The Wolf Princess

A captivating, atmospheric mystery set in the crystalline winterland of Russia. Abandoned in a blinding blizzard in the wintry wilds of Russia, Sophie Smith fears for her life. But just like in a fairy tale, a princess comes to her rescue: the beautiful, exotic Anna Volkonskaya. Over a river of ice in a horse-drawn sleigh, she brings Sophie and her friends to a magnificent, if weathered, winter palace. At first, Sophie is enchanted by Princess Anna's stories of long-ago royalty, of white wolves and gray diamonds. But when the princess takes a particular interest in her, Sophie grows concerned. What is her place in the sinister mystery that surrounds her? Even as the wind and wolves howl outside, is she more in danger now, a prisoner of the palace, than she ever was lost in the snow?

The Princess Knight

Violetta is a little princess who wants to be as strong and brave as her brothers. And what she lacks in size, she makes up for in determination. At night she slips out into the woods and secretly teaches herself to become the cleverest, most nimble knight in the land. Soon she will be ready for the greatest battle of all - the battle for herself.

The Ice Princess

"A top-notch thriller, one of the best of the genre" (Minneapolis Star Tribune) from international crime-writing sensation Camilla Läckberg tells the story of brutal murders in a small Swedish fishing

village, and the shattering, decades-old secrets that precipitated them. In this electrifying tale of suspense from an international crime-writing sensation, a grisly death exposes the dark heart of a Scandinavian seaside village. Erica Falck returns to her tiny, remote hometown of Fjällbacka, Sweden, after her parents' deaths only to encounter another tragedy: the suicide of her childhood best friend, Alex. It's Erica herself who finds Alex's body—suspended in a bathtub of frozen water, her wrists slashed. Erica is bewildered: Why would a beautiful woman who had it all take her own life? Teaming up with police detective Patrik Hedström, Erica begins to uncover shocking events from Alex's childhood. As one horrifying fact after another comes to light, Erica and Patrik's curiosity gives way to obsession—and their flirtation grows into uncontrollable attraction. But it's not long before one thing becomes very clear: a deadly secret is at stake, and there's someone out there who will do anything—even commit murder—to protect it. Fans of Scandinavian greats Stieg Larsson and Henning Mankell will devour Camilla Läckberg's penetrating portrait of human nature at its darkest.
