### Brotherhood of the Gods

This book is a synopsis of three monotheistic faiths Judaism, Christianity, and Islam their common areas and their differences. The author's desire? To show why she believes and to also prove that, of the three main faith's existing in the world today, Christianity (a true and right personal relationship with Christ) is the only vehicle to God. It is only through Jesus Christ, God's Son, that we find our way to Him. (John 14:6).

### Brotherhood of the Gods

Brotherhood of the Gods is a cutting edge novel. It takes American fiction into a new cultural arena and reveals lesser-known aspects of African American culture and history. While it is a suspenseful urban thriller, it should appeal especially to literary fiction readers interested in ethnic and multicultural issues. Brotherhood is the intriguing story of David Rasheed, an amateur private eye sent to investigate the murderous exploits of rival gangs. He uncovers an intricate web of deception and double-dealing both inside and outside of the mosque. Davids hunt for the assassin of a prominent Muslim leader takes him on a harrowing journey through Newarks underbelly and into confrontations with several pseudo-Islamic groups that espouse Man-is-God theologies. The story takes place in 1977, shortly after the original Nation of Islam shed its raced-based dogma and reinvented itself as a mainstream Islamic organization. While not apparent to outsiders, that momentous change resulted in much dissension. In the midst of this dissension, our protagonist is sent to investigate the murder. Featuring strong female characters and a thorough examination of an overlooked era of American history, most readers of Brotherhood will emerge with a changed outlook on race, religion, and Islam in America.

## Brotherhood

Following on from "The Eighth Deity," the continuing tale of Malian, the altar tender takes you north to where Serdos, High Priest of the Brotherhood of Apep, is gathering his men at the High City. Here he awaits the last Icon Amaunet. Once in place, she unites the Eight Deities of the elemental waters, and Apep, the snake god, can be summoned to rise up and unleash the discord of past times, and once again, chaos shall reign. However, unknown to Serdos, the great gods have intervened in the fight against the coming disorder. Amaunet now sits protected, and Malian and his friends are free to journey northward and keep their pledges to each other unaware of the crisis that awaits them.

## A Brotherhood of Canons Serving God

Who deserves your devotion-the brother you betrayed, or the god who betrayed you?Orphaned in the slums of Tuilar at age six, Dirge has no one but Jacob, his best friend and adopted brother. That is, until he's recruited by the Brotherhood of Assassins, the right hand of the God of Death. With the land in the grips of the God of Chaos, Dirge's fearlessness and tenacity is rivaled only by his skill with a sword. But when Chaos orders the slaughter of every infant, the prophet of the God of Order appears, compelling Dirge to join them in their righteous crusade against Chaos. However, doing so means turning his back on the Brotherhood. Not only that, but he's faced with another impossible choice: obey the unthinkable demand of Death and betray Jacob or accept Chaos as his master.A man of honor in a world ruled by the whims of the gods, Dirge is caught in the middle as the gods vie for control of the world ? and Dirge's loyalty. No matter what choice Dirge makes, there will be consequences, ones that may damn him forever.

## The Brotherhood of Fools & Simpletons

Brotherhood of Osiris is a fantasy novel. A worldwide organisation known by its members as the Brotherhood of Osiris covertly run world affairs, with most normal people of the world unaware of its existence. Endowed with extraordinary mental abilities beyond the concep-tion of the unsuspecting world population, these individ-uals manipulate the masses just as the fabled gods of old in ancient times. Although not of Osiris, a young girl named Victoria is born with these self-same mental abili-ties. Blaming Osiris for the death of loved ones she vows to reap havoc onto those responsible. Knowing her special gift of making fire by the power of thought will aid her in achieving this; first she must unravel the secrets of the mysterious teachings of Zhen, which the Brother-hood of Osiris is based upon.

