Bedtime Stories for Little Boys and Girls

Get ready for a busy day in the garden, a pirate adventure and a trip to the top of a mountain - there's so much to discover! Filled with stories from a host of well-loved authors and illustrators, including Julia Hubery (A Little Fairy Magic, That's What Friends Are For) and Caroline Pedler (Who's Afraid of the Big Bad Bunny?, Super-Duper Dudley!). With beautifully illustrated stories and poems throughout, this charming anthology is the perfect gift for all three year olds. Includes: Little Bear's Big Jumper Pirate Piggy Wiggy The Busy, Busy Day It's My Turn! A Friend Like You By the Light of the Silvery Moon

Stories for 3 Year Olds

Each act, big or small, can make a difference – or at least help a friend. What does it mean to be kind? When Tanisha spills grape juice all over her new dress, her classmate contemplates how to make her feel better and what it means to be kind. From asking the new girl to play to standing up

for someone being bullied, this moving and thoughtful story explores what a child can do to be kind. With award-winning author Pat Zietlow Miller's gentle text and Jen Hill's irresistible art, *Be Kind* is an unforgettable story for young children, about how simple acts can change the world.

Be Kind

A boy tending sheep on a lonely mountainside thinks it a fine joke to cry "wolf" and watch the people come running, until the day a wolf is really there and no one answers his call. Includes a word puzzle and reading tips for parents.

The Boy Who Cried Wolf

At the end of the day, At the start of the night, When the earth is half dark, When the sky is half light, Who puts the animals to bed? A strong bedtime theme, a host of adorable animals and a fantastic read-aloud story combine to create the perfect book for snuggling up with.

Who Puts the Animals to Bed?

This book features 5 picture book stories amongst which are the captivating Story of Pinocchio, the enchanting tale of The Gingerbread Man and the hilarious Emperor's New Clothes. Each story is illustrated and indicated for either reading aloud or for more confident readers to tackle alone.

Stories for Little Boys

Oh, baby! Leslie Patricelli's one-haired wonder returns to share the love. When you're an adorable bald baby, your family finds lots of ways to show you how much they love you: Mommy lifts you uppy, Daddy kisses you on the tummy, and everyone wants to snuggle. What's not to love? With comedy and warmth, Leslie Patricelli offers a universal tribute to love and affection in a book full of instant appeal for little valentines everywhere.

Huggy Kissy

Reproduction of the original: *Story Book, For Little Boys and Girls* by Aunt Fanny

Story Book, For Little Boys and Girls

The Mole had been working very hard all the morning, spring-cleaning his little home. First with brooms, then with dusters; then on ladders and steps and chairs, with a brush and a pail of whitewash; till he had dust in his throat and eyes, and splashes of whitewash all over his black fur, and an aching back and weary arms. Spring was moving in the air above and in the earth below and around him, penetrating even his dark and lowly little house with its spirit of divine discontent and longing. It was small wonder, then, that he suddenly flung down his brush on the floor, said 'Bother!' and 'Oblow!' and also 'Hang spring-cleaning!' and bolted out of the house without even waiting to put on his coat. Something up above was calling him imperiously, and he made for the steep little tunnel which answered in his case to the gravelled carriage-drive owned by animals whose residences are nearer to the sun and air. So he scraped and scratched and scabbled and scrooged and then he scrooged again and scabbled and scratched and scraped, working busily with his little paws and muttering to himself, 'Up we go! Up we go!' till at last, pop! his snout came out into the sunlight, and he found himself rolling in the warm grass of a great meadow.

The Wind in the Willows

From beloved children's book creator Crockett Johnson comes the timeless classic *Harold and the Purple Crayon*! This imagination-sparking picture book belongs on every child's digital bookshelf. One evening Harold decides to go for a walk in the moonlight. Armed only with an oversize purple crayon, young Harold draws himself a landscape full of wonder and excitement. Harold and his trusty crayon travel through woods and across seas and past dragons before returning to bed, safe and sound. Full of funny twists and surprises, this charming story shows just how far your imagination can take you. "A satisfying artistic triumph." —Chris Van Allsburg, author-illustrator of *The Polar Express* Share this classic as a birthday, baby shower, or graduation gift!

