120 Proof Honey Ultimate Box Set (BBW Bear Shifter Romance Novella Series)

These Bear Shifters might not have a lot of money, but they're rich in what counts. The 120 Proof Honey Ultimate Box Set is here! Contains the following stories: Daxton: Blair Mason was a woman with a one-track mind, and that track was work. From sunrise to sun down, all she thought about was how to keep her small town grocery store open. That meant hard decisions, the type Blair was in the midst of making when she was rudely interrupted by a tall man. A tall handsome man. Oh, there were things other than work after all! Daxton Holt thought getting his honey on Mason's shelves would be simple. Walk in, flash a smile and fill out some paperwork. But this owner was something else. She saw right through his charms, pushing him to really sell his product. He liked that, and he liked her. A feisty little minx is sweeter than any honey his bees made... Knox: Jasmine has always known that life wasn't fair. It wasn't fair that all her hard work keeping a home wasn't appreciated. It wasn't fair that none of that time counted as "experience," but she was desperate so she had to take whatever there was. Stepping off the bus, she reminded herself that life didn't have to be fair, but it did have to be survived. As soon as she laid eyes on the handsome man who answered the door, she remembered something she'd suppressed for a long time: life had it's sunny moments as well. Knox Ryker didn't really like this whole idea of getting a housekeeper. Yes, five guys living together could take it's toll on a place. Yes, Dax's new girlfriend had a point: it was a pigsty. But having a stranger come over to root through your things just didn't feel right. But once he laid eyes on Jasmine, he had feelings of a totally different sort. Amir: Just get in, get the scoop, and get out. Kora Lane stepped out of her air conditioned car and into the blazing heat of this muggy Ozark valley. Her boss had sent her down here to sniff out a story: a local honey harvester was producing illicit moonshine on the side. The tip came in from an anonymous source, but she never passed up a juicy tip. Now she just had to get past this gorgeous mountain of a man that answered the door... Amir Thorne was a man with a secret. No matter how low key he tried to play it, there was always a type of woman who could sense it. Usually they took his disinterest as a clear signal to move on. But every now and then, you'd get one that just wouldn't let go. As soon as he saw Kora, he knew what type she was... Beck: Don't put that in your mouth. Don't push your brother. Please stop crying. Harmony just needed to get through this day of nannying. The little boogers in her charge were turning their trip to the county fair into a competition of who could cause a migraine the fastest. She spotted a honey stand and thought a few sweet treats might win her a moment's respite. She spotted the owner of the stand and thought about something other than honey... It wasn't that Beck hated kids: he just wasn't used to them. All the crying, the erratic behavior and the tantrums were just too much. He had a feeling his reluctance on the topic of children was why he and his girlfriend of four years had to call it quits. There are some things you just can't compromise on, no

matter what. Slade: Veronica Harper was ready to let bygones be bygones. She'd spent enough years fighting tooth and claw to know that nobody won in a drag out brawl. It was better for all parties to come to the peace table. But being the leader of a Bear Shifter Clan meant many things, the most important of which was to be the kind of leader that the rest of the Clan would follow. That meant never losing face. Even if the person you're staring down is a handsome hunk with more charm than he realizes.

When he sees Avelyn, his plans are turned upside down. She's far from what his clan wants him to bring home, but he can't imagine his life without her. Avelyn uses every trick in the book to convince Max to buy another bride. It doesn't matter that his perfect body and smooth voice make her weak in the knees. The Baby Shift: Idaho

A man is a simple beast: tame his stomach and you'll have his heart... Joshua was a tall, handsome Wolf Shifter who knew his way around a grill. His superb culinary skills weren't being appreciated by his boss, who preferred to keep him bartending in the front of the house. Destiny wouldn't wait for him, so one day he packed up his things, gave notice, and left. He knew he would miss his old life, and one co-worker in particular, but the future was bright and he was eager to strike off on his own. Sadie hated the direction her life was going in. Over-worked, dealing with tragedy and depending on an emotionally unavailable man was a recipe for disaster, one she was wise enough to recognize and bold enough to change. So she left, heading to Boise to risk it all on a brand new business that would be all her own. But when she sees someone from her past, she can't believe the coincidence! Every Monday in 2019 I'll be releasing a brand new novella for you to gobble up! Collect all the Shifter Babies of America series and enjoy a nice little one-sitting story! Nerd Scandal (A College Romance Story)

Sarah's college career has gone basically as planned. She does very well in her classes, and her grades are fantastic. But she's alone, too. Her roommate is a budding socialite with lots of friends. Her best friend from high school abandoned her. And she spends more time reading her thick Russian novels than meeting new people. But all that's about to change. Sarah's new advisor assigns her to tutor the school's star basketball player, Aaron Waller. At first, she sees Aaron as she sees every other jock -- conceited and stupid. But as Aaron starts revealing sides of himself that she didn't expect, Sarah is forced to come to terms with her own biases -- and her own feelings. When Aaron finds himself caught up in a scandal, Sarah is determined to find the truth. But what will she find about the shady world of college sports? And what of her brilliant but enigmatic advisor, Dr. Fairchild? Will Sarah finally learn about love in the unlikeliest of places, or will this end up being yet another missed opportunity for the school brain?