### Brotherhood of Osiris

A fresh look at the perennial reality of the gods and how they help humanity-through the planet's sacred sites The "gods" live! Though seemingly relegated to the archives of myth, the "gods" of antiquity are still with us in the form of the Great White Brotherhood. In fact, what the ancients described as their pantheon are members of this is an august assembly of spiritually advanced beings, based on the constellation of the Great Bear. The Gods in Their Cities, based on original clairvoyant research, reveals that the Great White Brotherhood has numerous meeting places for humans throughout the planet's array of holy sites. Seven different Great White Brotherhood types of geomantic locales are documented, and all of them exist in multiple copies on Earth. The Gods in Their Cities shows how myths of many cultures, from the Irish to Sumerians, are actually psychic maps to the planet's secret visionary terrain, to the geomantic locales of the Brotherhood, and how to successfully interact with them. And it probes behind the mythic guises of the Ray Masters, 14 select great Adepts involved with many aspects of Earth life and geomancy since the beginning-including the true identity of Jesus, Mary Magdalene, the Virgin Mary, and Merlin. Merely our knowing that this esoteric Brotherhood and their interactive locales across the Earth exist can inspire confidence, even certainty, that reality, and thus our planet, culture, and individual human lives, have meaning and are purposeful.

### The Broken God

A spiritual guide for those who intend to survive & lead others in the new age, THE DIVINE PARTNERSHIP concludes a six book assignment by Jean K. Foster that began with "The God-Mind Connection," "The Truth That Goes Unclaimed" & "Eternal Gold." It is a guide to using the creative potential that exists within the partnership of the individual, the Holy Spirit (Brotherhood of God) & the totality of the God of the Universe.

### The Gods in Their Cities

This book presents a lost tradition of inner work, the way of the householder, which was believed by the Brotherhood of Common Life to have been the teaching of the Apostles. It focuses on the emergence, amidst the decay of medieval culture, of "the mixed life," this reconciliation of action and contemplation, as the essential link between Catholic spirituality and Protestantism. The transmission of this work to lay persons seeking the interior dimensions of their lives without withdrawing from the world is presented. The hitherto monastic spiritual exercises for strengthening attention are discussed in depth. The traditional and vital Christian knowledge of the human condition, which the Brothers and Sisters verified for themselves, is emphasized, especially the crucial significance of the force of attention in the recollection of oneself and God. The importance of strengthening attentive awareness is everywhere alluded to in the sources, but virtually ignored in current accounts of the Christian heritage. The book traces a transmission of spiritual exercises supported by a strongpsychological base that is strangely familiar to the climate of today's search for meaning.

### Divine Partnership

It is a fact that there is an estimated 7,000,000,000,000 people in the world today of various ethnicities and cultures. Biblically all of these ethnic entities are the descendents of Adam and Eve. [Romans 5:19] Furthermore the origins of the multiethnic races biblically began in Genesis 11:1-9 known as the Table of Nations. [Genesis 10:1-32] It is therefore by the Will of God that we were made such a diverse race of people, and it is my intention to prove by the preponderance of the evidence (biblically, historically, and scientifically, ) that all human beings regardless of ethnicity are brothers and sisters in the Eyes of God. Biblically the sons of Noah were commanded to replenish the entire earth. [Genesis 10:32] Historically many archaeologists believe that the earliest migration of mankind began on the continent of Africa. Scientifically the difference among all ethnicities is only 0.1%. Moreover biochemists have studied the mitochondria genes of all the major ethnicities of the world and have determined that all ethnicities of mankind come from one principle genetic ethnicity. There are three basic truths acceptable in our social society: biblical truth, historical evidence, and scientific data. In this book each of these truths shall agree as one truth, thus clarifying the sum of all truth: that all mankind were created by

God, and all mankind are brothers and sisters of the flesh. This lead us to the question in Malachi 2:10 "Have we not all one father? has not one God created us? why do we deal treacherously every man against his brother, by profaning the covenant of our fathers?"

