Today I'm here to help answer some questions participants have sent in about how to live in the world as an A Course in Miracles student and how to reconcile opposing thought-systems

Think of Planet Miracle as a place where we're actively practicing the principles of ACIM and are rooted in love (Whereas the ego-mind is rooted in fear and follows the ways of the world)

The ego-mind is all about questioning and the Spirit is all about knowing

Since we have to live in the world and the world was created by fear, we need to be able to transform fear into love in order for us to live on Planet Miracle (We do this through a process of forgiveness)

This life is about remembering who we are and where we came from

As we practice forgiveness, see through the eyes of love, and shift our perception from fear to love, we can live on Planet Miracle while having the experience of living here in the world

The Teachers of God Foundation offers many programs to support and guide you on this path

How I Found God | MP Podcast #133 - How I Found God | MP Podcast #133 by Mikhaila Peterson 229,344 views 2 years ago 1 hour, 23 minutes - In this episode, Mikhaila hosts French Canadian

symbolic thinker, YouTuber, editor of the Orthodox Arts Journal, and icon carver ...

Intro

Pageau's background

How he got into symbolism

Pageau's pattern, explained

Why the pattern matters

Mikhaila finding God

Mikhaila's church-hunt

Prayer & life's extremes

"Moderating with prayer and worship is part of it... Giving up success to something above you so it doesn't carry you too high" - Jonathan Pageau

Sharing beliefs with family

Mikhaila's demon-experience

Bridging the story world and psychology with religion

"If a literalist [or] uneducated person says 'don't do that, you'll go to hell,' they're usually telling the truth" - JP

"There are things you can do, and there are ways you can be, and there are ways you can engage with others that will tend you toward hell, you could say. Where you will have the worst experiences, and then there are ways to be, ways to engage with others which will bring you up" - JP

Transforming suffering into God's compassion

"Who's the person helping people who suffer? It's usually someone who has suffered, and so there is a way that you can see that. Like it really is this image of transforming into blessing, transforming suffering into something else, which is actually manifesting God's compassion in the world through us" - JP

Why do some find God so easily?

Differences in Christian Religions

Pageau's book recommendations

"The Protestant Church is really a fruit of the modern world... whereas the catholic and orthodox church are more like a stream coming down from millennia" - JP

Pageau's church-advice for Mikhaila

Different protestant churches

The Reformation & Protestantism

Pageau's misgivings re: the Reformation

Purgatory: Origins

"The reformers say if it's not in the bible, it's not true, and it's like OK, but that wasn't the standard before" - JP

"The Bible is a good means to prevent chaos. But the reality is more linked to the actual body of people and their connection to Christ through generations, who transmit not just books but a way to be and a way to pray and of seeing and engaging with God" - JP

A mystical understanding of Christianity

How do people parse reality from tradition?

The fear of joining a church gone sideways
