Secrets to Keep

Secrets, secrets, are no fun! And with each day that passes in Webster Grove, eighteen-year-old Steph is learning that lesson the hard way. Between dodging stares, kisses, and mixed signals from the man of her dreams, Steph has more on her plate than she can handle. With wedding plans officially underway for the Rivera/Ghijk wedding, Steph is working overtime to lose weight and finally fit into her bridesmaid gown. And if all that's not enough, she's pulled into a lie that forces her to start holding up appearances with a new (fake) boyfriend. With her three best friends at her side and one beautiful man in her heart, Steph has to decide if happily ever after is worth the wait...

The Webster Grove Series

A complete compilation of the Webster Grove novellas: The New Girl, Under the Mistletoe, Secrets to Keep, Coming Out, and All Good Things. THE NEW GIRL: Seventeen-year-old Steph has her heart set on a new beginning... for the eleventh time. A move to Webster Grove introduces her to a new school, new friends, and new experiences- including a few tender glances from her sexy English teacher. After signing up for a costuming position on the school production of Romeo and Juliet, co-directed by none other than the gorgeous Mr. Rivera, Steph soon learns the difficulties of withstanding the pursuit of forbidden love. UNDER THE MISTLETOE It's beginning to look a lot like Christmas in Webster Grove, but seventeen-year-old Steph isn't in the mood to celebrate. When Mr. Rivera's attitude goes from bad to worse, Steph makes it her number one priority to help the Christmas Grinch rekindle his relationship with the holiday spirit. Meanwhile, Webster Grove High's newest student, Isaac Peyton, is raising the eyebrows of every girl in school, and keeping Steph on her toes with his questionable motives. With the days ticking by, all Steph wants is to turn a seemingly blue Christmas into a holiday she'll never forget... SECRETS TO KEEP: Secrets, secrets, are no fun! And with each day that passes in Webster Grove, eighteen-year-old Steph is learning that lesson the hard way. Between dodging stares, kisses, and mixed signals from the man of her dreams, Steph has more on her plate than she can handle. at her side and one beautiful man in her heart, Steph has to decide if happily ever after is worth the wait... **COMING OUT:** Eighteen-year-old Steph is facing many uncertainties, and the problems just keep piling up! Secrets from the past are slowly unraveling, close relationships are falling apart, and big revelations stand to test the strength of true friendships. Will love and forgiveness be enough to conquer all of the truths that are coming out? Steph can't find the answer, but she's praying she can figure it out before she leaves for Paris... if she decides to go at all. **ALL GOOD THINGS:** After five years of working side-by-side in Paris with one of the most esteemed fashion designers in the industry, twenty-three-year-old Steph Ghijk has packed her bags and returned to the States. Upon her arrival in the familiar town of Webster Grove, Steph takes on a directing position for the high school drama production - putting her in very close quarters with a man who hasn't quite forgiven her for her long overdue return. Unable to choose between her heart and her head, Steph is taking each day at a time... and hoping the love she once had will be the final love of her life.

Webster Grove

Seventeen-year-old Steph has her heart set on a new beginning for the eleventh time. A move to Webster Grove introduces her to a new school, new friends, and new experiences-including a few tender glances from her sexy English teacher. When she learns that Mr. Rivera is only a few months away from becoming family-his brother is marrying her mom!-she must do whatever she can to fight all of the growing suspicions about the time they're spending together. When odd family circumstances only push her closer to the man she's dreaming of, Steph has no choice but to hold it together ... or risk losing it all.

Coming Out

Eighteen-year-old Steph is facing many uncertainties, and the problems just keep piling up! Secrets from the past are slowly unraveling, close relationships are falling apart, and big revelations stand to test the strength of true friendships. Breaking Rules

Sometimes, the lessons of childhood are damaging enough that, by eighteen, you've figured out some rules so you don't repeat your parents' mistakes. For Mandy, that meant finishing her last year of high school, going to college, and then returning to small-town Sugar Creek to live a solitary life as a writer. That was the plan, and her main rule for avoiding complications and staying on track was to never, ever, EVER let someone get too close. That was before she met Gabe. And when Gabe starts to awaken emotions she's never experienced, Mandy suddenly begins to question every belief she's ever had. She can't be falling in love, can she? That would be the biggest mistake of her life, wouldn't it? Could she break one of her most important rules-for Gabe?