#### For the Brotherhood of Man Under the Fatherhood of God

Includes: Dark Enemy Taken Dark Enemy Captive Dark Enemy Redeemed Bonus short story: The Fates' Post-Wedding Celebration. "I could not stop reading! This read is brilliant. If you are a current fan of J. R. Ward and have read The Brotherhood Series, then these books are for you. Great Suspense, Drama and sex all rolled into a package that I T Lucas writes seamlessly... I am waiting for the next installment impatiently just as I do for the Brotherhood Series." "I still can't get over just how absolutely amazing this series is!! To intertwine Greek Mythology and history in all aspects as well as current events is absolutely mind blowing! So much so that when you really look at it can certainly seem plausible..." Dark Enemy Taken Since the dawn of human civilization, two warring factions of immortals, the descendants of the gods of old, have been secretly shaping its destiny. Amanda's small clan champions progress and peace, while their powerful enemy, the Doomers, propagates ignorance and war. Descending from a single goddess, the only one to survive the ancient cataclysm that wiped out her kind, Amanda's clan members are forbidden to each other. And as the only other known immortals are their hated enemies, they've been long resigned to a lonely existence of fleeting trysts with human partners. That is, until Amanda, the goddess's youngest daughter and a researcher of paranormal abilities, makes a game-changing discovery; two of her test subjects might be dormant carriers of the immortal gene. But before she can prove it, she gets snatched off a Beverly Hills street by a huge Doomer. Dalhu can't believe his luck when he stumbles upon the beautiful immortal professor. Presented with a once in a lifetime opportunity to grab an immortal female for himself, he kidnaps her and runs. If he ever gets caught, either by her people or his, his life is forfeit. But for a chance of a loving mate and a family of his own, Dalhu is prepared to do everything in his power to win Amanda's heart, and that includes leaving the Doom brotherhood and his old life behind. Amanda soon discovers that there is more to the handsome Doomer than his dark past and a hulking, sexy body. But succumbing to her enemy's seduction, or worse, developing feelings for a ruthless killer is out of the question. No man is worth life on the run, not even the one and only immortal male she could claim as her own. Her clan and her research must come first. Dark Enemy Captive When the rescue team returns with Amanda and the chained Dalhu to the keep, Amanda is not as thrilled to be back as she thought she'd be. Between Kian's contempt for her and Dalhu's imprisonment, Amanda's budding relationship with Dalhu seems doomed. Things start to look up when Annani offers her help, and together with Syssi they resolve to find a way for Amanda to be with Dalhu. But will she still want him when she realizes that he is responsible for her nephew's murder? Could she? Will she take the easy way out and choose Andrew instead? Dark Enemy Redeemed On board the Anna, Amanda suspects that something fishy is going on. But when her investigation of the peculiar all-female Russian crew fails to uncover anything other than more speculation, she decides it's time to stop playing detective and face her real problem-a man she shouldn't want but can't live without. Will Amanda find a way to reconcile her feelings for Dalhu? Will Dalhu find a way to redeem himself in Amanda's eyes? Will Andrew find Bhathian's long-lost lover and child? Bonus Short Story: The Fates' Post-Wedding Celebration

#### The New Name of God

War! Called to the desolate Great Beach, disparate players join forces to battle the wicked mage Hope Shoemaker. An alliance of convenience is made, even if factions stand at odds concerning multiple issues. Mistrust runs high amongst those that aim to destroy the evil in the land. Past actions cloud a war of clarity, few have pure hearts, and a clean past. Will the forces of light be able to overcome their differences to defeat the common evil? Will the alliance fail before it even begins? All these questions - and more - will answer themselves as we conclude the dark fantasy world of The Fractured Lands, and as we're drawn towards the thrilling conclusion of this stunning work of immersive fiction. Can old sins ever be forgiven? See if the alliance can survive the differences. In Fractured Gods, author Greg Alldredge takes us into a bold new heart of dark fantasy and leaves us shaken, thrilled, and eager for more. For fans of Game of Thrones, this seventh book in an epic fantasy series is guaranteed to get the mind racing and the heart pumping and is sure to grip readers from the first fantastical page to the last.

