heart now and be my Lord and Savior. I believe God raised him from the dead. I ask Jesus to fill me with the Holy Spirit. I declare that I am now born again. Thank you Jesus for saving me. Congratulations! You are now a born-again believer.

Healing From A Grace Perspective

As I look around day after day at the body of Christ as a whole, many members but one body of Christ, my spirit is grieved. Pastor, teacher, preacher, Christian leader our leaders are becoming weary, and they are no longer walking in the strong faith they once walked in. Day after day, I am face-to-face with yet another weary, wounded believer who is willing to quit and give up rather than get to the secret of the matter at hand. I have found myself teaching, preaching to another with a wounded, broken heart while my heart was bleeding worse than the one whom I was helping. I found depression whatever pressed you could name, I was connected to it. Just down and out, I could not even get out of bed for weeks at a time. How can you and I as leaders help a wounded Christian in the need to be made whole when we ourselves are still in fragments: uncompleted, fragile, easily broken, broken in many pieces, not all together ourselves?
