The Fifth House of the Heart

Filled with characters as menacing as they are memorable, this chilling twist on vampire fiction packs a punch in the bestselling tradition of 'Salem's Lot by Stephen King. Asmodeus "Sax" Saxon-Tang, a vainglorious and well-established antiques dealer, has made a fortune over many years by globetrotting for the finest lost objects in the world. Only Sax knows the true secret to his success: at certain points of his life, he's killed vampires for their priceless hoards of treasure. But now Sax's past actions are quite literally coming back to haunt him, and the lives of those he holds most dear are in mortal danger. To counter this unnatural threat, and with the blessing of the Holy Roman Church, a cowardly but cunning Sax must travel across Europe in pursuit of incalculable evil—and immeasurable wealth—with a ragtag team of mercenaries and vampire killers to hunt a terrifying, ageless monster...one who is hunting Sax in turn. Girls in Contemporary Vampire Fiction

This book explores the narratives of girlhood in contemporary YA vampire fiction, bringing into the spotlight the genre's radical, ambivalent, and contradictory visions of young femininity. Agnieszka Stasiewicz-Biedkowska considers less-explored popular vampire series for girls, particularly those by P.C. and Kristin Cast and Richelle Mead, tracing the ways in which they engage in larger cultural conversations on girlhood in the Western world. Mapping the interactions between girl and vampire corporealities, delving into the unconventional tales of vampire romance and girl sexual expressions, examining the narratives of women and violence, and venturing into the uncanny vampire classroom to unmask its critique of present-day schooling, the volume offers a new perspective on the vampire genre and an engaging insight into the complexities of growing up a girl.

Or vampires, as they're more widely known. Children have been going missing, and agents are routinely being slaughtered. Abraham Lincoln: Vampire Hunter

Indiana. Moonlight falls through the dense woods that surround a one-room cabin, where a nine-year-old Abraham Lincoln kneels at his suffering mother's bedside. Only later will the grieving Abe learn that his mother's fatal affliction was actually the work of a vampire. And this mastery shall have but one purpose..." Gifted with his legendary height, strength, and skill with an ax, Abe sets out on a path of vengeance that will lead him all the way to the White House. remained in the shadows for hundreds of years. That is, until Seth Grahame-Smith stumbled upon The Secret Journal of Abraham Lincoln, and became the first living person to lay eyes on it in more than 140 years. Managed

It started off as a battle of wits. Me: the ordinary girl with a big mouth against Him: the sexy bastard with a big...ego. I thought I'd hit the jackpot when I was upgraded to first class on my flight to London. That is until HE sat next to me. Gabriel Scott: handsome as sin, cold as ice. Nothing and no one gets to him. Ever. He's a legend in his own right, the manager of the biggest rock band in the world, and an arrogant ass who looks down his nose at me. I thought I'd give him hell for one, long flight. I didn't expect to like him. I didn't expect to want him. But the biggest surprise? He wants me too. Only in a way I didn't see coming. If I accept his proposal, I leave myself open to falling for the one man I can't manage. But I'm tempted to say yes. Because the real man beneath those perfect suits and that cool façade just might be the best thing that's ever happened to me. And I just might be the only one who can melt the ice around his heart. Let the battle begin...