Elder Bonds

What the Immortals are saying about Elder Bonds... "A well-rounded introduction to the Immortal Curse world and the brilliance of those who live there." -Lucian "Amazing. The sex is hot, the words are hotter, and the stories are exceptional!" -Balthazar "A few people die, but not nearly enough." -Alik "The bit about how Balthazar and Lucian met in 1547 BC was very enlightening. However, the Halloween party was my favorite." -Issac Wakefield "So many unexpected hints and answers in this book. Simply mind-blowing." -Ezekiel "I both loved and hated Brazil. Those scenes are forever locked in my heart." -Leela "This book made me even more excited for what happens next. The Seraphim are coming..." -Stas

The Allure of Nymphets

Did you know that 44-year-old Frank Sinatra had an affair with 14-year-old Tuesday Weld? And that Elvis started dating Priscilla when she was 14? The Allure of Nymphets chronicles famous and infamous age-discrepant relationships from Emperor Augustus to Woody Allen and man's fascination with very young women (i.e., nymphets) as shown in literature, films, plays, television, music and the advertising industry.

Good Enough

THE INSTANT NEW YORK TIMES BESTSELLER We begin to feel less alone, more loved and less judged when good is . . . enough. In this collection of 40ish short spiritual devotionals, Good Enough reveals the small things we can do to inch toward a deeper, richer, truer kind of faith. Through blessings, prayers and human truths, learn to live with imperfection in a culture of self-help that promotes endless progress, and discover a companion for when you want to stop feeling guilty that you're not living your best life now. Hailed by Glennon Doyle as 'the Christian Joan Didion', in these gorgeously written reflections Kate Bowler and Jessica Richie proffer fresh imagination for how truth, beauty, and meaning can be discovered amidst the chaos of life. Their words celebrate kindness, honesty and interdependence in a culture that rewards ruthless individualism and blind optimism. Ultimately, in these pages we can rest in the encouragement to strive for what is possible today - while recognising that though we are finite, the life in front of us can still be beautiful.

Punk 57

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--Amazon.com

Securities Market Issues for the 21st Century

Have you ever looked deep into the eyes of an animal and felt entirely known? Often, the connections we share with non-human animals represent our safest and most reliable relationships, offering unique and profound opportunities for healing in periods of hardship. This book focuses on research developments, models, and practical applications of human-animal connection and animal-assisted intervention for diverse populations who have experienced trauma. Physiological and psychological trauma are explored across three broad and interconnected domains: 1) child maltreatment and family violence; 2) acute and post-traumatic stress, including military service, war, and developmental trauma; and 3) times of crisis, such as the ever-increasing occurrence of natural disasters, community violence, terrorism, and anticipated or actual grief and loss. Contributing authors, who include international experts in the fields of trauma and human-animal connection, examine how our relationships with animals can help build resiliency and foster healing to transform trauma. A myriad of animal species and roles, including companion, therapy, and service animals are discussed. Authors also consider how animals are included in a variety of formal and informal models of trauma recovery across the human lifespan, with special attention paid to canine- and equine-assisted interventions and psychotherapy. In addition, authors emphasize the potential impacts to animals who provide trauma-informed services, and discuss how we can respect their participation and implement best practices and ethical standards to ensure their well-being. The reader is offered a comprehensive understanding of the history of research in this field, as well as the latest advancements and areas in need of further or refined investigation. Likewise, authors explore, in depth, emerging practices and methodologies for helping people and communities thrive in the face of traumatic events and their long-term impacts. As animals are important in cultures all over the world, cross-cultural and often overlooked animal-assisted and animal welfare applications are also highlighted throughout the text.

Transforming Trauma

Siblings Bert, Willet, and Pansy know better than to go swimming at the old rock quarry. According to their father, it's the Devil's place, a place that's been cursed and forgotten. But Mississippi Delta summer days are scorching hot and they can't resist cooling off in the dark, bottomless water. Until the day six-year-old Pansy disappears. Not drowned, not lost . . . simply gone. After years with no sign, no hope of ever finding Pansy alive, Bert and Willet have tried to move on. But as surely as their mother died of a broken heart, they can't let go. So when clues surface drawing them to the remote tip of Florida, they drop everything and drive south. Deep in the murky depths of the Florida Everglades they may find the answer to Pansy's mysterious disappearance . . . but truth, like the past, is sometimes better left where it lies. Perfect for fans of Flannery O'Connor and Dorothy Allison, *The Past Is Never* is an atmospheric, haunting story of myths, legends, and the good and evil we carry in our hearts.

