Farewell to Fairacre

Suddenly taken ill, the beloved Miss Read must consider leaving her long-time post at the school. But through the changing seasons in this humorous, gentle drama, Miss Read's problems are gradually resolved.

Farewell to Fairacre

Miss Read must face the future in another delightful slice of village life... Now that Fairacre school no longer faces the threat of closure, Miss Read is looking forward to a few more years of teaching before retirement. But the best-laid plans often go awry. Unexpectedly, her health begins to fail and she faces some tough decisions about her future. Meanwhile, rumours abound about Miss Read's old friend Mr Mawne, now a widower; a handsome newcomer to the village takes a shine to the stalwart headmistress; Miss Read keeps a watchful eye on the courtship of a friend; and village life goes on.

Farewell to Fairacre

In this small English village, when one door closes, another opens for its favorite schoolteacher. "You'll relish a visit to Fairacre" (Jan Karon, #1 New York Times bestselling author). Gradually worsening health forces Miss Read to consider an early retirement from her job as the village school's headmistress. John Jenkins, a handsome newcomer, competes for her affections with the newly widowed Henry Mawne. However, Miss Read has more on her mind than men. Orphans living in her former house have bolstered the village school's roll, but these new students seem to be having problems with their adoptive family. In the midst of all this turmoil, readers can rest assured that Farewell to Fairacre boasts all the elements they have come to love: eccentric villagers, gentle humor, and a verdant rural landscape teeming with lambs, larks, and blackthorn bushes. "As soothing and warm as a cup of Earl Grey tea, this book will delight fans and newcomers to the series alike." —Library Journal "Sensible, well read and acutely observant, the delightfully prim Miss Read continues to be very good company indeed." —Publishers Weekly

Farewell, Thrush Green

This final Thrush Green omnibus contains the last two books in that series, CELEBRATIONS AT THRUSH GREEN and THE YEAR AT THRUSH GREEN. Whilst the village has seen many changes

over the years, some events go on and on. Young children start their education at the village school which is about to celebrate the centenary of its opening; gossip flutters through the air like confetti, and friends help each other out in trouble. Miss Read perfectly observes the daily round of English country life, and her thousands of fans - although sad that the Thrush Green story has ended - will know for sure that life will never really change in Thrush Green.

The Last Chronicle of Fairacre

READ/LAST CHRONICLE OF FAIRACRE

A Peaceful Retirement

A trip to Florence with her friend Amy is a bright spot in Miss Read's retirement; Henry Mawne's complaints about his new wife and John Jenkins' persistent offers of marriage are not.

Changes at Fairacre

While Fairacre's new commuter lifestyle causes a sharp decline in enrollment at her school, Miss Read focuses her attention on the ill health of her old friend Dolly Clare.

Christmas At Fairacre

A delightful Christmas collection of Fairacre tales from the ever-popular Miss Read. The people of Fairacre celebrate Christmas in a traditional style which has hardly changed over the generations. Children eagerly hang up their stockings, families go to church together and everyone enjoys Christmas cake and other treats of the festive season. From an unexpected visitor on Christmas Eve in 'The Christmas Mouse' to an unwanted change of plan in 'No Holly For Miss Quinn', Miss Read recounts some of the most memorable Christmas events where often, despite best-laid plans, things do not always go as expected. For heart-warming reading there is no writer to rival Miss Read, and this charming collection of Christmas tales is packed with unforgettable characters, enchanting stories and festive cheer.

A Peaceful Retirement

"If you've ever enjoyed a visit to Mitford, you'll relish a visit to Fairacre." —Jan Karon After many years of teaching in the charming English village of Fairacre, Miss Read settles down to what she hopes will be a relaxing retirement. But, of course, it is not entirely so. Having bid farewell to her pupils at Fairacre School, Miss Read finds herself as busy and in demand as ever: on holiday in Florence, helping with church and school affairs, and offering a kind ear to her often eccentric neighbors. Soon she is counseling Henry Mawne on his thorny marriage; gently resisting her own perennial suitor, John Jenkins; and finally discovering her talent for writing. Once again, Miss Read's affection for the minutiae of village life, her love of nature, and her good humor make her excellent company. ally important. And if we can't live in her world, it's certainly a comforting place to visit."—USA Today

