Solutions Manual with CD-ROM to Accompany Managerial Accounting, Tenth Edition

Much like the Ready Notes, this booklet offers a hard copy version of all the Teaching Transparencies. Students can annotate the material during the lecture and take notes in the space provided.

Managerial Accounting (Sm)

This Managerial Accounting Solutions Manual provides answers to all Basic and Involved Problems found in the textbook. The Managerial Accounting book covers a range of managerial and cost accounting topics related to planning, directing, and controlling functions. Costing methods, operating and capital budgets, tools for analysis, performance evaluation, decision-making processes, and reporting techniques are all covered in depth. This material is customary for most managerial accounting courses, and is foundational for all accountants and business people.
