The Aquarian Gospel of Jesus the Christ (Illustrated)

The Story of Jesus, the Man from Galilee, and How He Attained the Christ Consciousness Open to ALL. THE AQUARIAN GOSPEL OF JESUS THE CHRIST is a far-reaching work that brings to light the intimate details of Christ's life upon which the New Testament gospels are silent, written from the original Akashic Records by a student who devoted forty years to prepare for the task. This unique book is practically a complete record of the words and works of the Man of Galilee, including his eighteen years of study and travel in the Orient. It covers his life from birth in Bethlehem to his ascension from the Mount of Olives. Of special interest and value are the full and intimate details concerning his life during the eighteen years spent in travel among the snow-bound monasteries of Tibet, the stately structures of Egypt, the mysterious temples of India, Persia, and Greece, a period when he walked and talked with monks, wise men, and seers throughout the Orient.

Excerpt: ...king. 13 Worthy they who are maligned and wronged because they do the right; their persecutors they shall bless. 14 Worthy is the trustful child of faith; he shall sit in the throne of power. 15 Be not discouraged when the world shall persecute and call you curst; but rather be exceeding glad. 16 The prophets and the seers, and all the good of earth, have been maligned. 17 If you are worthy of the crown of life you will be slandered, vilified and curst on earth. 18 Rejoice when evil men shall drive you from their ways and cause your name to be a hiss and byword in the street. 19 I say, rejoice; but deal in mercy with the doers of the wrong; they are but children at their play; they know not what they do. 20 Rejoice not over fallen foes. As you help men rise from the depth of sin, so God will help you on to greater heights. 21 Woe to the rich is gold and lands; they have temptations multiform. 22 Woe unto men who walk at will in pleasure's paths; their ways are full of snares and dangerous pits. 23 Woe to the proud; they stand upon a precipice; destruction waits for them. 24 Woe to the man of greed; for what he has is not his own; and, lo, another comes; his wealth is gone. 25 Woe to the hypocrite; his form

is fair to look upon; his heart is filled with carcasses and dead men's bones. 26 Woe to the cruel and relentless man; he is himself the victim of his deeds. 27 The evil he would do to other men rebounds; the scourger is the scourged. 28 Woe to the libertine who preys upon the virtues of the weak. The hour comes when he will be the weak, the victim of a libertine of greater power. 29 Woe unto you when all the world shall speak in praise of you. The world speaks not in praise of men who live within the Holy Breath; it speaks in praise of...

The Aquarian Gospel of Jesus the Christ; the Philosophic and Practical Basis of the Religion of the Aquarian Age of the World and of the Church Universal

The Aquarian Gospel of Jesus the Christ (full title: The Aquarian Gospel of Jesus the Christ: The Philosophic and Practical Basis of the Religion of the Aquarian Age of the World and of the Church Universal) is a book by Levi H. Dowling. It was first published on 1 December 1908. Dowling said he had transcribed the text of the book from the akashic records, a purported compendium of mystical knowledge supposedly encoded in a non-physical plane of existence. In the later 20th century, it was adopted by New Age spiritual groups. The title is derived from the practice in astrology of naming time periods in terms of constellations and their dominant positions in the sky, according to the earth's axial precession. In that system, the Age of Aquarius is approaching. (wikipedia.org)

Aquarian Gospel of Jesus

"Before creation was the Christ walked with the Father God and Mother God in Akasha. "The Christ is son, the only son begotten by Almighty God, the God of Force and God omniscient, God of thought; and Christ is God, the God of Love. "Without the Christ there was no light. Through Christ all life was manifest; and so through him all things were done, and naught was done in forming worlds or peopling worlds without the Christ. "Christ is the Logos of Infinities and through the word alone are Thought and Force made manifest. "The Son is called the Christ, because the Son, the Love, the universal Love, was set apart, ordained to be creator, Lord, preserver and redeemer of all things, of everything that is, or evermore will be. "Through Christ, the protoplast, the earth, the plant, the beast, the man, the angel and the cherubim took up their stations on their planes of life. "Through Christ they are preserved; and if they fall it is the Christ who lifts them up; and if they sell themselves to sin the Christ redeems.

The Aquarian Gospel of Jesus the Christ

What happened to Jesus between the ages of 12 and 30? Where did he go, whom did he meet? How did Jesus increase 'in wisdom and stature, and in favour with God and man'? The Aquarian Gospel reveals the truth of Jesus' journey to the East and how this shaped the boy into the man.

The Aquarian Gospel of Jesus the Christ (Annotated)

A LIVING HOPE: THE GOSPEL OF JESUS CHRIST ILLUSTRATED is a pictorial presentation of the gospel accounts. Through a visual feast of hyperrealistic illustrations, it explores the world and times that Jesus walked in during His earthly ministry.

The Aquarian Gospel of Jesus the Christ

This visionary text professes to tell the complete story of Jesus' life, including the "lost" years, during which he traveled and studied in Tibet, Egypt, India, Persia, and Greece. First published in 1908, this mystical work is the cornerstone of a Christian denomination, the Aquarian Christine Church Universal, and it offers intriguing, controversial assertions about Christ's message. Jesus was conceived by a human father, author Levi Dowling states, and by effort and prayer rendered himself a fit vessel for "the Christ" — the model for human existence and ultimate salvation. Dowling, who devoted forty years of preparation to the task of transcribing this volume's contents from original Akashic records, further asserts the reality of reincarnation and its culmination in the perfection of the human soul. Tracing Jesus' life from his birth in Bethlehem to his ascension from the Mount of Olives, Dowling offers complete details concerning the savior's years among monks, wise men, and seers throughout the Orient. Readers with an interest in occult lore and the history of religion will find this remarkable volume a source of endless fascination.