Over the Gate

"Here you'll find delicious wit, quirky characters, the colorful intrigues of daily life, and certainly love and laughter. . . . Delightful." —Jan Karon Throughout her years as schoolmistress, Miss Read has gathered excellent accounts of the rich and varied history of her beloved English village, often through neighborly conversation over the gate. Fairacre has garnered its share of odd incidents, entertaining episodes, and village folklore, from an unusual recipe for weight loss found in an old notebook—and used with alarming consequences—to the tragic story of the village ghost. In *Over the Gate*, Miss Read retells many of these treasured stories of Fairacre past and present, with characteristic grace and wit. "Affectionate, humorous, and gently charming . . . sometimes funny, sometimes touching, always appealing." —The New York Times "Miss Read has a humble, laughing heart." —Mademoiselle

A Peaceful Retirement

Miss Read greets retirement with considerable excitement and, after a visit to Florence with her friend Amy, she settles down to what she hopes will be an endless stream of lazy days. Not to be! New problems emerge, ranging from being able to cope with strange electrical appliances, to the worries of

advancing age and the persistent offers of marriage from John Jenkins. Sequel to "Farewell to Fairacre". 1996. (Fairacre ; 20).

Farther Afield

Another delightful Fairacre novel from the bestselling author Miss Read 'No matter how devoted, dedicated, conscientious and altogether noble a teacher is, I feel pretty sure that each and everyone feels the same sense of freedom and relief from her chains when the end of term arrives...' So it is for Miss Read - but on the very first day of the long summer holiday she falls and breaks her arm. Instantly, all her plans for the holidays are in tatters. But Miss Read's friend, Amy, comes up with an idea: and so it is that the two of them leave Fairacre for the island of Crete. The change of scene provides a welcome break for both women, giving Miss Read the opportunity to recuperate, and for them both to discuss the merits of single and married life. And when Miss Read returns, refreshed, to Fairacre, she is ready to tackle the problems which await her...

Thrush Green

Discover the little English village that neighbors Fairacre, in a novel that's "enchanting, lovely, gentle, pointed, and charming" (Minneapolis Sunday Tribune). Miss Read's charming chronicles of English small-town life have achieved legendary popularity, providing a welcome return to a gentler time with "wit, humor, and wisdom in equal measure" (The Plain Dealer). Welcome to Thrush Green, the neighboring village to Fairacre, with its blackthorn bushes, thatch-roofed cottages, enchanting landscape, and jumble sales. Readers will enjoy meeting a new cast of characters and also spotting familiar faces as they become immersed in the village's turn of events over the course of one pivotal day: May Day. All year, the residents of Thrush Green have looked forward to the celebration. Before the day is over, life and love, and perhaps eternity, will touch the immemorial peace of the village. "The more turbulent the real world, the more charming we may find the stability of Miss Read's tiny fictional world." —Los Angeles Times

Village School

The very first Miss Read novel - set in a charming 1950s English countryside community, perfect nostalgia for fans of CALL THE MIDWIFE or Gervase Phinn. 'An affectionate, humorous and gently charming chronicle ... sometimes funny, sometimes touching, always appealing' New York Times Fairacre is a village of cottages, a church and the school - and at the heart of the school, its headmistress, Miss Read. Through her discerning eye, we meet the villagers of Fairacre and see their trials and tribulations, from the irascible school cleaner Mrs Pringle, to the young schoolchildren with their scraped knees, hopeful faces and inevitable mischief. Miss Read takes us through the school year, beginning with the Christmas term when the bitterly cold weather challenges the school's ancient heating system, right through to the hot summer day when school is over for another year. VILLAGE SCHOOL is an intriguing glimpse into a forgotten world and has become a true classic.

The Black Madonna

Following the internationally acclaimed Gold of Kings, Storm Syrrell returns in the compelling story of The Black Madonna. Antiques expert Storm Syrrell heads to Europe to investigate the clandestine trade in religious artifacts. She dismisses superstitious tales of miraculous healings and divine omens. Yet when an obsessive Russian oligarch calls—just as her friend Harry Bennett vanishes—all assumptions must be cast aside. Storm seeks answers in a medieval monastery. There, the scarred visage of an icon provokes ever more startling questions. Is she prepared to confront both earthly and spiritual powers? Storm remains haunted by lessons in love and betrayal that lie just outside her grasp. But hesitation now holds mortal consequences.

