Once Upon a Future Time

Seven authors retell their favorite fairy tales as science fiction adaptations. Adventuring to the far reaches of space and the not too distant future these tales explore what would happen if the tales we've always known were to have taken place in a futuristic setting.

Once Upon a Future Time

An in-depth study of Buddhist theories of the decline and disappearance of their own religion. Nattier's work challenges previous assumptions on this topic and focuses on the critical study of the "Kausambi Story," a Buddhist prophecy of decline, in its Tibetan, Central Asian, and Chinese variants.

Once Upon a Future Time

Seven authors retell their favorite fairy tales as science fiction adaptations. Adventuring to the far reaches of space and the not too distant future these tales explore what would happen if the tales we've always known were to have taken place in a futuristic setting.

Once upon a future time...

Formation, Transformation, Eternal minds in eternal recreation Mephisto in Goethe's Faust II 6285 The author conveys reflections on viruses and people in the form of a fairy tale comedy danced on a laptop. Emotions matching the text in each case are offered by music via link. Agreement with the TRUE STATEMENTS laboriously worked out by protagonists is neither necessary from a scientific nor an artistic point of view, because irritation and amusement are intended by the author.

Once Upon A Future Time

Very few people have made it to the 100 year mark. Even today with countless medical and technological advances turning the world upside down, waking up for 36, 500 sunrises is still a feat not shared

by most. So what would the you of now say to the you of then? Are you the same person? Or is life lived in segments by different people sharing the same name and same DNA? This is one letter. My letter. To the Me of Then, should I ever reach that remarkable age.

Once Upon a Future Time

Once upon a future time, 3 girls and their uncanny pets get caught up in the plans of an evil sorcerer. Traversing space and time with the aid of otherworldly magical rocks and an enchanted diary, Julia, Alex and Nina embark upon an unexpected quest to save the world.

Madi: Once Upon a Time in the Future

Madi Preston, a veteran of Britain's elite special operations J-Squad unit, is burnt out and up to her eyeballs in debt. She and the rest of her team have retired from the military but are now trapped having to pay to service and maintain the technology put into them during their years of service. They're working for British conglomerate Liberty Inc as mercenaries, selling their unique ability to be remote controlled by specialists while in the field, and the debts are only growing as they get injured completing missions. We meet Madi as she decides she's had enough. She will take an off-the-books job that should earn her enough to pay out her and her sister, but when the piece of tech she's supposed to steal turns out to be a kid, and she suddenly blacks out... she finds herself on the run from everyone she's ever known.

Once Upon a Time in the Future

"Once Upon a Future Time, Volume 2" brings back Deanna Young and W.O. Hemsath with new stories and adds works from nine new authors. Continuing the theme of reimagining favorite folk tales and fairy tales as pieces of science fiction literature you will find stories from: W.O. Hemsath, Savannah Grace, E.B. Dawson, M.R. DeLuca, Art Lasky, Susan W. Lyons, Deanna Young, Lynne Lumsden Green, Jonathan Ficke, Linda McMullen, and Shannon McDermott.

Once Upon a Future Time

Take a journey from the distant past into a future to be imagined with this gorgeous debut picture book whose graduated pages reflect the passage of time. Hundreds of millions of years ago, land took shape. Millions of years ago, dinosaurs lived on Earth. Thousands of years ago, people built towering pyramids. Ten years ago, the landscape looked different. A month ago, it was still summer. A minute ago, the light was turned off. Now! Make a wish! What will you be doing in a week? How will you celebrate your birthday next year? What will you discover when you are older? What will hold you in awe forever? Moving inexorably from an age primeval into a future filled with questions, Johanna Schaible brings her beautiful collage artwork to an exploration of time that melds a conceptual vision with a physical one. With each page turn, the pages gradually become smaller—showing more and more borders from the past—until they reach the present moment, then grow larger again as time expands into a future full of possibilities.

Once Upon a Time There Was and Will Be So Much More

Relations between China and India underwent a dramatic transformation from Buddhist-dominated to commerce-centered exchanges in the seventh to fifteenth centuries. The unfolding of this transformation, its causes, and wider ramifications are examined in this masterful analysis of the changing patterns of interaction between the two most important cultural spheres in Asia. Tansen Sen offers a new perspective on Sino-Indian relations during the Tang dynasty (618-907), arguing that the period is notable not only for religious and diplomatic exchanges but also for the process through which China emerged as a center of Buddhist learning, practice, and pilgrimage. He proposes that changes in religious interactions were paralleled by changes in commercial exchanges. For most of the first millennium, trading activities between India and China were closely connected with and sustained through the transmission of Buddhist doctrines. In the eleventh and twelfth centuries, however, secular bulk and luxury goods replaced Buddhist ritual items. Moreover, policies to encourage foreign trade instituted by the Chinese government and the Indian kingdoms transformed the China-India trading circuit in

