The Curse of Raven's Rose Keep

This is a love story about Garrick who's days as a warrior were finally over. It was time for him to return home to his castle by the ocean. In his warm sanctuary, he thought this life was complete, that is until he saw her. Angela was a beautiful noble woman who lived a life of ease. Until one night when fate brought a dark stranger into her life and stole away, any chance of her ever seeing the sunrise again. Since that cold autumn evening, she has wandered the world of shadows in sorrow and confusion that is until she saw him...

The Curse of Silver Blood

This is the story of Sebastian. The most mysterious and popular character from Trials of the Bloodstone is back in an epic tale about his very own past and how he became involved with clan Raven and Rose. From his birth all the way up to Sebastian joining the clan, this deep and moving story about a conflicted young Sebastian will shed light as to how he came to be one of the most influential and important

individuals within the world of Arator. Sebastian must come to terms with his birthright, and as he struggles with his own inner demons he must also attempt to prevent a mad plot that would cause the most powerful God of Death from gaining a strangle hold on the continent of Anastone. It is Sebastian against the most ultimate evil that the world of Arator knows...what will be his fate? Excerpt: Zevarik chuckled as he saw Sebastian's expressions change while he was putting it all together. Zevarik was so arrogant that he began to confirm all of what the elf was thinking. "Yes Sebastian I am employed Madam Rose and Lord Raven...but only because they are going to be the winning side. They have Morith's direct blessing, and as I began to see at how easily they were dispatching all the troops we were sending to attempt to secure the gem mines I knew who's side I had to be on." Sebastian spat on the ground then said, "You're a traitor to your own people...even dark elves do not betray their own." "Perhaps...but as I am sitting atop my mountain of precious gems and counting my thousands of gold coins I will try my best to feel bad about it." Zevarik said sarcastically. Sebastian's anger and rage could hardly be contained any more. He barked a command word and became fully visible again unsheathing his swords as he did. Zevarik raised a brow as he saw Sebastian raise his blades. Sebastian stared at Zevarik dangerously as he said, "Let's dance."

Ravens & Roses

When Satan's little helper gets real, everyone feels the heat! In this book, Raven and Mika discover the horrifying message of the black rose. It's very bad news for Mika. Once again the guys have to travel through time, and face up to some very dangerous characters. This time it is Mika's life at stake, and it's down to the others to save her. When they find themselves up against a Voodoo high sorceress with nothing left to lose, and three famous pirates in a very precarious situation, it becomes clear nothing is going to be easy. 'Black Rose' is a swashbuckling, nail-biting adventure set in the dangerous world of early-eighteenth-century Jamaica, where Caribbean pirates still rule the waves, and mystical dark forces seem to be lurking in every shadow. "Raven is a perfect blend of romance, comedy, action-horror and fantasy. Full of moments to make you giggle, and then reach for the tissue-box!" Check out the series, and everything else we do, on the rtgreen website. Enjoy!

Raven: Book Three - Black Rose

The last surviving member of the Snowsong, an ancient bloodline all but smothered by a warlock sided with demons, must enter the forest of the infamous, dark raven prince, Raven Yatagarasu, in order to keep the Soul Gem safe from the warlock's greedy hands. Prince Raven is under the curse of his traitor father and is isolated from his kingdom until the curse is broken. The guardian of the Soul Gem makes a deal with the mysterious cat spirit, Hibar, to rid the raven prince of his curse. Meanwhile, chaos is raging as an ancient and horrible demon is breaking free from imprisonment. Can Ona Snowsong save Raven Yatagarasu in time before the demon breaks free so that the true power of this mysterious cat spirit can be unsealed in order to stop the demon from destroying all life? Time is running out as the demons and spirits prepare for the ultimate war that will decide the fate of the tangible and intangible realms and the power of Hibar's bloodline plays a large role in which side will claim victory. Prince Raven is convinced that he is destined to die from the curse. Will Ona be able to convince him otherwise and pull him out of his curse's darkness in time to restore Hibar's true strength and win the most devastating of wars in history?

The Raven's War

A Look at Black Pearls of Raven's Way by A. C. Townsend The mansion called Raven's Way stood drenched in the morning dew. A veil clings to the massive structure like a comforting blanket. The edifice wears a crooked smile for the world, yet the worn path to her front door has been trodden down with decades of loneliness, deceit, and discord! The fortune of Raven's Way began with gold that was covered with the blood of innocent life. Would an heir rise up and put an end to the curse? Would true love ever come to the Raven's Way Mansion? Someone had to balance the scales of justice. Far too many years had gone by and far too many sins had been covered up. A person should never be judged by the color of their skin. All life has value, and all men are created equal. To live in peace with humanity is to walk beside God. To see things any other way can cause a domino effect, bringing down people and nations.

