### My Journey of Faith

This book is my life story. This is how I have served in the kingdom of Jesus Christ. My life has been that of total surrender to the work of God. I speak about what it really means to live for Jesus Christ and what it means to live by faith. The good news of the gospel of Jesus Christ has to be spread out to the ends of the world. You do not need a big pulpit to start. Start wherever God has placed you. Together, we can set this world alight with the light of Jesus and bring redemption to all that are lost.

### My Journey with God

My Journey with God is the story of my lifelong search for life's meaning. My dad had a drinking problem, and my mother had a problem with me. I am the oldest of five children, and I often felt like the parent in our family. We were not a church-going family, but at the age of thirteen, a friend invited me to go to church with her, and I had a life-changing experience that night. I literally saw Jesus sitting on a throne in a white robe, and more importantly, He saw me! My story is one of love, hope, and second chances! God can take a wounded, broken spirit, and not only restore it, but He can make it even better than it had been. Sometimes we wounded people, feel very alone, and our insecurities tell us that there are some things that we will just have to live with, but I am here to tell you that it does not have to be that way. God wants to give us everything He has, but our problem is that we do not know how to claim it. This story, shared from my heart, will touch you, inspire you, and give you hope!

### My Journey Of Faith

"At six years old Charles Mulli woke up one morning to find he had been completely abandoned by both parents. All alone he fell into a life of abject poverty, forcing Mulli to wander from hut to hut begging for food for his very survival, unable even to attend school. ..." As a teenager Mulli started a small taxi company which grew to be very successful. Eventually he expanded his business ventures to include real estate, insurance, and oil and gas distribution, becoming a highly successful businessman. But despite all his success, the growing struggle in his heart over the plight of thousands of Kenyan street children remained strong until one day he surrendered to the call of God on his life to sell everything he owned and begin rescuing street children from the slums of Kenya. His story is told

here in My Journey of Faith from his own perspective, describing his incredible life of faith that is filled with love, miracles, and powerful answers to prayer, and demonstrates persuasively how a close walk with God is accessible to all of us even today. The reader will experience the amazing true stories of tragedy-turned-triumph where hopeless cases encounter the work of Charles Mulli's and discover a new life they could not have imagined.

### Along the Way

This is the story of my life's journey. It began with my growing up in a small town in eastern Massachusetts where a caring community surrounded you every day and everywhere. Then on to college and marriage where I began my career. Over the years, our family moved several times to new places in different states. At each stop, we met new people, formed new friendships, and lived through all of the experiences of life, individually and as a family. Everywhere we moved, we were blessed to receive the love and care of God's church through being embraced by and accepted into nurturing and loving faith communities. God's light and love held us together all along the way. We'll share with you some of our true-life accounts of faith, family, and relationships from each of those locations. You'll read about wins and losses, successes and setbacks, challenges and perseverance, and about love-family love shared in some amazing ways-and God's love shared with us every step of the way. Learn about my call from God and how I finally answered it in an amazing sequence of events that unfolded successfully with God's help. I hope you'll find some helpful thoughts from the accounts and reflections in this book that will help you in your journey through life. We live in a time of heightened anxiety and uncertainty. Some say our future is in doubt. I have five amazing grandchildren. Read this book and see if you agree with my assessment: "I'm confident about our future because I'm certain about our children and our grandchildren." I would offer this word to you today: Uplift your family in prayer as you uphold them in God's love. Be there for each other. All of our life's journeys continue. I'd love to hear how yours is going, who have you met, what have you learned, and what will you be sharing with your grandchildren. ### Steps of Faith

Steps of Faith: My Journey of Following God One Step at a Time By: Lisa Hayes What now, Lord? What do you do when life seems to throw at you way more than it seems you can handle? Before you can get out of one situation, another one shows up causing you to feel overwhelmed and with only your head barely above water. That's where I found myself. Three months before the pandemic took the world by storm, my daughter was being uprooted from school. My job was furloughed. Things that once seemed so steady and secure were falling apart left and right. We all go through things where we have to make a decision to trust God and take steps of faith into the provision He has for us. As you read about my journey, may you also be encouraged to take your own steps of faith. Are you ready to step into all that God has in store for you?