Buddhism, Diplomacy, and Trade

DigiCat Publishing presents to you this special edition of "The Once and Future King" by T. H. White. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Once and Future King

L.O.C.U.S.T.S. unveils the life and consequences of Dr. Loretta Rogers, a self-made woman in the year 2035. She has not time for men, marriage, or family. Her research is all the relationship she needs. She's very close to making the world a perfect and safe place. To Loretta, that seemed more important than any ordinary existence. She was empowered by her own accomplishments in the scientific world of bio-mechanics. But a power higher than Loretta had different plans for her invention. Debtor's Lament highlights the experiences of Carther and Annie, two intelligent, hard working senior adults living in the New World Council of 2019. However, the rising cost of living made it increasingly difficult for them to maintain their middle class life. Like so many others, they resulted to credit cards and loans to make ends meet. The New World Council instituted unprecedented penalties for debtors of the 21st century just a few years away! Turnabout presents a paradox of 22nd century time travel masterminds who seek to explore the methodologies of slavery in colonial America. Their intent is to reconstruct a social system to repress an unsuspecting population. Dr. Tyrone Curry, a major time travel physicist learns that turnabout is not fair play.

Once Upon a Future

"Once upon a time, a laptop arrived in Fairy-tale Land. Join Jack and his friends as they discover the ups and downs of going online!"--Page 4 of cover

Once Upon a Time ... Online

The Evil Queen has, quite literally, captured the Huntsman's heart -- and now he's her slave. Based on the world of ABC's hit primetime series ONCE UPON A TIME, this is the never-before-told tale behind their twisted relationship -- and what happens when a good man is forced to do bad. When Regina cooks up yet another devious plan to capture Snow White -- this time by allying with a pack of power-hungry werewolves -- the Huntsman comes face-to-face with his past...and an independent spirit in Red Riding Hood that just may match his own. Can these two break free of the forces that bind them and save Snow White? When put to the test, where will the Huntsman's loyalties lie? Has the Evil Queen stolen his heart in more ways than one?

Once Upon a Time in the Future

Translated from Spanish, this unique collection of twenty short stories is a fascinating glimpse into the heart and mind of a writer who is ubiquitous, wise, satirical, and truly original.

Once upon a future time...

Fairy tales have fueled our dreams and fired our imaginations for centuries. Step inside a time machine built by a collection of today's finest storytellers, and enter a range of futures where familiar tales are reimagined in an astonishing variety of styles. Editors Andrew Carl and Chris Stevens bring you the next wave of leading writers and illustrators working alongside superstar creators like Farel Dalrymple (Pop Gun War), Ryan Ottley (Invincible), Khoi Pham (Daredevil), and Brandon Graham (King City) to deliver a reading experience that will delight generations young and old. * Ageless stories become tales for a new age!

Once Upon a Time in the Future

Jimmy buys a house. It is a place that hides a secret, revealed only to those who linger upon the edge of insanity. He will travel far; to a time and place that will slowly mend his broken heart, and alter the course of his and other lives forever

Once Upon a Time Machine

Argues that each individual's life is a never-ending story, and uses the elements of a story to show readers how to understand their lives better, showcasing the "big picture" God writes in each person's story.

Once Upon a Time Traveller

Jimmy buys a house. Not any old house, but a large Victorian through-terrace. It is a place that hides secrets, revealed only to those unfortunates who linger upon the edge of insanity. As he is still on talking terms with his dead wife, Jimmy qualifies in spades. He will travel far...to a time and place that will slowly mend his broken heart, and alter the course of his life forever.

Once Upon a Time

A new King Arthur has risen and she's got a universe to save. Coming to terms with your identity is always difficult. But for Ari, the 42nd reincarnation of King Arthur, it just got a whole lot more complicated. Gender-bending royalty, caustic wit and a galaxy-wide fight for peace and equality all collide in this epic adventure. With an awkward adolescent Merlin and a rusty spaceship, this is the Arthurian legend as you have never before seen it.

Once Upon a Time Traveller

A "fairy-tale twist set in the world of the ... Half upon a time series"--Dust jacket flap.

