M Is for Mama

A PUBLISHER'S WEEKLY BESTSELLER Mama of ten Abbie Halberstadt helps women humbly and gracefully rise to the high calling of motherhood without settling for mediocrity or losing their minds in the process. Motherhood is a challenge. Unfortunately, our worldly culture offers moms little in the way of real help. Mamas only connect to celebrate surviving another day and to share in their misery rather than rejoice in what God has done and to build each other up in hard times. There has to be a better way, a biblical way, for mamas to grow and thrive. As a daughter of Christ, you have been called to be more than an average mama. Attaining excellence doesn't have to be unsettling but it will take committed focus and a desire to parent well according to God's grace and for His glory. M is for Mama offers advice, encouragement, and scripturally sound strategies seasoned with a little bit of humor to help you embrace the challenge of biblical motherhood and raise your children with love and wisdom. Mama, you are worthy of the awesome responsibility God has given you. Now it's time to start believing you can live up to it.

Up from Serfdom

"It was the arbitrary nature of the serfholder's power that weighed on serfs like Nikitenko, for as they discovered, even the most benevolent patron could turn overnight into an overbearing tyrant. In that respect, serfdom and slavery were the same."—Peter Kolchin, from the foreword Aleksandr Nikitenko, descended from once-free Cossacks, was born into serfdom in provincial Russia in 1804. One of 300,000 serfs owned by Count Sheremetev, Nikitenko as a teenager became fiercely determined to gain his freedom. In this memorable and moving book, here translated into English for the first time, Nikitenko recollects the details of his childhood and youth in servitude as well as the six-year struggle that at last delivered him into freedom in 1824. Among the very few autobiographies ever written by an ex-serf, Up from Serfdom provides a unique portrait of serfdom in nineteenth-century Russia and a profoundly clear sense of what such bondage meant to the people, the culture, and the nation. Rising to eminence as a professor at St. Petersburg University, former serf Nikitenko set about writing his autobiography in 1851, relying on his own diaries (begun at the age of fourteen and maintained throughout his life), his father's correspondence and documents, and the stories that his parents and grandparents told as he was growing up. He recalls his town, his schooling, his masters and mistresses, and the utter capriciousness of a serf's existence, illustrated most vividly by his father's lurching path from comfort to destitution to prison to rehabilitation. Nikitenko's description of the tragedy, despair, unpredictability, and astounding luck of his youth is a compelling human story that brings to life as never before the experiences of the serf in Russia in the early 1800s.

Eth Cepher - Besora'oth

The Besora'oth is a collection of the Four Gospels of the Brit Chadasha (New Testament) set forth in a PaRDeS format, with Hebraic terms inter-lineated for key concepts. There are also direct Hebrew quotes in both the Hebrew language and transliterated Hebrew for the English reader. These portions include the prayer, called the "our Father," the statements made at the Last Supper, the statement at the cross, the quotation of Yesha'yahu (Isaiah) 61, plus others. One of the most important features is the inclusion of the fragments from the Gospel according to the Hebrews (Eusibeus/Jerome). This book is an indispensable resource for those who preach the Gospels and seek understanding from a Hebraic point of view.

The Books of Enoch

This translation contains all 3 Books of Enoch: 1) 1 Book of Enoch (Also called The Ethiopic Book of Enoch) 2) 2 Book of Enoch (Also called The Slavonic Book of Enoch, The Secrets of Enoch). Also contains the extended version of 2 The Book of Enoch, The Exaltation of Melchizedek. 3) 3 Book of Enoch (Also called The Hebrew Book of Enoch) Although this book is considered apocryphal for the

Western canon, it is contained in the Ethiopic Bible. It was considered sacred by some but it was left out of the Bible and disappeared for centuries until it was rediscovered in Ethiopic. According to most scholars, part of it was written in third century BCE and part of it in the first century CE (the part related to the Son of Man). Although the oldest complete copies of 1 Enoch are K-9 or Kebran 9, dated late fourteenth early fifteenth century and Ethiopian Monastic Microfilm Library (EMML 2080) of the fifteenth or fourteenth century, fragments found in Qumram in the 1950s are more than 2000 years old. Other old important manuscripts are Abbadianus 55 (possibly fifteenth century) and British Museum Orient 485 (first half of the sixteenth century). The 2nd Book of Enoch, the Slavonic Enoch, is another apocryphal book, found complete only in Old Slavonic manuscripts, and it was once present in the Old Slavonic Bible. It's usually dated to the first century CE although Matthew Black in The Oxford Guide to People & Places of the Bible states that there is no manuscript earlier than the fourteenth century BCE. The 3rd Book of Enoch, the Hebrew Enoch, is a Rabbinic text originally written in Hebrew usually dated to the fifth century CE. Some experts believe it was written by Rabbi Ishmael (second century CE).

Revelation

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Markandeya Purana

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the Reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science and stories, logic and coincidence, on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation, step-by-step techniques for the re-creation of the energy field of the evolved human, which is the key to ascension and the next dimensional world. If done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others and even of the planet. Embrace the expanded vision and understanding that Drunvalo offers to the world. Coincidences abound, miracles flourish and the amazing stories of mysteries unveiled arise as the author probes the Ancient Secrets of the Flower of Life.

