The Sonnets and a Lover's Complaint

When this volume of Shakespeare's poems first appeared in 1609, he had already written most of the great plays that made him famous. The 154 sonnets - all but two of which are addressed to a beautiful young man or a treacherous 'dark lady' - contain some of the most exquisite and haunting poetry ever written, and deal with eternal subjects such as love and infidelity, memory and mortality, and the destruction wreaked by Time. Also included is A Lover's Complaint, originally published with the sonnets, in which a young woman is overheard lamenting her betrayal by a heartless seducer.

A Lover's Complaint

"A Lover's Complaint" is a narrative poem published as an appendix to the original edition of Shakespeare's sonnets. It is given the title "A Lover's Complaint" in the book, which was published by Thomas Thorpe in 1609. Although published as Shakespeare's work, the poem's authorship has become a matter of critical debate. The majority opinion is that it is by Shakespeare. The poem consists of forty-seven seven-line stanzas written in the rhyme royal (with the rhyme scheme ababbcc), a metre and structure identical to that of Shakespeare's poem The Rape of Lucrece. In the poem, the speaker sees a young woman weeping at the edge of a river, into which she throws torn-up letters, rings, and other tokens of love. An old man asks the reason for her sorrow, and she responds by telling him of a former lover who pursued, seduced, and finally abandoned her. She concludes her story by conceding that she would fall for the young man's false charms again. Despite its appearance in the published collection of the sonnets, critics have often doubted attribution to Shakespeare. "A Lover's Complaint" contains many words and forms not found elsewhere in Shakespeare, including several archaisms and Latinisms, and is sometimes regarded as rhythmically and structurally awkward. Conversely, other critics have a high regard for the poem's quality – Edmond Malone called it "beautiful"

A Lover's Complaint Annotated

In this narrative poem, a young woman is seen crying by a river bed, tossing letters and gifts into the waters. When asked about her sorry state, the woman tells of how she was seduced into falling in love with a young man who ultimately abandoned her. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. Shakespeare's Sonnets

Shakespeare's sonnets are a collection of 154 sonnets, dealing with themes such as the passage of time, love, beauty and mortality, first published in a 1609 quarto entitled Shakespeares Sonnets. Venus and Adonis is a poem written in 1592–1593 and published in 1609. It recounts Venus' attempts to woo Adonis, their passionate coupling, and Adonis' rejection of the goddess, to which she responds with jealousy, with tragic results. The Rape of Lucrece, published in 1594, is a narrative poem focusing on the rape and tragic death of the title character and on the revenge that follows. The Passionate Pilgrim, published in 1599, is an anthology of 20 poems collected and published by William Jaggard that were attributed to "W. Shakespeare" on the title page, only five of which are considered authentically Shakespearean. These are two sonnets, later to be published in the 1609 collection of Shakespeare's sonnets, and three poems extracted from the play Love's Labour's Lost. The Phoenix and the Turtle, first published in 1601, is an allegorical poem about the death of ideal love, widely considered to be one of his most obscure works and has led to many conflicting interpretations. The poem describes a funeral arranged for the deceased Phoenix and Turtledove, the latter a traditional emblem of devoted love. A Lover's Complaint is a narrative poem published as an appendix to the original edition of Shakespeare's sonnets. It is given the title "A Lover's Complaint" in the book, which was published in 1609. William Shakespeare (1564 – 1616) was an English poet and playwright, widely regarded as the greatest writer in the English language and the world's pre-eminent dramatist.

The poem consists of forty-seven seven-line stanzas written in the rhyme royal (with the rhyme scheme ababbcc), a metre and structure identical to that of Shakespeare's poem The Rape of Lucrece. After

a scene-setting introduction, the poem takes the form of a lengthy speech by an abandoned young woman, including a speech within her speech, as she recounts the words by which she was seduced. The poem begins with the speaker describing seeing a young woman weeping at the edge of a river, into which she throws torn-up letters, rings, and other tokens of love. An old man nearby approaches the woman and asks the reason for her sorrow. She responds by telling him of a former lover who pursued, seduced, and finally abandoned her.

Shakespeare's Sonnets and a Lover's Complaint (1870)

Excerpt from Shakespeare's Sonnets and a Lover's Complaint: With Introduction by W. H. Hadow
Introduction One of Shakespeare's most amazing gifts is his power of inspiring with new life and interest a perfectly commonplace topic. Beethoven will sometimes take a theme so bare that you wonder at his wasting a thought on it - the bass it may be of a cadence, or three notes of a diatonic scale - and weave it straightway into a texture of unexpected and incomparable beauty: Shakespeare in like manner will take some familiar fact of human nature and by a fresh turn of idea or a fresh adjustment of relations reveal in it an unforeseen depth of purpose and significance. His most memorable scenes are often those which deal with simplest issues, his most memorable lines those which tell a plain thing in plain words: with the whole palette at his command he lays the foundation of his design upon a scheme of primary colours. Now there is one topic which is as old as romance itself: - that in which two men bound to one another by ties of friendship or service fall under the attraction of the same woman. It is the theme of Tristan and of Lancelot, it points the temptation-scene in Sir Gawain, it has formed the plot of a thousand novels and the subject of a thousand lyrics. "A Lover's Complaint" contains many words and forms not found elsewhere in Shakespeare, including several archaisms and Latinisms, and is sometimes regarded as rhythmically and structurally awkward. Conversely, other critics have a high regard for the poem's quality - Edmond Malone called it "beautiful," and suggested that Shakespeare may have been trying to compete with Edmund Spenser. Critics have seen thematic parallels to situations in Shakespeare's All's Well That Ends Well and Measure for Measure. According to John Kerrigan in Motives of Woe, the poem be regarded as an appropriate coda to the sonnets, with its narrative triangle of young woman, elderly man, and seductive suitor paralleling a similar triangle in the sonnets themselves.

Shakespeare's Sonnets and a Lover's Complaint

William Shakespeare (bapt. 26 April 1564 - 23 April 1616) was an English playwright, poet, and actor, widely regarded as the greatest writer in the English language and the world's greatest dramatist. He is often called England's national poet and the "Bard of Avon" (or simply "the Bard"). His extant works, including collaborations, consist of some 39 plays, 154 sonnets, three long narrative poems, and a few other verses, some of uncertain authorship. His plays have been translated into every major living language and are performed more often than those of any other playwright. They also continue to be studied and reinterpreted.

Shakespeare's Sonnets and a Lover's Complaint

The poem opens with a description of a young woman crying at the brink of a river, throwing torn-up letters, jewelry, and other mementos of love into the water. An elderly gentleman approaches the woman and inquires about her sadness. She reacts by telling him about a previous lover who chased her, seduced her, and then abandoned her. She describes in detail how her lover enticed her with a speech. The 154 sonnets, all but two of which are addressed to a beautiful young man, 'Mr W.H., ' or a treacherous 'dark lady, ' contain some of the most exquisite and haunting poetry ever written, and deal with timeless subjects like love and infidelity, memory and mortality, and Time's destructio