Changes at Fairacre

Changes are afoot in the village of Fairacre... Over the years, Fairacre has seen many changes, some for the better, some less so. But the declining number of children at the village school has again threatened it with closure, and for Miss Read this means maybe losing her livelihood and her home. And as she loses a dear friend, it is with a heavy heart that Miss Read inherits the cottage of Miss Clare. Some things, however, never change: Miss Read's stout housekeeper, Mrs Pringle, continues her

tirades; the harvest fair and fête remain cherished events; Amy has a problem with a most unwelcome guest; and a snowstorm and hurricane hit the village.

Summer at Fairacre

After a long winter, summer is a welcome time for Miss Read and her village friends. SUMMER AT FAIRACRE charmingly recounts this bright, bustling season and the problems and possibilities that unfold against the backdrop of roses, skylarks and bees. Joseph Coggs finds a temporary home in the schoolhouse while his mother is in the hospital. Miss Read's friend Amy mysteriously disappears. Perhaps most difficult of all, Mrs Pringle, the grumpy school cleaner, is unable to work because of her 'bad leg'. Still, the sounds of children playing and the fragrance of summertime flowers fill the air, as Miss Read shepherds her students and friends through the warm season.

Microserfs

From the era-defining author of Generation X comes a novel of overworked coders who escape the serfdom of Bill Gates to forge their own path. They are Microserfs—six code-crunching computer whizzes who spend upward of sixteen hours a day “coding” and eating “flat” foods (food which, like Kraft singles, can be passed underneath closed doors) as they fearfully scan company e-mail to learn whether the great Bill is going to “flame” one of them. But now there's a chance to become innovators instead of cogs in the gargantuan Microsoft machine. The intrepid Microserfs are striking out on their own—living together in a shared digital flophouse as they desperately try to cultivate well-rounded lives and find love amid the dislocated, subhuman whir and buzz of their computer-driven world.

Life After Life

The PRIZE-WINNING BESTSELLER, now a major BBC1 DRAMA SERIES starring Thomasin McKenzie, Sian Clifford and James McArdle, directed by BAFTA award-winning John Crowley. 'Dazzling, witty, moving, joyful, mournful, profound... one of the best novels I've read this century' Gillian Flynn, bestselling author of GONE GIRL 'A box of delights ... it grips the reader's imagination on the first page and never lets go.' HILARY MANTEL, author of THE MIRROR AND THE LIGHT

What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? Life After Life follows Ursula Todd as she lives through the turbulent events of the last century again and again. With wit and compassion, Kate Atkinson finds warmth even in life's bleakest moments, and shows an extraordinary ability to evoke the past. Here she is at her most profound and inventive, in a novel that celebrates the best and worst of ourselves. 'Merging family saga with a fluid sense of time and an extraordinarily vivid sense of history at its most human level. A dizzying and dazzling tour de force' Daily Mail 'Absolutely brilliant...it reminded me a bit of her first book Behind the Scenes at the Museum, which is one of my most favourite books ever.' Marian Keyes, author of Rachel, Again 'An exceptional writer' Guardian '[A] magnificently tender and humane novel' Observer 'A ferociously clever writer...a big, bold novel that is enthralling, entertaining' New Statesman 'Exceptionally captivating' New York Times 'Truly brilliant...Think of Audrey Niffenegger's The Time Traveler's Wife or David Nicholl's One Day.. a rare book that you want to start again the minute you have finished.' The Times

Return to Thrush Green

It's spring again, and with the change of seasons comes change in the lives of many of the villagers. The Young family is disrupted by the sudden arrival of Joan's father, and Molly and Ben Curdle finally consider settling down.

Village Diary

When Miss Read receives a magnificent diary for Christmas instead of the more customary bath salts, she decides she must make good use of it. In each chapter of her diary, Miss Read recounts a month in her life as headmistress of Fairacre School. With kindly humor, she relates all the difficulties and all the enjoyment of living in a small country community. Her jollity lasts even through staff problems, a

village decision to marry her off, and a nagging cleaning lady. But when she writes about her younger pupils, that amusement breaks into laughter.

Mrs. Pringle of Fairacre

Through the eyes of many Fairacre friends, we trace Mrs. Pringle's life and her stormy standing as the redoubtable cleaner of the town's school. However maddening she is, life at Fairacre would be poorer without her.

