Dream Story

A married couple are troubled by events and jealous of each other's attentions the night before at a masquerade ball. Suddenly, Fridolin, a doctor, is summoned to the bedside of an elderly councillor whose daughter he finds attractive and vaguely sensual. So begins a series of involvements throughout the night in increasingly dangerous and deviant sexual adventures for Fridolin, who is later taken by a friend to a secret party... Recognised as Schnitzler's masterpiece, this book was also the inspiration for Kubrick's last film, *Eyes Wide Shut*.

Dream Story

Part of the TWENTIETH CENTURY CLASSICS, this story, translated from the German by J.M.Q.Davies, tells how through a simple sexual admission a husband and wife are driven apart into rival worlds of erotic revenge.

Rhapsody

Foreword by Stanley Elkin Flirtations -- La Ronde -- Countess Mitzi, or The family reunion -- Casanova's homecoming -- Lieutenant Gustl.

Plays and Stories: Arthur Schnitzler

Schaefer has translated three of Schnitzler's greatest novellas--Dying, Flight into Darkness, and Fraulein Else.

Desire and Delusion

DigiCat Publishing presents to you this special edition of "The Lonely Way—Intermezzo—Countess Mizzie" (Three Plays) by Arthur Schnitzler. DigiCat Publishing considers every written word to be a

legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Lonely Way—Intermezzo—Countess Mizzie

Arthur Schnitzler (1862-1931) is recognized, along with Hugo von Hofmannsthal, as the major literary exponent of the fin-de-siècle and impressionism in the German-speaking world. Through skillful variation of the basic theme of illusion and reality in such masterpieces as *At the Green Cockatoo*, *The Dead are Silent*, and *Blind Geronimo and his Brother*, Schnitzler explores the primal relationships of human experience. The moods Schnitzler creates range from the lighthearted, to the melancholy, to the existential, while the psychological portraits he paints provide the stimuli for the reader to ponder the essence of life and death and love. Stream-of-consciousness techniques in the prose and the witty dialogue of the plays unmask the psyches of characters whose humanness is as authentic today as it was at the turn of the century. This anthology of thirteen first-time and new translations is preceded by introductory notes on the period, author, and individual selections, as well as by Hofmannsthal's lyrical introduction to *Anatol*."

Illusion and Reality

This novel typifies the ethical and moral preoccupations of Arthur Schnitzler. Berta Garlan, a young widow with a small child, feeling isolated in the small Austrian town where she lives, attempts to renew her relationship with her childhood sweetheart after a lapse of many years. Her lover, now a famous Viennese violin virtuoso, takes advantage of Berta's trusting love. At last, a wiser and more mature woman, she returns home and becomes reconciled to her destiny.

Arthur Schnitzler Berta Garlan

A finely drawn portrayal of the disintegration of Austrian liberal society under the impact of nationalism and anti-semitism, *The Road into the Open* (*Der Weg ins Freie*, 1908) is a remarkable novel by a major Austrian writer of the early twentieth century. Set in fin-de-siècle Austria—the cafés, salons, and musical concerts frequented by the Viennese elite—Schnitzler's perceptive exploration of the creative process and the private lives and public aspirations of urban Jewish intellectuals ranks with the highest achievements of Karl Kraus and Robert Musil. The novel's central character, Baron Georg von Wergenthin, is a handsome young composer whose troubled relations with women, musical collaborators, and representatives of the old social order make Schnitzler's book a revealing investigation of individual psychology and social allegory. In his comprehensive introduction, Russell Berman situates the book within the literary and political history of Central Europe and analyzes its relation to psychoanalysis, Marxism, musical aesthetics, and the legacy of European modernism.

