This book will help librarians extend literary graphic novel collections to attract a large, untapped group of comic book readers with a sure-to-be-popular comic book collection. Do comic books belong in libraries? Absolutely—as Comic Book Collections for Libraries makes very clear. This illustrated guide defines the role of comic books in the modern library, provides a thorough grounding in the subject for beginners, and suggests new ideas for those already familiar with these perennial reader favorites. The book begins by introducing the structure of the comic book, industry players, and genres. The bulk of the guide, however, is comprised of actionable advice on such things as creating and maintaining the collection, cataloging for effective access, and promoting the collection, including how to feature comics with other library materials, such as movies and games. Drawing on the authors' experience, the

volume answers numerous other questions as well. How can you tell which titles are age-appropriate for your library? Which titles are popular? How do you include characters that will appeal to diverse reader groups? Complete with checklists and a rich array of examples, this easy-to-use work can make every librarian a superhero.

The DVD-laser Disc Newsletter

An exploration of anime's masterpieces and game-changers from the 1960s to the present—with contributions from writers, artists, superfans and more. Anime—or Japanese animation—has been popular in Japan since Astro Boy appeared in 1963. Subsequent titles like Speed Racer and Kimba the White Lion helped spread the fandom across the country. In America, a dedicated underground fandom grew through the 80s and 90s, with breakthrough titles like Katsuhiro Otomo's Akira making their way into the mainstream. Anime Impact explores the iconic anime movies and shows that left a mark on popular culture around the world. Film critic and longtime fan Chris Stuckmann takes readers behind the scenes of legendary titles as well as hidden gems rarely seen outside Japan. Plus anime creators, critics and enthusiasts—including Ready Player One author Ernest Cline, manga artist Mark Crilley, and YouTube star Tristan “Arkada” Gallant—share their stories, insights and insider perspectives.

Planet Jurai: the source of the sentient trees, the seat of an intergalactic empire, and the homeland of Ayeka, Sasami and Tenchi's grandfather Yohko. Not to suggest that the story actually takes place there,

but it's nice background information, isn't it? When the queens of Jurai come to visit their daughters on Earth, you will feel Ayeka's embarrassment! See Ayeka's old hairstyle! Smell lots of *Macaca fuscata* (Japanese monkeys)! Hear the footsteps of an assassin! And taste Sasami's cooking! All this, plus three more strangely hilarious stories, involving Ryo-Oh-Ki, Sasami and the god of the sea!

Rally Vincent and Minnie-May Hopkins, one an excellent marksman and the other an explosives expert, are Chicago's top bounty hunters and together, with useful friends and associates, they make up the Gunsmith Cats.

Neon Genesis Evangelion: ANIMA (Light Novel) Vol. 2

Arcadia's Knight Academy is the premier school for young men hoping to become a Sorceress's Knight. Only nobles, people with power and prestige, are allowed within these hallowed grounds—which explains why Caspian Ignis del Sol is hated by everyone. He's not a noble, or of even slightly noble lineage. As payment for being enrolled in the academy, Caspian is sometimes given tasks to perform that take him outside of the academy walls. This time, his job is to deliver a letter to a Sorceress living in Ashtown, but when the train that he's riding on is attacked by a mysterious band of thugs in cloaks, he'll find that there is a whole lot more to this quest than he first imagined.

The Anime Movie Guide

The PLOT thickens! Kevin Swift returns home with Orin in tow. The last member of the Four Saints has also made a surprise appearance! Yet even with the Four Saints back together, there are still numerous problems that look insurmountable. The war between humans and yokai has become even more violent, assassins and dangerous plots threaten to tear the world apart, and Kevin lost his homework. While he can deal with the first two issues, that last one is causing him a whole slew problems. The troubles of a not-so-ordinary high schooler are never ending.
