The Great Escape

The famous story of mass escape from a WWII German PoW camp that inspired the classic film. One of the most famous true stories from the last war, The GREAT ESCAPE tells how more than six hundred men in a German prisoner-of-war camp worked together to achieve an extraordinary break-out. Every night for a year they dug tunnels, and those who weren't digging forged passports, drew maps, faked weapons and tailored German uniforms and civilian clothes to wear once they had escaped. All of this was conducted under the very noses of their prison guards. When the right night came, the actual escape itself was timed to the split second - but of course, not everything went according to plan...

The Real Great Escape

In early 1942 the Germans opened a top-security prisoner-of-war camp in occupied Poland for captured Allied airmen. Called Stalag Luft III, the camp soon came to contain some of the most inventive escapers ever known. They were led by Squadron Leader Roger Bushell, code-named 'Big X', who masterminded an attempt to smuggle hundreds of POWs down a tunnel built right under the noses of their guards. The escape would come to be immortalised in the famous film The Great Escape, in which the ingenuity and bravery of the men was rightly celebrated. The plan involved multiple tunnels, hundreds of forged documents, as well as specially made German uniforms and civilian clothing. In this book Guy Walters takes a fresh look at this remarkable event and asks the question, what was the true story, not the movie version? He also examines what the escape really achieved, and the nature of the man who led it. The Real Great Escape is the first account to draw on a newly-released cache of documents from Roger Bushell's family, including letters from Bushell, that reveals much about this remarkable man, his life and experiences during the war, and the planning of the escape attempt that was to make him famous. The result is a compelling and authoritative re-evaluation of the most iconic escape story of the Second World War.

Peter Panzerfaust #14

The Great Escape

Extraordinary times. Extraordinary courage. Here, from the bestselling author of The Great Escape, are eight true and startling escape stories from the Second World War. The heroism of the servicemen who dared to defy their captors in this volume is matched only by that of the underground movements and ordinary civilians who helped the escapees in these stories of daring, invention and doggedness against the odds. From the account of the Spitfire pilot left for dead by an execution squad in Sicily to the story of the air gunner forced to blag his way across the Baltic, every one is an unputdownable classic. 'As long as there are prisons men will try to escape from them; and as long as there is an RAF it will bring to the problems of escape the qualities of high resource, pure cussedness and that indefinable, damnably annoying refusal to lie down when dead, of which all the stories in this book are such excellent - and, I think, such exciting - examples.' H.E. Bates

Great Escape Stories

Are you ready for some of the most exciting, death-defying escape stories ever told? Perfect for fans of the I Survived series, the first installment in a brand-new, edge-of-your-seat series based on real events! In spring 1942, Royal Air Force pilot Bill Ash's plane was shot down by Germans, who captured and eventually brought him to Stalag Luft III, a notorious camp for prisoners of war. The Germans boasted that the camp—which was isolated, heavily guarded, and surrounded by wire fences—was escape proof. But Ash was ready to prove them wrong. He, along with other POWs, would dig tunnels, hide in shower drains, or jump on trucks—all in the name of freedom. Because resisting the Germans was their mission, and escaping was their duty. From reluctant reader to total bookworm, each book in this page-turning series—featuring fascinating bonus content and captivating illustrations—will leave you excited for the next adventure!

Escape or Die

Featuring Book 3: Cry of the Wolf as related by Felix. Peter and the Lost Boys join forces with the Braves in guerilla warfare from their secret hideout in the Sticks. Also, in Book 4: The Hunt, in the aftermath of the assault on The Sticks, the team is fractured and Lily's father is dead. Parsons returns to Lily to hear of what happened and he learns her side of the story for the first time. It's a tale of revenge... with the Hunters becoming the hunted!

Peter Panzerfaust

The first full-length study of the iconic 1960s film *The Great Escape* and its place in Hollywood and American history. Escaped POW Virgil Hilts (Steve McQueen) on a stolen motorcycle jumps an imposing barbed wire fence—caught on film, the act and its aftermath have become an unforgettable symbol of triumph as well as defeat for 1960s America. Combining production and reception history with close reading, *Dreams of Flight* offers the first full-length study of *The Great Escape*, the classic film based on a true story of Allied prisoners who hatched an audacious plan to divert and thwart the Wehrmacht and escape into the nearby countryside. Through breezy prose and pithy analysis, Dana Polan centers *The Great Escape* within American cultural and intellectual history, drawing a vivid picture of the country in the 1960s. We see a nation grappling with its own military history, a society undergoing significant shifts in its culture and identity, and a film industry in transition from Old Hollywood's big-budget runaway studio films to the slow interior cinema of New Hollywood. *Dreams of Flight* combines this context with fan anecdotes and a close study of filmic style to bring readers into the film and trace its wide-reaching influence. Polan examines the production history, including prior adaptations in radio and television of celebrated author Paul Brickhill's original nonfiction book about the escape, and he compares the cinematic fiction to the real events of the escape in 1944. *Dreams of Flight* also traces the afterlife of *The Great Escape* in the many subsequent movies, TV commercials, and cartoons that reference it, whether reverentially or with humor.

