Charlie and the Gold Mine

In a Time of Revolution, Even Hearts Can Be Overturned In England together at the Harrow estate, Anne and Nicole find themselves facing divergent futures. While Anne comfortably settles into British life, Nicole once again searches the far horizon. Despite the raging War of Independence, she sets sail for the American colonies to manage her uncle's landholdings. The gallant Captain Goodwind captures Nicole's attention, but not yet her heart. In the midst of revolution, her loyalties and faith are tested beyond what she could have ever imagined. Then she comes face to face with a staggering betrayal, and she is forced to choose her ultimate allegiance.

A historical epic brings together a group of banished French Acadians, a lonely British nobleman, and a couple on the verge of separation

Contemporary Authors

A Chance Encounter Forever Changed Their Lives--and Destinies. Crafted by two masters of inspirational fiction--Janette Oke and T. Davis Bunn--and combining the engaging historical settings, rich characterization, and heartwarming messages quintessential to both authors, The Meeting Place is another timeless story for you to cherish. Set along the rugged coastline of 18th century Canada in what was then called Acadia (now Nova Scotia and New Brunswick), The Meeting Place re-creates a

world that was home to native Indians, French settlers, and English garrisons. Such diverse populations did not live in accord, however. Instead, they were isolated within their own groups by a brewing political tension under the difficult English rule. Amid such chaotic times two women, both about to become brides and both trying to live lives of quiet peace, meet in a lush field of wildflowers. Louisa, a Frenchwoman, and Catherine, who is English, continue to meet secretly through the seasons, sharing both friendship and growing faith. The outside world does not mirror their own tranquil happiness, and the dreaded crackdown by the English throne threatens far more than their growing bond. In the face of a heart-wrenching dilemma, Louisa and Catherine strive to maintain their faith and cling to their dreams of family and home. Winner of the Christy Award, presented by the Christian Bookseller Association to honor the best in Christian fiction.

She Yearned to Find a Home for Her Heart The tragic Acadian saga recounted in *The Meeting Place*, when the British drove the French from Nova Scotia, has followed two families over a score of years to the birth pangs of a new nation. *The Song of Acadia* has been one full of pathos but also of hope. Faith in God and family eventually have brought the Henri Robichauds to Louisiana, and finally, to a life of tranquility among the bayous. Back in Nova Scotia, the Andrew Harrows have been beacons of light among the British and the French communities. But the American Revolution has created turmoil on two continents, dividing nations, people, and, sometimes, even families. Anne in England and Nicole in the New World have little hope of seeing one another again in the foreseeable future. Then a letter finds its way to both sisters with news that send them on a frantic and harrowing journey to...*The Beloved Land*.

The King's Children

Capture the aura of yesteryear in these 12 cross stitch designs inspired by patchwork quilts. Adapted from the watercolor paintings of Paula Vaughan, there's a nostalgic design to reflect the special beauty of each month of the year.

The Kids Life Bible Storybook

It began with a cannon blast. It ended with a world in chains. Rising from the darkness, a visionary order shakes back the cloak of superstition and raises the lamp of Reason. The fires of that lamp burn the magi of these Mythic Times, and now they unite to save the future of their Arts. Across the world, magick, faith and reason grapple in the twilight, while in the distance the witch-fires grow bright and hungry. Be a wizard. Be a priest. Be a dragon or dragon-slayer. Dance to the tune of a Renaissance revel. It's a hell of a time to be alive. Expands upon the intricacies and intrigues of the various Conventions and Guilds of the Order of Reason.

Guide to the Technocracy

A touch can mean so much--friends who reach out to comfort one another, parents who offer a reassuring hand, even strangers who extend a silent sign of consolation. But when that comforting caress comes from a higher power, it carries even more meaning. It's God's way of letting us know he is with us, watching over us, protecting us, helping us through life's adversities. What better time than now for a book like *Little Taps on the Shoulder from God*, an inspirational volume that provides a place of quiet refuge amidst the world's chaos, war, and terrorism. Through wonderful anecdotes interspersed with touching quotations, inspirational writings, and thought-provoking scripture, *Little Taps on the Shoulder from God* gives evidence that we are loved. Take the story of Missouri senator Thomas Benton, who narrowly missed an instant death in 1844 when he turned to speak to a friend who'd laid a hand on his shoulder. He was so moved by his escape that he revamped his entire life. Or the graduate student who felt an unmistakable hand on her shoulder while driving alone through a bitter storm. The experience gave her a calm that's lasted more than 20 years. As *Little Taps on the Shoulder from God* proves, the almighty doesn't always need drama to get our attention. Instead, he often comes softly, like a snowflake or a rainbow or a tap on the shoulder. With this beautifully illustrated book, readers will find reassurance that God is present in their everyday lives.

