The Biggest Myth About Innovation - The Biggest Myth About Innovation by Be Smart 251,472 views 7 months ago 18 minutes - The idea of the lone genius creating everything isn't just misleading. It's harmful and wrong. **Innovation**, thrives when people work ...

I've got a gripe  
How innovation stories usually go  
The last time this happened, things got weird  
Stabbing sick people in Olde London  
A heroic cow named Blossom  
Why Napoleon hated swamps  
The preacher, sparks, and a fortuitous explosion  
Who's "in charge" here?  
Bubbles, for your health!  
Putting the club in soda  
Needles and drugs  
A tower in Paris  
Quantum bros  
Very VERY tiny things  
This physicist hates cats  
Mr. Helix and the messengers  
It's all coming together  
The best part of the story  
Extras