The gripping, vividly told story of the largest prisoner of war escape in of the Second World War – organized by an Australian bank clerk, a British jazz pianist and an American spy. In August 1944, the most successful POW escape of the Second World War took place - 106 Allied prisoners were freed from a camp in Maribor, in present-day Slovenia. The escape was organized not by officers, but by two ordinary soldiers: Australian Ralph Churches (a bank clerk before the war) and Londoner Les Laws (a jazz pianist by profession), with the help of U.S. intelligence officer Franklin Lindsay. The American was on a mission to work with the partisans: a group who moved like ghosts through the Alps, ambushing and evading Nazi forces. Told here for the first time is the story of how these three men came together – along with the partisans – to plan and execute the escape is told here for the first time. *The Greatest Escape*, written by Ralph Churches' son Neil, takes us from Ralph and Les's capture in Greece in 1941 and their brutal journey to Maribor, with many POWs dying along the way, to the horror of seeing Russian prisoners starved to death in the camp. The book uncovers the hidden story of Allied intelligence operations in Slovenia, and shows how Ralph became involved. We follow the escapees on a nail-biting 160-mile journey across the Alps, pursued by German soldiers, ambushed and betrayed. And yet, of the 106 men who escaped, 100 made it to safety. Thanks to research across seven countries, *The Greatest Escape* is no longer a secret. It is one of the most remarkable adventure stories of the last century.

Dreams of Flight

At the age of nineteen, Glasgow-born John McCallum signed up as a Supplementary Reservist in the Signal Corps. A little over a year later, he was in France, working frantically to set up communication lines as Europe once more hurtled towards war. Wounded and captured at Boulogne, he was sent to the notorious Stalag VIII B prison camp, together with his brother, Jimmy, and friend Joe Harkin. Ingenious and resourceful, the three men set about planning their escape. With the help of Traudl, a local girl,

they put their plan into action. In an astonishing coincidence, they passed through the town of Sagan, around which the seventy-six airmen of the Great Escape were being pursued and caught. However, unlike most of these other escapees, John, Jimmy and Joe eventually made it to freedom. Now, due to the declassification of documents under the Official Secrets Act, John McCallum is finally able to tell the thrilling story of his adventure, in which he recaptures all the danger, audacity and romance of one of the most daring escapes of the Second World War.

A Great Escape

"A high energy action story that blends Red Dawn with Peter Pan. The city of Calais is the first city in France to fall to the Germans in the spring of 1940. A mysterious American boy named Peter rallies a handful of plucky French orphans and they must work together to survive Europe's darkest hour. From the writer of the critically acclaimed Green Wake, The Intrepids and Debris."--V. 1 p. [4] of cover.

The Greatest Escape

Oflag VI-B, Warburg, Germany: On the night of 30 August 1942 - 'Zero Night' - 40 officers from Britain, Australia, New Zealand and South Africa staged the most audacious mass escape of the Second World War. It was the first 'Great Escape' - but instead of tunnelling, the escapers boldly went over the huge perimeter fences using wooden scaling contraptions. Months of meticulous planning and secret training hung in the balance during three minutes of mayhem as prisoners charged the camp's double perimeter fences. In telling this remarkable story, historian Mark Felton brilliantly evokes the suspense of the escape itself and the adventures of those who eluded the Germans, as well as the courage of the civilians who risked their lives to help them in enemy territory.

The Long Way Home

A reimagining of Peter Pan, set during World War II. This volume focuses on Tiger Lily and her story.

Peter Panzerfaust: The Hunt: Volume 4

First published in 1990 and based on sources not available for Paul Brickhill's earlier work, the book tells how on the night of March 24, 1944, seventy-six Allied POWs slid through a 350-foot tunnel and out of a high-security German prison camp, into history.

Zero Night

A Sunday Times bestseller, the real story behind the mastermind of the most famous breakout in history—The Great Escape. While the most famous images from the 1963 film The Great Escape include either a motorcycle or a ball—but definitely Steve McQueen—Richard Attenborough played the part of “Big X,” the British mastermind behind the greatest escape in history. Like the subject of the film, “Big X” was a real person. Roger Bushell was the mastermind of the mass breakout from Stalag Luft III in March 1944. Very little was known about Bushell until 2011, when his family donated his private papers to the Imperial War Museum. Through exclusive access to this material, as well as new research from other sources, Simon Pearson has written the first biography of this iconic figure. Born in South Africa in 1910, Roger Bushell was the son of a British mining engineer. On May 23, 1940, his Spitfire was shot down during a dogfight over Boulogne after destroying two German fighters. Over the next four years he made three escapes, coming within one hundred yards of the Swiss border during his first attempt. His third (and last escape) destabilized the Nazi leadership and captured the imagination of the world, forever immortalized by Hollywood. Simon Pearson's revealing biography is a vivid account of war and love, triumph and tragedy—and one man's attempt to challenge remorseless tyranny in the face of impossible odds.