Harold and the Purple Crayon

Embark on a magical journey with "Short Bedtime Stories for Little Boys" by the enchanting storyteller, Chiara Fantasy. In this delightful collection, young readers will be transported to fantastical realms filled with gallant princes, friendly dragons, and timeless adventures. Each tale is woven with the promise of happy endings, where bravery and kindness prevail, and important life lessons are learned. These charming stories will captivate the hearts and imaginations of young boys, filling their dreams with tales of valor, friendship, and the boundless magic of the imagination. From daring quests to protect their kingdoms to forming unbreakable bonds with mythical creatures, the young heroes in these stories embody courage and compassion, teaching valuable morals along the way. As they follow these captivating adventures, young readers will discover the importance of friendship, the beauty of kindness, and the limitless possibilities that come from believing in themselves. "Short Bedtime Stories for Little Boys" is the perfect addition to any child's bedtime routine, offering tales that inspire dreams of heroism, kindness, and the magic that awaits in the world around them. These enchanting stories are sure to ignite the imagination and leave young readers eager for more bedtime adventures.

Short Bedtime Stories for Little Boys

These are four short stories about 4 little boys. One boy has a learning experience fulfilling his obligations. Another boy gains knowledge and understanding by participating. There is also a story about a friendship that develops through acceptance between two boys.

4 Short Stories about 4 Little Boys

Betty loves her night-time stories, especially the one about Cosmo: a bear that is afraid of the dark. So when Cosmo comes to life, it is the perfect opportunity for Betty to help him overcome his fear and show him the beauty of the night. With a lantern in one hand and Cosmo's paw in the other, join Betty on a wonderful adventure that will light up every child's story time!

The Light in the Night

THE FOLLOW UP TO THE AWARD-WINNING AND BESTSELLING STORIES FOR BOYS WHO DARE TO BE DIFFERENT Tom Daley, Oliver Sacks, the Jamaican Bobsled team, Amrou Al-Kadhi, Carlos Acosta... all dared to be different. This is the follow-up to the much loved and hugely successful Stories for Boys Who Dare to be Different, the bestselling book that changed countless boys' lives around the world and gave them the confidence to be themselves. What have the footballer Kylian Mbappé, the philosopher Socrates and the singer Ed Sheeran all got in common? All three of them defied expectations - going against the grain and pursuing their dreams - despite a seemingly impossible barrage of obstacles and difficulties. Their stories are incredible, as are those of the tap-dancer Evan Ruggiero, the Pokémon creator Satoshi Tajiri, and the other inspirational boys who fill the pages of this extraordinary book. It's books like these that can make a huge difference to parents and their children's lives. In this day and age, any publication that shows how we can triumph in the face of adversity and prejudice deserves to be read over and over again.

Stories for Boys Who Dare to be Different 2

Thirty of Hans Christian Andersen's most cherished stories in single volumes Illustrated by various artists. Known all over the world, these fairytales hold stories of great value and are a source of inspiration for both young and old.

The Snow Queen

Twenty easy-to-read stories adapted from well-known tales and folklore.

Read Aloud Bedtime Stories

The little ones will have so much fun listening and reading this funny rhyme story that takes place right before sleep. Milo and Cat have a very effective sleep routine, but this night, it just doesn't work! They even know a few tricks that helped them quickly fall asleep before. When these tricks won't work - at least not for Milo - it takes a lot of creativity, Cat's magic whiskers, the Know It All book, and a drop of exaggeration to lead Milo to dreamland. Who's going to fall asleep first? Milo, Cat or you? Short extract from the story It was right before sleep, it was already night, But for Milo and Cat, something wasn't quite right! ... "We tried counting sheep and we counted the stars, We even tried counting the distance to Mars." ... "We'll be sleeping in no time; without any doubt. Trust my whiskers," said Cat. "We

will figure it out!" ... "This should have some clues, so let's go have a look There's always advice in the KNOW IT ALL book." ...