### A Journey of Faith

A Journey of Faith is a memoir written during a time Sunseria decided to convert from Christianity to Islam. She talks about what made her decide to convert to Islam and how the transition between the two faiths affected her lifestyle and her relationships with friends, family, and her marriage. During the 6 years as a Muslim, she struggled between the desire to want to be a Muslim and fighting with her husband about her new life. She would later find herself at a cross road, choosing to stay with her husband or leaving her marriage to pursue her new life. She would later decide to leave her marriage to pursue the life as a Muslim. After her divorce she realizes that this was a mistake and her faith began to waiver and she slowly began to pull away from the religion. No longer wearing the hijab, Sunseria still finds difficulty living her new life, but continues to hold on to her faith and her trust in God.

### My Journey of Faith, Hope & Health

This book is a journal made up of 111 articles that were published in our local paper. The woman who wrote the journal was diagnosed with Lung Cancer in December of 2006 and her goal was to help people understand what it was like living and coping with the disease on a daily basis. She wrote about her everyday life, her Chemo and Radiation treatments, her trip to Seattle for Cyber Knife treatment. She wanted people to know that it was possible to lead a somewhat normal life even though the prognosis wasn't good. She tried to give people an insight into thought process that a person with Lung Cancer goes through. The author bared her soul in these articles in order help others with cancer or who had loved ones with the disease. Ann Keefe was my wife, she passed away on April 15th 2009 and I had her Journey of Faith, Hope & Health published in her memory.

### In The Palm Of His Hand: My Journey Of Faith

Just a year and a half after the loss of my only grandparent, I had to face the reality of losing my dearest mother. Dorothy Kenney Busse was a strong woman who lived through the Depression, almost died during high school from a bout with scarlet fever, but survived and pursued a career as a registered nurse, fulfilling a promise she made to God for healing her. In the spring of 1988 as she began to decline in her health, it was then that the rubber band broke, and she lost her will to live. As the months unfolded, I decided to write a journal of our time together. The last year of her life, my mother was dying, and there was a combination of hoping for a cure and coming to terms with her eventual death. Through her dying, I turned to my faith as a way to cope with the emotional roller coaster of life and death. Although my children were very young, I was lucky to be a stay-at-home mom and lucky to have good friends and family who helped me in my hours of need. Throughout her final days, we explored many options of faith healing and prayer. Although she eventually succumbed to her illness, her journey helped me to strengthen my faith and to be there for her in her last moments of life, encouraging her to let go and embrace eternal life.

### Mistakes I have made On my Journey of Faith

I am writing about the mistakes I have made so that you may avoid them on your journey of faith. If you have made similar mistakes, I hope this book will help you realize that you are not alone. I pray you will be encouraged that you can overcome those mistakes, and they can be important moments of learning that you benefit from, as painful as they may be at that moment. Mostly, I hope that you will realize that Jesus Christ will forgive you of your mistakes. If you have made mistakes, if you have experienced despair because of them, and if you have grieved over them, I pray you will also find the peace and joy and the awe and wonder of Jesus Christ that you may not have experienced before—peace, joy, awe, and wonder that cannot be found anywhere else. If you have struggled, as I have, to live more faithfully, this book is for you. Our mistakes do not deprive us of God's love, but often reveal his love for us. Often, they teach us that Jesus Christ is the remedy, the balm, the redemption of all the mistakes we have made. I pray you will discover that he is for you too.

Psalm 127:1a Unless the LORD build the house, they labor in vain who build. This is the story of my journey of faith. I am a cradle Catholic who grew up with God, family and community as the moral compass points in my life, in a small town where everyone knew each other. I conflated obeying God with obeying parents and cultural norms, until I ventured out into the world. Sadly, I married outside the Church, my faith and culture, all of which taught marriage is forever. God was ever calling me back to my faith, immature and unschooled as it was, but the world tugged in another direction and I stayed frozen in the situation. With a clear promise from God that He would not leave me orphan, I took a leap of faith and left with my two children. With God at its center, my life has been an incredible journey of learning to grow in faith and do His work. The Angels that surround me re-anchor me. This is my personal response to God. I leave you, the reader enough room to build your own response. That you are reading this book is the reason God was prompting me to share it. Belza Elia Ramos was born in 1940 in Salineño, TX, and grew up in Corpus Christi. There she pursued her dream of being a nurse. Her life is full of "firsts" as a Hispanic woman, with few Hispanic women role models. She writes to encourage others to be resilient, have faith in God and themselves. Past experiences often help forge new careers. She enjoys being with family and she is looking forward to her first great-granddaughter! Writing with the hindsight of an adult helps her understand life better and she gets to laugh and cry all over again!