#### From Babel to Brotherhood

In this book we record the five mystery gospels preached by Leader Olumba Olumba Obu, namely: Mystery of God, Mystery of Time, Mystery of Propagation, Mystery of Death and Mystery of Marriage. Several Gospels on Christ's Universal Spiritual School of Practical Christianity, otherwise known as Brotherhood of the Cross and Star, are also recorded. The Addendum contains Order of Services in Brotherhood of the Cross and Star.

### The Brotherhood of the Common Life and Its Influence

Three months have passed since the Fraser brothers defeated the demons who caused the death of their uncle. United by the struggle they formed the Brotherhood of Olympus. Now a war of mythological proportions looms on the horizon... And the original Brotherhood is beginning to unravel before they even face the new dangers that await them. As the leader, Drake must recruit a ragtag ensemble of social misfits to form the core of his new Brotherhood. The dark gods are poised to strike, and a legendary tower that travels across different realities holds the key to their victory over humanity. Only one thing stands in the way of their plan to unleash Hell on Earth..."The Brotherhood of Olympus"--if they can survive high school, learn to trust each other, and become the heroes they were meant to be. Bonus Materials Included: A full page illustration for each chapter, two detailed Maps of the book settings, complete Glossary of terms, four Family Trees, Chapter Discussion Guide ("CCSS Aligned"), and the first chapter of "The Brotherhood of Olympus and the Dream Stones."

### The Brotherhood of Men: Its Laws and Lessons

Adventure. Trust. Brotherhood. When you measure your day by tanks instead of miles as an alpha in a pack of alphas, sometimes tempers can get as hot as a Badlands highway, but it is the words left unspoken that end up leaving scars. This is the story of brothers on a pilgrimage to Sturgis, site of the annual Bike Week gathering. Part memoir, part New Journalism story of how the Harley Davidson ethos created bonds stronger than steel among the men and women who tour this country atop their iconic motors and keep the dream of personal freedom healthy.

### The Fatherhood of God and the Brotherhood of Man

Never underestimate the power of a stubborn witch. Bianca Monroe wants one thing: to create a Sisterhood of Protectors. She might be the only one that thinks it's a good idea. With demigods in Alkarra, and a frustrated Council attempting to usurp her father, Bianca is faced with opposition on every side. When her desire to defend the Central Network with a Sisterhood is rebuffed by everyone whose support she thought she'd have, she's forced to find a new path. Meanwhile, the influence of god magic grows in Alkarra. Wonky magic, strangers in the land, and crumbling Network ties abound. Will Bianca assemble the support she needs to defend the Network from this unknown enemy? Or will she find the strength to forge her own path? THE RISE OF THE DEMIGODS is the second book in THE NETWORK SAGA. Fans of beloved, award-winning NETWORK SERIES will be swept back into the world of Alkarra, where magic abounds and enemies are now fast at hand.

### The Brotherhood of All Mankind

This book, The Stairway To Freedom, was dictated from the spirit world by The Great White Brotherhood and is a complete primer of esoteric knowledge covering virtually every aspect of a human being's development whilst here in incarnation and also will see ones life into in the spiritual realms as one progresses towards God. It covers a large gamut of seemingly unrelated topics covering: • Sexuality, • The birth process, • How life develops and is controlled by archangels, • What is God and what God's Power is, • What our auras are, • How we can develop spirituality, • Diet, • Organising one's daily routine and a host of other topics. The book cleverly weaves all these, apparently, disparate elements into a cohesive whole so that the student can have a firm grasp on the way that life operates whilst incarnate here on Earth and will help guide one through that life, and also what awaits someone when this incarnation is finished and they return to their true home, the spirit realms. There are also a couple of prayers that were dictated from the spirit world, some guided meditations and, lastly, a number of questions and answers that were asked of the Great White Brotherhood on a variety of topics. Although it is a book on spirituality, it offers a lot of practical information relevant to the problems that people face in their daily lives. The Brotherhood all had incarnations here on Earth at some stage and so have first hand knowledge of the difficulties that we face. It is not a remote, academic book just dealing with what is God. It is written in simple, if precise, language and all people will find that they can connect to the information presented in the various chapters. As a last point, a great deal of love was put in by

the Great White Brotherhood to give us this book and a great deal of hard work was put in by various people to present this to you. It is hoped that the information will change your life.