Right Before Sleep

A little tiger that hates to go to bed scampers away to visit some animal friends.

I Don't Want to Go to Bed!

The littlest always goes last—that's the elephant rule. But Elphie, the littlest elephant, is determined to go first. And where there's a will, there's a way! With a little help from you, reader. From the author-illustrator of This book just ate my dog! comes a new hilarious interactive picture book.

I want to go first!

All children, except one, grow up. They soon know that they will grow up, and the way Wendy knew was this. One day when she was two years old she was playing in a garden, and she plucked another flower and ran with it to her mother. I suppose she must have looked rather delightful, for Mrs. Darling put her hand to her heart and cried, "Oh, why can't you remain like this for ever!" This was all that passed between them on the subject, but henceforth Wendy knew that she must grow up. You always know after you are two. Two is the beginning of the end.

Peter Pan (Annotated)

The gnarble wants nothing more than to swim up above the waters to see the blue sky, but gnarbles don't have flappers like blyfish do, and gnarbles don't even have koggers like the swimming gungaloo! But though gnarbles never swim so high, this particular gnarble is determined to see the sunlit sky. He swims past spongy gishy-gosh and feeding fipple-fosh, but who would think the little gnarble could pass the hungry warckel, subbaubble, and—most dangerous of all—the evil plink?! Daniel Errico's charming nonsense rhymes and Tiffany Turrill's vivid, expressive illustrations combine beautifully in this entertaining story of a little fish on a big mission. Kids will giggle aloud at crazy creatures with names like gishy-gosh and glimmy glins; parents will love snuggling up with their children to read about the little gnarble's escapades in this wacky world of silly sea creatures. Join the little gnarble on his unforgettable journey from the ocean floor to the shining sun!

The Journey of the Noble Gnarble

A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

The Boys and I

Reprint of the original, first published in 1883.

New Stories for Little Boys

Today Sizwe learns that a smile is something you can give away without losing it.

The Boys and I: A Child's Story for Children

There's nothing better than a good bedtime story and in this wonderful treasury, written especially for boys, there are seven tales to choose from. Meet Jasper, a little boy who is afraid of the dark and Max

and Toby, two swashbuckling pirates. Settle down and enjoy all the other characters in this dreamy collection that is perfect for sleepy time reading.

Lord of the Flies

The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle's *The Very Hungry Caterpillar* is now available in e-book format, perfect for storytime anywhere. This classic story of a famished caterpillar who eats his way through a week of various foods makes the perfect addition to your child's digital library, easily available to read again and again.

The Boys and I. A Child's Story for Children

Londi loves to dream all day. But where will her dreams take her?

Aunt Fanny's Story Book, for Little Boys and Girls

This is an abecedarian book about pets who are not cats or dogs. Each pet's name begins with a letter of the English alphabet. Both the poem and artwork imply a story about each pet. The poem was written first and then each pet was illustrated using ink and gouache by Sue Clancy. She hopes to make you smile. This book is the requested sequel to *Alphapets* by Clancy. Within hours of the original release of *Alphapets* the book was, with permission, picked up by a publishing-distribution house called Storyberries where it quickly had over 5000 views, then 10,000 and more. So Storyberries and Clancy's many fans requested a sequel! As people commented on the original book Clancy was asked "but what about lizards, fish and birds? They're pets too! Are you going to do a book about them?" Clancy said "of course!" and this book is the result. Hope you enjoy it!

Sizwe's Smile

When George the giant spies a shop full of wonderful clothes, he decides to treat himself to a new outfit. He puts on his new shirt, pants, shoes, and tie, and is immediately transformed from the scruffiest giant in town to the spiffiest giant in town. But on his way home, George runs into various animals who need his help. And little by little, George finds himself giving away all his new purchases. From the creators of *Room on the Broom*, this is a lively tale that reminds readers that sometimes it's what's inside a person-or a giant-that matters most.