Once & Future

Half a century ago a youth appeared from the American hinterland and began a cultural revolution. The world is still coming to terms with what he did. How he did it—and why—has never fully been explored. In *Once Upon a Time*, award-winning writer Ian Bell draws together the tangled strands of the many lives of Bob Dylan in all their contradictory brilliance. For the first time, the laureate of modern America is set in his entire context: musical, historical, literary, political, and personal. Full of new insights into the legendary singer, his songs, his life and his era, this new biography reveals the artist who invented himself in order to reinvent America. *Once Upon a Time* is a study of a personality that has splintered and reformed, time after time, in a country forever struggling to understand itself. Dylan has become the mystery that illuminates. Here, in the first part of a major two-volume work, the mystery is explained.

Once Upon Another Time

Quentin Tarantino's long-awaited first work of fiction - at once hilarious, delicious, and brutal - is the always surprising, sometimes shocking new novel based on his Academy Award-winning film. **RICK DALTON** - Once he had his own TV series, but now Rick's a washed-up villain-of-the-week drowning his sorrows in whiskey sours. Will a phone call from Rome save his fate or seal it? **CLIFF BOOTH** - Rick's stunt double, and the most infamous man on any movie set because he's the only one there who might have gotten away with murder . . . **SHARON TATE** - She left Texas to chase a movie-star dream, and found it. Sharon's salad days are now spent on Cielo Drive, high in the Hollywood Hills. **CHARLES MANSON** - The ex-con's got a bunch of zonked-out hippies thinking he's their spiritual leader, but he'd trade it all to be a rock 'n' roll star. **HOLLYWOOD 1969 - YOU SHOULDA BEEN THERE**

Once Upon a Time

Moo's Law is the latest title from successful investor Jim Mellon, to help readers understand the investment landscape in cultivated and plant-based proteins and materials. Jim has a vision that within the next couple of decades world agriculture will be radically transformed by the advent of cultivated meat technology. This book grounds the reader in why such an advancement is absolutely necessary and informs them of the investments they could make to become part of the New Agricultural Revolution themselves. The harrowing effects on our environment, animal cruelty in food and fashion, and the struggling ability to feed the world's ever-growing population gives us no choice but to grow meat in

labs or derive our proteins from plant-based sources. Not only this, he outlines what he sees as the major hurdles to the industry's success in terms of scalability of production and the smart designing of regulatory frameworks to stimulate innovation in this sector. The future of food is being developed in labs across the world - it will be cleaner, safer, more ethical and, importantly soon, cheaper too! Once price parity with conventional meats is reached, there will be no turning back -- this is Moo's Law™.

Once Upon Another Time

SOS FROM A FUTURE THAT WILL NEVER BEIt's amazing enough when Murdoch Ross's brilliant grandfather invents a machine that can send messages to itself in the past or the future. But when signals begin to arrive without being sent, Murdoch realizes that every action he takes changes the future that would have been...and that the world he lives in has already been altered! Then a new message arrives from the future: The world is doomed!

Once Upon a Time in Hollywood

From the instant #1 New York Times bestselling author of the "eerie and fascinating" (USA TODAY) *The Thirteenth Tale* comes a "swift and entrancing, profound and beautiful" (Madeline Miller, internationally bestselling author of *Circe*) novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter's night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son's secret liaison stand ready to welcome their granddaughter. The parson's housekeeper, humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone's. Each family has mysteries of its own, and many secrets must be revealed before the girl's identity can be known. *Once Upon a River* is a glorious tapestry of a book that combines folklore and science, magic and myth. Suspenseful, romantic, and richly atmospheric, this is "a beguiling tale, full of twists and turns like the river at its heart, and just as rich and intriguing" (M.L. Stedman, #1 New York Times bestselling author of *The Light Between Oceans*).

Moo's Law

Once Upon the Future is an anthology of fictional stories written for children age 7-12 inspired by the research of six sustainability scientists. Each story is sprinkled with humor and magical realism, enlivened with beautiful illustrations, and complemented by educational resources. Using simple yet vibrant language, the stories convey insights on circular food economies, rural development and cultural textile traditions, forest commoning practices, biodiversity conservation and regeneration, youth in urban governance, and the importance of values and imagination for sustainability leadership. Close your eyes. Imagine you're sitting around the fire in the forest. Firelight dances over your face, sparks float in the darkness, and the magic of storytelling begins... Join Charlie, a big nosed carrot, as he battles the gang of plastic bottles and searches for the great compost heap. [The Magic Jumble by Anastasia Papangelou] Follow Alma and Helio as they discover magical creatures and secret natural realms, while searching for the Skunk Cabbage, rare plant that can save their forest from destruction. [Alma in the Woods by Angela Moriggi] Meet Olivia who never spends time outdoors until a new classmate from a distant land shows her the joy of street play. [The City's Heartbeat by Lorena Axinte] Gather around the campfire to hear one-eyed Aunt Bloom tell stories of a secret society - the Cosmos Mariners - who battle the Hungry Ghosts destroying our planet. [The Legend of the Cosmos Mariners by Kelli Rose Pearson] Go through a magic portal into the Wood Wide Web with Brunaia - a girl who has fused with a young oak tree to restore the lost equilibrium between humans and forests. [Brunaia by Marta Nieto Romero] Attend a fashion show with young Jaime, who has put his reputation on the line to show off his grandmother's traditional linen. [Fashionista Jamie by Alessandro Vasta]

