Henry Dundas Viscount Melville

Originally published in 1916, this book presents a concise biography of the Scottish statesman Henry Dundas, 1st Viscount Melville (1742-1811). The text provides accessible information on the key aspects of Dundas' life, the main aim being 'to portray a personality rather than to describe a political career'. This book will be of value to anyone with an interest in Dundas and British political history.

Memoirs of the Right Honorable Henry Dundas, Lord Viscount Melville, etc

Excerpt from Henry Dundas Viscount Melville In St Andrew Square, Edinburgh, the passer-by may see standing on a lofty pillar the statue of Henry Dundas, first Viscount Melville, the colleague and friend of the younger Pitt. The towering height of the monument is itself emblematic of the lofty position held by Dundas in his native country at the end of the eighteenth century. For many years he exercised in Scotland a sway so absolute that he was nicknamed "Harry the Ninth." The heaven-soaring statue proclaims to the world how great was his position in the eyes of his contemporaries. Beginning as Lord Advocate, he filled in a succession of British Governments the most important offices, and played an outstanding part in the history of his time. No Scottish lawyer has ever attained an influence or authority equal to that enjoyed by Dundas. In the days of his greatness, the very streets of Edinburgh, as Sir Walter Scott said, were thought almost too vulgar for him. to walk upon. His word was law; his will was absolute. He was "the Pharos of Scotland," said Lord Cockburn. "Who steered upon him was safe, who disregarded his light was wrecked. It was to his nod that every man owed what he had got, and looked for what he wished." About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. A Letter to the Lord Advocate of Scotland [Henry Dundas Viscount Melville, signed: Eugene, i.e. Hugo Arnot].

Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Henry Dundas Viscount Melville (Classic Reprint)

This is the first comprehensive and up-to-date biography of Henry Dundas, 1st Viscount Melville (1742-1811) and his son Robert, 2nd Viscount Melville (1771-1851). Aided by other members of their family, they ruled Scotland from the 1770s to the 1830s in a period of government later dubbed 'the Dundas Despotism'. Using a mass of new primary and secondary material culled from England, Scotland, Ireland and the United States, Michael Fry here challenges the traditional view that theirs was a corrupt and authoritarian regime. He shows that both father and son sought to achieve good government within the accepted political conventions of the age, and that many of the principles they set out to apply were owed directly to Scottish Enlightenment ideas. The Dundases were also of fundamental importance in drawing Scotland more fully into the United Kingdom and enabling the Union of 1707 to work. This is a sparkling reassessment of a crucial period of Scottish, British and imperial history. The Dundas Despotism was previously published by Edinburgh University Press.

J. R. R. Tolkien

A British poll at the end of the twentieth century named The Lord of the Rings the most important English-language work of that century. During his lifetime, Tolkien did not appreciate people focusing on him rather than on his writings. With apologies to the late gentleman, he is now due some notice.

J.R.R. Tolkien

As the last millennium drew to a close all sorts of newspapers and organizations organized surveys to find out which was the most popular book of all time. The Lord of the Rings came first in all of them. This is a biography of its author, J.R.R Tolkien, aimed squarely at younger readers.

J.R.R. Tolkien

The robust, imaginative works of J. R. R. Tolkien have sparked the imaginations of readers around the world. From World War I soldier to bestselling author, trace the life of the man behind Middle Earth.

J. R. R. Tolkien

Discover the remarkable life of J. R. R. Tolkien...J. R. R. Tolkien, an orphan in love with words, spent most of his life as an unassuming Professor of Literature at Oxford studying and teaching old languages. During his time there, he created his very own languages and a mythological world, Middle-earth. Middle-earth was inhabited by Hobbits, Dwarves, Elves, and other fascinating creatures. It was a world that became almost more real to Tolkien than the one he lived in. Tolkien's two masterpieces, The Hobbit and The Lord of the Rings, have set the standard in mythological literature. Translated into more than 70 languages, the books and their battles of good and evil are as relevant today as they were when Tolkien first wrote them. Discover a plethora of topics such as From South Africa to the English Countryside Tolkien's Forbidden Love Tolkien during World War I Years at Oxford The Hobbit and The Lord of the Rings Late Life and Death And much more! So if you want a concise and informative book on J. R. R. Tolkien, simply scroll up and click the "Buy now" button for instant access!

J. R. R. Tolkien

Smarter in sixty minutes. Get smarter in just 60 minutes with in60Learning. Concise and elegantly written non-fiction books and audiobooks help you learn the core subject matter in 20% of the time that it takes to read a typical book. Life is short, so explore a multitude of fascinating historical, biographical, scientific, political, and financial topics in only an hour each. The book series The Lord of the Rings changed the world of literature and forever, cementing high fantasy as an art form in its own right. What fancies and obsessions could inspire a man to create such a rich and well-developed world, even down to its entire mythic history and languages? A linguist by trade, Tolkien would take his experiences from WWI and turn them into something magnificent which continues to inspire people to this day.

J.R.R. Tolkien

An illustrated journey into the life and imagination of one of the world's best-loved authors, Tolkien's Worlds provides a unique exploration of the relationship between the real and the fantastical and is an essential companion for anyone who wants to follow in Tolkien's footsteps.

The Worlds of J. R. R. Tolkien

From the bestselling Little People, BIG DREAMS series, J. R. R. Tolkien tells the story of one of the most beloved fantasy writers of all time

J. R. R. Tolkien (Little People, Big Dreams)
