The Seer Devotional And Journal

This is the second book in a series on the life of a Seer and the gracious gift of God's pictorial language to His bride, the Church. In this volume we explore the Seer and Healing - How visions and dreams operate in the ministry of healing. It's a timely work. We live in exciting times! Everywhere you turn God is pouring out the Spirit of prophecy and revelation upon his people, often through the language of dreams and visions. Dreams and visions are one of many methods God uses in communication to His children while they do the works of the kingdom and pray for the sick. This series is for the everyday Christian, the average Joe, the layperson, people like you and me. I have written this book to release the folks that are sitting quietly in the back of the church and are not sure of how they fit in or what they can do to contribute to the Kingdom of God. With this series, I want to stir their hearts to go deeper, and pursue the ministry of healing. The Lord does speak to His people. He speaks to them through His Word. He speaks to them with that small still voice. He speaks to them through circumstance, and He speaks through the language of visions and dreams. This series will help you listen and see in a new way as you operate to fulfill God's will in your life. You will learn to understand how visions and dreams operate through gifting... wither it's a word of knowledge, prophecy, healing, or discerning of spirits. I pray this series will meet my intended goal. The Seer Series includes the following books: The Seer's Gift - a look at the Language of Visions and Dreams. The Seer & Healing (this volume) - How

visions and dreams operate in the ministry of healing. The Seer & Prophecy - The Gift and Office of the Seer Prophet. Pectoral Language of a Seer - a reference work on similes, metaphors, and symbolism commonly seen in the life of the believer.

The Seer and Healing

The Applause of Heaven! Developing your spiritual eye and walking hand in hand with the supernaturally prophetic. "Somehow, I was instantly in Heaven; I knew the room I was standing in was directly adjacent to the throne room of the Father," writes author James Maloney. From this exciting experience, shared in the first chapter, to the thrilling conclusion, The Panoramic Seer reveals realms and realities that most Christians don't even know exist! Panorama is the seer's prophetic gifting that releases the miraculous. It is tied into five key elements: inheritance, humility, compassion, righteousness, and faith. These keys and much more are presented to you in a spiritually sensitive way—straight from the throne room of God. You will hear the applause of Heaven when you operate as a panoramic seer. The only way to cultivate that kind of relationship with Him is in the "secret place." The Panoramic Seer takes you to that special place and offers you the powerful Kingdom secrets that have sustained the move of God from generation to generation.

The Prophetic Ministry

This book will explain the difference between a prophet and a seer. It will also detail some of my experiences as I grew into my calling. It is my prayer that this book will help others who are on the path as a prophetic seer to know they are not psychic but must allow the Holy Spirit to teach them and groom them as God develops them for his use for the body of Christ.

The Seer's Path

There is often a tendency to confuse "being a prophetic" with the prophetic ministry. Although both terms refer to prophecy, the two do not have the same meaning in any way. And if for some, being a prophet means speaking all day long, prophet James JEAN BAPTISTE, through this book, makes us discover the difference between being prophetic and being a prophet. What is the prophetic ministry? What is prophecy in itself? What is the difference between Old Testament prophets and New Testament prophets? More importantly, what is the importance of the prophetic ministry in this end time? These are some of the questions that the Man of God deals with in *"The Prophetic Anointing, The Last Wave of the Spirit at the End of Times"*. Prophet James JEAN BAPTISTE was born in a Christian family, son of a Pastor, baptized for 11 years ago, since year 2010, He is an international preacher, He is father and mentor of a new prophetic generation, founder of the Garrison of Eagles group. Wanting to impact and enlighten as many people as possible by the revelation of the word of God, the Prophet explains to us the mystery of prophecy, through his book; theme that very few people are used to, especially the prophetic.

The Prophetic Anointing

Satisfy the hunger in your heart! An exciting and insightful journey into the visionary world of The Seer. The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet, whose revelation is primarily verbal the seer, whose revelation is more visionary. While the role of the prophet is familiar, less is known about The Seer dimension. To many people, these visionary prophets remain mysterious, other-worldly, and even strange. Knowledge dispels misunderstanding, and you will discover the prophetic power of dreams, visions, and life under the open heavens. Questions answered include: How does visionary revelation happen? Can it be trusted? Where does it fit into your life and today's church? Can any believer become a seer? Is it a prophetic dimension reserved for the spiritually-gifted? The Seer will move your heart and stir up your hunger for intimacy with God because the seer's goal is to reveal the person of Christ Jesus—to you, today.

The Seer Expanded Edition

Are there still prophets in the church today? Too many people in the body of Christ assume the prophet is no longer a functioning member of the five-fold ministry simply because the office was vacant for about 400 years of biblical history. Those who recognize that Jesus ushered in a new era of prophets still do not understand the functionality of this office. The Office of a Prophet brings to light the responsibilities, gifts, and privileges bestowed on those who occupy this office. It details the assignments, obedience, strengths, and weaknesses of prophets in the Old and New Testament, as well as lays emphasis on pitfalls to be avoided by those called to this office. Whether you're called to The Office of a Prophet or just doubt the legitimacy of this office, Choice Nwachuku will enlighten you on importance of the prophet in the proper functioning of the five-fold ministry and the need for it in this dispensation of the end times.