THE MIND-BENDING CULT CLASSIC ABOUT A HOUSE THAT'S LARGER ON THE INSIDE THAN ON THE OUTSIDE • A masterpiece of horror and an astonishingly immersive, maze-like reading experience that redefines the boundaries of a novel. "Simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —Michiko Kakutani, *The New York Times* "Thrillingly alive, sublimely creepy, distressingly scary, breathtakingly intelligent—it renders most other fiction meaningless." —Bret Easton Ellis, bestselling author of *American Psycho* "This demonically brilliant book is impossible to ignore." —Jonathan Lethem, award-winning author of *Motherless Brooklyn* Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth—musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies—the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices, the story remains unchanged. Similarly, the cultural fascination with *House of Leaves* remains as fervent and as imaginative as ever. The novel has gone on to inspire doctorate-level courses and masters theses, cultural phenomena like the online urban legend of "the backrooms," and incredible works of art in entirely unrealized mediums from music to video games. Neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of the impossibility of their new home, until the day their two little children wandered off and their voices eerily began to return another story—of creature

darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

Why did Jesus Christ suffer and die? I believe that is the most important question of the twenty-first century. Here are ten answers from the Bible. Jesus came to die... #10) To destroy hostility between races The suspicion, prejudice, and demeaning attitudes between Jews and non-Jews in Bible times were as serious as the racial, ethnic, and national hostilities today. Jesus died to create a whole new way for races to be reconciled: he "has broken down...the dividing wall of hostility...making peace...through the cross" (Ephesians 2:14-16). It is impossible to build lasting unity among races by saying that all religions can come together as equally valid. God sent his Son into the world as the only means of saving sinners and reconciling races. Only as the races find this reconciliation will they love and enjoy each other. #9) To give marriage its deepest meaning God's design was never for marriages to be miserable, yet many are. That's what sin does...it makes us treat each other badly. Jesus died to change that. He knew that his suffering would make the deepest meaning of marriage plain. That's why the Bible says, "Husbands, love your wives, as Christ loved the church and gave himself up for her" (Ephesians 5:25). God's design for marriage is for a husband to love his wife the way Christ loves his people, and for the wife to respond the way Christ's people should. This kind of love is possible because Christ died for both husband and wife. #8) To absorb the wrath of God God's law demanded, "You shall love the Lord your God with all your heart and with all your soul and with all your might" (Deuteronomy 6:5). But we have all loved other things more. This is what sin is--dishonoring God by preferring other things over him, and acting on those preferences. The seriousness of an insult rises with the dignity of the one insulted. Since our sin is against the Ruler of the Universe, "the wages of [our] sin is death" (Romans 6:23). Not to punish it would be unjust. So God sent his own Son, Jesus, to divert sin's punishment from us to himself. God "loved us and sent his Son to be the propitiation"--the wrath-absorbing substitute--"for our sins" (1 John 4:10). Then God publicly endorsed Christ's accomplishment by raising him from the dead, proving the success of his suffering and death. #7) So that we would escape the curse of the law There was no escape from the curse of God's law. It was just; we were guilty. There was only one way to be free: someone must pay the penalty. "Christ redeemed us from the curse of the law by becoming a curse for us" (Galatians 3:13). The law's demands have been fulfilled by Christ's perfect law-keeping, its penalty fully paid by his death. This is why the Bible teaches that getting right with God is not based on law-keeping: "A person is not justified by works of the law but through faith in Jesus

Christ" (Galatians 2:16). Our only hope is having the blood and righteousness of Christ credited to our account. #6) To reconcile us to God The reconciliation that needs to happen between man and God goes both ways. God's first act in reconciling us to himself was to remove the obstacle that separated him from us--the guilt of our sin. He took the steps we could not take to remove his own judgment by sending Jesus to suffer in our place: "While we were enemies we were reconciled to God by the death of his Son" (Romans 5:10). Reconciliation from our side is simply to receive what God has already done, the way we receive an infinitely valuable gift. #5) To show God's love for sinners The measure of God's love is shown by the degree of his sacrifice in saving us from the penalty of our sins: "he gave his only Son" (John 3:16). When we add the horrific crucifixion that Christ endured, it becomes clear that the sacrifice the Father and the Son made to save us was indescribably great! The measure of his love increases still more when we consider the degree of our unworthiness. "God shows his love for us in that while we were still sinners, Christ died for us" (Romans 5:8). Our debt is so great, only a divine sacrifice could pay it. #4) To show Jesus' own love for us The death of Christ is also the supreme expression that he "loved me and gave himself for me" (Galatians 2:20). It is my sin that cuts me off from God. All I can do is plead for mercy. I see Christ suffering and dying "to give his life as a ransom for many" (Matthew 20:28). And I ask, am I among the "many"? And I hear the answer, "Whoever believes in him should not perish but have eternal life" (John 3:16). Jesus paid the highest price possible to give me--personally--the greatest gift possible. #3) To take away our condemnation The great conclusion to the suffering and death of Christ is this: "There is therefore now no condemnation for those who are in Christ Jesus" (Romans 8:1). To be "in Christ" means to be in relationship to him by faith. Christ becomes our punishment (which we don't have to bear) and our worth before God (which we cannot earn). The death of Christ secures freedom from condemnation for those who believe that Christ has served their death sentence. It is as sure that they cannot be condemned as it is sure that Christ died! #2) To bring us to God "Gospel" means "good news," and it all ends in one thing: God himself. The gospel is the good news that at the cost of his Son's life, God has done everything necessary to captivate us with what will make us eternally and ever-increasingly happy--namely, himself. "Christ...suffered once for sins, the righteous for the unrighteous, that he might bring us to God" (1 Peter 3:18). #1) To give eternal life to all who believe on Him Jesus made it plain that rejecting the eternal life he offered would result in the misery of eternity in hell: "Whoever does not believe is condemned already....the wrath of God remains on him" (John 3:18, 36). But for those who trust Christ, the best is yet to come. "No eye has seen, nor ear heard, nor the heart of man imagined what God has prepared for those who love him" (1 Corinthians 2:9). We will see the all-satisfying glory of God. "This is eternal life, that they know you the only true God, and Jesus Christ whom you have sent" (John 17:3). For all these reasons and more, Christ suffered and died. Why would you not embrace him as your Savior from sin and judgment, and live with God eternally? If you are moved to embrace God's Son in this way, tell God in words like these: Dear God, I'm convinced that Jesus suffered and died for my sins. I gratefully trust in him now as my Lord and my precious Treasure and the only way I'll ever receive your forgiveness and your promise of eternal life. Amen.

