why you keep buying books you don't read - why you keep buying books you don't read by Answer in Progress 156,145 views 1 day ago 18 minutes - Why are **buying books**, and reading **books**, two different hobbies? Why is your to be read (TBR) list only ever getting longer?

realizing i have a problem, in real time
the ikea kallax system system has failed me
of course i made this into an existential crisis
forcing myself to read (again)
eat your heart out, storygraph
what did i learn
oh, it's that i'm BASIC
nvm, maybe i'm NUANCED
i read the ACOTAR series (derogatory)
how BookTok changed publishing
how BookTok changed my reading
wait but why is BookTok so efficient?
how traditional publishing works
the benefits of BookTok
trying to justify my problem instead of solving it
this is an extended metaphor, trust me, it pays off
what happens to unsold books
just be glad i didn't show you a supply-demand graph
please don't judge me
the metaphor is about to pay off
SEE!

now i'm just restating the metaphor because... it was very extended