### Reflections on My Journey Of Faith

"In the spirit, I felt my great-grandma Thalia's presence that night. I had received an opportunity to visit a chapter in my family's past and to take my son with me. My parents always taught me that you must know your history to understand where you're going (or possibly where you don't want to go back to). On this occasion, I was able to help him see the relevance of his past to the present, and to look beyond the present to the unlimited potential of the future. My soul was lifted, and I had a divine assurance that the legacy of documenting, preserving, and telling our family's history would not be lost to the winds of time. That evening, one of our children paused to look back with me and to set his compass for a good course into the future." "With an amazing level of transparency, C. J. Brown provides a well-written book that allows us to witness her personal triumph over tragedy. A Metamorphosis of the Soul invites readers to examine their own faith journey as the author displays the power of God in her spiritual journey." -Rev. Dr. Clarence H. Burke, pastor Beacon Light Missionary Baptist Church Durham, North Carolina

### My Journey of Faith in an Unforgiving and Hostile World

My personal journey of faith with Jesus. It is not an autobiography, but my faith walk, so some things in my life have been left out. This is my journey, so it will be different for you, but my prayer is that you can glean from what I have learned.

### A (My) Journey of Faith (Book 2)

A Journey through Faith is an account of one man's journey experiencing and learning obedience to God's word. Jack is a marvelous storyteller. He uses that skill to illustrate from his own life how he walks out his faith in everyday life. It will stir your heart to perfect your own faith. Many have written on this foundational subject. But no one can tell the old story quite like Jack. He is a member of Fullness in Christ Church, Fort Worth, TX where he demonstrates his faith well. Ras Robinson, President Fullness in Christ Ministries, Inc. Fort Worth, TX 76179 A Journey through Faith is full of present-day experiences and lessons learned that have taken me from a lost soul to faithful Christian living. My journey through faith is not over. I know that I will continue to follow Jesus through this world until I pass from this world into Heaven. I pray the readers will gain insights with these experiences and lessons that will ease the trials of their own walk as Christians. But the greatest knowledge I can pass on is we will be in Heaven with Jesus if we can learn to take up our cross and follow Him.----Jack Snyder Jack sees a need, and moves to meet it! That expression speaks to his writing "A Journey through Faith." Jack's writings come from his experiential faith and love in action. The reader will enjoy his down home, often humorous practical interpretation of Scriptural truth. I highly recommend a thoughtful consideration of "A Journey through Faith." Pastor Eddie Howard, Christian Fellowship Church, Albuquerque, NM Jack Snyder lives in Fort Worth, TX with his wife, Shirley. They sing southern gospel songs in an Alzheimer/memory care center. Jack leads adult Bible studies and a prayer group on Thursday evenings.

### My Journey

In 2012 The Holy Father Pope Benedict XVI declared that the Church would celebrate a Year of Faith from October 2012 'till November 2013. Pope Benedict resigned, giving up his office in a historic move. A new pope, Pope Francis I, was elected and moving with an energy that surprised the Church and those outside the Church, he published an encyclical, "Lumen Fidei" (The Light of Faith). I was moved to examine my faith in more detail and decided to use my column in the Scottish Catholic Observer to explore what I claim to believe and what it means for my life. This book is based on the monthly column published in 2013. As part of the research for the column I made an attempt to complete the Camino, the pilgrimage rout through the North of Spain to the shrine of Saint James at Santiago de Compostella. The account of my journey is also included in this book.

