Behind every successful man there's a lot of unsuccessful years.

Try not to become a man of succes, but rather try to become a man of value.

The only place where success comes before work is in the dictionary.

SUCCESS is on the same road as FAILURE. Success is just a little further down the road.

If you don't build your dream someone will hire you to help build theirs.

Don't worry about what people say behind your back, they are the people who are finding faults in your life instead of fixing the faults in their own life.

Never respond to rudeness. When people are rude to you, they reveal who they are, not who you are. Don't take it personally be silent.

is better than thousand beautiful faces. So choose people having beautiful hearts rather than faces!

Never explain yourself to anyone... Because the person who likes you doesn't need it, and the person who dislikes you won't believe it.

Sometimes the best thing you can do is keep your mouth shut and your eyes open. The truth always comes out in the end.

If you're helping someone and expecting something in return, you're doing business not kindness.

You can't go back and change the beginning, but you can start where you are and change the ending.