Bedtime Stories for Boys

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

A Friend Like Ben

This is the heart-warming true story of a little boy and the cat that changed his life. Ten-year-old George was severely autistic; quiet and withdrawn, he appeared lost in his own world most of the time. Then, one day, a small black-and-white stray cat appeared at the bottom of the garden and George's face lit up.

A Friend Like Ben

The heart-warming true story of a little boy and the cat that changed his life. Nine-year-old George was severely autistic; quiet and withdrawn, he appeared lost in his own world most of the time. His mother Julia despaired as she couldn't bring George out of his shell. But when a black-and-white stray cat appeared in their garden, everything changed. George's new four-legged friend, Ben, had a wonderful and unexpected side-affect. George and Ben bonded and George began to open up, making up stories about their adventures together to recount to Julia. Finally, Julia could communicate with her son - and Ben had made it possible. But then disaster struck - Ben went missing. The cat who had coaxed George out of a world of silence had disappeared, and George began to retreat. Determined to reunite George with his furry friend, Julia knew she had to do everything in her power to bring Ben home again ... A Friend Like Ben is the remarkable true story about the extraordinary empathy between a boy and his cat, and a mother's determined journey to make her son whole again.

A Friend Like Ben: The true story of the little black and white cat that saved my son

Originally published as Ben's Gift. The heart-warming true story of a little boy and the cat that changed his life.

A Friend Like Ben

My story reflects upon our recent family history and how we lived our lives through minor trials and tribulations. Along the way it includes highlights which usually involved fun and good humour thanks mainly to a certain individual. As the story unfolds, many characters appear and yet it soon becomes clear that most of them share something in common. They are all part of a unique little village in Bristol called Stoke Gifford and it's here where the biggest character of them all claims his fame.

Our Ben and Us

Ben just wants to get through high school. Unfortunately, the Galaxy wants to get at Ben. You see, Ben Dark is a Pilostar with skills literally out of this world. Now he must cope with the typical perils of teenage life: Killer Robots with a fascination for recycling, Aliens who want to possess the powers hidden in his head (with or without Ben attached), and keeping up at school where is 300 years behind in his homework. Thankfully, his tow best friends are there to help and protect (and annoy) him.

Ben Dark and the Rogue Robot Rendezvous

Chip and Ben are best friends. They like to swim together, build together, and create stories together. But when Chip and Ben fight over the same toy dump truck...SNAP! The truck breaks, and the boys' friendship is fractured. Chip can repair the truck—can he repair their friendship, too? This funny, straightforward story will resonate with all toddlers and their parents.

My Friend Ben Won't Share

Sam and Ben are friends. They like to play and read books together.

My Friend Ben

Ben cannot think of a pet his parents will let him keep in their apartment, until he finds an unexpected animal friend.

Ben Finds a Friend

A special-value edition contains both nostalgic novels of a young boy and the friendships that will change his life, and faith, forever.

Saint Ben

At 2.30 in the morning of 29 June 2008, Broke Kinsella received a phone call. It was her sister Jade, telling her that their beloved brother Ben had been stabbed while out celebrating finishing his GCSEs. The Kinsella family's shock soon turned to grief when Ben lost his fight for life later that day, surrounded by those who love him. Too upset at the time to speak about Ben's senseless murder, and with Ben's killers now convicted and behind bars, the former East Enders actress is able to reveal her full story in

this heartbreaking and beautifully written memoir that celebrates the life of a young man whose future was so cruelly stolen from him. Beginning with Ben's death and ending with the aftermath of the trial of his killers, the book is an extremely personal and powerful portrait of loss in the age of knife crime. From their first Christmas without Ben to facing the accused in court for the first time, Brooke writes in detail about the devastation that was caused in one night and which has changed her and her family's life forever. It is a powerfully moving and brave exploration of grief.

Why Ben?