The Road into the Open

First English publication of a recently rediscovered novella by one of the greatest European writers. One seemingly ordinary evening, Eduard Saxberger arrives home to find the fulfilment of a long-forgotten wish in his sitting room: a visitor has come to tell him that the youth of Vienna have discovered his poetic genius. Saxberger has written nothing for thirty years, yet he now realises that he is more than merely an Unremarkable Civil Servant, after all: a Venerable Poet, for whom Late Fame is inevitable - if, that is, his new acolytes are to be believed... Arthur Schnitzler was one of the most admired, provocative European writers of the twentieth century. The Nazis attempted to burn all of his work, but his archive was miraculously saved, and with it, *Late Fame*. Never published before, it is a treasure, a perfect satire of literary self-regard and charlatanism. Arthur Schnitzler (b. 1862 in Vienna) was one of the most influential European writers of the twentieth century, perhaps best known here for his novellas *Dream Story* and *Fräulein Else*. He qualified as a doctor but was increasingly driven to a career in writing, resulting in several celebrated plays, novellas and novels which explore the great existential subjects of the modern age: relationships, love, sex, ageing and death. Because his work dealt with subjects considered taboo, he frequently attracted the hostility of the authorities, consequently losing his position as Chief Medic in the Reserve Army and being tried for disorderly conduct. Schnitzler was close friends with Stefan Zweig and Sigmund Freud, who both admired him greatly, and a member of the 'Young Vienna' circle of writers who regularly met at a café nicknamed 'Café Megalomania' - the very same clique and café he satirises so deliciously in *Late Fame*. Schnitzler died in 1931. Pushkin Press also publishes his novellas *Fräulein Else*, *Dying* and *Casanova's Return to Venice*.

The Shepherd's Pipe, and Other Stories

Thirteen stories, the most substantial selection of Schnitzler's short fiction to be published

Late Fame

Bertha Garlan is a novel by the Austrian writer Arthur Schnitzler, which appeared in 1900 and 1901 in the literary magazine *New German Rundschau* in Berlin. Later on, it was published as a book by the publisher S. Fischer. The protagonist Bertha Garlan, a widow living in a small town, meets again in Vienna her childhood sweetheart, the celebrated violin virtuoso Emil Lindbach. For a brief moment, she hopes to escape the provincial narrowness of her existence.

Stories and Plays by Arthur Schnitzler

Schnitzler's late-nineteenth-century play presents scenes from the life of a romantic adventurer who becomes involved in one love affair after another.

Selected Short Fiction

The ageing Casanova, struggling in vain to regain his youth; a beautiful young Viennese socialite, compelled to sell her honour in order to save her family from disgrace; a disdainful lieutenant, driven to the edge by his compulsive gambling -- such are the characters we encounter here, all of them Schnitzler types who appear again and again, infinitely varied and delicately nuanced, throughout the author's dramas and prose works. A physician by training, Schnitzler was essentially interested only in cases involving nervous and mental disorders; he practiced medicine half-heartedly for a few years before turning exclusively to writing, and it was here that he delved deeply into the psyches of his characters and laid bare their innermost fears and desires. His contemporary Sigmund Freud recognised in Schnitzler's work an approach to the understanding of the human mind so strikingly similar to his own that he considered the writer his virtual *Doppelgänger*.

Bertha Garlan (Esprios Classics)

While staying with her aunt at a fashionable spa, Else receives an unexpected telegram from her mother, begging her to save her father from debtor's jail. The only way out, it seems, is to approach an elderly acquaintance in order to borrow money from him. Through this telegram, Else is forced into the reality of a world entirely at odds with her romantic imagination - with horrific consequences.

Little Novels

Questa affascinante novella, dalla quale Stanley Kubrick ha tratto il suo ultimo film *Eyes Wide Shut* (1999), introduce il lettore nel mondo ovattato e sicuro di un giovane medico viennese e della moglie, improvvisamente coinvolti in una serie di tradimenti vissuti a livello puramente mentale. Un quieto ménage matrimoniale viene, così, vivacizzato e turbato sino ad attraversare una crisi profonda. Raccontandosi a vicenda le trasgressioni vissute o sognate, i due coniugi rivivranno consapevolmente la loro voglia di sincerità, ritrovando infine se stessi

The Shepherd's Pipe, and Other Stories. Authorized Translation from the German by O. F. Theis

FRAULEIN ELSE is the story of a young woman who, while staying with her aunt at a fashionable spa, receives a telegram from her mother begging her to save her father from debtor's jail by approaching an elderly acquaintance in order to borrow money from him. Else is forced into the reality of a world entirely at odds with her romantic imagination, with horrific consequences.

Novela za sonot

This second volume of Austrian Folk Plays gives further evidence of the popularity of this form among contemporary writers. In the late nineteenth century the folk play had fallen into disrepute as trivial literature but in the 1920 it began to be restored to prominence and after World War II writers rediscovered the form and believed that it was ideally suited to treat contemporary social problems.