### The Children of the Gods Series

The shadowy chambers of the Knights Templar hold a devastating secret... Having barely escaped the crosshairs of a deadly cult, Robin Jessop and David Mallory are determined to unlock the truth behind a conspiracy unresolved for seven hundred years – the mystery of what gives the enigmatic Templars their unwavering power. Infiltrating the group's archives, they make a startling discovery. An ancient Templar passport hinting at a sacred mission: the transportation of an artefact of incomprehensible value. Delving through centuries of deception, the two come face-to-face with a secret that could shake Christendom to its core. The awe-inspiring finale to the Hounds of God trilogy, perfect for fans of Dan Brown, Scott Mariani and Chris Kuzneski.

Midway International Airport Chicago, Illinois

TWA flight 529 prepares for a domestic flight to Las Vegas, Nevada.

The aircraft is a 16 year old Lockheed L-049 Constellation

Powered by 4 Wright R-3350 Duplex-Cyclone engines. It has 43,000 hours of flight time.

On board there are the 3 pilots, 2 flight attendants, and 73 passengers

The passengers start to get comfy for the six hours of flight they have ahead

The plane hits the ground 9 miles from the airport. All 78 people on board die

Investigators determine that the elevator jammed in the up position, making it impossible for the pilots to lower the nose of the plane.

## Good Bye, Baby Venus

Told in narrative form, this book chronicles the experience of the author, who is also a social worker, when she becomes a foster parent in hopes of providing abused children with the care and nurturing an overburdened social worker cannot supply. The author records the children's arrival, adjustment, acting out of abuse and abandonment issues, and their eventual painful departure. Mansfield painfully records the unsupportive network upon which her family and the foster children must depend for communication with the social service system. The book affords a personal look at the lives of three abused children, the effects of child abuse on their personality development, and the dismal failure of the foster care system to meet their emotional or physical needs.

## Dark Delta Deep, Blue Goodbye

Kimberly Kincaid, sixteen, had to move from the Delta town of Crossroads when her father died in a logging accident, but when Venus Bolton, all-state center on the Crossroads championship basketball team dies giving birth, Kimberly insists in going to her funeral even though she has no car. "Hot" Haliday, carefree, strong, and basically good, gladly takes her in his Z-300 to Sweet Lily Church. Kimberly, the point guard on the basketball team sees her many admirers. She is blessed not only with physical beauty, but with a kind heart, high morals, courage, and common sense. As Venus requested, Kimberly sang "Precious Memories." Afterwards, she confronts the father of Venus' baby boy and cows him down. Then, Kimberly and "Hot" visit Vicki, Kimberly's sister, who struggles to put food on the table for her and her child, born out of wedlock. "Hot" vows that he will return with Kimberly, and he will force some big changes in Crossroads.

## Another Mother

One night after midnight social workers brought a baby girl to the author's home, and her life as a foster mother began. A social worker herself, Gerstenzang discovered that raising Cecilia, despite all the personal joys, would be a complex and frustrating process of "co-parenting" with the foster care system in New York City. Foster parents are in great demand, but they are not necessarily treated well. We follow the author through the home visits, the Early Intervention evaluation, the WIC program that (with much bureaucratic hassle) provides free formula and cereal, and the mandatory parenting training sessions. She comments, "When Michael and I became foster parents, we learned how stigmatizing, demoralizing, and just plain inconvenient and time-consuming being part of the 'unentitled' population can be. With the exception of Early Intervention, we often felt that the programs were more concerned with regulating our behavior than with providing services." Regular meetings with the birth family were also part of the process. Not only were they awkward for all concerned, but each visit involved a commute of several hours. One social worker admitted that she preferred a foster parent who didn't work because that person could more easily comply with the time-consuming regulations. Sarah and her husband Michael also agonize over complying with special regulations about hiring babysitters or traveling ("anytime we left New York State we needed to ask the agency's permission, which in turn had to get the signed consent from the birth mother"). Central to Another Mother is the issue of transracial placement. Sarah remembers, "That first day the contrast between my pale skin and Cecilia's brown skin seemed glaring. Not only did I feel that I had someone else's child, I felt that I had a child from another culture. Would I owe someone an explanation?" (Gerstenzang is recalling the 1972 opposition of the National Association of Black Social Workers.) Her account is full of anecdotes and reflections about race: acceptance and prejudice from others; the feelings of her two children about having a sibling of a different race; and culture keeping, beginning with skin and hair care.