The Mirror Translation is a paraphrased translation from the original text. While strictly following the literal meaning of the original text, sentences have been constructed so that the larger meaning is continually emphasised by means of an expanded text. Some clarifying notes are included in brackets or at the end of the book. This is a paraphrased study rather than a literal translation. While the detailed shades of meaning of every Greek word has have been closely studied, this is done taking into account

the consistent context of the entire chapter within the wider epistle, and bearing in mind the full context of Jesus and his finished work, which is what the message of the Bible is all about.

It has never been shown that human emissions of the gas of life drive global warming. Large bodies of science that don't fit the narrative have been ignored by IPCC, COP and self-interested scientists paid by taxpayers. A huge subsidised industry of intermittent unreliable wind and solar electricity has been created based on unsubstantiated science. The same hucksters now want subsidised hydrogen, costly inefficient EVs, subsidised mega-batteries and other horribly expensive tried and failed schemes to impoverish people, create unemployment, transfer wealth and enrich China. Germany, Texas, California and the UK had a glimpse of Net Zero with blackouts, astronomically high electricity costs and hundreds of deaths. We once had reliable cheap electricity and now that governments have gone green, we are heading for hard economic times. In this book I charge the greens with murder. They murder humans who are kept in eternal poverty without coal-fired electricity. They support slavery and early deaths of black child miners. They murder forests and their wildlife by clear felling for mining and wind turbines. They murder forests and wildlife with their bushfire policies. They murder economies producing unemployment, hopelessness, collapse of communities, disrupted social cohesion and suicide. They murder free speech and freedoms and their takeover of the education system has ended up in the murdering of the intellectual and economic future of young people. They terrify children into mental illness with their apocalyptic death cult lies and exaggerations. They try to divide a nation. They are hypocrites and such angry ignorant people should never touch other people's money. The greens are guilty of murder. The sentence is life with no parole in a cave in the bush enjoying the benefits of Net Zero.

The inspirational sequel to 12 RULES FOR LIFE, which has sold over 5 million copies around the world - now in paperback In 12 Rules for Life, acclaimed public thinker and clinical psychologist Jordan B. Peterson offered an antidote to the chaos in our lives: eternal truths applied to modern anxieties. His insights have helped millions of readers and resonated powerfully around the world. Now in this long-awaited sequel, Peterson goes further, showing that part of life's meaning comes from reaching out into the domain beyond what we know, and adapting to an ever-transforming world. While an excess of chaos threatens us with uncertainty, an excess of order leads to a lack of curiosity and creative vitality. Beyond Order therefore calls on us to balance the two fundamental principles of reality - order and chaos - and reveals the profound meaning that can be found on the path that divides them. In times of instability and suffering, Peterson reminds us that there are sources of strength on which we can all draw: insights borrowed from psychology, philosophy, and humanity's greatest myths and stories. Drawing on the hard-won truths of ancient wisdom, as well as deeply personal lessons from his own life and clinical practice, Peterson offers twelve new principles to guide readers towards a more courageous, truthful and meaningful life.

The Fountainhead, one of the most thought-provoking novels of the twentieth century, advocates individualism through the story of a gifted young architect who rejects the tyranny of conventional public opinion. Three personalities vividly depict the struggle for personal integrity in a world that prioritises

conformity above creativity: Gail Wynand, the newspaper mogul and self-made millionaire whose power was bought by sacrificing his ideals to the lowest common denominator of public taste; and Dominique Francon, the devastating beauty whose desperate search for meaning has been twisted, through despair, into a quest to destroy the single object of her affection.
