

World Gates Not Quite Camelot

[#World Gates](#) [#Not Quite Camelot](#) [#Camelot Alternative](#) [#Fantasy Worlds](#) [#Intrigue and Mystery](#)

Explore the realms beyond World Gates in a setting that echoes the legendary Camelot, but with a darker twist. Uncover secrets, navigate complex relationships, and face unexpected challenges in this unique blend of fantasy and intrigue, where the familiar echoes of Camelot are not quite what they seem.

Each syllabus includes objectives, reading lists, and course assessments.

The Last Maharajan

"With her mother dying and her marriage falling apart, Euly returns to her birth place in order to find out what really happened that caused her parents' divorce. The questions around the divorce have tormented Euly since she was a young adult. But when Euly meets up with an old acquaintance, her time back home turns nightmarish when he reveals what he know about her parents." -- from back cover.

The Last Word: Obituaries of 100 Indians Who Led Unusual Lives

Rahul Bedi has been a journalist for 38 years, beginning his career with the Indian Express in 1979. He was posted in London in the late 1980s after attending Oxford University as a Reuters Fellow. Presently, he is New Delhi correspondent for Jane's Defence Weekly, UK, the Irish Times, Dublin, and the Daily Telegraph. He was also Assistant Master at Mayo College, Ajmer and the Doon School, Dehra Dun in the 1970s.

When You Leave Me

On the surface, a small, remote island in the Pacific Northwest looks quaint and placid. However, trouble brews deep below the water when the island is rocked by an unexpected, brief and violent earthquake, and Jamie Michael's husband, Larry, who has dementia, goes missing. Det. Sgt. Rob Rimmler along with Search & Rescue deploy forces. They scour the grounds and neighborhood only to find a widening gorge on Jamie's property—a heavily wooded, five-acre rural country plot. After giving up the search for Larry, three months later, Rimmler begins to track Jamie's every movement—appearing wherever she ends up whether in town or while alone at home. One night, he admits he suspects her. Now, she must prove her innocence or end up indicted on murder charges. Sometimes when you think all seems lost, it usually is. Praise for WHEN YOU LEAVE ME: "A twisty mystery about love, betrayal, and obsession. In a small town, everyone's a murder suspect. The ending packs a punch and remains in the reader's mind long after turning the final page. Thriller aficionados will devour this story." —Robert Dugoni, New York Times bestselling author of the Tracy Crosswhite series "A cup of hot coffee at my side, I dove into Susan Wingate's When You Leave Me. The coffee was cold when I reached for a sip, so enthralled I was by the storyline. Artfully constructed, melodic, and insightful, When You Leave Me is not just a complex, captivating mystery—it's a poignant reminder to never take love for granted." —Christopher Rosow, author of the bestselling False Assurances and the Ben Porter thriller series "Susan Wingate grabs you from the very first sentence of When You Leave Me and never lets you go. This thriller is a roller coaster ride of tension and suspense, delivered in punchy, elegant prose and with dialogue that provides a window into the personalities of the author's characters. You're going to love this one." —Joseph Badal, award-winning author of The Carnevale Conspiracy "What Susan Wingate does best in When You Leave Me, as in her previous novels, is to make human pain palpable to the reader. In this newest offering, threads of pain run through every page. On San Juan Island off the coast of Washington, a husband with dementia goes missing. Then a foot in a sneaker washes ashore amidst a rash of such grotesque discoveries. Thus begins, for Jamie Michaels, the missing man's wife,

a tormented journey as she claws her way through a sea turgid with grief, guilt, and fear. Is Jamie responsible for her husband's fate? The police seem to think so, and so does she. But that, in the end, isn't the question. The real questions, as every person knows who has ever cared for a loved one with dementia, are how long must this punishment last? And how can I possibly survive it?" –Randall Silvis, author of the critically acclaimed Ryan DeMarco mystery series

The Last Maharaja

This Is A Biography Of A Who Enjoyed The Powers Of An Autocrat Before Autocrat Who Also Presided Long Before Independence Required It, Over The Dismantling Of His Own Position And Maharaja And The Passage Of Power From His Hands To His People. Accompanied By A Remarkable Set Of Photographs.