Anatol

This English translation of Arthur Schnitzler's "Der Weg ins Freie" (1908) was first published in 1913 and is one of only two novels—the other being "Therese" (1928)—by the Viennese author, who was better known for his short stories and plays, including "Reigen" ("Round Dance"), known to most English-speaking readers as "La Ronde." "The Road to the Open" tells the story of the aristocratic young composer Georg von Wergenthin-Recco who has talent but lacks the drive to get down to work and spends most of his time socializing with members of the assimilationist, artistically sensitive Jewish bourgeoisie of Vienna and other non-Jews like himself who enjoy their company. A love affair with a Catholic lower middle class girl, combined with the author's authentic descriptions of the milieu, the arts, the psychology of love, and the anti-Semitism that was coming to dominate so much of life and politics in the Austria-Hungary of the time, make this novel a classic. "One of the most important, representative, revelatory works of Austria at the turn of the century....The best English version of the novel."—Marc A. Weiner, Indiana University "In Arthur Schnitzler the two strands of Austrian fin-de-siècle culture, the moralistic and the aesthetic, were present in almost equal proportions. Small wonder that Freud hailed Schnitzler as a 'colleague' in the investigation of the 'underestimated and much-maligned erotic.'"—Carl Schorske, author of *Fin-de-Siècle Vienna*

Beatrice and Her Son

This is a new release of the original 1932 edition.

Casanova's Journey Home and Other Late Stories

This book has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies of their original work and hence the text is clear and readable.

Fräulein Else

When Marie realises, with horror, that Felix is intent on making her fulfill her rash vow to die with him, she is left with a terrible conundrum: how can she escape with her life without compromising the self-imposed decorum of attending to the wishes of her dying lover? Schnitzler's talent as a dramatist shines through in this engrossing and shocking psychological study set in fin de siècle Vienna.

Doppio sogno

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as

no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Fraulein Else

A thorough interpretation of Schnitzler's dramas, published after World War I, shows a distinct development toward maturity. This can be seen in the complexity of his characters, especially women who manifest personal freedom of choice in their lives. The idea of equating «home or returning home» with «love» is new and indicative of the maturing process. The theme of age or aging is interpreted differently. Recurring «Leitgestalten» and «Leitmotive» emphasize Schnitzler's process of ethical and moral revaluation in his late dramatic works. Contrary to common assumptions, these dramas continue to demonstrate the importance Schnitzler's as a dramatist.

The Final Plays

FRAULEIN ELSE is the story of a young woman who, while staying with her aunt at a fashionable spa, receives a telegram from her mother begging her to save her father from debtor's jail by approaching an elderly acquaintance in order to borrow money from him. Else is forced into the reality of a world entirely at odds with her romantic imagination, with horrific consequences.

Arthur Schnitzler. - New York: Prentice-Hall 1932. 275 S. 8°

Roberts takes issue with the still-prevalent though erroneous notion that Schnitzler was an apolitical writer. From 1880 to 1931 Schnitzler examined human conflict from the duel to war, and commented on social and political circumstances. Roberts draws upon previously unpublished documents to support his interpretation of Schnitzler's oeuvre from a socio-political perspective.

The Road to the Open

Arthur Schnitzler (1862 - 1931) was an Austrian playwright, author and doctor. Schnitzler's writings were criticized for their anti-Semitism and their explicit descriptions of sexuality. Schnitzler kept a diary for many years and for a period of time he recorded every organism and with whom in great detail. The Dead Are Silent was published in 1907. At the beginning of the story it reads as follows. ""Strange, isn't it?" thought Franz. "Here we are scarcely a hundred paces from the Prater, and yet it might be a street in some little country town. Well, it's safe enough, at any rate. She won't meet any of the friends she dreads so much here."

Premessa di Robert Powell

1. Maharaj espone le basi del suo insegnamento

2. Al livello supremo niente è, al livello mondano tutto è

3. Il vero sapiente è colui che ha trasceso la personalità

4. Se volete la felicità del Sé, sbarazzatevi del senso del corpo-mente

5. Non identificarti con un cadavere, e sii felice

6. L'esperienza del nulla

7. Quando si manifesta la coscienza, appare la dualità

8. Chi conosce l'io sono Quello'?

9. La coscienza stessa è la sorgente dell'illusione

10. Mettere fine alla sofferenza radicandosi nello stato che precede le parole