The March of the Sages

In 1968, during Albert Lepard's fifth escape from a life sentence at Parchman Penitentiary, he kidnapped Lovejoy Boteler, then eighteen years old, from his family's farm in Grenada, Mississippi. Three decades later, still beset by half-buried memories of that time, Boteler began researching his kidnapper's nefarious, sordid life to discover how and why this terrifying abduction occurred. *Crooked Snake: The Life and Crimes of Albert Lepard* is the true story of Lepard, sentenced to life in Parchman for the murder

of seventy-four-year-old Mary Young in 1959. During the course of his sentence, Lepard escaped from prison six times in fourteen years. In *Crooked Snake*, Boteler pieces together the story of this cold-blooded murderer's life using both historical records and personal interviews—over seventy in all—with ex-convicts who gravitated to and ran with Lepard, the family members who fed and sheltered the fugitive during his escapes, the law officers who hunted him, and the regular folks who were victimized in his terrible wake. Throughout *Crooked Snake*, Boteler reveals his kidnapper's hardscrabble childhood and tracks his whereabouts before his incarceration and during his jailbreaks. Lepard's escapes take him to Florida, Michigan, Kansas, California, and Mexico. *Crooked Snake* captures a slice of history and a landscape that is fast disappearing. These vignettes describe Mississippi's countryside and spirit, ranging from sharecropper family gatherings in Attala County's Seneasha Valley to the twenty-thousand-acre Parchman farm and its borderlands teeming with alligator, panther, bear, and wild boar.

Building on extensive evidence that school-based teacher learning communities improve student outcomes, this book lays out an agenda to develop and sustain collaborative professional cultures. McLaughlin and Talbert—foremost scholars of school change and teaching contexts—provide an inside look at the processes, resources, and system strategies that are necessary to build vibrant school-based teacher learning communities. Offering a compelling, straightforward blueprint for action, this book: Takes a comprehensive look at the problem of improving the quality of teaching across the United States, based on evidence and examples from the authors' nearly two decades of research. Demonstrates how and why school-based teacher learning communities are bottom-line requirements for improved instruction. Outlines the resources and supports needed to build and sustain a long-term school-based teacher professional community. Discusses the nature of high-quality professional development to support learning and changes in teaching. Details the roles and responsibilities of policymakers at all levels of the school system. "This book offers vivid examples of how teacher learning communities are formed and sustained. A must-read for educators at all levels who are serious about enacting change." —Amy M. Hightower, Assistant Director, American Federation of Teachers

Crooked Snake

A New York Times Notable Book of 2020 How do we read William Faulkner in the twenty-first century? asks Michael Gorra, in this reconsideration of Faulkner's life and legacy. William Faulkner, one of America's most iconic writers, is an author who defies easy interpretation. Born in 1897 in Mississippi, Faulkner wrote such classic novels as *Absolom, Absolom!* and *The Sound and The Fury*, creating in Yoknapatawpha county one of the most memorable gallery of characters ever assembled in American literature. Yet, as acclaimed literary critic Michael Gorra explains, Faulkner has sustained justified criticism for his failures of racial nuance—his ventriloquism of black characters and his rendering of race relations in a largely unreconstructed South—demanding that we reevaluate the Nobel laureate's life and legacy in the twenty-first century, as we reexamine the junctures of race and literature in works that once rested firmly in the American canon. Interweaving biography, literary criticism, and rich travelogue, *The Saddest Words* argues that even despite these contradictions—and perhaps because of them—William Faulkner still needs to be read, and even more, remains central to understanding the contradictions inherent in the American experience itself. Evoking Faulkner's biography and his literary characters, Gorra illuminates what Faulkner maintained was "the South's curse and its separate destiny," a class and racial system built on slavery that was devastated during the Civil War and was reimagined thereafter through the South's revanchism. Driven by currents of violence, a "Lost Cause" romanticism not only defined Faulkner's twentieth century but now even our own age. Through Gorra's critical lens, Faulkner's mythic Yoknapatawpha County comes alive as his imagined land finds itself entwined in America's history, the characters wrestling with the ghosts of a past that refuses to stay buried, stuck in an unending cycle between those two saddest words, "was" and "again." Upending previous critical traditions, *The Saddest Words* returns Faulkner to his sociopolitical context, revealing the civil war within him and proving that "the real war lies not only in the physical combat, but also in the war after the war, the war over its memory and meaning." Filled with vignettes of Civil War battles and generals, vivid scenes from Gorra's travels through the South—including Faulkner's Oxford, Mississippi—and commentaries on Faulkner's fiction, *The Saddest Words* is a mesmerizing work of literary thought that recontextualizes Faulkner in light of the most plangent cultural issues facing America today.