Bihar and Mithila

The world has become obsessed with the Western notions of progress, development, and globalization, the latter a form of human and economic homogenization. These processes, through the aegis of the United Nations, are comparatively monitored. Those nations deemed to be 'lagging behind' are then provided with foreign aid and developmental assistance. For nearly seventy years, India has sought its place in this global endeavour; yet, even today, abject poverty and backwardness can be observed in districts in almost every state; with the highest concentration of such districts found in the state of Bihar and a cultural enclave, known as Mithila. Development in India has been elusive because it is difficult to define; and because the Western concepts of development and progress have no absolute equivalents within many non-Western settings. As a consequence, development programmes often fail because they are unable to ask the right questions, but equally important is the political economy derived from foreign aid. For politicians, there is no long-term benefit to be derived from successful development. In general, foreign aid only serves to corrupt governments and politicians and, in the end, does very little for those who need help. The struggling states of Bihar and Mithila serve as extreme examples of India's problems. Development here has been thwarted by a hereditary landed aristocracy supported by religion, casteism, custom, social stratification, tradition, and patterns of behaviour that can be traced back millennia. In turn, all these have been masterfully manipulated by co-opted politicians, who have turned politics into a veritable art form as this volume comprehensively demonstrates.

Princely India Re-imagined

India's Princely States covered nearly 40 per cent of the Indian subcontinent at the time of Indian independence, and they collapsed after the departure of the British. This book provides a chronological analysis of the Princely State in colonial times and its post-colonial legacies. Focusing on one of the largest and most important of these states, the Princely State of Mysore, it offers a novel interpretation and thorough investigation of the relationship of king and subject in South Asia. The book argues that the denial of political and economic power to the king, especially after 1831 when direct British control was imposed over the state administration in Mysore, was paralleled by a counter-balancing multiplication of kingly ritual, rites, and social duties. The book looks at how, at the very time when kingly authority was lacking income and powers of patronage, its local sources of power and social roots were being reinforced and rebuilt in a variety of ways. Using a combination of historical and anthropological methodologies, and based upon substantial archival and field research, the book argues that the idea of kingship lived on in South India and continues to play a vital and important role in contemporary South Indian social and political life. The Open Access version of this book, available at <http://www.taylorfrancis.com>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license.

Ruling Dynasty Of Mithila

Ruling Dynasty of Mithila is a book written by Amarkant Mishra. The author was the PA to His Highness, the late Dr. Sir Kameswar Singh, the Maharaja Dhiraja of Darbhanga. Mithila was the state territory of King Janak, where the King of Awadh Raja Dasharath had visited to marry his first son Lord Ram. Mithila was a state with its own culture, literature and different philosophy of life. Acharya Sankaracharya was defeated here. Darbhanga was the town where the last Maharaja Sir Kameswar Singh made his state capital and constructed a monumental palace named Nargauna Palace. Dr. Sir Kameswar Singh was the biggest landlord in independent India. His role in independence was a prominent one. He was a member of the constituent assembly. This book contains the entire scenario of the abolishment of the

Zamindari system and all the changes that came during the change of reign from British to Indian rule. The book also contains the contribution of Maharaja Sir Kameswar Singh to the education, literature, and culture of Mithila at that time.

The Last Sunset

A comprehensive history of the Lahore Durbar, the glorious reign of Maharaja Ranjit Singh and his exemplary organizational skills that led to forming of the formidable Sikh army and the fiercely fought Anglo Sikh wars. The Last Sunset: The Rise and Fall of the Lahore Durbar recreates history of the Sikh empire and its unforgettable ruler, Maharaja Ranjit Singh of the Shukarchakia dynasty. An outstanding military commander, he created the Sikh Khalsa Army organized and armed in Western style, acknowledged as the best in undivided India in the nineteenth century. Ranjit Singh's death in 1839 and the subsequent decline of the Lahore Durbar, gave British the opportunity to stake their claim in the region till now fiercely guarded by Maharaja Ranjit Singh's army. Captain Amarinder Singh chronicles in detail the two Anglo-Sikh wars of 1845 and 1848. The battles, high in casualties on both the sides led to the fall of Khalsa and the state was finally annexed with Maharaja Duleep Singh, the youngest son of Maharaja Ranjit Singh put under the protection of the Crown and deported to England.