The Office of a Prophet

"I want to do more than hear a word from God. I want to become that word. That is revelation's ultimate purpose—for the Word to become flesh." —James Goll
What is "prophetic revelation" from God? And what is the believer's role in receiving and activating it? James Goll, author of the best seller *The Seer*, explains that although some believers are especially gifted as prophets, every follower of Jesus receives the gifts of revelation and discernment. And every believer needs to use them! In fact, without discernment and sensitivity to the Holy Spirit, we cannot progress in our use of any of the gifts and callings. With clear explanations, scriptural illustrations, and real-life contemporary stories, Goll demonstrates how we can receive revelation through the natural senses of sight, hearing, touch, smell, and taste—and how to open ourselves up to the comparable supernatural senses through which God wants to speak. He also removes uncertainty about how to discern revelation and test the spirits, so that every believer can fulfill their ultimate purpose: extending Jesus' powerful kingdom on earth. *The Discerner* is both a wonderful introduction to the prophetic lifestyle and a challenging call for those already immersed in prophetic revelation.

The Discerner

In *The Prophetic Ministry*, Rick Joyner provides a practical guidebook for the prophetic ministry. Refuse to settle for less than what God has for you! Get your questions answered and become activated in your prophetic ministry. Topics include: What is prophecy? Is it right to seek the prophetic? Do we really need prophecy today? How can we recognize counterfeit gifts of the Spirit?

Prophetic Operations

We can be used in the ministry of sustaining! We can support and bear up a burdened soul. As they struggle, facing heartache and discouragement, we come alongside them and hold them up using an on-time word that the Lord gives them through us. In the spirit, I see many that suffer loss, but God is raising up a remnant who knows the heart of the Father who yearns to offer comfort to the suffering. The Lord greatly desires a prophetic people to become the tongue of the learned, setting aside their own personal agendas to be His mouthpiece. When we greatly desire, and ask Him for this abiding prophetic anointing, He will respond and bring us into an increasing degree of prophetic sensitivity and ability. In this book, Steve will address The Lord's desire for us to become prophetic as a people. Each of us was born with a spiritual ability to hear the Holy Spirit speak to direct our steps. And whether we believe it or not, He is speaking to us all the time. But the world, the flesh and the devil distort the sounds we hear, which means we must develop our ability to hear and distinguish that precious still, small voice from all others. In his new book "Tongue of the Learned-How to Flow in the Prophetic Anointing" Steve prepares hungry hearts to hear the voice of God and to be that sustaining voice to carry the Father's heart. The Lord is "making ready" (Rev. 19:7-9) a mature bride to be that corporate voice; they will be the "sound of many waters" and when they speak, the earth will shake with the very glory of the Lord. This is the incredible, living story of the prophetic anointing! Let's take a journey together of divine proportions into the presence of the Lord! Steve & Diane Porter are founders of Refuge Ministries. They believe that, through the presence of God, healing takes place. They have a passion for conducting presence-driven intimacy conferences, missions, and restoration ministry. They reside near Rochester, NY. Steve's books, articles, and videos have touched countless lives around the world.

Tongue of the Learned

What is prophecy Who will make a prophecy? Is it proper to ask for a prophecy? Do we truly need prophecy today when the Bible is available to us for guidance? What roles do the prophetic ministries and talents play in the local church? If all of God's people can hear His voice, why do we need prophets? Can a real prophet omit a prophecy? How can we tell when spiritual talents are being imitated? These are just some of the frequent queries heard in the church today. We can be certain that deceptions will fill the gap left by ignorance if the church does not provide biblical solutions. If you won't accept anything less than everything that God has for you... If you're not going to be frightened by people who say God isn't still speaking to us now... This book will provide you with the answers to your inquiries as well as a challenge to get to know God and hear from Him like never before. One of the most misunderstood yet crucial vocations in the church today is discussed with wisdom and authority by this reputable and tested voice from the past. He speaks of people, the fervor, the voice, and the kindness that real prophets of the Lord displayed in their hearts. As you read this book, you will discover how to identify, comprehend, and react to a real prophet. A strong introduction to the prophetic ministry is provided in this book. The prophetic office, the prophetic anointing, and the gift of prophecy will all become more clear and understandable as a result. People may use this knowledge to identify how this anointing works in their own lives and the lives of others. We pray that Christians would grow in their esteem and understanding of the prophetic office and gift. Please see my publications, "The secret of the Prophetic

Anointing," "Anointed for Ministry," and "If I am a man of God," written by my Covenant brother, (A. O INNOCENT) for a thorough analysis.

Prophet, Arise

"The church today is in great need of the prophet's ministry. And yet, there exist much ignorance and misunderstanding of this important and vital ministry. This is partly due to the lack of teaching on the subject of the prophetic ministry, the lack of depth in the understanding of spiritual matters concerning the church, fear, distrust between leaders, pride, jealousy and disobedience to the Spirit of God and the will and plan of God for end-time-ministry. All of these things and such like are to be blamed for the ignorance and misunderstanding that currently exist concerning the prophet's ministry. As the church draws nearer to the end of the church-age prophets, prophetess and prophetic ministries will become more necessary and in increasing demand. The purpose of this book is to show biblical evidence for the ministry of the modern-day prophet/prophetess and to show they still exist within the New Testament Church. The purpose is also to establish knowledge of the workings of, the need of and the importance of the modern-day prophetic ministry. Without the ministry of the prophet/prophetess the body of Christ would indeed be incomplete. "Why The Church Needs The Prophet's Ministry" is an excellent guide for opening the doors of awareness to the prophet's ministry and for the bringing about of understanding that can lead to cooperation between the five-fold-ministry, as well as the entire body of Christian workers, adding to the completion of the end-time work of the ministry."
