 My Retirement Song
 Forever Young By Bryan Claasz

All Good Things In Life Were Mine
And That I'd Always Stay Forever Young
But The Mirror Never Lies
Look At The Bags Beneath My Eyes
The Hair is Thinning Now
Look At The Lines Across My Brow
Start My Pension Any Day
The Bones Do Sometimes Creak

"You have to take a look at longevity, you have to look at healthcare, Social Security, taxes, there are

a lot of different things...you've got to put it all together so you have a successful retirement"

"Every investment has risk; it's just identifying which risk you want to take, because if I don't take any risk in the market, let's say, there's a risk of potentially running out of money."

"If you have the right investment strategy, and if you take a look at how you should invest your money, you're going to have a better understanding of what you should be doing"

"Risk and expected return are related, if you're not taking the risk, you're not going to get the return that you need"

"Al and I truly believe that you should take the least amount of risk possible to get you the portfolio you need to maintain the lifestyle long-term"

"Lower income individuals are going to have most of their income going to healthcare"

"We do have to pay taxes on our social security benefits"

"Spousal benefit is half of the other spouse's benefit"

"There are different ideas and different strategies in regard to how to structure your portfolio, but you want to make sure you do the planning to figure out exactly what that portfolio should look like, given your specific situation"