Farewell Shaughnessy

It is 1933. The great Depression is having a devastating effect on many thousands of families across the country. The fact that the Asa Bruce family live in a beautiful house in Shaughnessy Heights, Vancouver's finest residential neighborhood, does not exempt them from its effect. Asa Bruce, the head of the family, has been holding together his little financial empire precariously, hoping that something would break. The banks, however, refuse accommodation. This novel draws a vivid portrait of each member of the family; Asa himself, wife Martha, son Struan, daughters Fiona and Arleigh, and Martha's sister Augusta who has been living with them for twenty-five years. Its denouement reveals how each reacts to a serious crisis in their lives.

Miss Clare Remembers and Emily Davis

Two novels in the beloved Fairacre series, full of "delicious wit, quirky characters . . . and certainly love and laughter" (Jan Karon). In the English village of Fairacre, retired schoolteachers Dolly Clare and Emily Davis enjoyed a remarkable friendship. Childhood playmates in Beech Green, they would remain close throughout their long lives, eventually sharing a cottage in their retirement. They felt grief when a village family was lost on the Titanic and each experienced young love and then heartbreak when the First World War interrupted both of their romances. In this two-in-one volume, the triumphs and tragedies of their days are depicted with all the humor, humble tenacity, and human warmth for which Miss Read is known. "Miss Read's Books . . . have deservedly received the highest praise from both English and American reviewers." —The New York Times Book Review "Miss Read reminds us of what is really important. And if we can't live in her world, it's certainly a comforting place to visit." —USA Today "[Read's] heroes are the good, the uncomplicated, and those who do the unsung work of the world. It's a warm, comfortable, part of the picture." —Kirkus Reviews

Village Centenary

The village school is a hundred years old and headmistress Miss Read is fully occupied planning the festivities. VILLAGE CENTENARY welcomes us back to Fairacre just in time for the one hundredth anniversary of the village school. Such a centenary should be celebrated, and all of Fairacre is quick to offer suggestions - from a tea party to a pageant. Deciding how best to stage the grand occasion, however, is only one of Miss Read's problems. The ancient skylight in the school is leaking, and Mr Willet, the school caretaker, fears that replacing it will be a difficult job. The new teacher, Miss Briggs, fresh from college and full of idealistic theories, proves a thorn in Miss Read's side. The vicar has decided to keep bees. And Mrs Pringle is her usual dour self. But the seasons continue to change, and the centenary year unfolds with its hopes and fears, its memories and forecasts, its friendships and feuds. VILLAGE CENTENARY marks yet another delightful year in the company of our favourite Fairacre friends.

Friends at Thrush Green

It's spring in Thrush Green - but the new season brings far more than the villagers anticipate... Thrush Green is buzzing with gossip, which everyone is keen to share with two ex-schoolteachers, who have returned to visit their friends in the village. The old schoolhouse has just been sold, and the villagers are eager to welcome the new owners, the Lesters. Alan Lester seems to be perfectly pleasant, but rumours soon circulate about his wife, Margaret. Equal cause for speculation is the odd behaviour of long-standing resident Bertha Lovelock. And what of farmer Percy Hodge? Can he really be contemplating marriage to the rather wayward Doreen Lilly?

At Home in Thrush Green

There are newcomers to the village of Thrush Green... Charles Henstock, vicar of Thrush Green, is living in his new vicarage after the old one burned down. In its place are eight retirement homes, but there's heated debate in the village about the new residents. How to choose who will live there? How will they get on together? And how will they accommodate all the pets? Meanwhile the old residents have their worries. At the school Miss Watson learns that her brother has had an accident; an argument flares up between Edward Young and Dr Lovell; and Dottie Harmer becomes dottier by the day.

Thrush Green

Miss Read introduces the inhabitants of the lovely village of Thrush Green during the course of one pivotal day--May Day.

Affairs at Thrush Green

The well-loved residents of Thrush Green return in another slice of village life. Charles Henstock, rector of Thrush Green, has difficulty living up to his predecessor when he moves to the parish of Lulling. He faces opposition from the fearsome Mrs Thurgood and her arty daughter, Janet. Everyone in the district seems to be having their share of problems, not least Albert Piggott, who dreads the return of his wife Nelly. Meanwhile Kit Armitage returns to set elderly hearts fluttering. Could there be wedding bells in Thrush Green?

Winter in Thrush Green

When a stranger arrives in the village of Thrush Green, Miss Dean's romantic prospects suddenly change.

Sequels

A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series.

