What the Heart Wants (In Love with a Billionaire #2)

Dr. Shelby Conrad III was stoking his internal fire. He was alone in his small skiff on the Blackwater Edisto River. He was navigating the uninhabited swampland. He could go hours without seeing another boat. If he did encounter another watercraft, they were there for similar reasons and a gentle nod was a zealous exchange. Shelby was 44 years old. He owned two other fishing boats and a yacht, which contained dinghies larger than what he was navigating. The past three years had been challenging. Time in the swampland with the herons, egrets and alligators helped assess his recent triumphs and tragedies. He met a great woman in Lexi Casmino. Their romance was magical. It helped Shelby get himself on firm ground. She was more impressed by his moves in the kitchen and on the barbecue than the size of his billfold. She had an ill daughter and he provided healing to both young Mae and her widowed mother. Who Wants to Marry a Billionaire?

Who Wants to Marry a Billionaire? Not Nina Alves. With her full-time job at the DeVerre Foundation and a comically dysfunctional family that keeps her busy and broke, she can't even find time for a coffee date. Enter Daniel DeVerre. Desperate to impress his philanthropist father with the purchase of an eco-hotel, there is only one problem - his playboy lifestyle has turned the owner off and he needs to present a more mature image if he is to have any chance of salvaging the deal. With sensible Nina as his fake fiance surely the deal will be secured. Putting on a convincing show in public is one thing, but the passion they are pretending to have for one another begins to spill over into their private moments and they are each forced to admit that they are hoping for something more. Excerpt: When they got back to the resort, Daniel winked at Nina, "Tonight, you are going to learn El Tamborito." "Is that contagious?" "I hope so." He led her into the bedroom. There was a gorgeous traditional Panamanian dress laid out on the bed: it had a full, heavily pleated skirt, a ruffled top, and amazing embroidery threaded through it. It was white with red designs. "There's a festival in town, and we're going." "If I wear that, people will think that I can really dance." "And you will," there was a knock on the door, "that's Luisa, and she's going to teach you." "What about you?" Daniel looked at her slyly, "Oh, I can dance." He gave her a peck on the cheek. "Have fun, I'll be back in two hours to get you." Luisa, the dance instructor, joined Nina. "Hola! I'm Luisa, Nina. I'm going to put on a CD." She popped a CD into the cabaña's little stereo. "First, listen for a couple of minutes." The rhythms were wonderful, Nina thought, there were drums, and clapping, and a female singer. "What's she singing about?" "Ah," Luisa said knowingly, "She sings about the attraction between men and women, about...the tension between men and women when

they want to do more than dance!" Maybe, Nina thought, El Tamborito wasn't such a good idea... marry a billionaire, billionaire marriage, fake marriage, contemporary romance, romantic comedy, romcom

As a billionaire playboy he's sampled plenty of the runway beauties and was no longer interested. What he doesn't expect is the sultry hot number that's the night's entertainment. Her voice pulled him out of his ennui with its touch of old world style, but what trapped the breath in his lungs was his first look at her. A quick look at Google on his phone gives him the basics. She's Shiane, the worlds' hottest new sensation, and she's only twenty-three to his thirty-five; but this go getter isn't about to let something like that stand in his way. Before the night is over he's cornered the young beauty and lays down the law.

The Wilde Brothers Collection - The Billionaire's Desire

"[This book provides a] history of special prosecutors in American politics. For more than a century, special prosecutors have struck fear into the hearts of presidents, who have the power to fire them at any time. How could this be, [the author] asks? And how could the nation entrust such a high responsibility to such subordinate officials? [The author] demonstrates that special prosecutors can do much to protect the rule of law under the right circumstances. Many have been thwarted by the formidable challenges of investigating a sitting president and his close associates; a few have abused the powers entrusted to them. But at their best, special prosecutors function as catalysts of democracy, channeling an unfocused popular will to safeguard the rule of law. By raising the visibility of high-level misconduct, they enable the American people to hold the president accountable. Yet, if a president thinks he can fire a special prosecutor without incurring serious political damage, he has the power to do so. Ultimately, [the author] concludes, only the American people can decide whether the President is above the law."--

What do Tyra Banks, Ev Williams, and Richard Branson have in common? If you answered that they're all extremely wealthy, you'd be right. But you'd also be missing a big part of the story. James Altucher, the noted entrepreneur, venture capitalist, bestselling author of *Choose Yourself*, and host of the podcast *The James Altucher Show* — which has over 40 million downloads — has interviewed 15 of the most successful people in the world to figure out just what makes them tick. And the conclusions might surprise you. For each of these people, money wasn't their ultimate goal — it was a natural byproduct of following their passions and developing good habits that enabled them to take advantage of their successes, and to learn from their failures. From the founder of Spanx to the entrepreneur behind Home Depot, from a craft beer aficionado to the investors on *Shark Tank*, these visionaries honed their ideas and creativity, and used what they loved as a compass to guide their curiosity. That curiosity gave them the insights they needed to skip the line, to try new things, to diversify, and to hit the accelerator on their successes. This isn't some lofty self-help book. This is about real people who achieved their dreams and gained wealth and influence as a result. As Altucher notes, ultimately it's not the number in the bank account that defines anyone — it's asking if you're living life to the best of your ability.

