Intro

Fundamental Techniques in Handling People

Give honest and sincere appreciation

Appeal to another person's interest

Smile

Remember that a person's name is

Be a good listener Encourage others to talk about themselves

Talk in terms of the other person's interest

Make the other person feel important and do it sincerely

The only way to get the best of an argument is to avoid it

Begin in a friendly way

If you are wrong admit it quickly and emphatically

Let the other person do a great deal of talking

Honestly try to see things from the other person's point of view

Be sympathetic to the other person's ideas and desires

Start with questions to which the other person will answer "yes"

Let the other person feel that the idea is his or hers

Appeal to the nobler motive

Dramatize your ideas

Throw down a challenge
Final part of this book is about changing people without
Talk about your own mistakes before criticizing the other person
Ask questions instead of giving orders
Let the person save the face
Make the fault seem easy to correct