## Spiritual Plays for Christmas, Easter, and Other Occasions

Rose grew up in a family where she felt inferior to her brothers and afraid of her mother, who warned her fiercely about men who hid in bushes and did unspeakable things to children. But Uncle George made her feel safe, loved and wanted. Her whole family trusted him - so when he wanted to take Rose off for special treats, her parents were delighted. And so was Rose - but she got puzzled when he wanted to take photographs of her in the nude. Soon he was warning her that she had been very naughty and he could get her into a lot of trouble, so she must keep quiet. Knowing she was special to him, she knew he wouldn't want her to get hurt - even though he did hurt her sometimes. And besides, Jesus was watching over her - and Uncle George was a big part of church life. So what he was doing must be all right, mustn't it - and if it wasn't, Jesus would stop him, wouldn't he?

Stuart Rosenberg traces the growth of rock and roll music from its beginnings in 1955 through the end of the 1960s. During this fifteen year period, rock and roll became a major industry, creating a new generation of songwriters, recording artists, producers, and entrepreneurs, and introducing a variety of new musical genres. From the emergence of Elvis Presley and rock and roll's early pioneers in the mid-1950s, to the teen idols of the late 1950s, to the British invasion and the soul of Motown and Stax in the mid-1960s, to the progressive rock of the late 1960s, Rock and Roll and the American Landscape presents an intellectual perspective while chronicling the people and the events that shaped the popular culture.

SOUND OF THE CROWD: A DISCOGRAPHY OF THE '80s is the ultimate record collector's guide to the 1980s. In the era of multi-formatting, picture discs, coloured vinyl, multiple remixes, funny shaped records and tiny CDs you could lose down the back of the sofa, this book lists every format of every single, EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts, from ABBA to Paul Young. This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early '80s K-Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the '80s music website Sound of the Crowd and writer, producer and co-host of the unconventional '80s chart show Off The Chart, broadcast weekly on Mad Wasp Radio.

## Building News

Bye Bye Baby is a dramatic comedy inspired by Elyse Gasco's multi-award-winning book Can You Wave Bye Bye, Baby? and marks her debut as playwright. The play follows one woman's journey to discover the truth about her birth mother as she struggles to make sense of her own life and identity. Bye Bye Baby has a shockingly tactile quality that hits you right between the eyes with its brazen probing of the human heart. The play's protagonist, Elle, is a seductive, witty, and immediately recognizable character. The sumptuously vivid images of her womanhood, the intimate realities of her early pregnancy, and her rage at the uncertainty that is her legacy are woven together as Elle navigates her way through the reams of bureaucratic red-tape which link her to the truth of her origins. As the plot twists in this part-mystery part-thriller, various suspects (the elusive birth mother, the chatty imaginary friend, the

adoptive mother, the social worker) make their intentions clear and argue a justifiable defence for their presence or absence in Elle's life.