Danny Wallace has friends. He has a wife and goes to brunch, and his new house has a couch with throw pillows. But as he nears 30, he can't help wondering about his best childhood friends, whose names he finds in a long-forgotten address book. Where are they now-and where, really, is he? Acting on an impulse we've all had at least once, he travels from London to Berlin, Tokyo, Australia, and California, risking rejection and ridicule to show up on his old pals' doorsteps. Memories of his 1980s childhood-from Michael Jackson to Ghostbusters-overwhelm him as he meets former buddies who have blossomed into rappers and ninjas, time-traveling pioneers, mediocre restaurant managers, and even Fijian royalty. Danny's attempt to re-befriend them all gives remarkable new resonance to the age-old mantra, "friends forever!"

Select Works of the British Poets, in a Chronological Series from Ben Jonson to Beattie

Young Ben Ashton worked London's streets as a package carrier. A lady customer took an interest in Ben and helped him prosper. A rescued homeless man, known only by his bed number, became very important to the surprise ending. This Victorian children's story, written in 1889, portrays unconditional Christian love and the power of prayer.

Friends Like These

Against the tumultuous backdrop of early Texas history, Williams sketches a vivid portrait of a truly American legend. Map.

Ben's Lady

A young wolf, named Ben, goes into the forest one day to make friends. But Ben has a problem - no one likes wolves, since wolves are thought of as mean and dangerous, the other animals jeer and chase Ben away without really knowing him. Ben is left feeling sad and alone. Ben is faced with a challenge - either help one of the animals despite being treated poorly by him, or treat him, as he treated Ben, and get "justice" and revenge.

Sam Houston

Over 300,000 copies sold! Help boys learn about God the true, easy, and fun way. Every day's devo includes a short story, a Bible verse to memorize, and a "How about You?" section to engage boys in their faith. 365 daily devotional readings Bible passages introduce each day's theme Contemporary stories for application Daily memory verses Perfect gift for boys ages 8 to 12! Boys will be eager to read these devotionals created just for them from the same people who created The One Year Book of Devotions for Kids. A variety of themes relevant to today's elementary school-age boys will encourage and challenge them to personalize lessons from Scripture.

Ben & His Friends

See samples and more on our website - BenandMaxBooks dot com! "WATCH OUT, MOUSE!" When a friendly mouse named Max befriends a grouchy bear named Ben, the forest animals are delighted! But when a sly fox named Sylvester comes along, he stirs up trouble between Ben the bear and Max the mouse, and Ben does something he regrets! Can the fox be stopped? Can the friendship be saved? Read and find out! HELPING CHILDREN LEARN HOW THEIR BEHAVIOR AFFECTS OTHERS IN A FUN WAY Ben and Max: An Unlikely Friendship is a compelling story for 7-9 year olds that also teaches how our behavior affects others, including the "golden rule" of treating others as we wish to be treated, the issues of gossip and envy, and how to better handle anger. OTHER FEATURES The book contains colorful, highly detailed illustrations depicting a wide range of emotions PLUS, all ADJECTIVES are highlighted in large, fun fonts and bright colors as a reading aid. DISCUSSION QUESTIONS The last two pages of the book contain questions relating to the book's content as a guide to help you talk about

these issues with your children. Sample Questions * What's a better way the bear could have acted when he was angry? * What did the fox say about the mouse to the bear that wasn't true? * What did the bear do after hearing these things? * What could the bear have done instead? * How did the fox want to be treated? * How did he treat others? *How did the fox finally get others to like him and treat him well?

Ben is excited to have his best friend Chip spend the night at his house where there is plenty of fun and scary things to do.

The One Year Devotions for Boys

This work analyses the regulatory, institutional and economic challenges facing tertiary education in Colombia with a view to allow a growing share of the country's population to access equitable and quality tertiary education.

Ben and Max: an Unlikely Friendship

Four young Americans are entangled in a web of deceit and corruption while doing anthropological research in a Campa Indian village. Living among the natives of the upper Ucayali River turns deadly as the Shining Path, a group of Communist guerrillas, shows its true colors, wreaking chaos and destruction on the village and its inhabitants. Determined to stop the brutal group of killers, Mark Erwin abandons his academic pursuits and sets his sights on a more dangerous quarry.