Good Girl Complex

Full of romance, hijinks, and longing, Good Girl Complex is Elle Kennedy at her very best... 'A deliciously sexy story' VI KEELAND, No.1 New York Times bestselling author She does everything right. So what could go wrong? Mackenzie 'Mac' Cabot is a people pleaser. It's exhausting, really, always following the rules. Mac has dreams of her own but to please her parents she moves to the beachside town of Avalon Bay to get her college degree. Twenty-year-old Mac has had plenty of practice suppressing her wilder impulses, but when she meets local bad boy Cooper Hartley, that ability is suddenly tested. Cooper is rough around the edges. Raw. Candid. A threat to her ordered existence. Their friendship soon becomes the realest thing in her life. Despite his disdain for the trust-fund kids he sees coming and going from his town, Cooper soon realizes Mac isn't just another rich clone and falls for her. Hard. But as Mac finally starts feeling accepted by Cooper and his friends, the secret he's been keeping from her threatens the only place she's ever felt at home. Why readers love Good Girl Complex: 'Delicious, complicated and drama-filled. . . Impossible to put down' L. J. Shen, USA Today bestselling author 'Elle Kennedy delivers another sexy and addictive read' Tijan, New York Times bestselling author 'With plenty of steam alongside the youthful romance, this winsome story about following one's heart will especially appeal to hopeless romantics' Publishers Weekly *Look out for Bad Girl Reputation coming later this year*

Secret Bad Boy

STEAMY STEP-BROTHER ROMANCE COLLECTION 4 Standalone Romance Stories With No Cliffhanger! Sinful Biker Karly should be attracted to. Not only is he a rough, tattooed biker, but their parents are married. So why can't she seem to control herself at all? I hate him... When Karly is forced to move in with the father she never knew, she didn't expect a tattooed bad boy to become her step brother, and she certainly didn't expect to feel anything for him. I must have her... Leo never hears the word 'no', all the ladies want him. His reputation and racing skills ensure that he's always high in demand, so when his sweet country girl step-sister turns him down he can't stand it. It becomes a game to him, and as with all games there can only be one winner... Brother Blue It's their parents'

anniversary, and things are about to heat up! Kathy When my Mom re-married a sedate man from the suburbs, I never expected his son to be such a wild card. He showed up a year after their wedding, sexy, confident and frustrating and no matter what I try, I can't find it in my heart to hate him. Mom wants us to bond, but I don't think this was quite what she had in mind... Alex My Dad can do better than this and I want nothing to do with their family— especially my step sister, Kathy. But when my bike breaks down on the way to my Dad's anniversary celebration, I'm stuck with her. I should hate her, but it's hard to hate a woman with a body that won't quit and more spark than I've seen in a long time. Maybe this isn't the worst thing that has happened to me. Shadows When Whitney Shearing comes home to bury her grandfather, she finds that secrets, rivalries, and love all run deep within the Shadows of Chaos Motorcycle Club. Facing her family and the Shadows of Chaos Motorcycle Club was the last thing Whitney Shearing planned to do when she returned to Cedar Breeze to bury her Pawpaw. Top of her list of people to avoid was her step-brother Julian Danes. Their relationship had been close for as long as she could remember, but when his ex-girlfriend didn't get her way, she ended up chasing Whitney right out of town. Whitney finds her way to becoming the woman she needs to be, only after her mother throws her into the fire, asking her to take over the family bar where the Shadows meet. Her step-father, and Vice President of the club, has very little faith in her abilities and does nothing but hinder her from the start. The simple task of running the place for her mother, turns into a labor of love which blossoms into so much more as Whitney's bond with Julian deepens. But how will her secrets make him feel once they're revealed? Whitney's got a lot more to prove than just her place in a family running with the Shadows. Alien Summer Blaze When 27-year-old Erin Bradley went to spend her summer at the beautiful, peaceful lake house that her new stepdad had recently bought, she had no idea that she would actually have to put up with a creepy (though gorgeous) stepbrother who looked more like a thug than the IT professional he claimed to be. How could she relax and heal her broken heart when he was always around? But after Kale saved her from almost getting raped by her no-good ex-boyfriend, they started to be friends. Opening up to each other deepened their feelings and led them to take the relationship to another level. Erin had never felt happier! It was like living in their very own paradise without a care in the world. But then, she started noticing strange things about him- how he always seemed to appear when she was in danger, how he would heal from a wound in a snap, how he could vanish into thin air... Furthermore, when Erin's mother and Kale's father got back earlier from their honeymoon in order to have some family bonding time with them, Erin couldn't help being consumed by guilt. Having a summer affair with her stepbrother was one thing. Falling in love with him was another. It was dead wrong. Or was it? Would Erin still feel the same way when she discovers his real identity? Would she even stand up for them or simply settle for brotherly love?