Maharaja Ranjit Singh, the Last to Lay Arms

By Sheer Force Of His Personality Maharaja Ranjit Singh, Born In 1780, Became The Unquestioned Ruler Of The Punjab From 1799 To 1839, His Kingdom Being The Last Bastion To Hold Out Against The British-A Symbol Of Their Incomplete Conquest Of India. Relying On Unconventional Statecraft And Dazzling Display Of Daring And Courage, He Wielded His Warrior Nation To Extend The Empire From The Sutlej To Kabul In Afghanistan And From Ladakh To Iskardu And Tuklakote In Little Tibet. Every Invasion Of India Till Then Had Been From West To East, Across The Indus, From 2000 Bc Onwards, When The Aryans Came In. For The First Time In History, An Indian Ruler Went Westwards, Crossed The Indus River In 1826 And Hoisted His Flag On Kabul Fort. This Is The Story Of Maharaja Ranjit Singh Whose Kingdom Was The Last To Lay Arms Before The British Who Had Annexed The Entire Sub- Continent.

Contemporary India with Controversial Neighbours

Diary of Amar Singh with annotations, commentary, and introduction by DeWitt C. Ellinwood, Jr.

Missionary Review of the World

Although the princes of India have been caricatured as oriental despots and British stooges, Barbara Ramusack's study argues that the British did not create the princes. On the contrary, many were consummate politicians who exercised considerable degrees of autonomy until the disintegration of the princely states after independence. Ramusack's synthesis has a broad temporal span, tracing the evolution of the Indian kings from their pre-colonial origins to their roles as clients in the British colonial system. The book breaks ground in its integration of political and economic developments in the major princely states with the shifting relationships between the princes and the British. It represents a major contribution, both to British imperial history in its analysis of the theory and practice of indirect rule, and to modern South Asian history, as a portrait of the princes as politicians and patrons of the arts.

Between Two Worlds

This book is a sociological attempt to envisage the cultural and regional disparities eventually giving way to relational deprivation amongst the people of the region – Kashmir and the imbroglio that followed, the decades to come. It is an aesthetic exploration of the regional beauty and the politics of ethnic diversity that culminated in the displacement crises and vicious resurfacings intertwined in and with religion, region, language, culture and national and legal repercussions. The sociological theories uncovering the explanation of the causal analysis behind the angst and discrimination amongst the masses, in particular, are valuably added in the leading chapters of this book. A conclusive understanding towards the solution and social policies makeover, along with multiple aspects of the issue, becomes intriguing while looking forward to a discursive and dialectical approach towards it. This book has debates encompassing the ideas of democracy battling with those of ideological constraints that is apparent in a pluralistic society like India.

The Indian Princes and their States

On April 29, 1848, in a small estate in Travancore, was born a boy destined to become more famous than the ruler of his kingdom. His uncle, noticing his precocious talent at art, took the teenager to the royal court at the invitation of the king to learn painting there. Ravi Varma's debut was to come seven years later when a Danish painter arrived in court to paint the Maharaja and his wife. The twenty-year-old boldly upstaged the experienced artist, presenting the king with a more flattering painting of the royal couple at the same time as the official portrait was unveiled. Jensen, the painter, never forgave Ravi Varma, but for the young man there was no looking back. His reputation grew with each painting. For the first time, an Indian artist was using the realism and sensuality of the European oil painters and applying them to not just ordinary Indians, but to the deities as well. The artist-prince became India's first celebrity painter. The lines to see his exhibition of mythological paintings in Bombay in 1890—the first public showing by any Indian artist—were endless; the prices he commanded were astronomical; then, when he started his own printing press, producing oleographs of his work, Raja Ravi Varma became a household name. Soon, every home had a Ravi Varma print. For the first time, comes a beautifully told, gripping account of Ravi Varma: the man who was the darling of the royal courts, but who hardly gave his own wife and children any time; the nobleman who took the revolutionary step of being an artist, yet who insisted on using the false title of raja; and the idealistic entrepreneur who bankrupted himself running a printing press, yet whose dream of bringing art to the masses became a reality. Blending fact with imagination, writing with wit and lyricism, Deepanjana Pal takes you into the life of an extraordinary man and brings him vividly alive.

At the Turn of the Tide

Kashmir is one of the longest-standing conflicts yet to be resolved by the international community. In 2000, Bill Clinton declared it the most dangerous place in the world and since then the situation continues to escalate. Positioned between India, Pakistan and China – three nuclear powers – Kashmir is the most militarized zone on the planet. Against this backdrop, the urgency to understand what Jammu and Kashmir means to those who actually belong to its territory has increased. This book not only helps readers navigate subtleties in a complex part of the world but is the first of its kind – written for a global audience from local perspectives, which to date have been sorely lacking.