My Friend Ben and the Sleepover

These letters were written by a Jewish boy, Ben Wessels, as he struggled to survive in the Bergen-Belsen concentration camp. They document the move from the ghetto to the camp, as well as life in the camp up to the time of Wessels' death in 1945. Also included are reports from the Dutch underground press, tracing the history of the Nazi occupation of the Netherlands. Fifteen pages of photographs are included. Wrestling with Elephants

If you've ever been fired, you're in good company. That's what actress and writer Annabelle Gurwitch discovered when she was fired by her idol Woody Allen ("You look retarded"). She confided her tale of woe to her friend Felicity Huffman, who made Annabelle laugh with her own stories. Annabelle realized that there was a world of people out there waiting to laugh at the experience that virtually everyone shares, and she began to collect stories of being fired from friends and colleagues. Soon she was contributing regular "Fired!" segments to Day to Day on NPR and gathering friends to appear with her in sold-out performances of Fired! in Los Angeles and New York. Fired!, her documentary film inspired by these stories, comes out in 2006. This book is a collection of hilarious but true tales from people who've all gotten the ax, the boot, or been canned at some point in their lives. In "That's a Fact," Andy Borowitz tells the story of being fired as a writer for the television sitcom The Facts of Life after being informed that he just didn't "get" Tootie. "Take that hanger off your head, you idiot!" were the last words Jeff Garlin heard before being fired from Spec's Music store after only one day on the job, just one of the many firings he recounts in "That Garlin Boy." In "Jimmy the Idiot," Dana Gould sums up his firing from the cast of the sitcom Working that led him to become a producer of The Simpsons: "In the second episode, I was a math genius, in the third -- a motocross racer, and in the fourth episode I was replaced by a chimp, but nobody noticed." In "Poor Judgment," Illeana Douglas tells about being fired after a few hours of working as a coat check girl: "How is it possible to be fired from hanging coats? I have arms. I know what coats are. I don't come home and throw my coat on the floor. I hang it in a closet. I have experience." How did Bob Saget find out he was being phased out of his job on The Morning Program? "One day I showed up and my hosting chair was gone!" With an all-star cast from Tim Allen

to Morgan Spurlock, from Anne Meara to David Cross, and contributions from people from all over the country, this book proves it's not the bounce that counts, it's the bounce back.

Uncle Ben's little stories for little folks

Inventors invent inventions! That's what Ben and his best friend Jack like to say. So when Ben discovers that Jack's family is planning to move to another city, he decides they should put their inventions to work. The boys figure that if no one buys Jack's house, Jack won't have to move away, so all they need is a plan to scare off potential buyers! Inventors are good at coming up with plans. But when Plans A, B and C fail to bring the results the boys had hoped for, Ben discovers that not everything in life stays the same-and that while change can be hard, sometimes it isn't all bad.

The Treasure of Silustani

It is a truth universally acknowledged that a good white person of liberal leanings must be in want of a Black friend. In the biting, hilarious vein of *What Doesn't Kill You Makes You Blacker* and *We Are Never Meeting in Real Life* comes Ben Philippe's candid memoir-in-essays, chronicling a lifetime of being the Black friend (see also: foreign kid, boyfriend, coworker, student, teacher, roommate, enemy) in predominantly white spaces. In an era in which "I have many black friends" is often a medal of Wokeness, Ben hilariously chronicles the experience of being on the receiving end of those fist bumps. He takes us through his immigrant childhood, from wanting nothing more than friends to sit with at lunch, to his awkward teenage years, to college in the age of Obama, and adulthood in the Trump administration—two sides of the same American coin. Ben takes his role as your new black friend seriously, providing original and borrowed wisdom on stereotypes, slurs, the whole "swimming thing," how much Beyoncé is too much Beyoncé, Black Girl Magic, the rise of the Karens, affirmative action, the Black Lives Matter movement, and other conversations you might want to have with your new BBFF. Oscillating between the impulse to be "one of the good ones" and the occasional need to excuse himself to the restrooms, stuff his mouth with toilet paper, and scream, Ben navigates his own Blackness as an "Oreo" with too many opinions for his father's liking, an encyclopedic knowledge of CW teen dramas, and a mouth he can't always control. From cheating his way out of swim tests to discovering stray family members in unlikely places, he finds the punchline in the serious while acknowledging the blunt truths of existing as a Black man in today's world. Extremely timely, *Sure, I'll Be Your Black Friend* is a conversational take on topics both light and heavy, universal and deeply personal, which reveals incisive truths about the need for connection in all of us.