She's a straight A student and even managed to get onto the cheerleading squad despite her own terrible social anxiety. This was mostly so that she could spend more time around her crush, Marcus, a strapping young man whom she has had a crush on since her early high school years. She wants him to notice her badly, but upon getting him alone one night she receives a terrible blow to her pride: Marcus won't sleep with her because she is a virgin. Figuring that the only way she would be able to get his interest would be to lose her virginity, she enlists the help of Lance Mitchelson, one of her fellow classmates whom the school has branded a man whore due to his party boy attitude. She plans on it only being a one time thing, but she didn't count on the fact that Lance had been harboring feelings of his own for her that get awakened in the aftermath of their night together. Will Stacy be able to end up with Marcus, or will Lance's feelings for her ultimately win out?

Seeing Double

She's a million miles out of my league. But when I find out that Kenna is my online student, the fake name I used to become a tutor gives me the confidence I needed to talk to her. I don't know anything about women, but it sure seems like she's flirting with me. This would never happen if she found out I'm just that nerd who can't stop staring at her in the cafeteria, unable to speak in her presence. If she wasn't dating my best friend, maybe I wouldn't feel so guilty for being desperately in love with her. But Kenna is the girl every guy wants, because she lights up every room she enters with her perfect smile and addicting laugh. I can't focus on anyone else when she's nearby. So I let myself flirt with her, and it somehow happens in real life, not just through our late-night emails. The real hang-up is that she doesn't know there's two versions of me, the quiet guy I am on the outside and the real me beneath the surface. When she inevitably finds out, I don't know how she'll ever forgive me for lying to her about my true identity. This is book two of the Good Ol' Boys Series. It can be read as a complete stand-alone, but the best reader experience will be to start with book one, *Falling For Temptation*. REVIEW I absolutely could not put this book down. Was an amazing slow burn and had a few twists in it that I wasn't expecting but it kept me on the edge of my seat. Absolutely loved reading this book and cannot wait for the next book that MJ puts out. -Krystal M.J. Hendrix made me fall in love with romance & rom-coms all over again! When I read M.J.'s debut novel "*Falling For Temptation*" - which is the first book in the "Good Ol' Boys" series - I felt the urge to start reading more and more romance novels again & it feels so good! her writing is so good and it always makes me not want to put her books down. "*Seeing Double*" was everything I expected and more. -Miriam Another 5 Star romance novel by M.J. Hendrix. This is the 2nd book of the Good Ol' Boys Series. It can be read as a stand alone, but your going to want to read them all. It was hard for me to put this book down. There wasn't much that I did not love about this nerd boy/popular girl, opposites attract, college romance, slow burn novel. I enjoyed getting to see more of Levi and Kenna's individual stories, their relationship journey, and a slight glimpse of Harley and Adam's continuing storyline. I cannot wait for Book # 3! -Megan If you're looking for paper cuts from turning the pages way to quick then you're in the right place. This book is almost impossible to put down, with the perfect amount of twists you don't see coming. Highs and lows, insecurities and self doubt, and growth makes for a story that you can personally feel and relate to. -Camie I love this book. Seeing two people from two different worlds like each other without them knowing. It has all the twists and turn. This book made me feel like I was riding an emotional roller coaster. I laughed, I cried, I was happy and I was also very sad for both Kenna and Levi. I couldn't put the book down once I started reading it, like all the other books by MJ Hendrix has written. -Kathryn I personally enjoyed this book, having felt like I resonated with both Levi and Kenna. Levi's social anxiety, and insecurities. Kenna wanting someone so bad and it seems impossible. MJ really kills it with the character development and feeling like you really know the characters! -Mikayla