One of the first celebrity photographers, David Bailey socialized with many of the cultural icons of the 60s - he lived with Mick Jagger, married the legendary French film actress Catherine Deneuve and had relationships with the models Jean Shrimpton and Penelope Tree. Along with Brian Duffy and Terence Donovan, he was one of the 'Terrible Trio' - self-taught East End boys who rebelled against the precious style of fashion portraiture as practiced by society photographers like Cecil Beaton and Norman Parkinson. His own fame was confirmed when director Michelangelo Antonioni used him as inspiration for the character of fast-living photographer Thomas Hemmings in cult film "Blow-Up" (1966). Outside the world of fashion photography, Bailey has pursued numerous personal and commercial projects; documenting the streetscapes of London, photographing the people and places of Havana, Cuba, and producing an intimate series of portraits of model Catherine Bailey, his current wife. He has also created record-sleeve art, feature films, documentaries and around 500 commercials. The vigour and variety of his work has made him the subject of numerous exhibitions, including a major traveling show that opened at the Barbican, London, in 1999 entitled "The Birth of Cool". This handsome monograph provides an overview of Bailey's career, including works from key monographs such as his debut Box of Pin-Ups (1964) and the controversial series The Lady is a Tramp (1995). The book, on a photographer whose reputation only continues to grow, will appeal to all photography enthusiasts and students, and to anyone with an interest in popular culture of the 1960s onwards.

### Rock and Roll and the American Landscape

Dating in high school is like reality TV. It can get pretty surreal. Between the strict social ladder (geeks' lockers left, jocks' to the right), and silly, pointless rules (no hand-holding, no kissing, no breathing!), high school is the single worst place to find a boyfriend. And Laura Sweeney is no exception. She hasn't had a date since...well, ever. Desperate times call for desperate measures. So Laura is calling in the big guns. She needs guidance. A proven "get the guy" strategy. Luckily she knows exactly the expert to call. He's a matchmaking mastermind who actually has the bow and arrow to prove it. Let's just call him...Cupid.

### Sound of the Crowd: a Discography of the '80s (Fourth Edition)

Born and raised in Albany Georgia, Speedy, picked up this nick name when assigned to Strategic Air Command HQ at Omaha, Nebraska, in the early 60's. These are a collection of poems written by him over a period of 60 plus years while serving 30 years in the Air Force and 20 plus years as a stock broker in Melbournem, Fl. The poems about combat were in most cases actual experiences lived by Speedy as a combat pilot in three wars: World War II, Cold War and Vietnam. His soon to be headquarters supervisors in the Vietnam war could not believe the dangers he encountered until they managed to accompany him on a night mission.

### Kiss Daddy Goodbye

Home is wherever the heart leads.... The ties that bind us--to our families, to our pasts--are at the heart of this deeply engrossing story. Venus Arinelli saw her future as a concert pianist shattered when her father's life ended in disgrace. Now Venus plays in cocktail lounges, sporting her survival skills like a suit of armor. When a stranger emerges from her parents' long-ago past with an offer too good to refuse, Venus' suspicions flare up. But Gib Cameron has a special mission. He represents the Camerons of Tennessee--a family as rooted in American history and Southern soil as Venus' is notorious and fly-by-night. Yet the Camerons, survivors of tragedy, need Venus for reasons that have to do with honor and loyalty and an almost mystical bond to their shared past. And Gib, as hard-eyed a skeptic as Venus herself, has to persuade her to come to their mountain home. Humor, sexiness, pathos, and surprises are all part of Deborah Smith's unique storytelling magic. When Venus Fell will entrance readers with its tale of Venus's reluctant journey to Tennessee, where two well-guarded hearts, afraid to trust again, will find they've come home.

\*\*\*\*\* AS SHE TRIES TO MAKE A NEW LIFE, WILL SHE EVER FEEL SHE FITS IN? Young, attractive, a widow with a ten-year-old daughter - Venus Stanton was certainly not the vicar that the traditional parish of Thurston had been expecting. The village was agog and surprised and, in some cases, not at all pleased. Venus had to endure curiosity, misunderstandings and even downright hostility. But she also found warmth, friendship and kindness - sometimes from the most unexpected quarters. Still mourning the death of her husband, and having to cope with the problems of single parenthood, Venus began to think that she would never manage the task she had set herself. Perhaps the doubters were right. But many others - including the local handsome doctor - thought otherwise... Venus's story continues in Mixed Blessings.