### A Journey Through Faith

The word 'journey' is a common metaphor used to describe our time here on Earth. Everyone's journey of life is unique and it can change direction, at any time, for any reason, by our own choice or by conditions imposed upon us. This booklet is about one quite ordinary life journey – mine – a dominant feature of which is a journey to faith in God. I was brought up in India as a god-fearing Hindu mainly because of the influence my mother's religious practices had on me. But my life as a Hindu radically changed direction when I was confronted by the God of the Bible. I respectfully discuss my experiences both as a Hindu and as a Christian and present my reasons for the change of spiritual direction in my life. I hope you find this booklet an encouragement in your own journey of life.

### Stories and Songs of Faith

Sohrab Ahmari was a teenager living under the Iranian ayatollahs when he decided that there is no God. Nearly two decades later, he would be received into the Roman Catholic Church. In *From Fire, by Water*, he recounts this unlikely passage, from the strident Marxism and atheism of a youth misspent on both sides of the Atlantic to a moral and spiritual awakening prompted by the Mass. At once a young intellectual's finely crafted self-portrait and a life story at the intersection of the great ideas and events of our time, the book marks the debut of a compelling new Catholic voice.

### My Amazing Journey of Faith

In this, my second edition book you can find encouragement, inspiration, examples of faith in God, and much more. Written by Rev. Dr. Margaret Smith, *My Story - God's Glory* speaks about trusting God at various levels coming from her own experiences. During her journey in ministry, she understood that the fight of faith isn't achieved overnight. It involves a process of spiritual growth and development. "My Story - God's Glory." Talks about the struggles of being raised in a single parent home, the cycles that can continue if not understood, and generational curses that need to be broken. It shows how important it is to know and apply the Word of God. It is also a story that confirms that "without faith it is impossible to please God." No matter what we face, in the end, if we do not faint - give up, God will intervene and He alone will receive the glory. Published by Rev. Dr. Margaret Smith

### What Faith Can DO

This is a story that Colleen Harrington was compelled to write. It is her story. Growing up in a dysfunctional, abusive home fueled by alcohol, she ended up marrying someone like her father. It was a time for her to move on. Trials and challenges came along, but with the courage and faith, she had to move on. With four children to raise, they all went to college and graduated into professional careers and became successful in their own right. She also went back to school to get her RN degree and worked in nursing until she retired. Journaling all her life, writing down her feelings on paper, and writing open letters to God helped her to survive. She felt God nudging her all these years to write her story. Also it's about her love for her sister, who is so awesome.

### My Story God's Glory - Second Edition

An account of one man's search for truth. This book gives an honest account of how the author went from being an evangelical Christian to a devout Catholic.

### The Journey of Faith

Events have constantly unfolded in my life that have, at such a time as this, enabled me to put together a "testimonial journey of my life" and how in the midst of its trials and hardships, I made it by my faith and God's grace. I hope that my story will be a vessel of Hope, Encouragement, and Inspiration to someone who may face difficult times. Always remember, God is able, and His word is true. Nothing is impossible with God. I am a living, breathing, walking, and talking witness! Whatever situations we encounter in our lives, there is an answer on how to get through them throughout the Bible. Just keep the faith, and God will see you through! Just trust Him. And hold onto your faith. I wish you much love and blessings! Trudy N. Stiff

### My Journey of Faith

Metamorphosis: My Journey of Faith shares one woman's spiritual journey using the analogy of the transformation of a caterpillar into a butterfly. As each stage in the caterpillar's metamorphosis serves a vital purpose, so too do these same stages in our spiritual lives. Through the recollection of her personal experiences of hardship, illness, abandonment, and other traumas and trying circumstances, author Madeline Medina-Gonzalez illustrates her transformation within herself. In this memoir, she chronicles her struggles as a shy little girl who experienced fears, struggles, losses, illness, and feelings of abandonment. She became the victim of rape and then embarked on a self-destructive journey that lasted nearly twenty years. After years of failed relationships, keeping her distance from God and her family, she finally hit rock bottom--and it was then that she called out to God. In a miraculous turn of events, He heard her calling. Ultimately, she found salvation in God and her journey of faith. A long journey that led her into God's arms, where she experienced forgiveness, mercy, grace, healing, and His unconditional love. Most of all, Metamorphosis is the story of Madeline Medina-Gonzalez's transformation from sadness to the love of God.