The Billionaire's Secret Heart

A nuanced, feminist, and deeply personal take on beauty culture and YouTube consumerism, in the tradition of Maggie Nelson's *Bluets* As Daphné B. obsessively watches YouTube makeup tutorials and haunts Sephora's website, she's increasingly troubled by the ways in which this obsession contradicts her anti-capitalist and intersectional feminist politics. In this poetic treatise, she rejects the false binaries of traditional beauty standards and delves into the celebrities and influencers, from Kylie to Grimes, and the poets and philosophers, from Anne Boyer to Audre Lorde, who have shaped the reflection she sees in the mirror. At once confessional and essayistic, *Made-Up* is a meditation on the makeup that colours, that obscures, that highlights who we are and who we wish we could be. The original French-language edition was a cult hit in Quebec. Translated by Alex Manley—like Daphné, a Montreal poet and essayist—the book's English-language text crackles with life, retaining the flair and verve of the original, and ensuring that a book on beauty is no less beautiful than its subject matter. "The most radical book of 2020 talks about makeup. Radical in the intransigence with which Daphne B hunts down the parts of her imagination that capitalism has phagocytized. Radical also in its rejection of false binaries (the authentic and the fake, the futile and the essential) through the lens of which such a subject is generally considered. With the help of a heady combination of pop cultural criticism and autobiography, a poet scrutinizes her contradictions. They are also ours." —Dominic Tardif, *Le Devoir* "[*Made-Up*] is a delight. I read it in one go. And when, out of necessity, I had to put it down, it was with regret and with the feeling that I was giving up what could save me from a catastrophe." —Laurence Fournier, *Lettres Québécoises*, five stars "Made-Up is a radiant, shimmering blend of memoir and cultural criticism that uses beauty culture as an entry point to interrogating the ugly contradictions of late capitalism. In short, urgent chapters laced with humor and wide-ranging references, Daphné B. plumbs the depths of a rich topic that's typically dismissed as shallow. I imagine her writing it in eye pencil, using makeup to tell the story of her life, as so many women do." —Amy Berkowitz, author of *Tender Points* "A companion through the thicket of late stage capitalism, a lucid and poetic mirror for anyone whose image exists on a screen." —Rachel Kauder Nalebuff "Made-Up is anything but—committed to the grit of our current realities, Daphné B directs her piercing eye on capitalism in an intimate portrayal of what it means to love, and how to paint ourselves in the process. Alex Manley has gifted English audiences with a nuanced translation of a critical feminist text, exploring love and make-up as a transformative social tool." —Sruti Islam "The book will leave you both laughing in recognition and wincing at the reality of the beauty world's impact on our collective psyche." —Chatelaine "[*Made-Up*] examines the intersection of beauty culture and consumer culture... Aided by the work of writers like Anne Carson, Anne Boyer, Amanda Hess, and Arabelle Sicardi... B. makes sharp observations about the ideologies behind both beauty [...] and consumerism." —Bitch Media "Made Up: A True Story of Beauty Culture under Late Capitalism is well worth reading." —Literary Review of Canada "[*Made-Up*], newly translated by writer/poet Alex Manley from its original French, puts an intersectional, feminist lens on the author's personal fascination with the makeup industry; it also reckons with the cultural dominance of this fascination as she aims to square anti-capitalist principles with beauty-product obsession." —BitchReads: 11 Books Feminists Should Read in September

The Billionaire's Kiss

He's everyone's dream man but hers. Bryn I used to believe in what we do at Mayberry Matchmakers, but now? Love is just another four-letter word. Too bad my grandmother hasn't gotten the memo. When tech billionaire Rory Byrne approaches us, wanting to develop the matchmaking app my sister and I dreamed up (and Nana shot down), she jumps at the chance. My grandmother is nothing if not opportunistic. Of course, there's a catch. She'll only do it if Rory lets us matchmake him the old-fashioned way. He's going to say no. Please God, let him say no. The last thing I want to do is matchmake an entitled rich jerk...especially one who looks like sin and talks a good game. *** Rory

I've screwed up in love a few times, but I never screw up in business. Mayberry Matchmakers has the idea for something amazing, and I have the money and the experience to make it come to life. I should deny Nana Mayberry's condition. If I let them matchmake me, it'll be all over the news, and making headlines has never interested me...especially not after the personal betrayal that nearly broke me. But I'm having trouble caring about what I should do, because Bryn Mayberry is smart, snarky, and not the slightest bit impressed with me. Actually, this may be Mayberry Matchmakers' easiest job yet.

The Billionaire's Fake Girlfriend Box Set

This is Suresh Subrahmanyam's third volume of tongue-in-cheek vignettes on a variety of subjects. There is no topic or issue under the sun that does not come under his genial and articulate gaze. He wields his pen, in a manner of speaking, with considerable panache and style. His love for the English language is amply evident in the way in which he crafts every sentence with minute care. He is greatly influenced by the British school of writing and the great authors from that formidable stable. He is unapologetic about adopting a slightly old-fashioned style, as he believes the present generation who read (and that tribe is rapidly dwindling) should appreciate that this is the language of Shakespeare and Milton, without the likes of whom we would all be talking to each other with a vocabulary that does not go beyond words like cool, awesome, shoot, OMG and lowbrow slang like my bad, I'm good, and get a life, bro. In the author's own words, "Texting trumps writing and language pays the price." Suresh Subrahmanyam tries to make amends.