Thrice Upon a Time

This nostalgic text brims with gentle philosophies and descriptions of how we used to live — self-sufficiently — on land, in homes, and among things built by hand. The author's charming illustrations celebrate our heritage and the spirit that nurtured it, but also recall the vanished joys of America's pioneer past. 44 line illustrations.

Once Upon a River

How far would you go for happily ever after? 'An unputdownable fairy tale' Kerri Maniscalco, New York Times bestselling author of *Kingdom of the Wicked* From the #1 Sunday Times bestselling author of the *Caraval* series, the first book in a new series about love, curses, and the lengths that people will go to for happily ever after. For as long as she can remember, Evangeline Fox has believed in happily ever after. Until she learns that the love of her life is about to marry another, and her dreams are shattered. Desperate to stop the wedding, and heal her wounded heart, Evangeline strikes a deal with the charismatic, but wicked, Prince of Hearts. In exchange for his help, he asks for three kisses, to be given at the time and place of his choosing. But after Evangeline's first promised kiss, she learns that bargaining with an immortal is a dangerous game - and that the Prince of Hearts wants far more from her than she pledged. He has plans for Evangeline, plans that will either end in the greatest happily ever after, or the most exquisite tragedy . . . McManus, #1 New York Times bestselling author of *One of Us Is Lying* 'A deadly, addictive, and utterly enchanting fairy tale. Loaded with magic and steamy slow-burning romance, I couldn't put it down' Mary E. Pearson, New York Times bestselling author of *Vow of Thieves*

Once Upon The Future

In the village of Giant's Hand Jack's grandfather has been pushing him to find a princess and get married, so when a young lady falls out of the sky wearing a shirt that says "Punk Princess," and she tells Jack that her grandmother, who looks suspiciously like the long-missing Snow White, has been kidnapped, Jack decides to help her.

Once Upon a Time

If you like your westerns with a splash of magic, a touch of steampunk, and plenty of passionate romance between men, hold on to your hat! The West is about to get weird.

Once Upon A Broken Heart

Immerse yourself a highly unusual fairy tale by New York Times bestselling author Roshani Chokshi. Once upon a dream, there was a prince named Ambrose and a princess named Imelda who loved each other... But alas, no more. "What a witch takes, a witch does not give back!" their friends and family warn. They resign themselves to this loveless fate... A year and a day pass. And then their story truly begins... Embark on a perilous journey with Imelda and Ambrose as they brave magical landscapes and enchanted creatures on their quest to reclaim their heart's desire...But first they must remember what that is... Perfect for readers looking for: A fresh, magical fairy tale Love so strong, it breaks a witch's curse An enchanting world to escape to A delightful cast of magical characters Compelling storytelling from a beloved, bestselling fantasy author Praise for Roshani Chokshi: "Reading Chokshi's prose is like sinking deeply into a plush, purple velvet sofa...lavish descriptions wrap you in sumptuous sensory detail."—New York Times "Vivid and lovely writing."—Entertainment Weekly

Half Upon a Time

WELCOME TO STORYBROOKE For Emma Swan, life has been anything but a fairy tale. She's been alone since she wbe with her one true love, Price Charming, but the Queen was abandoned as a baby-that is, until the night of her twenty-eighth birthday, when Henry, the son she gave p for adoption ten years ago, appears on her doorstep. Henry takes Emma back to his home in Storybrooke, where he insists all the town's residents are actually fairy tale characters, cursed to forget their true identities,

and Emma is the only one who can save them... In another world, and another time, Snow White is a bandit on the run, forced into exile by her stepmother, the Evil Queen, Snow will do anything to stop at nothing to destroy their happy ending

Once Upon a Time in the Weird West

Time flows in one direction: toward the future. However, some physicists have shown that much of what we believe about time is just an illusion. Time may not flow at all. Our past may still exist.

Once More Upon a Time

A Once Upon a Time Tale: Reawakened