Black Pearls of Raven's Way

When Satan's little helper gets real, everyone feels the heat! "Raven is a perfect blend of romance, comedy, action-horror and fantasy. Full of moments to make you giggle, and then reach for the tissue-box!" This is the Raven Combo: Books 1 – 3 - 'No Angel!' 'Unstoppable' and 'Black Rose'. Meet Raven... She's feisty, spirited, and has a tendency to get lost in the game. She was born at the age of twenty-seven. She wasn't allowed to think her own thoughts, or make a single move unless someone else wanted her to. That's life, for a character in a book. The author of the book, Mika Mills, knew all good writers try to bring their characters to life... but there are limits! When it all began one fateful, life-changing night, those limits were not only exceeded, but banished to the other side of the universe forever! One moment it was a story about she-devils and Satan, then a storm with strange red lightning hit the village... and suddenly the novel became a biography. Neither Mika or Raven realised it was just the beginning of their spectacular new lives, or that their destinies were being shaped by an ancient scribe, and an even older mystical tablet... their futures woven together through the pages of time itself. They are just about to find out... "If you've had your fill of the same-old, try a little Raven!" Check out Raven and Mika's story on the rtgreen website. Enjoy!

Sometimes in order to let go of the past, we have to fight for our future... Lena Reynolds can't seem to escape her past. It twists her dreams into nightmares and plagues her every thought. When an object bearing the symbol of those the raven shifter has been running from finds itself in her hands, she fears her past may have finally caught up with her. Thane Jensen has no memory of how he got to the beachside town of Willow Harbor. In fact, he barely has any memories at all. Somehow he knows the dark-haired beauty he saw standing beneath the willow tree has the answers he seeks, though. If only he can get her to stop running from him. As the mystery of Thane's memories unfolds, Lena must decide if she's willing to stay in the supernatural town she's come to love and fight or give into her raven and fly away.

The Raven's Curse

Her beauty was the spark . . . Her hair was black silk against her ivory skin; her gray eyes burned with opal fire. The love child of King Edward IV, Roseanna was pledged to her father's most prized warrior. He was dark, strong, and commanding, and in the bedchamber, where he forced her to honor her marriage vows, she learned to crave his intoxicating touch. And still she swore not to love him even as she surrendered to the dark rapture of . . . the raven His passion was the fire . . . His shoulders were broad within the coat of mail that made him invulnerable to everything but Reseanna's innocence. Obsessed with taming the fiery beauty who inflamed his flesh, Ravenspur fell in love, knowing ruthless men plotted to topple the king he served and at the heart of the intrigue was she who would be either his death or his salvation . . .

Princess Thea of

Giliosthay is a Realm Walker. Betrayed by a trusted guard, her rare gift of enchantment is used to curse her brother and trap herself and her six sisters into a nightly dance with dragons in a secret Realm. The Realm's prince has the ability to take and twist her magic for his own purposes, and Thea fears what those might be. For when one dances with a prince, a kingdom might be at stake. Athdar alone can save them, but to trust enchanters is to risk exposure. And Athdar isn't sure where his loyalties lie. *Wrought of Silver and Ravens* is a clean adventure-romance retelling of "The Twelve Dancing Princesses" set in The Magic Collectors story world.

Wrought of Silver and Ravens

In his four-volume series *Return to Neveryeon*, Hugo and Nebula award-winner Samuel R. Delany appropriated the conceits of sword-and-sorcery fantasy to explore his characteristic themes of language, power, gender, and the nature of civilization. Wesleyan University Press has reissued the long-unavailable *Neveryeon* volumes in trade paperback. The eleven stories, novellas, and novels in *Return to Neveryeon*'s four volumes chronicle a long-ago land on civilization's brink, perhaps in Asia or Africa, or even on the Mediterranean. Taken slave in childhood, Gorgik gains his freedom, leads a slave revolt, and becomes a minister of state, finally abolishing slavery. Ironically, however, he is sexually aroused by the iron slave collars of servitude. Does this contaminate his mission -- or intensify it? Presumably elaborated from an ancient text of unknown geographical origin, the stories are sunk in translators' and commentators' introductions and appendices, forming a richly comic frame.

Even worse, the Bel Amicans have discovered Auralia's colors, and are twisting a language of faith into a lie of corruption and control. If there is any hope for the people of Abascar, it lies in the courage of Cyndere, daughter of Bel Amica's queen; the strength of Jordam the beastman; and the fiery gifts of the ale boy, who is devising a rescue for prisoners of the savage Cent Regus beastmen. As his faith suffers one devastating blow after another, Cal-raven's journey is a perilous climb from despair to a faint gleam of hope—the vision he sees in Auralia's colors.

The Raven's Wish (The Border Rogues Series, Book 1)

We witness an era with more screens than ever before, and within each screen, a multitude of visual varieties. Lisa Gotto investigates this medial diversity as a field of tension between large and small forms of digital image culture. This includes, on the one hand, the immersive potential of large image arrangements, such as digital 3D cinema, and, on the other hand, the compactness of mobile image forms, such as those of the smartphone film or the media practices of Instagram. Weaving together a rich variety of examples and sources, this book presents a multifaceted collection of essays that explore the transformational potential of digital media culture, contextualize its media-technical conditions, and reflect on its social consequences.