Value Chain Management for Promotion of Bamboo-based Livelihood in Tripura, North-East India

'The Life of Hinduism' collects a series of essays that present Hinduism as a vibrant, truly 'lived' religion. The text offers a glimpse into the multifaceted world of Hindu worship, life-cycle rites, festivals, performances, gurus, and castes.

The Painter

Darbhangha Raj, a province that was in modern-day Bihar, has had its roots since 1000 AD and has contributed immensely to the country. This royal family has harbored its people through some turbulent times, crafted skillful leaders, and contributed virtually to the liberation of India. "Darbhanga Chronicles" by Tejkar Jha introduces the royal family while documenting how the rulers played a crucial role pre- and post-independence. The book is explored in six facets: history, amity, politics, vision, change, & journal.

KINGS OF KARNATAKA

A bold historical reevaluation of constructions of Sikh identity from the late eighteenth century through the early twenty-first.

Comprehensive account of India's relations with the outside world.

Society and Politics of Jammu and Kashmir

An impending nuclear holocaust is likely to happen, if the world community does not take action. A conflict that has been simmering for many years is beginning to spiral out of control. Two nuclear powers have an unresolved dispute that has increased tensions in the region. Both countries are purchasing and developing sophisticated state-of-the-art weapons that could unleash great terror and destruction on the populations of both countries – with also serious global ramifications. The world's most dangerous flashpoint, has the highest chance of a nuclear war occurring – it is deemed by many to be more serious than the Cuban Missile Crisis and North Korea's nuclear sabre rattling. The dispute needs to be amicably resolved between both nations and confidence building measures need to be implemented.

The Life of Hinduism

His Royal Highness Prince Edward The Duke of Kent KG GCMG GCVO ADC(P), first cousin to Her Majesty Queen Elizabeth II, has devoted his life to the service of his country. Even before he served twenty-one years as a regular soldier in the British Army, he was introduced to this life of service by his widowed mother, HRH Princess Marina, The Duchess of Kent, during an extensive tour of the Far East at the time of his seventeenth birthday. His interest in modern technology, especially computing and engineering, in issues of health, fitness and social welfare, and in the development of the intellect, has seen him become the patron, president or active member of more than one hundred charities and social organisations. His military service, and deep interest in military history, sees him making a particularly important contribution to many military-related organisations - the chief of which must be the Commonwealth War Graves Commission. At the time of his eightieth birthday on October 9, 2015, Prince Edward remains one of the busiest members of the royal family. This book is offered as a tribute to his life of service, and to the myriad organisations, large and small, local, national and international, that make up the fabric of the United Kingdom in the twenty-first century.

Darbhangha Chronicles

In commemoration of the old hunting parties of the Maharaja of Travancore used to lead a silent procession adorned by gorgeously caparisoned elephants from the temple in Trivandrum to the sea beach. Blood had been shed in the hunt and the gods must be purified by a bath in the sea. After Independence the former Maharaja still made regular visits to the same temple in his ancient Rolls-Royce. But the pomp and ceremony of the Princely rule were gone and there were no elephants for the Maharaja. This change symbolizes the larger transformations in Travancore documented in this book. In 1921 Travancore was still ruled by an all-powerful Dewan. Local Hindus, Muslims and Christians pressed for greater participation in the state administration by appealing to loyalties of caste and religion. The result was a strong communalism which clever Dewans could make use of as part of a policy of divide-and-rule. Louise Ouwerkerk dwells extensively on these developments which led to the formation of the Travancore State Congress in which she was personally involved. From 1929-1939 Louise Ouwerkerk was Professor at the Maharaja's Women's College and Travancore University. Although a Government servant, she threw herself into politics and tried to unite the communal leaders on a common platform for more responsible government. As these attempts brought her into conflict with the Dewan, she was dismissed from service. In the early 1970s she wrote the text for this book, largely based on her own files and recollections, supplemented by interviews. She died in 1989. Dick Kooiman, who found the unpublished manuscript among her personal papers, edited the text for publication and wrote an introduction. In spite of Louise's own active involvement, she has succeeded in keeping that critical distance which makes reading her history both entertaining and rewarding. Her work still stands as a major piece of research by a keen, contemporary eye-witness and makes excellent reading as narrative history, rich in its description of local personalities and developments.