THE LAUGHING CHRIST is about Jesus the Christ. It emphasizes the joyousness of his nature, describes his birth, infancy, and childhood. It also details countries to which he traveled between the ages of twelve and thirty - the years about which Holy Scripture is silent.

The Aquarian Gospel of Jesus the Christ

The Gospels of the New Testament describing the life of Jesus Christ have provided a rich source of inspiration to artists throughout the centuries. Mark's Gospel was the first to be written and tells the remarkable story of the life of Christ: Jesus' baptism by John the Baptist, and his temptation in the wilderness by Satan; the calling of the twelve apostles, and Jesus' preaching through parables; the many miracles of Jesus, from the feeding of the five thousand to walking on water and healing the sick; and the story of the Passion of Christ, from Judas' betrayal of Jesus with a kiss, to Christ's crucifixion and resurrection.

The Aquarian Gospel of Jesus the Christ

Jesus: Messenger of Peace! tells the story of the life of Jesus of Nazareth as recounted in the Gospels. This illustrated retelling of Jesus's journey draws from the stories found in the books of Matthew, Mark, Luke, and John, and offers young readers an opportunity to learn about the remarkable man who changed the course of the world's history.

The Aquarian Gospel of Jesus the Christ

A well-researched work of fiction from bestselling author Barbara Hand Clow • A contemporary spiritual and erotic thriller that reveals esoteric teachings on Jesus and Mary Magdalene, holy relics, sacred sexuality, and art • Contains hidden secrets on the use of crystals as well as extraordinary information about secret societies • Continues the story from Revelations of the Ruby Crystal • From the bestselling author of The Pleiadian Agenda (98,000 copies sold) and The Mayan Code (57,000 copies sold) Shortly after his wedding at his family's ancient castle in Tuscany, sophisticated and mysterious Armando Pierleoni reveals his richly symbolic painting of the love between Jesus and Mary Magdalene to his bride Jennifer. Deeply affecting all who view it, the alchemical portrayal leads Armando, Jennifer, and their friends on a contemporary journey into the esoteric mysteries of divine marriage, sacred sexuality, the Black Madonna, and the transformative power of holy relics. The group of friends--Jennifer's journalist brother Simon, his mystical wife Sarah, Jungian analyst Lorenzo, exotically beautiful and insightful Claudia, and Armando and Jennifer--discover past-life connections and the power of sacred sex as a path to the divine. They explore how the Knights Templar collected the bones of the Jesus

family from the Talpiot tomb in Jerusalem and eventually placed them in reliquaries throughout the world--including within the Medici Chapel in Florence and in the Four Corners region of the American Southwest. When Armando's magical painting of Jesus and Mary Magdalene goes on display in the Medici Chapel and is viewed by thousands, the painting's power coalesces with Aquarian vibrations to trigger a mass kundalini rising within the Chapel, activating the sacred bones in the reliquaries. The activated bones enable the Light to flow into the world, awakening Christ Consciousness around the globe.

Underground author George Piccard on the politics of LSD, mind control, and Kennedy's involvement with Area 51 and UFOs. Reveals JFK's LSD experiences with Mary Pinchot-Meyer. The plot thickens with an ever expanding web of CIA involvement, from underground bases with UFOs seen by JFK and Marilyn Monroe (among others) to a vaster conspiracy that affects every government agency from NASA to the Justice Department. This may have been the reason that Marilyn Monroe and actress/columnist Dorothy Killgallen were both murdered. Focussing on the bizarre side of history, Liquid Conspiracy takes the reader on a psychedelic tour de force.

The World's Sixteen Crucified Saviors has been out of print but sought after for many years. A small part of it was reprinted in The Book Your Church Doesn't Want You to Read in 1994. Many people are unaware that before Christianity there were 15 other religions that also had a savior who died for their sins, then arose from the dead.

The Laughing Christ

The Acambaro collection comprises hundreds of clay figurines that are apparently thousands of years old; however, they depict such bizarre animals and scenes that most archaeologists dismiss them as an elaborate hoax. The collection shows humans interacting with dinosaurs and various other 'monsters' such as horned men. Both Hapgood and Earl Stanley Gardner were convinced that the figurines from Acambaro were authentic ancient artifacts that indicated that men and dinosaurs had cohabited together in the recent past, and that dinosaurs had not become extinct many millions of years ago as commonly thought. David Hatcher Childress writes a lengthy introduction concerning Acambaro, the latest testing, and other evidence of 'living' dinosaurs.

Discourses and Sayings of Our Lord Jesus Christ

The strange Book of Revelation, written in about 95 AD, opens up a world in which Christian people were under threat from the Roman Empire; some were suffering for their faith. Was it easier to fall in with the ways of the empire in all its wealth and prosperity, as well as cruelty, than to hold fast in their faith? The prophet John records a vision of the risen Jesus which opens up for him God's perspective on the Christian assemblies and on the empire. Written in the sort of poetic literature sometimes called "apocalyptic," John conveys his message encouraging the Christians to stay strong in their witness, while at the same time opening up the demonic realities behind the workings of totalitarian empire and

looking towards God's ultimate victory over all that is evil, in the establishment of God's kingdom. Today we are subject to the allurements of many different sorts of godless "empires," tempting us to put other gods in the place of Jesus Christ. Can Revelation encourage us in our struggles and our witness in our very different world?
