Jesus--Name Above All Names

Christianity has revealed the secret that psychologists have long sought--the "inward soul," the re-created spirit, the focus of God's great redemptive work on earth. The four Gospels give us a wonderful picture of the lonely man of Galilee, the humble Messiah who ends His earthly walk on Calvary. But Paul's Epistles give us the risen triumphant One, the conqueror of death, sin, and Satan. He provides the revelation of what happened on the cross and in the tomb, and how that affects who and what we are in Christ today. Legendary Bible teacher E. W. Kenyon delves deeply into Paul's teaching to give us a living picture of the entire substitutionary work of Christ, which made possible the new creation, a new race of men and women who can stand in God's presence without a sense of guilt, condemnation, or inferiority.

New Creation Realities

The Names of Jesus by A.B. Simpson is a book exactly about what it is entitled. In this book, A B Simpson originally preached a series of sermons on the names of Christ and this book takes some of those sermons and makes a 15 chapter book out of those sermons. A.B. Simpson had this book Names of Jesus printed in 1892 and he was delighted to share that Jesus Christ was everywhere in the Bible. A B Simpson saw Christ in the Old Testament and the New Testament. A.B. Simpson saw Jesus in the rock, the staff, the tree, the river, the vine, the prophet, everywhere in scripture. With the Names of Jesus we have a great resource for reference and study that will delve into some of the more biblical truths that resonate throughout the scriptures. Believers need to know their Savior and to understand that the names reveal an underlying truth about the One who is their redeemer. A.B. Simpson wanted everyone to realize that Jesus Christ was made known to those in the OT and revealed in the NT through actions, sacrifices, names and traditions. All of scripture winds around these truths and constantly go forward with truth and utmost authority always pointing to the Christ.

The New Kind of Love

SATAN HAS NO POWER WHEN WE ARE IN CHRIST! The expression "in Christ" is one of the key phrases in the Epistles. However, many of us find that who we were before we found Christ so dominates our minds that we forget we are now in Him. We belittle our redemption and magnify our failures. Our weakness is ever with us. We have the "cross" religion, rather than the resurrected life of the Son of God. With love, patience, and grace, legendary Bible teacher E. W. Kenyon explains What We Are in Christ and what this means from heaven's point of view. God is our ally no matter what our circumstances. "We are in Him now, seated in the highest place in the universe, and all it requires is simple faith on our part to bring the power of God to bear upon our needs, whether for spirit, soul, body, finances or deliverance," Kenyon says. No matter where you are in your faith journey, you will find reassurance and joy when you realize What We Are in Christ!

Identification

Believe it or not, as they stood at the foot of the cross, the original disciples who walked in close companionship with Jesus knew nothing of the real mission of the man they followed. They did not realize who Christ was, why He came, why He had to suffer, and what was to be gained by His suffering. They did not know what happened on the cross, or during the three days and nights in the tomb before His resurrection. They did not know why the incarnation was important, or that it even was an incarnation. All they could see was the undeserved suffering of their friend and rabbi. Now, legendary Bible teacher E. W. Kenyon reveals hidden truths there were not fully understood until the Pauline Revelation of the Epistles. Until God revealed these truths to the apostle Paul, no one understood why Christ came...why His death on the cross was necessary...or what exactly occurred in the tomb. They did not comprehend the good news: that because of these events, we now become the righteousness of God, people who can stand in God's presence without a sense of guilt, shame, or inferiority. This is the miracle of redemption and the miracle of New Creation. It is the confidence to overcome the devil, to heal disease, and to call Lazarus out of the tomb. To this day, far too many believers share the disciple's view of Jesus: a biographical account of the things He did, the words He spoke, and the suffering He endured. Because of this limited revelation, their Christian faith will experience the same fears and doubts the disciples were left with the day Jesus was crucified. Like the apostles at Pentecost, we must move beyond sense knowledge and into the Spirit realm. We must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith.