Building School-Based Teacher Learning Communities

This true story of an ex-Marine who fought crime as an undercover cop, a narcotics agent, and finally a federal prosecutor spans a decade of crime fighting and narrow escapes. Charlie Spillers dealt with a remarkable variety of career criminals, including heroin traffickers, safecrackers, burglars, auto thieves, and members of Mafia and Mexican drug smuggling operations. In this riveting tale, the author recounts fascinating experiences and the creative methods he used to succeed and survive in a difficult and sometimes extremely dangerous underworld life. As a young officer with the Baton Rouge Police Department, ex-Marine Charlie Spillers first went undercover to infiltrate criminal groups to gather intelligence. Working alone and often unarmed, he constantly attempted to walk the thin line between triumph and disaster. When on the hunt, his closest associates were safecrackers, prostitutes, and burglars. His abilities propelled him into years of undercover work inside drug trafficking rings. But the longer he worked, the greater the risks. His final and perhaps most significant action in Baton Rouge was leading a battle against corruption in the police department itself. After Baton Rouge, he joined the Mississippi Bureau of Narcotics and for the next five years continued working undercover, from the Gulf Coast to Memphis; and from New Orleans to Houston, Texas. He capped off a unique career by becoming a federal prosecutor and the justice attaché for Iraq. In this book, he shares his most intriguing exploits and exciting undercover stings, putting readers in the middle of the action.

Angel Bonds

Since Sam Walton's death in 1992, Wal-Mart has gone from being the largest retailer in the world to holding the top spot on the Fortune 500 list as the largest company in the world. Don Soderquist, who was senior vice chairman during that time, played a crucial role in that success. Sam Walton said, "I tried for almost twenty years to hire Don Soderquist . . . But when we really needed him later on, he finally joined up and made a great chief operating officer." Responsible for overseeing many of Wal-Mart's key support divisions, including real estate, human resources, information systems, logistics, legal, corporate affairs, and loss prevention, Soderquist stayed true to his Christian values as well as Wal-Mart's distinct management style. "Probably no other Wal-Mart executive since the legendary Sam Walton has come to embody the principles of the company's culture-or to represent them within the industry-as has Don Soderquist," Discount Store News once reported. In *The Wal-Mart Way*, Soderquist shares his story of helping lead a global company from being a \$43 billion company to one that would eventually exceed \$200 billion. Several books have been written about Wal-Mart's success, but none by the ones who were the actual players. It was more than "Everyday Low Prices" and distribution that catapulted the company to the top. The core values based on Judeo-Christian principles-and maintained by leaders such as Soderquist-are the real reason for Wal-Mart's success.

The Wal-Mart Way

Pepper Jones is ready for an epic cross country season. She wants to qualify for Nationals, and she's willing to do anything it takes to make it happen. She can handle long miles and hill sprints, but boys? That's an entirely different challenge. Pepper's never considered revealing her deeper feelings for her longtime friend, Jace Wilder. After all, he's got the personal magnetism and good looks to hook just about any girl in town -- and he has. Their friendship stands apart from high school social circles, and they're both just fine with that (or at least they pretend to be). That is, until running star Ryan Harding moves to town. When it comes to running, Pepper's goals are clear. But when it comes to Jace and Ryan, it's nowhere near as simple.*This book contains mature content.*

The second in the captivating Hades and Persephone series from fan-favorite bestselling author Scarlett St. Clair. "Are you saying you wouldn't fight for me?" Hades sighed and brushed his finger along her cheek. "Darling, I would burn this world for you." Persephone's relationship with Hades has gone public and the resulting media storm disrupts her normal life and threatens to expose her as the Goddess of Spring. To add to her troubles, everyone seems eager to warn Persephone away from the God of the Dead by exposing his hellish past. Things only get worse when a horrible tragedy leaves Persephone's heart in ruin and Hades refusing to help. Desperate, she takes matters into her own hands, striking bargains that lead to severe consequences. Faced with a side of Hades she never knew, and crushing loss, Persephone wonders if she can truly become Hades's queen.

Sissy Dreams: From Boyfriend to Girlfriend

This book is based on presentations by some of the world's leading experts at the Sixth International Conference on Clinical Cancer Prevention, held in St. Gallen, Switzerland, during March 2010. The main themes are the latest advances in the prevention of breast and prostate cancer and the role of infection in the development of liver and gastric cancer. Special emphasis is given to perspectives on the chemoprevention of breast cancer, as the conference included an international consensus meeting on this subject. New research findings are presented and potentially more effective cancer prevention strategies are discussed, with careful consideration of controversies. The expertise of the contributors encompasses genetics and microbiology, epidemiology, and health economics, as well as clinical cancer prevention. This book will be of interest to all who wish to learn about the most recent progress in combating the development of cancer.