Storm in the Village

The third novel in the bestselling Fairacre series. On a blustery March day in the village of Fairacre, Miss Clare sees two strangers, 'pacing slowly, side by side, along the edge of Hundred Acre Field which lay on the other side of Miss Clare's garden hedge...' So begins a story which brings all the villagers of Fairacre together, as they face the prospect of developers, who hope to build new houses on the fields adjoining old Mr Miller's farm. Everyone has an opinion - but not everyone is in agreement about the development. Under the watchful gaze of Miss Read, the schoolteacher, we meet old characters and new, from retired teacher Miss Clare and the surly Mrs Pringle, to the new assistant teacher, Miss Jackson - who brings with her problems of her own...

Christmas at High Rising

Originally published in the 1930s and 1940s and never before collected, these stories by the incomparable Angela Thirkell relate merry scenes of a trip to the pantomime, escapades on ice, a Christmas Day gone awry, and an electrifying afternoon for Laura Morland and friends at Low Rising, not to mention the chatter of the arty set at a London private view. Charming, irreverent and full of mischievous humour, they offer the utmost entertainment in any season of the year.

Christmas at Thrush Green

A brand new Miss Read novel, set in the Cotswold village of Thrush Green at Christmas. The villagers of Thrush Green celebrate Christmas traditionally, in a way that has hardly changed over the generations. Children eagerly hang up their stockings, families go to church together and everyone enjoys the treats of the festive season. And when it snows as the carol singers make their way round the cottages on the green, it looks as if Christmas will be perfect this year. But not everything is as peaceful as it seems. Phyllida and Frank have their work cut out for them when they agree to take on the Nativity play - made all the more difficult by an outbreak of chicken pox. The indomitable Ella has lived in Thrush Green for as long as anyone can remember, but lately she has been behaving strangely. Then there are the dreadful Burwells, newcomers to Thrush Green, who cause something of a stir with their 'home improvements'. For Nelly, owner of The Fuchsia Bush tea shop, Christmas is an especially busy time,

with people dropping in for much-needed refreshment, weary from all their Christmas shopping. But then she receives an unexpected letter.

FAREWELL VICTORIA

Farewell Victoria follows the life of Mundy, from boyhood, to a young groom, to a soldier at the Battle of Isandlwana, and finally to a horse-drawn hackney driver adrift in an age of cars. A meditation on the recently lost ages of England.

News From Thrush Green

The third novel in the bestselling Thrush Green series. There are new people on the Green... When old Admiral Trigg and his sister Lucy died, their house - Tullivers - stood empty for many months. Then one bright April day, some discreet onlookers saw a good-looking woman pushing her way through the nettles to the front door. Who was she? Was she on her own? Had she bought the house, and, if so, what kind of a neighbour would she be? These were just some of the questions asked by the curious residents of Thrush Green, a village bubbling with feuds, disasters and delights, all observed by Miss Read with her customary wry wit and charm.

The Fairacre Festival

A violent October storm -- unexpected except by the weatherwise Mr. Willet -- strike the village of Fairacre. Trees and telephone poles are down, and the roof of St. Patrick's Church has been badly damaged. The repair estimates are so high that its repair seems unlikely. That is, until Mr. Willet suggests a festival. Suddenly, Fairacre is bustling with whist drive, a food sale, a Christmas Bazaar, and finally, the festival itself. But Fairacre still has a long way to go. Will they be forced to sell the church's treasured Queen Anne chalice? The denizens of Fairacre are undaunted and persevere despite seemingly insurmountable odds.

Copywriting Second Edition

Writing copy is often assumed to be a natural talent. However, there are simple techniques you can employ to craft strong written content with ease. This new, expanded edition teaches the art of writing great copy for digital media, branding, advertising, direct marketing, retailing, catalogues, company magazines and internal communications. Using a series of exercises and up-to-date illustrated examples of award-winning campaigns and communication, Copywriting, Second Edition takes you through step-by-step processes that can help you to write content quickly and effectively. Including insightful interviews from leading copywriters, as well as illustrated case studies of major brands that explore the challenges involved in creating cutting-edge copy, this book will provide you with all the tools you need to become a confident and versatile creative copywriter.

The Irishman in Canada

America in 1968 is in turmoil and the leafy Holloman, Connecticut, suburb of Carew is being silently terrorized by a series of vicious and systematic rapes. When finally one victim finds the courage to speak out and go to the police, the rapist escalates to murder. For Captain Carmine Delmonico, it seems to be a case with no clues.