Between Colonialism and Diaspora

History is often considered a dry, boring and unimportant subject at school. Masala History by Siva aims to change this perception and make it engaging and interesting for everyone. In addition, there

is also a deliberate attempt to sing the tune of unsung heroes and bring to light the amazing lives and works of those who have been forgotten and not given their rightful place in history. With kid-friendly content, the project presents a collection of stories to capture the attention of schoolchildren and adults alike and hopes to help initiate curiosity and conversations around this subject. Each vignette in this book will take you back in time, delving deep into untold stories and firing up your imagination.. So pick your copy, grab a masala chai or your favourite coffee and delve into tales rich and spicy! Savour it, talk about it with friends & family. Spread the histories of where we come from. After all, if you don't know where you come from, you don't know where you are going.

India-Pakistan in War and Peace

By 1945 Washington and London envisioned a new era in which the U.S. shouldered global responsibilities while Britain focused its regional interests narrowly. Mapping the End of Empire reveals how Anglo-American perceptions of geography and perspectives on the Muslim world shaped postcolonial futures from the Middle East to South Asia.

Miscalculation: Risks of Inadvertent Nuclear War

336-page highly detailed travel guide. Guatemala is a feast for explorers looking for new experiences. This fantastic guidebook takes you from fiery volcanoes to historic churches dating back to the 1600s. You can sail on Lake Atitlan, raft on Rio Candelera, hike to Maya ruins, dive a barrier reef or take a bike tour around Antigua. In-depth details on the culture, traditions and how to travel with respect for the country and its welcoming people. With the author's expert advice, you'll find excellent eateries, locally made crafts and family-run B&Bs. Maps. Index. Need information while you're on the go? Tired of guidebooks that don't fit in your pocket? We hear you. If you're visiting for just a week or two, perhaps you don't need the in-depth history section or geographical details that can make a book cumbersome. Check out this line of portable travel guides designed to be used while you're on the move. Their handy, pocket-sized format means they'll slip into your pocket or fanny pack while you focus on what you came for - whether that's hiking in Belize's rainforest with binoculars in hand, exploring Maya ruins in the Yucatan or taking in historic town sights. Masala History by Siva Volume - 1

Jaipur, the glorious Pink City of India, sets many a hearts aflutter with visions of grandeur, valour, romance and beauty. This heritage city's inherent historic charm has always been a major source of attraction. Travellers, poets and philosophers have lavished praise on it, and perhaps no other place is imbued with the richness of ritual and ceremony across the country, as Jaipur is. Among its numerous architectural wonders, the city's Jantar Mantar (observatory) and Amber Fort have been included in United Nations Educational, Scientific and Cultural Organization's list of world heritage sites. The book elaborates on the lesser known aspects that have contributed to its coveted status of a heritage city. It also offers a glimpse into the lives of people, who have made a difference to this city through their contributions and have aided in making this wonderful city what it is today. The city is an integral element on the itinerary of any global traveller and a worthy venue for a 'destination wedding' in one of its numerous forts or palaces. Also in focus is Jaipur's everevolving image as a new economic hub and a well-equipped modern metropolis. In this well-researched and meticulously documented book, the author presents a comprehensive picture of the city, bringing to light many hitherto unexplored facts that will interest those with a penchant for urban histories, their origin and their evolution. The book

has been abundantly illustrated with more than 500 rare, coloured photographs and paintings, and 154 unseen black and white photographs and illustrations, to capture the imagination of a discerning reader.

Mapping the End of Empire

Born in Western Uttar Pradesh and educated in Delhi, Rama Pilot married Rajesh Pilot while she was in college, pursuing a master's degree. She was a member of the Youth Congress and was nominated by Prime Minister Indira Gandhi as an executive member of All India Congress Committee (in B.C. Cell). A former member of parliament from Dausa, she represented the constituency after her husband's death in June 2000.

A Guide to the Palace Hotels of India

The tenth exhibition in the series will showcase classical paintings from all across India. The exhibition will cover 300 years and a vast geographic region from Jammu to Thanjavur, allowing viewers to compare how different patrons wished to be remembered and observe how historical events shaped India's painting traditions.

At the turn of the tide

The tales of the 75 courageous women who gladly gave their lives to secure our freedom are narrated in the book "Forgotten Gems". In addition to the freedom fighters whose martyrdom is known to the entire world, this book talks about the brave women whose sacrifice was lost to obscurity. Along with India's freedom fighters, this book includes the names of courageous Indian women who, following their country's independence, played a significant role in both the creation of the Constitution and its upkeep. "Forgotten Gems" is a book dedicated to all real brave women, mothers and patriots. We should all have the utmost respect for these great and valiant freedom fighters and never forget their sacrifices for the nation.