My Very First Book of Bible Words

A vivid history of the lives and times of the aristocratic elite whose patronage created the art and architecture of the Italian Renaissance. The fifteenth and sixteenth centuries was an era of dramatic political, religious, and cultural change in the Italian peninsula, witnessing major innovations in the visual arts, literature, music, and science. *Princes of the Renaissance* charts these developments in a sequence of eleven chapters, each of which is devoted to two or three princely characters with a cast of minor ones—from Federigo da Montefeltro, Duke of Urbino, to Cosimo I de' Medici, Duke of Florence, and from Isabella d'Este of Mantua to Lucrezia Borgia. Many of these princes were related by blood or marriage, creating a web of alliances that held Renaissance society together—but whose tensions could spark feuds that threatened to tear it apart. A vivid depiction of the lives and times of the aristocratic elite whose patronage created the art and architecture of the Renaissance, *Princes of the Renaissance* is a narrative that is as rigorous and definitively researched as it is accessible and entertaining. Perhaps most importantly, Mary Hollingsworth sets the aesthetic achievements of these aristocratic patrons in the context of the volatile, ever-shifting politics of an age of change and innovation.

The Beloved Land (Song of Acadia Book #5)

This story teaches young children to recognize that true Godly power and success come from having strong hearts and minds.

Paula Vaughan's Quilts for All Seasons

Looks at the greatest challenges facing humankind today, presents sobering facts and figures, and provides a plan to solve these problems collectively.

Twizzler, the Unlikely Hero

These stories take a fun approach to two popular Bible stories for toddlers. In the first tale, Bumper's great, great Grandpa is among the animals in the Garden of Eden that Adam names. In the second story, Bumper comes along to help Noah finish building the ark and is one of the animals saved from the flood.

The Infinite Resource

This unique Bible features all the Bible stories and events in chronological order at a third-grade reading level. Full-color art is on every page, and each story features a timeline and Biblical current events.

The Amazing Expedition Bible

Story of a dinosaur named Bumper and how he helps Noah finish the ark.

A Few Hallelujahs for Your Ho Hums

Counting rhymes reveal the wonders of God's world.

My Very First Book of Bible Fun Facts

This storybook brings to life the events surrounding the first Easter in a way your children will love and long remember. Brightly colored illustrations and simple-to-understand text help children understand what Christ did for them at Calvary.

Bumper the Dinosaur Bible Stories

Barney shows you how to use your imagination.

My Bible Journey

Can you imagine how boring it would be if God created every animal, bird, fish and reptile a dull grey or an ugly, olive drab green? He could have, but he didn't. Why did He do it? Because He wanted you to enjoy the variety and beauty of all His creation.

Bumper and Noah

Mix-and-match from 501 cross stitch designs to create one-of-a kind gifts, home accessories, and embellished items.

The King's Numbers

Faster than we may realize, young toddlers come face to face with issues which shape their values and involvement in God's world. Sharing, helping, thankfulness, obeying, plus other concepts for productive living are reinforced in this "see, point, and learn" interactive book for toddlers. Forty values are each linked to a Bible verse, a colorful, age-appropriate Bible story illustration plus a contemporary picture. Toddlers will be encouraged in biblical values as parents and others assist them in a "programmed learning activity" for discovering and learning values.

Kids-life Easter Storybook

A new, unexpected threat forces Alexa to confront giants, bats, ravenous dogs, and a particularly ghoulish mastermind in order to restore peace.

Just Imagine with Barney

Es gibt eine Wissenschaft, die dir helfen kann, Menschen wie ein offenes Buch zu lesen und sie dazu zu bringen, der immer zuzustimmen.

Wenn du das Gefühl hast, beobachtet zu werden, gieße einmal kräftig und gib ihr Mühe, das alles sehen zu können.

Beginne eine Aufforderung, nie mit.

Bringe ihnen etwas zu essen.

Beruhige sie, wenn du dich immer wieder fragst, ob du denn nun die Tür abgeschlossen hast oder das Bügeleisen ausgeschaltet hast.

Introduction

Pourquoi la France ?

En arrivant en France, est-ce que ça s'est bien passé ?

On se rend compte qu'on n'a pas le vocabulaire de des petites choses de la vie qui sont ultra courantes ?

Au moment où tu t'es installé, est-ce qu'il y a des choses que tu as trouvé très bizarre et que maintenant tu considères comme normal ou un peu moins bizarre ?

On a la culture du fromage quand même. On en mange vraiment beaucoup et à part le fromage, il y a autre chose que ce que tu trouvais bizarre quand est arrivé en France ?

En fait, le fait d'utiliser des mots en anglais, je pense que c'est pour apporter ce côté moderne et alors que si on disait le mot en français, ça fait un petit peu trop traditionnel.

J'imagine que tu retournes en Angleterre encore souvent quand même de temps en temps, peut-être. Et est-ce qu'il y a des choses que tu trouves vraiment chouette en Angleterre et que tu aimerais apporter en France ?

Je dirais que la langue elle-même n'est pas si difficile. C'est des règles, c'est de la logique et j'adore déchiffrer le problème.

Maintenant, c'est d'avoir un vrai niveau assez facile, mais par rapport aux français, tu pars avec les mêmes bases.

Tu seras mieux lire, tu pourras voir des mots et savoir tout de suite comment ça se prononce.

Donc maintenant ton métier est de coach de français.