Biennial Report

The three oldest girls from Willoughby Hall Home for Children desperately want to be adopted, but must face the possibility of being split up forever.

The Biennial Report of the Kansas State Horticultural Society

"....a very sweet dog story" -- Outside The story of a dog, his human, and the friendship that saved both of their lives. When Ben Moon moved from the Midwest to Oregon, he hadn't planned on getting a dog. But when he first met the soulful gaze of a rescue pup in a shelter, Ben instantly felt a connection, and his friendship with Denali was born. The two of them set out on the road together, on an adventure that would take them across the American west and through some of the best years of their lives. But when Ben was diagnosed with colorectal cancer at age 29, he faced a difficult battle with the disease, and Denali never once left his side until they were back out surfing and climbing crags. It was only a short time later that Denali was struck by the same disease, and Ben had the chance to return the favor. Denali is the story of this powerful friendship that shaped Ben and Denali's lives, showing the strength and love that we give and receive when we have our friends by our side.

Transactions of the Kansas State Horticultural Society

Ben very much wants a pet, but his parents always say no. Then, when ill in bed he happily discovers that what he really wants is a friend.

Ben's Most Unusual Summer on a Ranch in New Mexico in 1925

'CUPID'S TOUCH' is the latest release from international bestselling author Alex Anders and is for those who love short novels where quick-witted women are romanced by the funny guy that you can't

help but love. This book was previously released as 'Fixing Cupid'. * When Ben Bonner 'breaks' Cupid (Jack) it is up to Ben and his would-be love to fix Cupid so the world can fall in love again. Ben Bonner is a catch. He's a successful lawyer and he has great friends. But what he wants most is the one thing he can't find, love. Ben's female best friend Carey has a plan. There's an urban legend that says that whoever lives with Jack, a middle-aged party animal, will immediately find the love of their life. And as luck would have it, Jack is now looking for a roommate. It works. Jack is the modern day Cupid. Ben meets Anna Henderson, a smart, beautiful, quick-witted woman who takes Ben's breath away. Ben is in love. The only problem is that Ben 'breaks' Cupid before Anna can fall in love with Ben. Could Ben have really broken Cupid? Could Jack actually be Cupid? And if Ben can't 'fix' Jack, would Anna ever fall in love with him? Will anyone in the world ever fall in love again? So now with more than just his love life crumbling around him, Ben must win Anna's heart so that together they can; fix Jack, help the world to love again, and just maybe, live happily ever after. 40,000 words

Ben's Story

Inspired by the real-life mother of forensic science, Frances Glessner Lee, and featuring a whip-smart, intrepid sleuth in post-WWII Vermont, this debut historical mystery will appeal to fans of Victoria Thompson and Rhys Bowen. Maple Bishop is ready to put WWII and the grief of losing her husband, Bill, behind her. But when she discovers that Bill left her penniless, Maple realizes she could lose her Vermont home next and sets out to make money the only way she knows how: by selling her intricately crafted dollhouses. Business is off to a good start—until Maple discovers her first customer dead, his body hanging precariously in his own barn. Something about the supposed suicide rubs Maple the wrong way, but local authorities brush off her concerns. Determined to help them see “what's big in what's small,” Maple turns to what she knows best, painstakingly recreating the gruesome scene in miniature: death in a nutshell. With the help of a rookie officer named Kenny, Maple uses her macabre miniature to dig into the dark undercurrents of her sleepy town, where everyone seems to have a secret—and a grudge. But when her nosy neighbor goes missing and she herself becomes a suspect, it'll be up to Maple to find the devil in the details—and put him behind bars. Drawing inspiration from true crime and offering readers a smartly plotted puzzle of a mystery, *Death in the Details* is a stunning series debut.
